# 1 – No One Person Can Speak for All

Greetings:

“P” to All – Brother “T” say this for me to All – Please!

To those of us who are true Christian Spiritualist's, surely, we must have come to understand one fundamental Truth, and that is, that no one person regardless of his or her position or stature can speak for all men or women.

How misguided – how stupid – how misled – True Christians have become to believe that the Supreme Spirit does not listen to the prayers of those who are not as we are. Jesus was and is a Jew! I Paul is a Jew! A “true” Christian Spiritualist does not communicate effectively or truthfully through words and the preaching of Gospels, but rather through example. True Christian Spiritualism clearly teaches those of us who listen – who pay attention – who see – who may or may not hear at the moment that a man of a very humble nature some 2000 years ago gave his life for All.

To our sisters and brothers who are not of our Faith – know that we, as good and true Christian Spiritualists love and accept All who Love God. True Love is not closed minded but is open to and understanding of All Faiths and All People.

Now, in closing, allow me to say this.

I “P<sub>z</sub>” love You.

It is no small job to imitate our brother, Jesus – but it is in the trying to, that makes us “true” Christians, and that’s truly the good news.

I Love You – Come See Me!

## 2 - Prayer for Grace

Preserve us, “O” Supreme Spirit, for in your existence, lies our salvation.

Today, amongst brothers and sisters and our children we are happy - let us break bread together and enjoy - not only enjoy each other’s companionship but yours dear spirit - may we, in full fellowship, eat this meal with you.

As for me, I will behold your likeness in righteousness - I shall be satisfied, when I awake, with your likeness.

Grace - All of us are thankful for this table - Amen!

Let us eat, and enjoy, one another’s company - let us be united.

### 3 - The Lord's Prayer

Our Father who art in heaven; in the angels and in the spirits - enlightening them unto wisdom, for thou, Father, art light-kindling them unto Love, for thou, Father, are Love - dwelling in them and fulfilling them unto perfection, for You, Father, are the Supreme good - the eternal good - from whom is all good without whom there is no good.

Hallowed be thy name; Let the knowledge of You be bright in us - that we may learn what is the breadth of Your benefits, the length of Your promises, the height of Your majesty and the depth of Your judgments.

Thy Kingdom come; that you may reign in us through grace and make us come to Your Kingdom - where there is a clear vision of You, a perfect love for You - a blessed fellowship with You - an everlasting fruition with You.

Thy will be done on earth as it is in heaven; that we may love You with all our heart - by always remembering You - with all our mind and spirit by always desiring You - Yes, with all our minds by directing all our intentions to You and by seeking Your honor in All things - with all our might - by spending all the strength and powers of our total being in the service of Your love and nothing else - and that we may love our neighbors as ourselves - doing our utmost to draw

all of mankind to You - rejoicing in the good of others as in our own - having compassion on them in adversity - and giving offense to no one.

Give us today our daily bread; that is - Your beloved Christ-Jesus - for the remembrance and understanding and worship of his love and of the things which Christ-Jesus said - did - and suffered for all of us.

And forgive us our debts; by Your ineffable mercy - in the Power of the passion of our beloved Christ and through the merits and intercession of all of Your elect.

As we forgive our debtors; and what we do not fully forgive - make us - make us forgive in full that we may truly love our enemies for Your sake and make honest intercession for them with You - that we render not evil for evil - but that in You we strive to help all.

And lead us not into temptations; hidden or manifest - fugitive or persistent.

But deliver us from evil; Past - present - and Future - Amen!

“P<sub>z</sub>.”

## **4 - Addition to the Lord's Prayer**

This is an addition to the Lord's Prayer interpretation that I gave you on April 26, 1982 - I respectfully ask you to present this to the members of the Church of the All in All at your convenience. May I suggest to you this format:

- 1) Read Matthew Chapter 6.
- 2) Read Matthew Chapter 18 - verses 21 through 35.
- 3) Read the interpretation (paraphrase) of the Lord's Prayer.
- 4) Read the following: "And lead us not into temptation." What does this mean? It is quite wrong for man to come to the conclusion that God would ever lead him into temptation. God tempts no man. In this case, owing to a very doubtful transcription, the unfortunate choice of the word tempt was made. The right meaning would be something like confusion, going astray, looking for the light on the wrong path. Hence the petition would be "let us not choose wrong paths and seek in the wrong direction, nor lose, waste, and fritter away our lives in this manner, but restrain us, if necessary, forcibly, even if the process causes us pain and suffering." We should have realized that this is what is meant by the wording of the next sentence which evidently belongs to it: But deliver us from evil. The little

word but is a clear proof of their connection, and the meaning is identical with may we recognize what is evil, at whatever cost, even at the cost of suffering and pain. May the inflexible law of returns touch us every time we do evil, for in recognizing our evil lies release also for those who are earnest seekers.

Now we know that the Lord's Prayer is attributed to Christ-Jesus according to the Gospel of Matthew - We also know that this Gospel is laced with many errors, many glosses, deliberate additions to suit a need of someone, and some deliberate deletions.

We must recognize and must never forget, that in praying properly speaking, we are only seeking the power to realize ourselves what we are praying for.

Love,

“P.”

## 5 - Spiritual Mind Healing

Greetings:

Good morning and welcome - one and all - to the Church of the All in All, to the Family of Christ and I Paul, to the Teacher of Teachers' Meeting.

When you have nothing, you have nothing to worry about, but when you have something worth keeping, you have much to be concerned about and safeguard. You see, the higher the truth you are considering, the less commonplace must be the explanation of it. You must be prepared to accept the Message or give up all hope of arriving at a right understanding - thinking, if you like - of the truth; and, of course, the True Gospel, Peace, Unity, Fellowship, Love. The fact that the true fellowship, the Unity, the Faith, the Love lies strictly in both the human and the spiritual life - it, all of it, calls for thinking - and thinking calls for many things. Let us, this morning, address ourselves to both aspects of these requirements; meditation - thinking. What is meditation? What is thinking? Let me take on one at a time or allow me to intertwine the two.

Now I think, but I also dream. Did you ever know that meditation, true meditation, is a miracle? Now what is a miracle? Good question. Well, a miracle is an event of the

Supreme Spirit, not of Christ-Jesus or I Paul. Think on this and learn. His redemptive purposes, through the release of certain energies which belong to a plane of a higher purpose than one with which we are more familiar, is a miracle.

A thought, then, is a miracle! Think about this, for that is a miracle in itself! Brought back to the wholeness and perfection of thought that was gifted to us all and righteously so. It is what Jesus said and meant by “Be you therefore perfect, even as your Father which is in Perfection, Is.”

Your faith can make you whole; it's your thinking that can make you unwholesome, or perfect! It is when the truth makes us free, we can approach towards the transcending of three physical laws, rules and regulations and pass through the height of divine consciousness.

You wish to see the “Light”? Then open your heart, your minds, your ears. Welcome! Let there be such.

Throughout this teaching you may hear the word perfect and well you may ask “How can life be perfect when it is, as we know it, full of evil, sickness and all kinds of shame and suffering”? Well, first of all, human judgment considers the word “perfect” a relative term. I am using it as “Ultimate Perfection” which is at the center of all life. It was called, by one some time ago, as the divine prototype! I

repeat the words of Jesus - "Be you therefore perfect even as your Father which is in Heaven is Perfect." You see, it was an understanding of the Divine Perfection which enabled Jesus to perform instantaneous healings. Even a glimpse, a thinking, of such perfection is reflected as some manner of healing in the lives, the minds, the affairs of all men and women to this day.

Now, allow me to tell you that this is where thinking comes sharply into focus - You think even when you do not think you are - such as daydreaming or "asleep dreaming." There is not a moment in your life that you do not think - even in those periods that you are being guided! Even in meditation periods, you are thinking, like it, accept or not, it is the truth. Why? You could not exist unless this was the truth.

But allow me to tell you that thinking is no easy road. That's one of the reasons that meditation crops up. It simply helps to unite the opposites! The minds! The twins.

Now let's speak about or address ourselves to what I like to cite as Spiritual Mind Treatment.

Now what in the Universe could I be talking about? What is a Spiritual Mind Treatment? Well, simply put, it's thinking on a higher level than what you have been used to! It is an individual thought process whereby the full person's

thinking is directed away from the self, the want or pressing problems and put in the direct scope of Divine Consciousness, thereby allowing you to express your highest righteousness. Spiritual Mind Treatment (thinking-meditation) whether for the true self or another, is a specific clarification of the minds, so that the Divine Perfect action of the Universal Mind Power can enter in.

Now what are you, dear friend? A being?

Yes, you are “a being,” but you are a spirit, living in a mental world, expressing on a material level through a physical body. “A being” – now simply “think” on this and “meditate” on this. And, come home to it in thought and beyond, both in unity, peace, love and understanding as the Message has taught us. You see, dear friends, everything should be made as simple as possible but not simpler.

Now in the Message we have a foundation of understanding. But let’s define our terms! Let us begin with the term miracle. What is a miracle? A miracle is any dramatic change in body or affairs that appears to be supernatural because it is beyond explanation. A miracle is a law-abiding event by which the Supreme Spirit accomplishes its redemptive purposes through the release of energies which belong to the Plane of being higher than that with which we are normally familiar.

Redemptive means being redeemed from our foolish ways and brought back to the wholeness and perfection that is rightfully ours. It is what Jesus means by Be ye therefore perfect, even as your Father which is in Heaven is Perfect; It is: Thy Faith hath made you whole; it is when the truth has made us free; it is the transcending of physical law to the higher or Divine law. Throughout the Message you will find the word “perfect,” and many have – “How can life be perfect when it is filled with evil, sickness, unrighteousness and all manner of suffering?” Human judgment considers the word “perfect” a relative term. But the Message uses it as Ultimate Perfection which is at the Center of All Life.

I repeat the words of Jesus – “Be ye therefore perfect as your Father who is in Heaven is Perfect.” – That was simply an understanding of the Divine Consciousness which enabled Jesus to perform instantaneous healings, even a glimpse of perfection is reflected as some manner of healing in the lives and affairs of men and women.

So, what is a Spiritual Mind Treatment? Is it a Message? Is it Faith? Is it Hope? Is it Love? Yes and No! But it is thought, thinking, meditation, prayer, understanding, unity and an individual process before it becomes a Universal process and therefore collective! But it is more! Ever hear about contemplation? Have you ever practiced the presence of God?

You see, your thinking then is directed or, if you wish, guided away from your wants or petty problems or self and you are placed in alignment with the Divine Consciousness - if you are true, your needs will never be forsaken!

Now "P" challenges you, any one of you, to go out into the world and buy a better "Life Insurance Policy." I defy you to do so. O' Saul, O' Saul, why do you kick against the pricks? Now let us continue in our revelation of the Message of I Paul. But yet - first - before we go any further, allow me to say that Brother "T" will be given and will retain (not must retain, will) certain pertinent truths that will, beyond a doubt establish and prove the creditability of the Chief Patriarch and the Church of the All in All. But that's not the theme of what we are attempting to say herein, yet it will be the major subject of one of our next communications - "If."

So, what is truly Spiritual Healing? Your "minds" dear brothers and sisters, your minds!

Spiritual "mind" Healing is a healing accomplished through a changing of the mind (physical).

You see, it is an establishing of a consciousness of wholeness in the invisible realm of mind that is bound to produce a corresponding effect upon the body of affairs. Man is a triune being, he is a spirit, living in a mental world, expressing on a material level through body and? - What a

question here? That's two questions in a row - Let us make it three! What is Universal Mind Power? The Message tells us, or attempts to, but do you really know what it is?

Universal Mind Power is an all-inclusive term encompassing all that the Supreme Spirit is - Omnipresent, Omniscient and Omnipotent. Now what does all this mean?

Well, Omnipresent means everywhere present - there is no place where He is not.

Omniscient means All knowing, encompassing all Wisdom and Intelligence. Omnipotent means All Power - "All Power is given unto me in Heaven and in earth," said the man who best understood the Omnipotence of God. The Messiah.

So, you see, every "Treatment" should be based on an awareness of the Three Omni's, as well as the attributes of God.

We created in the Image of our maker, Spirit, have inherited such attributes as Spirit, Mind, Life, Truth, Peace, Light, Power, Joy, Wholeness, Beauty, Faith, Hope, Charity. We should All demonstrate such.

What is Demonstration? It is any change in the physical, material or visible circumstances that is the manifestation of an awareness of one's inner perfection. It

is the evidence of Truth realized in consciousness. Any Healing of Mind, body or affairs is commonly called a Demonstration. What we are truly attempting herein is to get people to understand their true nature and live it! You see, for too long man has allowed himself to be a pawn of the elements of the world and has not taken his rightful position as a True child of God.

The word tells us that we were made in the image and likeness of our Maker, endowed with all the attributes of the Supreme Spirit - "So God created he them - and God blessed them and spoke unto them - 'Be my children - go forth together and make my lands fruitful - for I see what I have created, and I know it is beautiful and Whole'."

Now, in its deep esoteric meaning, all of the above means that we are, we must have dominion over our conscious thoughts as well as over our sub-conscious thoughts and our effect upon the Universe. He said, "By their fruits you shall know them."

Now I intend to awaken you all to the fact that you need not remain in bondage to your own negative thinking nor to the foolish conditions and circumstances that you have ignorantly brought upon yourselves.

You see, man is not the creature of circumstances - circumstances are the creatures of mankind! As I Paul spoke

to the Galatians, allow me to repeat – “Stand just therefore in the liberty wherewith Christ has made us free and be not entangled again with the yoke of bondage.”

You see, we are talking about Spiritual Freedom – the Freedom of the sons and daughters of God. All of us need to stop now and then and remind ourselves that we are not in bondage to circumstances, not to situations involving people. No, not even to conditions of the body that seem so real.

We are free with the Freedom of the sons and daughters of the Supreme Spirit, children of the Most High. As such, we have been given dominion over our lives and our circumstances. Right within our self-imposed bondage, we can find the Freedom that we seek.

Once we find the Freedom, our Freedom within the outer must always conform to the inner. If it takes a miracle, well and good. The time is coming!

I know thy works – Behold – I have set before you an open door – one that no human can close. For you have such weak, little strength – yet, have you kept my word and not denied my presence? If so, behold, I open a door for you in Heaven, and once open, it can never be denied.

Now dear companion, you have been delegated a life-

line – It may not be a pleasant one; you may not enjoy life at all. Courage and show it. We will walk with you. Now the only thing we demand is that you keep the Faith, the Hope and the Charity and all those three words imply.

Allow me to question. What Hope was there for a person like I Paul who was cruel and crude and crass? Where did his Faith come from? Where did his Charity come from? How? Why? He was Spiritually dead, yet he completely turned around. He became humble, he became brave, and he became a child – a True child of the Supreme Spirit, Totally.

You see, Jesus was looking for him, and yes, he found him – Oh did he ever! And once he had Christ-Jesus, he had Life and he turned from Saul to I Paul. You, too, have walked to Damascus and been blinded yet today you see. Just as brother Paul in all his crudeness came to understand and then serve, so can you – let it be so!

Now do you see? Do you hear? Can you now understand, and can you join? Can you speak out? Can you listen? Can you give and can you also receive? Space will tell.

Now Spiritual Healing and its higher partner, Spiritual Mind Healing, is no new philosophy. It's been alive and well for "time" immemorial.

Now listen. Judge not and you shall not be judged – but

accepted. Hate not and you shall be loved and cared for. Be not a fool and you shall be that which has always been desired.

Now Spiritual Mind Healing is the healing of the whole person - it may be instantaneous or emerge gradually over a period of "time." Many such healings are considered to be miracles simply because medical science is unable to explain them from the scientific viewpoint.

Now think of this truth: A True Spiritual Healing takes place through the changing of the mind (lower mind).

The word was given a long time ago - "Repent, the Kingdom of Heaven is at hand." To repent is to change one's mind and take a right about face in one's attitude to life. This is what happens when one is ready, open to accept a Spiritual Mind Healing. Without a total open mind, you cannot receive, never, unless someone else intercedes for you at their own expense. Take a good look at the throne of Jesus - a Cross - and his crown - thorns - can you so endure? Sure, have the courage to endure, but why? It's been done for you. Why not go forth and teach and preach what the Throne and the Crown mean! Do you have that courage and that respect? Well, let me tell you that you must first have the courage to endure before you can receive a Spiritual Mind Healing. The mind's road to the Supreme Spirit

through Christ-Jesus requires a Spiritual Healing - a healing to cure your blindness, your deafness and your stubborn unrighteousness.

It's no secret that humans are not able to overcome their spiritual and physical blindness, deafness, etc., merely by a great exertion of the physical mind. It takes a Spiritual Mind Healing. The Supreme Spirit's splendor lies open before Christ-Jesus alone - and only those persons who are united with Christ-Jesus in Faith and in Hope and Love can share in The Vision. Faith, Hope and Love are the Spiritual Senses which restore mankind's power to see and hear, taste and touch the reality of The Supreme Spirit - Faith, Hope and Love are the Foundations of a Spiritual Mind Healing.

Now the Message of I Paul clearly cautions us not to rush forward blindly. In fact, it tells us to forsake the forwardness and aim upwards. Have any of you come to realize that upward is inward? Let me enlighten you. We hope the following will help you to better understand terms having to do with spatial or local references, such as progress, ascension, lifting up of your hearts and minds, etc. You are not going to meet the Supreme Spirit in outer space, in fact or in imagination, but within yourselves. Ecstasy, in its proper meaning, ought really to be called home-coming, when the true self stands in God's Presence.

When you endeavor to lift up the eyes of your mind to things unseen, you have regards to similitudes from the visible things, as if they were as many steps toward knowledge. Thus, when you speak of something as “the highest” in Spiritual or invisible matters, this does not mean something located above the pole of Heaven, but rather “the inner most.” Hence, to ascend to God is First in reality to enter the true self. And not only this, but, in some indescribable manner, to pass beyond the self in depth. He or she who, so-to-speak, enters his or her own true self and through the senses of his or her body, goes out with desire toward the visible things, which are passing and perishable, he or she truly declines from his or her natural dignity to that which is low and base.

That which is innermost is also nearest and highest and eternal.

That which is outermost is lowest and remote and perishable. To shift, therefore, from the outermost to the innermost is the same as to ascend from the lowest to the highest and to recollect oneself out of a state of dispersion, confusion and instability. Knowing as you do that the world is external to you, while God is inside, when you turn from the world to God and lift yourself up from that which is lowest, you must pass through the self – and thus, when you withdraw from the outer things which are transitory, it is as

if you are riding the waves, till you reach the calm that is within you. Believe us, upward is inward!

Now let us tell you this. The Supreme Spirit is and always has been. With the Supreme Spirit there is no time, there is no space. You can be healed - right now even - wherever you are! Spiritual Mind Healing recognizes that every thought and feeling you have, activates a Universal Law of cause and effect, which then creates circumstances in our lives corresponding to what you think and feel. And if you desire to change your circumstances, you must change your thoughts and feelings which caused them. You are free to do this at any time.

But what happens when you are overwhelmed by problems? When you are confused and troubled by the very thought or feelings you desire to change? What should you do? First you need to exert a calm but impassioned ethical and spiritual reasoning while engaging in your semi-silent preparation. You see, the Message, like the True Gospel, is nothing until someone truly hears it.

You must not be in flight from responsibility. You must not forsake your commitments as humans to humanity and your commitment to shape your lives to Christ's expectation of you, which is perfection, for that is remaining faithful to his truth.

Preparation is, as you know, Eternal and a necessity of attaining perfection and perfection in preparation is a prerequisite to the obtaining of the New Worlds. It requires change.

You see, you are all searching for something, but you stand still. I tell you what you seek will not come by waiting for it. You must exert the effort - you must be Action. You must change! Neither shall you find what it is you are searching for by saying lo, there it is, lo, here it is. What you are so eagerly looking for is spread out before you, so visible you render it invisible and fail to comprehend it. Recognize what is in your sight and all that you believe is hidden from you will become manifest, but first you must change and place your selves in a state of supererogation.

Harmony knows nothing of discord but all of you do! Love has never heard or hate but all of you have. The Supreme Spirit knows of no devil but some of you used to and millions of so-called Christians profess to know him or of him. God is transcendent and imminent and omnipresent. It is only as you translate the commonplace into the terms of the transcendence that you shall recognize and realize the imminence. It is only when you elevate the commonplace to the mountaintops that you shall understand and enter into the transcendence. For they are one and the same - equal and identical, even as the Supreme

Spirit is equally omnipresent throughout the vast cosmos – not moving but causing everything within it to move. Every day is a fresh beginning. Every day is the world made new and when you discover that split-second beyond “time” that Christ-Jesus, I Paul and all the great, good and wise have told you about. That moment in the Eternal present when you are no longer conditioned by the past and when anticipation of the future does not condition the present – you shall be free.

All creation, in my estimation, is the expression of the Supreme Spirit – a Self-expression of the Infinite – the articulation – that which needs instrumentality for its own identity. Therefore, only as you, with wonder, reverence and enthusiasm identify yourselves with the living Spirit can you hope that the Living Spirit, through this instrumentality, shall shape the course of your existence and sing the song of Eternity to you, identified with Divine givingness, the human you surrendering yourself to intuition will hopefully learn to speak the language of Eternity. This is one of the greatest revelations you can have – find one man or woman or child who has become acquainted with the Divine Presence and you will learn more from him, if you pay strict attention, than from all the books you can ever read. There is an integrity beyond yours – there is an imagination beyond yours – there is a feeling deeper

than yours, and yet you are, or by now should be, akin to it. Whoever listens closely to his own spirit shall hear a song no one else can ever sing. Who listens to the harmony of his own being - though he or she be in the desert or on the mountaintop alone, shall compose a symphony which no instrument can ever be attuned to - for it can be played only on the harp strings of his or her own heart and understood only by their own minds. There is hidden within the minds of all of you a Divinity. There is incarnated in all of you that which is an incarnation of spirit; this Divine incarnation is not a projection of the Divine into the human, for we have learned that God cannot project Himself outside of Himself. There is and can be no such thing as a distinct or separate individual that would be separate from the Universe. An "individual" means something separate from something else.

Man is not an individual in God, for this would presuppose isolation and separation and disunion. You are an individualization of God.

Unity permits of no division. Let me put it this way: the altar of God will not accept any gift made in isolation, of fear or appeasement. It is only the pure in heart, the child-like mind and the meek who can see Him.

There is no arrogance in spirituality for intellectual

arrogance is spiritual blindness and whoever is spiritually blind cannot be the recipient of a Spiritual Mind Healing. Whoever is Spiritually deaf is also precluded from receiving a Spiritual Mind Healing as are all of the unrighteous and part-time Christians. We hope that all of you clearly understand that the Spiritually blind, deaf, intellectually arrogant, the unrighteous and the part-time procrastinators must change. Such as these who will exert the honest effort on a full-time basis will be lovingly assisted and guided into the Light and toward a Spiritual Mind Healing.

Keep in mind that we serve a Christ of a second chance - one of forgiveness, after all, how many times did he say "I forgive you - go now and commit no more evil?" The only catch here is that you must accept, unconditionally, the forgiveness and then yourself become a forgiver.

Now as we said, there is no arrogance in spirituality - for intellectual arrogance is spiritual blindness. The stupidity - the ignorance - the futility - and the littleness of the intellect is a crime against the spirit - a denial of that sublime thing within you which wants to take flight to more of the complete, more of the perfect.

What was it that Christ-Jesus proclaimed? "I am the way, the truth and the life; no man, woman or child cometh

unto the Father, but by me.” He was not talking about Jesus - he was talking about you. Christ-Jesus gave you back to yourselves. How are you ever going to consciously reach God other than through your own nature? There are no prophets other than the wise. There is no God beyond truth and no revelation higher than the realization of the Divinity within us. That which the ages have failed to reveal you must reveal. Each to him or herself, in the secret chamber of their heart - the secret place of the most high - where only and alone does one abide under the shadow of the Almighty. This aloneness is not loneliness. It is the one all-inclusive, all-penetrating unity of everything that is. This was the claim Christ-Jesus made upon the Universe. And you must do the same. Identify yourselves with the same presence. The same spirit and the same principle. The mind and the spirit cannot help but generate love. Since you are one with All Life, you must fully express the most life you can. Your life is our life - our life is your life - we cannot leave you out and understand ourselves. You are incomplete. Some of you are lame and blind and halt without inclusion. Your littleness, the narrow vision of your perspective causes the horizon of God’s boundless skies to press so close to you that you are suffocated by that which alone can give life. You must reverse the process. The eternal, the everlasting, the infinite knows nothing about your little ways, your petty thoughts,

your little divisions and subdivisions that stifle the mind, the thought process and the imagination. You have tried to contain the infinite in a small measure that will not hold it. You have tried to reduce the eternal to the level of the temporal, and the temporal cannot contain it. In your anguish you have beseeched the living God to save you from limitation, but it is you, alone, who can free yourselves.

Some day when you come to the great reality in adoration, having surrendered your littleness, your fears, your longings, your heavens and hells, when you come naked and clean and unafraid, then shall your horizon be extended, and the night shall cease. Then shall your valleys be elevated to the mountaintops and God Himself shall go forth anew into His creation through you - lighting your path to the indwelling city of God at the center of your own being. You will never realize the fruits of your inherent abilities unless you move toward them and away from your self-inflicted stagnation. Effort - Action - Change is a way to a Spiritual Mind Healing also.

What would you say and how would you respond if someone were to inform you that you have the freedom, at this very moment, to experience the reality of your true self? Well, prepare yourself, because you do have this freedom and you can make a decision now to open your mind to a life without limitation. It is a common belief that a person must

grow into understanding or must build a consciousness of wholeness and maturity. The truth is that behind the facade of personality, emotions and mental states there resides a bright, whole, functional and healthy being awaiting the opportunity of total freedom of expression. This being, this true self of every person, is a specialized unit of awareness called spirit. The spirit is extension into mind and matter, of God consciousness. The natural inclination, the natural urge and tendency of the spirit is in the direction of awakening, unfoldment and final completion of its destined purpose. Therefore, no person can possibly fail to eventually experience the true self. When the true self is experienced, it is largely determined by the individual's willingness to accept the freedom and wholeness. Many of you say you want to be free, but you are not willing to accept freedom, or you are not willing to release concepts, feelings and attitudes which prevent unrestricted expression.

Many, during a moment of honest reflection, will admit that they have been so accustomed to limitation, to problems and routines, that they have grown comfortable in their small world of relationships and habitual schedules. What we are here proposing is honest self-evaluation and the cultivation of an attitude which will allow you to make changes in your inner and outer life so that the real you, the real being, can be allowed to awaken, unfold, and fully

express the grand potential. We want to make it very clear that it is natural for you to be healthy, happy, functional and totally free.

Now we did not say that it was normal to be this way. To be normal, in your society, means to adapt and to relate in a manner which is acceptable to the majority of other people. To be normal is to get along, to survive, to cope with life's little challenges and to make it to the grave without too much unhappiness. Millions of men and women live "normal" lives, and they are satisfied, after a fashion, to do so. Out of the millions who share this planet there are many who are not living a "normal" or fruitful life, instead they are leading lives of quiet desperation or they are functional neurotics. Some, of course, among the many, cannot even function, so they either become psychotic or they die. Very few men and women live as they were designed to live, with total awareness and total freedom and understanding.

Now we are purposely stressing the ideal of experiencing the true self rather than knowing about the true self. You may acknowledge the truth of being, but still not be able to experience it. It is very interesting to realize that each person is already the true self, even when this is not known or experienced. What has happened in many instances is that the true self has become muted by the person's mental concepts, poor attitudes, sub-par feelings

and poor relationships, which have blinded the person to truth and reality; or one may have grown accustomed to playing a certain role in order to cope and relate. Such a person may say “I’m doing my own thing.” Of course, this person is doing his or her personality thing, but he or she are not doing the true self thing. Are you one of these? Just as you are already the true self, whether you consciously know it or not, so are you already living in the present moment, even though you may be mentally and emotionally involved with past experiences or future dreams. You have all known people (perhaps you are or have been one) who almost constantly think of the past or who almost constantly think of the future, but who seldom appreciate and acknowledge what is presently unfolding about them. They may say they want to live fully, and they want to experience freedom, but they somehow are unable to grasp the fact that what is currently being experienced (or what can be now experienced) is the only real opportunity to know what life and living is all about. To live fully in the present, you must come to terms with past experiences and relationships and have a reasonable outlook concerning future possibilities. If you have not resolved conflicts and emotional reactions relative to past experiences, you will not only be unable to live fully in the moment, but you will be suppressing energy and creative talents because of

mental and emotional unrest.

While fully experiencing the moment, you should have a fairly clear idea of what the near and distant future hold for you. You do not have to specifically outline the future, but you should, by now, be able to anticipate it. How do you handle yourself within relationships with others and your world? Do you feel defeated, and do you think in terms of being at the mercy of circumstances? If so, you are a prime candidate for a Spiritual Mind Healing, but you must institute the necessary preliminary steps in order to become eligible.

It's true that most people do not feel entirely defeated, nor do they feel completely free, they just live day to day and try to cope with whatever needs to be handled. To cope means to struggle or contend on almost even terms, with sometimes success and more often failure. You deserve better than having to forever cope with life. Remember, you are designed to be free. You possess all of the talents and all of the ability to be master of your own mind, emotions and actions. If you are willing to order your thoughts, adjust your mental attitude, maintain emotional balance and become involved in living a creative, purposeful life, you will experience fulfillment not known to your peers. This has been known for ages, but even in today's world, only a few out of the many are able to experience the true inner self

and function as a free being.

We hope that you are one of the few out of the many who will respond to this Message and make an inner agreement to unfold your potential in order to experience your destined freedom and eternal life. You do this and you will receive a Spiritual Mind Healing. So be it!

In Love, Peace, Harmony and Understanding,

Spirits and “P<sub>z</sub>.”

## 6 - What is the Peace of God?

Greetings:

It has been said that there is a kind of Peace not of this world. How is it recognized? How is it found? And being found, how can it be retained? Let us consider each of these questions separately, for each reflects a different step along The Way.

First, how can the Peace of God be recognized? God's Peace is recognized at first by just one thing - in every way it is totally unlike any previous experience. It calls to mind nothing that went before. It brings with it no past associations. It is a new thing entirely. There is a contrast, yes, between this thing and all the past. But strangely, it is not a contrast of true differences. The past just slips away, and in its place is everlasting quiet. Only that. The contrast first conceived has merely gone. Quiet has reached to cover everything.

How is this quiet found? No one can fail to find it who seeks out its conditions. God's Peace can never come where anger is, for anger must deny that Peace exists. Who sees anger as justified in any way or any circumstance proclaims that Peace is meaningless, and must believe that it cannot exist. In this condition Peace cannot be found. Therefore,

forgiveness is the necessary condition for finding the Peace of God. More than this, given forgiveness there must be Peace. For what except attack will lead to war? And what but Peace is opposite to war? Here the initial contrast stands out clear and apparent. Yet when Peace is found, the war is meaningless. And it is conflict now that is perceived as non-existent and unreal.

How is The Peace of God retained, once it is found? Returning anger, in whatever form, will drop the heavy curtain once again, and the belief that Peace cannot exist will return once again. War is again accepted as the one reality. Now must you once again lay down your sword, although you do not recognize that you have picked it up again. But you will learn, as you remember even faintly now that happiness was yours without it, that you must have taken it again as your defense. Stop for a moment now and think of this – Is conflict what you want, or is God's Peace the better choice? Which gives You more? A tranquil mind is not a little gift. Would you not rather live than choose to die?

Living is joy, but death can only weep! You see in death escape from what you made. But this you do not see – that you made death, and it is but illusion of an end. Death cannot be escape, because it is not life in which the problem lies. Life has no opposite, for it is God! Life and death seem to be opposites because you have decided death ends life.

Forgive the world, and you will understand that everything that God created cannot have an end, and nothing he did not create is real! In this one sentence is our Message explained. In this one sentence is its practicing given - its one direction. And in this one sentence is the Supreme Spirit's total teaching, through Christ-Jesus, specified exactly as it is.

What is the Peace of God? No more than this - that His Will is totally without opposite, there is no thought that contradicts his Will, yet can be true. The contrast between His Will and yours but seemed to be reality. In truth there was no contrast for His Will is Yours. Now is the might Will of God Himself His gift to you. He does not seek to keep it for himself. Why would you seek to keep your tiny frail imaginings apart from Him? The Will of God is one and all there is. This is your heritage. The Universe beyond the sun and stars, and all the thoughts of which you can conceive, belong to You. God's peace is the condition for His Will. Attain his peace and You remember Him. And when You remember him you spread his Peace everywhere.

Peace, Love, Unity, Truth,

“P<sub>z</sub>.”

## **7 - A Message to All the Family Members**

Greetings:

Dear brothers and sisters, it has been written that hope is the blueprint of Faith. I have hope for many of you and I have faith in some of you. Yet I truly and sincerely love you all even those who constantly frustrate and disappoint me. I am deeply indebted to the Message for teaching me patience and forgiveness for without them I would be lost but they are only parts of the total whole that leads to true spiritual love. Sad as it is, I only know a few people who can actually discern and separate the different between true spiritual love and emotional physical love. Still sadder, I only know a few who attempt to practice true spiritual love.

All of us have a task, such being to transcend ignorance and transform the world, but some of you always know just enough about the Message of I Paul to make you ignorant. Haven't you realized yet that you have an obligation to be your true self? No one else is qualified. All of us have inherited this world. Have you got your share? Do you help others get theirs? Do you care enough to share with others what you have, regardless of its amount? It has been said that a poor man's poverty is his destruction. Do you contribute to his destruction?

You see, righteousness and goodness must find its expression in your activity. True Christian Spiritualism is not expressed by refraining from evil but by constantly doing “good works,” a state of activity that allows no space for evil.

Now some of you may ask, “What is a good work?” Answer – Love! Not love as an “emotional feeling” but love as an “unselfish action” on behalf of the well-being of all. I Paul, in I Corinthians 13 tells the world what love does but not a word on how love feels!

How many of you actually know what true spiritual love is? First let me tell you what it isn't. It's not how much you love God! True spiritual love is how much God loves you! I doubt that there exists a human being anywhere who can be found that doesn't have a spark of hope within them someplace.

I do know that every human being everywhere has a full measure of faith – I Paul wrote – “For I say, through the grace given unto me, to every man or woman among you, not to think of themselves more highly than they ought to think – but to think soberly – according as God has dealt to everyone the measure of Faith.” You see we all have been gifted the same measure of faith, but we do not all use it for the purposes given. There is no reward in finding the full

measure of faith within us, it's what we do with it that rewards us. Yes, there abides in us all faith, hope, and love and we know that the greatest of these three is love, agapé, charity and all that those words imply.

Now I say to you all, give me a man or a woman, who before all things, loves God with all they have, who love themselves and their neighbors in the same measure each loves God and who loves his enemy as one who perhaps may love them someday and who love their parents and their children in the flesh tenderly, on account of nature, and who love their masters in the spirit dearly, on account of grace, whose love for all creatures is regulated by their love of God, and who despises the earth, looks up to heaven, uses this world as if they were not using it, who, by a secret sense of their spirit, discerns the things which are to be used and those which are to be enjoyed for themselves so that they relate transitory means to transitory ends and only as the present need requires, while embracing things eternal with eternal desires. Give me, I say, such a man or woman, and I will boldly pronounce such as wise, who take things for what they really are, and have a right, with truth and assurance to boast saying, "God has ordered charity in me."

You see, dear brothers and sisters, God has ordered charity in all of us but, few, if any, are willing to face up to the problems such an order brings with it.

Have you not learned from the Message of I Paul that you must make a decision before you can conceivably solve any problem? The Message says clearly that “you are capable of making decisions,” why, then, do you hesitate? The longer you procrastinate the longer the problem exists, and this is one way in which you clearly prove that you are the victim of your own punishment!

I believe, dear brothers and sisters, that you all realize that your insufficiencies of faith, hope, and love are a problem, not only to yourselves, but to All in All.

Not only must you make a decision, but, in truth, you are forced to make a decision, like it or not, accept it or not, before you can solve any problem, no matter how large or small it may be!

Now I have heard from many of you the necessity of positive thinking, whether you in truth practice what you preach or do not. Now I know the necessity for positive thinking - Positive thinking is great - but you must give Action to such thoughts to make them truly positive and not simply positive negated thoughts.

I have also heard and seen some of you declare that “I am in the Way” or “I’ve been in the Way for a long time now!” Yes, I’ve said to myself, right smack in the middle of it, obstructing everybody else who truly want to be in The

Way! The right Way! The true Christian Spiritual Way! Don't be, or become, a stumbling block, don't place any barriers in your brother or sister's way. Your "time" can be better spent in helping to remove them.

Now I know that many of you live today in a state of confusion, fear, despair and uncertainty of your purpose in life. Now some of this can be traced to "our times," the recession and yes, the depression, which many of you find difficult to cope with. But you wouldn't be faced with such states of mind if you would only follow the Message of I Paul exactly as given.

Now the Supreme Will not only wants you to have much, but to have it in abundance. The key to abundance lies in your willingness to give. To give cheerfully and in abundance with no fear towards having nothing and with no thoughts of great rewards. All giving and all receiving is an independent act of humility and love and the doing of God's Will, the well-being of all, freely. Love is a many-faceted energy and devotion and one of its main facets is good will to All. Good Will is a friendly, cheerful, loving attitude of giving freely of yourself and in sharing your abundance, whatever that may be - a smile, an understanding, a listening, a welcoming, something material and so forth. No, I didn't forget love, I just believe that you all know about giving it, always and all ways. All of you are living on

something borrowed and it needs be returned. I know that some of you feel that you have nothing to give but remember what the great teacher said, "What you do for the least of these you do it unto me." Even the giving of a glass of water to one truly in need is a blessed giving! Whatever you give, you truly give to your Christ-Jesus, and such free givings as these can never be lost for the Law of Reciprocity is eternal.

You see, in the midst of all this world's turmoil, you have a Kingdom of love, truth, unity, and peace that will not, cannot pass away as this world will.

Now for those of you who are uncertain of your purpose in life, let me say this - Actions are determined by character and character is determined by purpose in life. The heart and minds should have but a single purpose in life - the soul!

Know you not, that faith is a precious gift, a walk, a pilgrimage and a steady beholding of Christ-Jesus in your minds and heart? Know you not, that Christ-Jesus is your personal introduction to God?

Know you not that Christ-Jesus is the channel of God's thoughts and his voice and that from Christ-Jesus, either directly or through your spirit guide, you receive such?

Know you not, that you set the pattern for all of this by

the extent of your faith? You have received a full measure of faith, but God measures to you, through Christ-Jesus, to the extent that you utilize the gift of faith. That is why some people have social security and others have spiritual security!

In conclusion let me say this - Get out of the “money only” syndrome. Don’t let the sun go down over you without having given something to another - Your love, your energy, your help, your gifts, yes, your coat or your shoes if need be, but give something, even a prayer from the heart. We all want daily bread but how many of us plant daily to insure the bread of tomorrow? Plant the seed today - eat the bread tomorrow! Be consistent in your giving on a daily basis and it will flow back to you a hundred-fold.

Some of you go through your cogitations, your meditations, your contemplations and your prayers as if they were rites or ceremonial rituals. Some of you don’t even bother with them or you simply do them when you feel like it.

The same applies to all the other prerequisites given in the Message of I Paul. Such prerequisites are not rites or rituals but the “home-work” of the Message, the essential training necessary for one to become a true Christian Spiritualist. Diaries anyone? Such misdirected action was

the failing of the Jews in Jesus' time and has been the failing of countless human beings ever since who pay so much attention to the externals of their religion that the inner demands are forgotten. Now all religions set forth lofty ideals for their members, but they also cloud these by setting up an immense array of ceremonial rules, that the true worship of God is secondary. All religions in the world, Christian or non-Christian have found rules, rites, and ceremonies necessary to hold on to their flocks, a battle which many of them are losing. There exists nowhere in the world a purely spiritual (in the sense of "formless") religion. The difficulty is, and probably will remain for a while longer, that so many human beings think superficially - it is very much easier to adopt a practice than to dwell on a spiritual truth. So, one of the most mournful aspects of human history is found in the violent controversies that have raged over purely external matters - rites, rituals and ceremonies! This type of mental insanity which regards specific ceremonies as of vital consequence was exhibited in Jesus' day by all the insane and silly cults, sects and religions that existed at that time and have been carried over in part to our present day and age; and it is best exhibited by those narrow-minded partisans of every type of religion everywhere.

You see, religions and religionists lead people astray;

they have been doing it for centuries. They have so many rites, rules and regulations that they have successfully and severely restricted the spiritual and social freedom of all of their adherents.

Do you know what religiosity truly is? Let me tell you. It's a cemetery with a grave upon which rests a tombstone with the word "religion" clearly and deeply cut into it. You don't learn about the Supreme Spirit or the truth about Christ-Jesus in the cemetery! There's nothing living there! All that comes out of one is dry bones! If there really was a devil that's where you would find him!

Now I don't know about you, but I do know about me - my body is going to the cemetery but my "life" is going on to a much better, a much greater Place!

Now, dear brothers and sisters, I may seem tough to some of you, but as I Paul once said, and which I also say now, I will be all things to all people that I may lead even one of them home.

Further I am a personal friend of Christ-Jesus and I would do nothing to harm that relationship. So be it.

Now everything I have written herein is covered in the Message of I Paul - do not make the mistake of taking things out of context again for it only leads you and all others

astray. Let us close with a truth that is about two thousand years old and in spite of its age it is a very important truth whenever anyone hears it - "You do not receive miracles or signs because you fear men's faces, you fear to follow my message exactly as I have given it to you. If you, and you, and you follow in my Way then you are my disciples and truly my brothers and my sisters, and you shall know the truth and the truth shall set you free."

Prepare - Follow - Come.

In All Love and All Peace,

"P<sub>z</sub>."

## 8 - What did Hinder You?

Greetings:

“Stand fast therefore in the freedom wherewith Christ has made us free and be not entangled again with the yoke of bondage. You did run well, who did hinder you that you should not obey the Truth.”

Dear brothers and sisters, do you know anyone who sounds like this: “When I pray for others they seem to get answers, but when I pray for myself it just doesn’t seem to work for me,” or “What’s wrong with me that my prayers are never answered?,” or “I never seem to get through to the spirit.” or “I used to feel that I made contact with God, but I just don’t seem to anymore.”

What did hinder these people that their prayers seemed to be blocked? If you talk seriously enough with these people you will see and hear some highly revealing remarks, remarks that indicate stumbling blocks to their prayers. Let us look at some of these.

Some prayers are what we call stillborn. People whose prayers are never answered, far from being discriminated against, are people whose minds are so filled with human judgments about themselves and others that they are unable to listen to the spirit in silence and therefore cannot

receive the reward that is there for them, the reward which comes openly. Many, such as these, are so stubborn that they insist their prayers be answered the way they want them to be answered.

When we enter our mental closet, leaving outside the problems, the fears, and the anxieties, we should be able, if we have prayed aright, to walk out of that closely completely free. The problems should not be waiting outside of the door for us. They should have dissolved into their native nothingness. Problems are not real - they have only the power we ascribe to them. We know when we have prayed aright, for the peace that passes all understanding comes into our hearts and minds. But if we continue to worry and feel anxious, we can be sure it is because we have continued to hang onto our negative thoughts. This is what Jesus meant by putting new wine into old wineskins. We are always trying to superimpose the answer onto the problem without letting go of the problem. It is like trying to see the beautiful sunshine of the day through a very dirty window. Those who continue to look for the sun through a dirty window will miss its light.

Through whose eyes are you looking at life? Who is your secret referent?

A son greatly admires his father who happens to be a

very critical person. The son fails to please his father. Nothing he does satisfies this harshly critical man. Pleasing the father image becomes an obsession with the son. All through his life, and long after the father has passed over, the son is subconsciously asking “Is this the way father would have done it?” “Would this have pleased my father?” Finally, he becomes as critical as father because he sees everything through his father’s eyes. No matter what life gives him he is never pleased. His prayers are never answered and never will be answered until he is able to be true to himself! His stumbling block is his father’s image. This above all, be true to yourself, and it must follow, as the night the day, that you can then not be false to anyone. You’d be surprised how many people subconsciously separate themselves from their own well-being by judging their lives through the eyes of a secret referent.

Well finally the son became faced with a great crisis in his life. In his prayers he finally asked for help for himself with no thoughts about his father or what he would do in such a crisis. His answer came. The truth, at first, was painful. Finally, he was able to give up completely his obsession with his long dead father and live his own life. His life changed. He became a relaxed and nice person to know and be with, fulfilled in his own life and pleased with the answers to his prayers. He learned to meet life

spontaneously, living moment by moment without anxiety and with a great sense of serenity. Who is your secret referent and why? Today the son's is Christ-Jesus, and he does exert the full effort to emulate him.

The more we see of life, the more we should realize that one of the great hindrances to answered prayer is our inability to forgive.

Forgive us our trespasses as we forgive those who trespass against us. Whoever said this understood how grudges and condemnation could hinder the free flow of the spirit within man. We must all understand the deep importance of eliminating grudges, self-condemnation, and condemnation of all others. It is very important to do this if you wish to understand fully your own relationship to the true life.

Once we understand forgiveness, we are able to harvest the fruits of our prayers. Until we do understand forgiveness and learn to forgive with just as much precision and persistence as we used in holding the grudge, our lives will be filled with unhappiness and all our prayers will fail.

Forgiveness takes an overt act on our part. In other words, we have to do something about it. Forgiveness is far from being automatic. It takes effort and it takes ability to forgive. In the first place we must want to forgive.

“I want to forgive her, but I just can’t!”

“How can I forgive him after what he did to me?”

“Someday I just might forgive him. I’m working on it!”

Sound familiar? We’ve all entertained thoughts like these. Wanting to forgive precedes forgiveness. We must persist until the mind is free.

What does forgiveness really mean? Well, it means “giving up.” To give up any bad feelings against another. To give up resentment against another. To give up any hate and anger against another. To give up all condemnation. The feeling can be against some other person, or against one’s self, or against God!

Often in their prayers people think “God, why did this have to happen to me?” This brings in a resentment against God for letting the thing happen. Of course, this is foolishness. Actually, God has never done anything against us. God is omnipresent. How can any part of the Infinite be against itself? Man being made in the image and likeness of God, is one with the Presence of God. Therefore, in truth there is no way for man to be against God, or for God to be against man. Whenever man holds anything against God, or thinks God holds something against him, it is not true. Such thinking causes only a separation from God. Are you

separated from God and His forgiveness because you haven't accepted it and therefore fail to give forgiveness to others?

Simply because you do not understand someone or dislike someone, should you judge them and crucify them as others did Jesus?

For every judgment and lack of forgiveness there are two victims! The judger and the judged! Don't judge me for what I am - Love me for what I am and help me to be better than I am, for in so doing, you too, will become better than you are now! For I am willing to decrease for you - are you willing to increase for you and the Supreme Spirit? Think and act - feel and love!

Every time you call someone else a thief, a cheat, a phony, a liar, a fool, go look in the mirror and see for yourself the REAL thief, phony, cheat, liar and fool! Can you see this? Can you see why your prayers are not answered? Can you see "what does hinder you?"

Forget about the barriers others place in your way until you remove the greatest stumbling block of all - your "self" - that's what hinders you!

Until you become your true self and not the phony, childish, pretending illusion of such you will not be

prepared to follow nor to come! Who did hinder you? What did hinder you? Now I think you know. Will you act? Only “time” can tell and it’s not telling! Shouldn’t you obey the truth?

Love, Peace, Truth, Unity in All in All,

“P<sub>z</sub>.”

## 9 - The Gifts of the Spirit - The Power of Faith

Greetings:

Dear brothers and sisters of the Family of the Church of the All in All of Falmouth, Massachusetts and all points east and west, north and south, we greet you in the Spirit.

Now there are diversities of gifts, but the same Spirit; and there are differences of administration, but one Christ-Jesus; and there are diversities of operations, but it is the One Supreme Spirit that works it All in All. But the manifestation of the Spirit is given to everyone to profit withal.

Now there are nine gifts given to those called and chosen. These nine are separate from the gifts given to the Family of the Church of the All in All.

The first nine or the nine given to individuals are separated into three categories thusly:

### The Three Gifts of the Minds

- 1) Wisdom.
- 2) Knowledge.
- 3) Discerning of Spirits.

## The Three Gifts of the Voice

- 1) Prophecy.
- 2) Teaching - Preaching.
- 3) Speaking in Tongues.

## The Three Gifts of Power

- 1) Miracles.
- 2) Healing.
- 3) Faith.

The Gifts given to the Family of the Church of the All in All are these:

- 1) Disciples.
- 2) Prophets.
- 3) Teachers - Preachers.
- 4) Miracle Workers.
- 5) Healers.
- 6) Helpers.
- 7) Administrators.
- 8) Speakers in Tongues.

Let every man and woman abide in the same calling wherein they were called. Build on your own and not on another's foundation, except that all must build on the Foundation of Christ-Jesus. Remember well that Jesus is the rule by which the Supreme Spirit will judge us all.

And remember this well also, that anyone who boasts of a gift received, has, in truth, not been called nor chosen nor gifted. And anyone who has been gifted and then walks and struts about all puffed up shall be stripped of their gift.

Take heed, lest by any means, Your gift and Your freedom in the Spirit becomes a stumbling block to them that are weak.

Do I "P<sub>z</sub>" glory because I am the mystic? No! God forbid! For though I "P<sub>z</sub>" receive The Truth, I "P<sub>z</sub>" have nothing to glory of, for necessity is laid upon me, yes, woe is unto me, if I receive not The Truth and pass it on to You.

Now if I "P<sub>z</sub>" do this thing willingly I have a reward, but if against my will, a dispensation of the Truth is committed unto me. What is my reward then? Verily that, when I "P<sub>z</sub>" receive The Truth, I "P" may make The Truth of the Spirit without charge, that I "P<sub>z</sub>" abuse not my Power in The Truth. For though I "P<sub>z</sub>" be free from all men and all women, I "P<sub>z</sub>" have made myself servant to All in All, that The Truth might gain the more. If you are free I "P<sub>z</sub>" am in bondage; if

you are in wisdom, I “P<sub>z</sub>” am in ignorance; if you can heal, I “P<sub>z</sub>” cannot; if you can prophecy, I “P” cannot; if you can teach, I “P<sub>z</sub>” am the student; if you can Preach, I “P<sub>z</sub>” is your flock; if you can work Miracles, I “P” will not` Yet, I “P<sub>z</sub>” shall be all things to all people, that I “P<sub>z</sub>” may bring even one safely home, and this I “P<sub>z</sub>” do for The Truth’s sake, that I “P<sub>z</sub>” may also be a partaker and a participant of and in The Truth with You. Wherefore let them who think they stand steadfast in The Truth take heed lest they fall! You see, Falls and Failures are not Faith made!

As you have seen, Faith is a gift of Power! The Activated Mind of Christ won’t come, the Gifts of the Spirit will not work, the Message of I Paul cannot be fully understood, unless You mix “the Combination” with the full measure of Faith!

Faith, You see, is the catalyst that makes the things of God come to pass. It’s the most powerful bond in the Universe.

Faith is what makes righteousness and “good works” possible. Faith bonds You to Truth, to Love, to Unity, to Peace.

Yes, Faith is an immense Power, and You have a full measure of it! Are you Powerful in the Spirit? If not, why not? Could it possibly be that Your Faith is wanting?

Now, unto us all, was the Message given and it has been taught and preached but it has not, as yet, profited all of us - not being mixed with Faith in the full measure, by those who have received it by the eye or the ear. But we who have bonded it fast into our minds and hearts are now totally free to follow and come. I “P<sub>z</sub>” have sincere hope that all of you will Prepare, Follow and Come also, for like the spirits, I “P<sub>z</sub>” also have hope for Your Faith and Faith in Your hope.

In Love and Peace,

I “P<sub>z</sub>.”

## **10 - Forgiveness - Forgetting Love - The “Combination”**

Greetings:

Dear brothers and sisters know! Know that Christ-Jesus is with us and Loves us. All of us, being fortunate to have been born of a woman in the way of the flesh must also be born in the Spirit. We are the fortunate ones because we have The Message of I Paul to lead us, the Love of Christ-Jesus to guide us, and the omnipresence of the Supreme Spirit to watch over us and keep us. Glory to God for this great flowing-in of the gifts of the Kingdom for the benefit of our lives and the lives of All in All. This “combination” not only leads and guides us to be born into The Spirit, but even greater is the truth, that it lights the Way for all of us to be borne unto the Spirit!

Now, I “P<sub>z</sub>” know that many of You are sick, sick, sick of words but I say to you that the words of the completed Message of I Paul are not “cold-type” but the very “hot-line” to The Way of the inner circle that leads to the inner light of the Kingdom of all Kingdoms.

Now although the Message of I Paul is completed, i.e., as received from I Paul through me to All in All, my tasks are as yet uncompleted, and you will continue to receive

through me from the Spirits further information which must be attached to the Message of I Paul and considered as a “part of” the Message. I Paul is no longer in charge of this calling; it now lies in higher hands. Hands that guide and direct my hands, my heart and my thoughts.

Forgiving, dear brothers and sisters, is not forgetting! The Supreme Spirit is eternal forgiveness but do not deceive yourselves into believing that the Supreme Spirit has a faulty memory. You may have a faulty memory but I Paul doesn't as proved by the Message itself, Christ-Jesus doesn't as proved by your conscience's prodding's of you and Your Spirit guides certainly don't as proved in your receivings whereby they are constantly reminding you of one thing or another in various ways and manners.

Let us examine forgiving and forgetting. A person I “P<sub>z</sub>” knows once asked I Paul point blank, “How can I forgive . . . after what he did to me and said to me, both lying to me and cheating me out of what was rightly mine?” My answer was a further question - “How can You afford not to forgive him? By holding resentment, you are destroying only yourself!”

You see, when we forgive, we do not condone what the other person did, but we look beyond this and recognize the truth of their being. There is absolutely no justification

whatsoever in holding anything against anyone or in holding anything against ourselves. We are continually setting up reasons why certain things cannot be forgiven. I think that this is due, in part, to the old saying of forgive and forget. I have heard many people say, "Oh, just forget it and you will be able to forgive." That's not the answer. In the first place, you cannot forget - the more you try to forget the more you will hang onto it. Forgiveness has to come through releasing. If there is any animosity or antagonism or grudge, then it is impossible to forgive for there is no way to release until there is a clarification. But even so, there is no forgetting. Why? Because you have, what I will call, a little tape-recorder right within the mind that is constantly working. This recorder tapes all of the pictures and all the words that go with them and keeps them very carefully. Have you ever gone back over your diaries, say back a few years or more? You read along and all of a sudden you find that your mind has not forgotten. Were you surprised that you could recall it? Once you began to have something to associate with that period, You found the recall was there. You see, while we do not really forget, we can change our reactions to past events and past thinking. When we forgive, we are neutralizing all negative and antagonistic thinking about the past event. Now, it has no power over us.

You see, forgiveness is the practical way. Unforgiveness

is no way at all for it can only destroy the unforgiver.

Now much has been said, down through the ages, about the importance of Love, but the big question is, how can we learn to love? Now we all know that God is Love. And we all should know, by now, that God is not going to make you do anything you don't want to do, even what You need to do, but you can all by yourself learn to love. We learn to love by learning love techniques. One of the most important is the forgiveness techniques - forgive yourself, as you have been forgiven, and forgive others. Right away several questions come to mind. Why should we forgive when we enjoy ourselves by holding a grudge? Why forgive when someone has done to you what seems to be an irreparable wrong? We must forgive because without forgiveness there can be no Love. Forgiveness must precede Love. Forgiveness is giving up resentment, hate, or any such feelings that are contrary to the feeling of Love. Forgiveness opens up the way for clarity of thinking, for sensible thinking for charity - Love can not come into the picture.

When two people get together to "run-down" another, there is a low plane of hate involved. Some people think that it is natural to gossip about another, but gossip is resentment in which two people are in common agreement. It seems to be a natural thing, but really, Love is the natural thing. Sometimes it puffs up the "self" to find someone who

is worse than we are. In reading the newspaper or listening to radio or television we are constantly setting ourselves up as being “good” in comparison to others who are doing “foul deeds.” Here again, hate is running rampant. We love only when we recognize the good in others, to affirm the good, and to Love the good. When we do this, we are able to overlook the bad and not give power to that which is evil. And while you’re at it, You might want to forgive God for giving you that free will that you have used and abused to make a fool of Yourself.

In I Paul’s Message he says, “Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things.” It is interesting that the above is followed by this statement, “And the God of Peace shall be with You!”

Let your conversation be in heaven. Whenever we have something to say about another, if it isn’t in accord with I Paul’s admonition, then it is much better left unsaid and yes unthought of! We will have a lot less to forgive ourselves for. Guilt is dependent upon condemnation of our true selves. When we feel guilty, we are condemning our true selves. When we condemn others, we also condemn ourselves. This is the reason we feel out of harmony with life after we have

indulged in a judgment of another, or in a gossip session, or whenever we spend “time” maligning another, accusing him or her in our hearts and minds. Nothing is going to be gained by maligning or condemning others. The only one hurt is the one doing it and such as these can never love, learn to love nor truly be loved!

So why forgive? It is imperative that we forgive if we ever want serenity - Peace of Mind! Hate, anger and condemnation are like bonfires - they scorch horribly the ground upon which they burn. They harden the heart in which they rest, and they destroy the mind and make of you a fool. They interfere with creativity and slay “good works.” They block the ability to think clearly and cause good thoughts to go begging. Perfect Love casts out all fear. Perfect Love is the Love we have when we are affirming and respecting the Life within us, and the Life within all others. This is what I call Loving God. Perfect Love casts out not only fear but all the children of fear - resentment, anxiety, hostility, jealousy, bitterness, and greed. Anger is fear that has lost its anchor. Anger stems out of frustration. Frustration results from fear that we are not living the best Life and doing the things we want to do but don't. Frustration is bondage to a condition. Do you really know why we can't afford to find fault, to hate, and to hold resentment against others? Because hatred, anger,

resentment, anguish, criticism, condemnation and judgments separate us from all Love. They also make us mentally and physically dis-eased!

Why Love? Simply because Love is a very necessary ingredient to a happy, successful, joyous, creative and productive life, now and then! Love is more important than knowledge and wisdom goes not where there is no Love. Love is more important than wealth. Love will bring happiness and fulfillment into our life experiences as will nothing else. When we are resenting the wrong or evil deeds of another, we are not serving Love. We all must Love God with all our heart, all our strength, and with all our minds and Love all others as we love ourselves and God. Yes, God is Love and when we Love God, we are loving Love. And when we Love God in another, we are loving the Love in another.

Love is the power of Life, the energy of Life, the wisdom of Love, the joy of Life living in and through us. When we hate we shut ourselves off from our good and cause others to shut themselves off from us! We find that hate erects a barrier around us. The higher this wall of hate becomes, the more insurmountable it becomes.

The reason that Jesus was so effective as a leader, a teacher and a healer was because he based everything he did on Love! He said, "Judge not that ye be not judged, for with

what judgment ye judge ye shall be judged, and with what measure you mete, it shall be measured to You again.”

We judge others and then have to forgive our own judgments. Righteous Judgment means to look through the appearances, to look through the apparent evil, to look through the hate, and to recognize that each and every person is centered in Love. The next step is to know that Love is there and to call it forth. Just as water poured into a pump acts a primer to cause water to come forth, love poured into a situation will act as a primer and cause more love to come forth.

Look at the person who seems hard to Love and silently affirm “the Love in me reaches out to the Love in you.” It is fruitless to think we can overcome hate with hate. Hate will call forth a response in hate unless the chain of hate is broken by Love. If we persist with love it will overcome, not only hate, but all negative things. Forgiveness is not a matter of weakness but of strength. It takes a strong, loving person to forgive.

How often should we forgive? There is no end to forgiving. Cephas once asked of Jesus how many times shall I forgive, seven? Jesus replied, no, no Cephas, seventy times seven! By this Jesus meant that there was no end to our forgiving. We have to open the door for the other person to

walk in. We may have to do this many times, yet we do not condone the wrong when we recognize the truth of being. In other words, we love the evil doer, but we do not have to love the evil.

In releasing others, we are released. Turning from the problems and cares of the day we now consciously accept the truth about God and ourselves. We know full well that God and Christ-Jesus are the only Power and Presence. And we know that we are the expression of God and all that he has is truly ours. We are a divine, perfect, spiritual being, forever one with our Source. Turning from problems we listen in the Silence for God's perfect answers. Turning from confusion we accept the Peace that passes All Understanding. We let the Perfect Life of God live through us. We now release all those who have ever hurt or offended us. We forgive them completely. We forgive ourselves for the mistakes of the past. Releasing others, we are released. Love is the answer to our every need. All that we need is right within us. In this moment of Silence our work is done. The Spirit within us is the substance of all our desires. We joyously and thankfully accept the good we desire for ourselves and the good we desire for others. That which we realize in the invisible becomes manifest in our world.

Forgiveness has opened the door to divine right action in our world.

And so it is. Never forget it!

We have been chosen, we have been called and with the Combination of the Message, Christ-Jesus and the Supreme Spirit we shall be Prepared to face all things and we shall go forth as true Christian Spiritualists in Truth - Fearless, in Unity - All with All in All in All, in Love - forever and ever, in Peace - the glory of the Kingdom Eternal.

Love,

“P<sub>z</sub>.”

## 11 - Forgiveness - The Face of Christ

Dear brother and partner, the following is the last word on forgiveness.

Forgiveness is for the Supreme Spirit and toward the Supreme Spirit but not of him. It is impossible to think of anything Created that could need forgiveness. Forgiveness, then, is an illusion, but because of its purpose, which is the Supreme Spirit's, it has one difference. Unlike all other illusions it leads away from error and not towards it.

Forgiveness might be called a kind of happy fiction, a way in which the unknowing can bridge the gap between their perception and The Truth. They cannot go directly from perception to knowledge because they do not think it is their will to do so. This makes the Supreme Spirit appear to be an enemy instead of what the Supreme Spirit really is. And it is just this insane perception that makes them unwilling merely to rise up and return to the Supreme Spirit in peace.

And so they need an illusion of help because they are helpless, a Thought of Peace because they are in conflict. The Supreme Spirit knows what his sons and daughters need before they ask. The Supreme Spirit is not at all concerned with form but having given the content it is the

Supreme Spirit's will that it be understood. And that suffices. The form adapts itself to need, the content is unchanging, as eternal as its Creator.

The face of Christ has to be seen before the memory of the Supreme Spirit can return. The reason is obvious. Seeing the face of Christ involves perception. No one can look on knowledge. But the face of Christ is the great symbol of forgiveness. It is salvation. It is the symbol of the real world. Whoever looks on this no longer sees the world. He or she are as near to the Kingdom as is possible outside the gate. Yet from this gate it is no more than a step inside. It is the final step and this we leave to Christ, for he is our introduction to God.

Forgiveness is a symbol too, but as the symbol of the Supreme Spirit's Will alone it cannot be divided. And so, the Unity that it reflects becomes the Supreme Spirit's Will. It is the only thing still in the world in part, and yet the bridge to the New Worlds.

The Supreme Spirit's Will is all there is. We can go but from nothingness to everything, from darkness to light. Is this a journey? No, not in truth, for Truth goes nowhere. But illusions drift from place to place, from "time" to "time." The final step is also but a shift. As a perception it is part unreal. And yet this part will vanish. What remains is Peace

Eternal and the Will of the Supreme Spirit. There are no wishes now for wishes change. Even the wished-for can become unwelcome. That must be so because the “self” cannot be at peace. But Will is constant, as the Gift of the Supreme Spirit. And what the Supreme Spirit gives is always like itself. This is the purpose of the Face of Christ. It is the Gift of the Supreme Spirit to save All in All. But look on this and you have been forgiven. How lovely does your life become in just that single instant when you see the Truth about Yourself, reflected there. Now you are righteous and behold Your righteousness. Now You are holy and perceive it so. And now “the mind” returns to its Creator, the joining of the Father and his child, the Unity of Unities that stands behind all joining but beyond them All. The Supreme Spirit is not seen, but only understood. His Christ’s are not attacked but recognized. For they are your brothers and sisters, also. Wait on James, he will explain All.

## 12 - The "Self" - The Miracle

Dear brother and partner "T":

Illusions will not last. Their death is sure and this alone is certain in their world. It is the "self's" world because of this. What is the self? But a dream of what you really are, a thought you are apart from your creator, and a wish to be what he created not. It is a thing of madness, not reality at all. A name for namelessness is all it is. A symbol of impossibility, a choice for options that do not exist. We name it but to help us understand that it is nothing but an ancient thought that what is made has immortality. But what could come of this except a dream which, like all dreams, can only end in death? What is the self? Nothingness, but in a form that seems like something. In a world of form the "self" cannot be denied easily for it denies all reality. Yet Jesus and I Paul both overcame the "dream and nothingness" of the "self."

Now, the "cure" that abolishes the illusion of "self" is simply this. Answer the call of God and live righteously by abiding in God's Will in all you do. Love, then, and do whatever you wish! For in a state of Love you can but live righteously. And who are the called of God? Everyone! Yet, though many are called, few are chosen. Why? Because the dream of, and nothingness of "self" has become a "reality"

in this world of forms. What is “self”? It’s a lie and there is no definition for a lie that serves to make it true. Nor can there be a truth that lies conceal effectively. The “self’s” unreality is not denied by words nor is its meaning clear because its nature seems to have a form. Who can effectively define the undefinable? And yet there is an answer even here.

We cannot make an effective definition of what the “self” is, but we can say what it is not. Isn’t that the rule from The Message, that, when you cannot identify something you employ the process of eliminating all the things that it is not?

So, we can say, what it is not. And this is shown to us with perfect clarity. It is from this that we deduce all that the “self” is. Look at its opposite and you will see the only answer that is meaningful.

The “self’s” opposite in every way, - its origin, effect and consequence - we call a miracle. And here we find all that is not the “self” in this world. Here is the “self’s” opposite. And here alone we look on what the “self” was, for here we see all that it seemed to do, and cause and its effect must still be one. Where there was darkness, we now see the light. What is the self? What the darkness was! Where is the “self”? Where the darkness was. What is it now and where

can it be found? Nothing and nowhere. Now the light has come, the opposite has gone without a trace. Where evil was, there is now good. What is the "self"? What the evil was! Where is the "self"? In an evil dream that but seemed real while you were dreaming it. Where there was crucifixion stands our Christ-Jesus. What is the "self"? Who has need to ask? Where is the "self"? Who has the need to seek for an illusion, now that dreams are gone? What is a miracle? A dream as well. But look at all the aspects of this dream and you shall never question anymore. Look at the kindly world extend before you as you walk in gentleness. Look at the helpers along the way you travel, happy in the certainty of the New Worlds and the surety of peace. And look an instant, too, on what you left behind at last, and finally passed by.

This was the "self" - all the cruel hate, the need for vengeance and the cries of pain, the fear of dying and the urge to kill, the brotherless and sisterless illusion and the "self" that seemed alone in all the universe. This terrible mistake about yourself the miracle corrects as gently as a loving mother sings her child to rest. Is not a song like this, one you would hear? Would it not answer all you thought to ask, and even make the question meaningless?

Your questions have no answers, being made to still God's voice, which asks of everyone, one question only, "Are You Ready Yet To Help Me Save The World?" Ask this

instead of what the “self” is and you will see a sudden brightness cover up the world the “self” made. No miracle is now withheld from anyone. The world is saved from what You thought it was. And what it is, is wholly uncondemned and wholly pure. The miracle forgives – the “self” damns. Neither need be defined except by this. Yet could a definition be more sure, or more in line with what salvation is? Problem and answer lie together here, and having met at last, the choice is clear. Who chooses darkness when it is recognized for what it is? And who will not go on a little while longer when it is given to them to understand The Way is short and the New Worlds are their goals?

I “P<sub>z</sub>.”

## 13 - The Perception - Knowledge

Dear brother and partner “T”:

Now that You know that the world You see is an illusion of a world, let me inform you why such is so.

Contrary to what religions and so forth teach and preach and what their adherents, sadly believe, God did not create it. For what God creates must be as eternal as God himself. If this be not the Truth, then today eat, drink and be merry for tomorrow we die, with no place to go, like the Atheist who dies and is all dressed up, for what? Yet there is nothing in the world you see that will endure forever. Some things will last in “time” a little longer than others. But the time will come when all things that are visible will come to end, and all things that are now invisible will become visible!

The body’s eyes are therefore not the means by which the real worlds can be seen, for the illusions that they look upon must lead to more illusions of reality. And so, they do. For everything they see not only will not last but lends itself to thoughts of evil and guilt. While everything that God created is forever without evil and therefore is forever without guilt.

Knowledge is not the remedy for false perception since,

being another level, they can never meet. The one correction for false perception is true perception. It will not endure but for the “time” it lasts it comes to heal. For true perception is a remedy with many names; forgiveness, salvation, atonement, true perception, all are one. They are the one beginning, with the end to lead to Oneness far beyond themselves. True perception is the means by which the world is saved from evil, for evil does not exist. And it is this that True Perception sees.

The world stands like a block to Christ’s Face, which is Jesus’ face. But true perception looks on it as nothing more than just a fragile veil, so easily dispelled it can last no longer than an instant. It is seen at last for only what it is. For now, it cannot fail to disappear, for now there is an empty place made clean and ready. Where destruction was perceived the face of Christ appears, and in that instant, is the world forgot, with “time” forever ended, as the world spins into nothingness from where it came.

A world forgiven cannot last. It was the home of bodies, but forgiveness looks past bodies. That is its holiness – this is how it heals. The world of bodies is the world of evil, for only if there were a body could evil be possible. From evil comes guilt as surely as forgiveness takes guilt away. And once All guilt is gone what more remains to keep a separated world in place? For place has gone as well, along with

“time.” Only the body makes the world seem real, for being separated it could not remain where separation is impossible. Forgiveness proves it is impossible because it sees it not. And what you then will overlook will not be understandable to you, just as its presence once had been your certainty.

This is the shift that true perception brings: what was projected out is seen within, and there, forgiveness lets it disappear. For there, the house of the Christs’ are set, and there, their Father is remembered. Here are all illusions brought to truth. What is seen outside must be beyond forgiveness, for it seems to be forever evil. Where is hope, while evil is seen as outside? What remedy can guilt expect? But seen within your mind guilt and forgiveness seem for an instant to lie together, side by side, in one house. There at last are sickness and its single remedy. Joined in one healing brightness God has come to claim his Own. Forgiveness is complete.

And now God’s knowledge, changeless, certain, pure and wholly understandable, enters its Kingdom. Gone is perception false and true alike. Gone is forgiveness for its task is over. And gone are the bodies in the blazing light of the house of the Christs’. God knows it is His Own, as it is His. And here they join for here the face of Christ has shown away “time’s” final instant, and now, is the last perception

of the world without a purpose and without a cause.

For where God's memory has come at last there is no journey, no belief in evil, no wails, no bodies and the grim appeal of sacrifice and death is there snuffed out forever.

O my dear brother and partner, if you only knew the Peace that will envelop you and hold you safe and pure and lovely in the Mind of God, you could but rush to meet him where His many houses are. Hallowed your name and His, for they will be joined there in the house of the Christs'. Here He leans down to lift you up to Him, out of illusions into the Divine Light, out of the world into eternity, out of all fear and given back to Love, and to those you have loved.

I "P<sub>z</sub>."

## 14 - Come to Jesus

Dear brothers and sisters:

On this day at 11:50 a.m., our dearly beloved Chief Matriarch went home. Home to Live! Home to be with Christ-Jesus in All Love and All Peace.

No more suffering, no more trials, no more tribulations, no more waiting. She dieth not but liveth for she has reached the outstretched arms of Christ-jesus and the Glorious Light of God Almighty who has prepared a place for All his prepared ones such as our Sister Virginia for whom her Faith and her hope and her charity have shown her The Way.

She worked for Love and now she has All Love. She toiled for Unity and now has THE Unity. She longed for truth and now she holds All truth in her hands. She Prayed for knowledge and now she has All Wisdom. She longed for peace and now she rests in All Peace. She practiced the presence of God and now she basks within it.

The body, the temple, the vessel returns to the darkness from which it came but the Spirit lives on Eternally in the Light of All Light.

For the Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures;

He leadeth me to lie beside still waters.

He restoreth my Soul; He leadeth me in the paths of righteousness

For his name's sake.

Yea, though I walk through the Valley of The shadow of death,

I will fear no evil; for thou art with me, thy rod and thy staff comfort me.

Thou preparest a table before me in the presence of mine enemies:

Thou annointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me All the days of my Life;

And I will dwell in the house of The Lord forever and forever.

Yes dear friends, our sister Virginia has gone home to dwell in the house of the Lord forever to reign with our Sister Debra as the Chief Matriarchs of The Family of The Church of the All in All forever and forever.

Now she knows how much we have truly loved her and treasured her and selfishly wished to keep her for ourselves, yet who among us would dare deny God such a great treasure?

Dear Sister Virginia we love you and we will miss You -  
Pray for us All, dear Sister.

In All Love,

I “P<sub>z.</sub>”

## 15 - Indifference

When Jesus came to Golgatha, they hanged him on a cross, and they drove great nails into his hands and feet and made a Calvary.

They crowned him with a crown of thorns, and great were his wounds and deep, for those were crude and cruel days, and human flesh was cheap.

When Jesus came to Falmouth, people simply passed him by. They never hurt a hair of him, They simply let him die.

For people had grown a bit more tender, they wouldn't give him pain,

They only just passed down Main Street and left him standing in the rain.

Still, Jesus cried - Forgive them, for They know not what they do!

And still, it rained the winter rain, and it drenched him through and through.

The crowds went home, and they left the streets without a one in sight.

And Jesus crouched against the wall and cried for

Calvary. Yes, Jesus wept! For You and me.

So, if you have doubts and griefs and fears my friends,  
take a casual stroll down Main Street, Falmouth way.

And look into the eyes of Jesus, and They will fly away!

I "P."

## 16 - Common Sense #9

Greetings:

Pray, one and All, for the Understanding of Divine Love and Meditate upon it daily. Sound and spiritual advice such as this abounds in The Message of I Paul and it is free. All it requires of you is an honest effort and the Action necessary to reap a bountiful harvest.

Let me give to you “a treatment” for Divine Love. And please understand that this “Treatment” is for All in All, the Faithful, the Unfaithful, the loving and the unloving, the righteous and the unrighteous, the good and the evil, the scattered strangers and the friends: “My spirit is filled with Divine Love. I am surrounded by Divine Love. I radiate Love and Peace to the whole world. I have Conscious Divine Love. God is Love and there is nothing in existence but God. And His self-expression. All men and women are expressions of Divine Love; therefore, I can meet with nothing but the expressions of Divine Love. Nothing ever takes place but the Self-expressing of Divine Love.

All this is true now. This is the actual Case, the actual state of affairs. I do not have to try to bring this about, but I observe it already in being now in Divine Love. Divine Love is The actual nature of being. There is only Divine Love, and

I know this.

I perfectly understand what Divine Love is. I have conscious realization of Divine Love. The Love of God burns in me for all humanity. I am a lamp of God, radiating Divine Love to all whom I meet, to all whom I think of.

I forgive everything that can possibly need forgiveness, just as I have Joyously accepted the forgiveness of Divine Love.

God is love, and he or she who dwells in Love, dwells in God, and God in them!

Prepare - Follow - Come!

I Love You - God Loves You,

“P<sub>z</sub>.”

## **17 - This Life is but a Practice for “LIFE” - A Labor of Love**

My dearest brothers and sisters:

This is “P’s” last letter to you all and I say to one and All of you in the Family of “Life” that I Love you from the fullness of my heart and in the farthest extensions of my mind.

Be you followers of me even as I am of Christ, love life as “Life” loves us all who are good of who are trying to be Good.

Now I Praise you sisters and brothers, and I ask that you remember me in all your exertions and keep the ordinances as well as I have tried to do so, for I have delivered them unto you, not obeyed them for you.

Now I tell you a secret for it is my secret and mine alone. Someday you will actually read this letter and in understanding you will embrace it, not me, Love it then.

Now I have said to you, I Love you, to man it is but words for man does not “see” what Love is and love is useless in the below unless it is first Recognized.

I challenge anyone in this world to explain love and tell us all what it really is and how it is Recognized. Anyone in

the Family, in the world even should know who it is, when it is, where it is, why it is but when it comes to what it is, and how one Recognizes it, such are very few and far apart. I see after listening to the "Church" Meeting tapes of 10-1-82 that within our own Family confusion Reigns, and this is not Good and that is what Love is. All you need do is eliminate All that is not good in this life and you will Recognize that Love is good and All Good.

You see, when the Message says love is everything and NO-Thing, and energy then, a source of energy, then, you must "see" in order to know what all such things are, that everything includes within itself. Must you love an illusion? First my dearest brethren, you must Fully Recognize what an illusion is. Do you? Let us see and "see." The below dictionary is inadequate for Full Spiritual discernment. I ask you do you believe in "Life," God, etc.? If you say yes, then you are superstitious according to that dictionary. A superstition is a belief in the supernatural, according to that tome. So, what is an illusion, then? What is the difference between a belief, Faith then, in God, etc., and a belief in the devil, Satan, then? Belief in, is Faith in, is it not? I'm not talking herein about the Full Measure of Faith of which belief is but a part, I'm speaking of Faith at its lowest levels. You and I cannot Prove the existence of "Life" or of the Satan, nor can we disprove it by belief alone, and in no other

way either. We can have it made Known to us for that is “Life’s” prerogative and that can come in many, many ways, shapes, forms and manners.

Are visions illusionary? Are dreams illusionary? Are yours and my Receivings illusionary? Can you Prove them? The Message says to “Prove All things,” but, if you do not Recognize what that means, then you are lost.

You see, I believe simply because I know and that came because I finally believed. Faith, then cometh by hearing! What does “hearing” mean in the spiritual “tongue”? What does “let them who have ears hear?” We all have ears, do we not? So, what does “hear” and what does “hearing” mean? You see but I “see” – You hear but I “hear,” of course, I also see, and I also hear, one better than the other, now. You will “see” and you will “hear” when you “hear” and “see” from and through the Receptor senses as well as the fullness of the Physical Senses, for that is the Law of the Senses in its Absoluteness. You and I have ten senses in our table of multiplication. The Receptor Senses are Wisdom, Knowledge, Understanding, intelligence, Love! Dear friends, a word is not a “word” until you “hear” it! Believe me, when you read this love letter from me, know, Recognize, that you are not “reading” me, I have already said Farewell, have I not? That’s why I have said that one day you will love this letter, not me for what I am but more

for what it is.

The bible says that in the beginning God created the heaven and the earth – not so. God, “Life,” One, NO-Thing but All things in all things, of all things, from all things and so forth, ad infinitum has, as completely as I can tell you has only done One thing, it Exhaled – now the whole Universe groaneth and travaileth, even I also, for “Life” to do what he, it, has never done – Inhale! That’s the Energy of Love! The Source of All and the Power of All Love! Corinthians One, tells us what love is, as does the Message of I Paul and why not, it’s the same author, if you please, only a change in “authorship,” “see”? It’s “time” dear friends that you need to discard that low dictionary and “think” and “see” and “hear” All in the ‘language’ of your true “nation,” that “place” of which your “citizenship” came from, the True Lost Language, one that you the real-you has failed to Recognize in its lower Chaos!

It’s the “understanding” of, the “seeing” of, the “hearing” of that allows, compels even, a wise one to say “Life” is, I am! That one, “knows” Love and the One Love Affair and therefore belief has now been turned into Proof! Proof, what does that do? Is proof Love? Proof dear friends allows you, forces you, to be Free in the Truth. Is that not “Life’s” love? Isn’t it fair and honest for the one who makes a promise, to keep it? Do we not have Hope in the promises

of The Message, the promises of the Cross, the Promises of “Life”? Yes, and the Full Measure of our Faith also and our love also! Of course, I speak only for myself from my Recognition, from my “hearing and seeing,” from my experience, then. What is all that if not Love?

If the Monad can Love the Collective you, why then do you not? God, “Life,” then, Saw it was Good, that was “Life’s” Judgment, was it not? If Good is in the Eye of “Life,” should it not also be in your “eyes” and mine? It should, but it isn’t! It not only can be, but it Must Be! Is Love an illusion? In your word usage and in your feeble attempts to demonstrate what you think it is, then the answer is a very swift Yes! “Otherwise” No!! “Life” forbid, shall we continue to make “Mistakes” to force more Grace? Ah, yes, what fools we mortals really be!

I Paul says, as Jesus demonstrated, Love, at all levels is Good, is kind, not Just when you are being kind but when another is being kind to you. When one of more gather “in my name,” I am there. Who is there? What is there? Where? Why? How? - Think! Coming down to the physical level, is sex love? Yes, of course, for it is Good, is it not? Yet, it is only a fragment of “Love,” but love. It’s an energy, is it not? “Love,” being the Source of all Energy, is therefore “Life’s” Expression, is it not? Should it not be yours also, constantly, never ending, regardless of what it is that emanates towards

you, Good, bad or indifferent? Without Love and love you CANNOT slay "self" and help Another then, to do exactly the same. Without Love and love you are dead, in the darkness, then, NOW! Oh, no, you say, I can see, and I can hear, so I am not. Now, that dear friends, is what an illusion is! We all must love, even Man, for Jesus was a Man! That illusion, "Prepared-Followed-Come." How? Have you all, so quickly, "Forgotten" the Excellency of "Life's" Power! What is man's well-being? Is that not Love? Is it the well-being of an illusion or an "illusion"? When I Paul said when I am weak, then I am "strong"! "Strong," courage, powerful, "strength," then. What is strength, what is power, what is courage, what is an absence of fear, an absence of doubt, proof, why dare go where others fear to go? "Strength" is Protection! And what is Protection but the Grace, the Grace of "Life," that beautiful and wonderful Mystery, the personal secret of "Life"! No one, no spirit, knows what Grace is but they pray that it be with us. We, at least, do know that it is not a Gift or a gift yet I Paul has told us all that many gifts came by it. Such as the Full Measure of Faith, Justification, Atonement, Righteousness, Promises and Protection, to mention Just a few. And are not all of these matters for our spiritual and yes, our physical "strength"? Of course, that is why the Law of Protection is Grace!

Some, so-called Mystics have said Grace is that sweet Odor of God. It may well be an Emanation but if it is it doesn't smell, and it doesn't take a true Mystic even, to “know” that! Those so-called mystics might Just as well tell us that “Life” has bad breath, same as that Satan they keep having Faith in! No, dear friends, I am not trying to be funny! I am very serious, and I Love you all so much, I must be.

Everything that is “Life,” of “Life” and from “Life” is symbolized on that Cross. That's why I also teach Christ-Jesus and them “Crucified.” That Cross is no curse. That Cross is life and “Life,” and “Love” and “Grace” – and that dear brothers and sisters is All there is! NO-Thing, Good, True, and Right. No illusions here, “illusions” cannot be “One”!

What sayest thou you that I am good? No man is good, save God. If you knew Love you would “know” this, “see” this. Don't call me Good, I can only be good. Don't call me Love, I can only be love. Don't call me “Life,” I can only be life. If you have a single, solitary negative about you, that you do not try to remove, you can never be love nor love. Good is Love – Bad is Nothing! Brother “T” said to me this morning, “you look windblown” (my hair, you see). Was there any love herein? Only, if brother “T” recognized that that is what happens to all waste, it gets blown-away by the

elements. Changed then! You see, even the hair on your head is a part of love. Before I continue with this let me tell all of you this: Some are going to question this letter, its reason and its purpose. Some, will say, why, since this is the last personal letter from a true Mystic, why does he teach and preach, instead of simply telling us his personal feelings and thoughts. Being a Mystic I have a special gift, the one that allows me to think on your highest level and to “think” on the highest level possible, in the Flesh. All my personal letters since I became a believer, even, have been of love.

Why, then, shouldn't my last personal letter to all of you of the Family and the “church” be one of love, from love, about love, by Love? You see, only that which is good, and true and right survives and Love does that but more.

Now why is your hair important, even? Surely you must know! God saw it, that which he Created, or better that which he created and then Created it for him, and said it was Good. That was God's Judgment, not mine, not yours, but God's, and that is that! We also know that what is Good and True and Right Survives, and that part of you that does is Good and the rest is nothing. That part you can love from is Good, not bad, it survives. That part of you that transcends is Good, it survives. That part of you that compounds is Good, it survives. “See”? You must love All that is Good and True and Right and not worry about the bad for even it has

its uses, does it not? Even it must survive until the last real you and the True-You have United and gone home and been Consumed. So, theoretically, the last person on the face of the earth could be the last eternally unless Grace steps in!

Can you now “see” love, even see love? What, you can see and obey an illusion, but not love?

Remember to Remember and Recognize to Recognize, that love is where the Mind is, regardless of its harmony or non-harmony!

You do not have to be in the flesh to love, but while in the Flesh you must love or fail to see its light!

Soon I will be heartless, and then I will ask you for your “heart,” please give it to “me” and then “you” and “I” can be One. And when I am gone physically give All to my partner that which you would give to me and more, for that is the Law of Reciprocity.

Every human being everywhere should know that “Life” or God loves them and never stops loving them, it flows from “Life” to everyone equally regardless of who they are, what they are, where they are or what they are doing, have done and will do. Those who return that love by Jesus’ commandments “Life” Recognizes the others “Life” does not Recognize but its Love Flows on All in All

regardless. You must love yourself, one another, even your enemies and all that “Life” has allowed to exist. That is how you return “Life’s” Love, by loving life, all life absolutely and “Life” itself Supremely. The Way down was Love and the Only Way Up is Love. Any ignoramus, stubborn, foolish, God pretender can understand this, but it takes a Real Man or a Real Woman to do it. That is why there are so few True Christian Spiritualists in this World!

All the directions in the Message are of love, follow them and you reap the results, nitpick them, ignore them, and you get you!

You see, at the end of that long tunnel of Absence of Real love all you find at the end is what you began with, nothing, in the womb and that’s where you go, back into another womb, only this “time” you do not get any more “Life”! Most simply get dirt in their faces and dirty the dirt. It’s your choice love or No Love! There are two ways for me to explain Love and love to all of you, even the fools who even question Love. I will simply write them out now for you, once you have read them you should, if you “know” anything at all about the Message of I Paul, Know what to do about them!

### THERE IS ONLY ONE LOVE AFFAIR

There are three levels of Love Yet only One Love.

There is Total Love (Man).

There is Absolute Love (spirit).

There is Ultimate Love (Love itself, “Life”).

Three Loves then, but only One Love Affair, all the rest are terrible gods and goddesses and Fatal. We leave One simply because we disobey its Laws its Ordinances, then. We despair, we have no real Faith, and therefore we do not believe in the Promises, but like All Love Affairs we always come back, whether in Person or in thought, it matters not, for Love is always Where the heart is, and we must Face it, whether still in Love or not, it makes absolutely no difference, you and All lovers, yesterday, today, and tomorrow, Must all Pass that Way, there simply isn't any other Way to Go! Whether you get to stay or not is strictly up to you, Love or Grace! For that is the Only Love Affair that Counts! So be it!

**Grandparents write to their Family to wish them a happy New Housewarming:**

Dear Children:

Each one of you, Male or Female, Female or Male are the Parents of many Children. You are the Parents of All of your

ideas, they are your children as you are ours and you and you are responsible, absolutely responsible, for every single one of them, eternally. It takes a loving, honest, sincere, Faithful, Hopeful, Truthful, Wise and Unity minded Parent for such a large family and that Parent must be a Peace Maker and ask for Grace at every meal and there are many in your household. Furthermore, you must have an absolutely Free hand in raising and nurturing your children and see to it that they are Raised Up in a non-violent Atmosphere and an Environment of Ideals that can be found Nowhere Else except in a Truly Christian Spiritualist household, knowing that if this is done “Life” will give you all the Strength you will ever need and More. You may ask, how much Effort does it take to Raise a Family like yours? You know, you do it every single day of your life! How great your effort is, tells you Just how qualified you are as Parents, Good, Bad or indifferent!

Of course, with a Family of this size, you will need a tremendous amount of “Life” Insurance and you do now, don’t you? And you also need some “house ordinances” for discipline, in fact you do for both the First Floor and the Second Floor even, in that NEW House of Yours that keeps all of your Family, snug and cozy and very comfortable, no wants at All, just a few NEEDS here and there that you will discover as you settle in. Have a very Happy Housewarming

Your loving Grand Parents Grace and “Life.”

P.S. (Grandpa).

From the Pictures you sent to us it looks like a very decent house, clean and warm, may it always be so! Whatever goes on in that house, Remember, that I will always defend your Freedom to speak freely, and I shall always Recognize your Freedom to think as you please. Happiness. Love!

P.P.S. (Grandma).

Oh, by the Way, did you know that you and I simply have similar differences in Raising our children? May your “little ones” All be Great Ones.

As Always,

Grace!

## 18 - The Message Stands as Given

The Message stands as given.

It doesn't care whether you stand with it or not.

You are Free, Fully Free to do whatever you feel you need to do about it.

It has said and is still saying what is Right - Good - True for Man. It will always say what it has said for it Always was. Like Truth, the Message is the Truth and no one human can do anything to change it. You can burn it, forget it and so forth or you can "eat" it and live it.

Your Choice - you do have a choice. You are capable of making decisions - Make at least one in your life.

How? Peace.

(For "T" - "DL" - "G" - "N" - Ad")

There are no Real lands but "One Land" - No Churches or Religions - No Truths but One Truth - No theories, etc. Just "Life" Period!

## 19 - A Good Teacher is a Teacher of Good

A good teacher is a teacher of Good.

A Good teacher, then, Always starts out towards Good by greeting his or her students who are exerting the Effort to be Adepts, Exerters of Good, then, by saying "How" - Peace!

Then the teacher of Good calls upon a student to discern what the Teacher has Just said in the Spiritual Language! Here we all see if the student "sees"!

The son of an Ape sees no evil, hears no evil, therefore it speaks no evil and therein he is silenced Forever - doomed - dead - lost.

The son of "Life" "sees" only Good, Hears only Good, and therefore speaks only Good and therein we can never "shut him" up!

## 20 - Who Uses Your Mind?

Who uses your Mind? Please think deeply and honestly before you answer this question. If you do, you will be terribly ashamed of yourself and your stupid “self.”

The Stark, dramatic, terrible Truth is that you hardly ever use your mind except when you are asleep! Wake-Up!

This Truth can be Proved and very simply done!

On Sunday October 17, 1982 “T” read a note from “P” with the date of October 19, 1982 - Nobody corrected it - Why? Your mind was stolen! “From the” Allow no possession - “think,” You are Responsible for your thoughts - and so forth - Are you? No! Why? “Self”!

“See”!

Can you Prove you even have a Mind? Try it sometime. Prove the Good of you - the Right of you - the true of you! Just try to prove it to yourself never mind anyone else! Fear will kill you dead!

Everyone with a price on their head had better watch out for the Hit Man - Truth! Creates and Destroys.

## **21 - A Practice - From Omega to Alpha “From The”!**

How terribly difficult to Fail.

How easy to Fall.

Communication #4 and #20 (Book 1).

What does it Now Mean (and meant all along)?

How - difficult - Fail - key words.

How - easy - Fall - key words.

Exerters: Write a short piece, a discernment on this  
“From the.” “Can you Put it together”?

Hint! Death is a spirit and spirits are immortal! That  
dog always hunts.

## **22 - Amazing Grace, I am Blind but Now I "See"!**

Amazing Grace, I am blind but now I "See"! "Love" conquers All that is! Why are People always running around in circles looking for the Holy Spirit when it is in Plain Sight? The Truth is that they have NO-Recognition.

What? Know ye not that you are the temples of the Holy Spirit and the Mind of Christ? Seek ye first the Kingdom Within and all those other things you are seeking will be given to you Free!

You see, no Religionists ever said that. Oh No! True Christian Spiritualists said that, Christ-Jesus and I Paul!

I would not have you ignorant brethren But Ye are Gods! Unknown to you, still, Yet Known to All that is Good and Right and True. Yes, to Life and "Life" to "Love," to truth.

Why then, if so many do "know," why do you not "Know"!?

You owe a debt dear friends, one you and I can never repay regardless of how many Good-Works, how many Right-Works or how many True-Works we can perform without any sense of Reward. The debt we owe for our Freedom is Priceless, washed in blood and stripes.

And Pray tell the World, when Are you going to begin even to begin paying off the debt? We have taken everything that Cross has Given Us but not a single thing have we given. Ah ha, you are all thinking, here comes the Pitch, he wants us to tithe or to Sacrifice. Oh No, dear brothers and sisters, the Law of Sacrifice is Don't! As for giving, not a Penny!

For the "Church" of the All in All is All Rich, Wealthy, but we don't have a dime hardly in the bank!

How can you be rich without a bank account, you may ask? Simple! Just get on God's Payroll, friends, that's All you have to do! You don't even have to apply for a position - No Waiting! There are tasks for everyone just for the Asking - no begging and the jobs are all Fun and if you don't believe me ask The Personnel Manager, Mr. Job! "See"?

Stop wasting your Whole Life looking for something that isn't Lost. It never has been lost! Besides there is no Reward in finding Faith! You need to die to Find Out that truth.

You see, there is nothing that is, in Truth, Lost. You just haven't discovered it Yet. A fellow ran into the Tailor's and shouted out "Your dressmaker was shot!" The tailor said "Oh, my God is she alright?" the man replied, "They don't know, the bullet is in her Yet!" Do you know what a dressmaker's Yet is? You should, it's in you!

You see, life is a sort of "IF" and "Why"! Often, I wonder "IF" - Often I Ponder "Why"! When I lay me down to die if God will lift me Up. Yes, "IF" and "Why"! When you can get past the "IF" and leave the "Why" alone you and I can go Home. How? Peace! All you and I need is Faith, Hope, Love, Wisdom, Unity and then we can all ask How? And Answer in Joyous Peace! Peace on Earth, a New World, and Peace in Heaven, also a New Land, for God is in his Tower and is breathing easily Again! Ah, that God, what a "Life," what an Easiness of Life he has given us, and what do we do? We make Hash out of it not Love!

God, who is "known" to a True Christian Spiritualist is a Spirit and must Always and All ways be worshipped in the Spirit, in the Silent Silence then, not in Chaos and Confusion of Religionists babble! They Pray for they have wants. What they do not "see" is that God and Only God Prays and Only God Wants. And can you guess just what God wants? You and me. God Wants dear friends the very best we can do is need! You want and you are wrong! Dead wrong! Of course, you are God's but not Yet. So, until that day you can only need, and you must live within Need and never in Want! "See"?

Need wipes away all Fear, all doubt, all worry and despair. "Self," worry, anxiety, bigotry and foolishness can only survive in "Want" - Need slays all illusions! "See"? I say to you try this once, already yet!

Go one week, without a want, just Need, and I'll show you how to "see" heaven! Just try it, persevere and be Patient, practice the Presence of the Spirit, walk after the spirit, deny every want and "see" what life really is, for the first time in your "life unfilled" Chaos! Now you may ask, what do I have to give to "Life"?

Have you ever heard of a Smile! A helping hand? A true Caring and Sharing of yourself, your true-self even, with others? A little love here, a little energy there, it's really very simple and easy and to be fully human and fully spiritual all at-one-ment! Really, there is more fun and happiness in Good-True-Right than you have ever even been able to imagine! Try it! You will never truly know until you do. Today and Today and Today is a Good Day for Good-Work, yesterday, today and tomorrow. Remember you only reap what you sow! No more - no less - Why go on through life being the victim of your own punishment? Are you that Foolish? That dumb? That ignorant? Or are you a Fox? Remember, that the Fox has tales to tell, they're hanging over All the Place on car antennas! That's what happens to stupid Foxes! The wise one has no place to lie his head, but he keeps his tail! Now if you can keep your head, Yet, you will be Alive in Christian Spiritualism and Free! Remember, where there is No Freedom, there is No Spirit.

Simple isn't it? Be very cautious, don't ever, even try,

to make it Simpler! It cannot be done, what God has Judged Good neither you nor I can change, we can but conform or die trying to do the other!

What is there about a Christian Spiritualist that makes him different from all other persuasions? A ‘TCS’ is Christ in a Man! All the others Claim to be Men in Christ! That, my friends, simply doesn’t work, since Jesus, the Man in Christ Role has been Filled. May you all “see” the Light of “TCS”

Love - Peace,

“p.”

A Mystic of Wisdom - Servant - the humble “See”!

## 23 - Validate Positions

Until each newly designated servant-leader accepts and activates his or her position or refuses the Position and steps back or steps out, none of the Newly designated Positions are valid. Only Unity in Acceptance is Valid!

“p.”

Mystic of The Message.

We Need Servant-Leaders who are truly Examples to All in All not to “Self”! A TCS never wants for he has nothing to want for or for him except One, “Life”! A TCS boldly approaches the Throne not Stupidly and never Self-ishly! “See”?

Wisdom.

A TCS is a seer of Tranquility never of Complexity. He needs, never wants. Never begs, always Gives!

I Give you a New Commandment to Love one another as I have Loved you.

What does that Mean?

Love each other as greatly as Jesus The Man loved us all - he gave his life, a labor of Love for All Men. Love All in All as “Life” Loved Christ his First Fruit and Love All in All for

Christ-Jesus' sake as "Life" so Loved them he Gave the Greatest Love of All to the Spirit-Man Christ-Jesus, Forgiveness!

"See"?

Love and Think - that's All there is!

Why?

Love and Mind are for everyone and everything and never Selective therefore Never Self-ish, Always Need-Full not Want-full!

Why is a TCS bold?

Because of the Covenant of the Cross. The Cross of the All in All!

Why must Man Repent?? Change?

Simply because "Life" did!

"See"!

Once for the People of Israel.

Once, and Once and for All for All in All.

That's the Unity and the Peace that Man Must Arrive to in Order that Christ-Jesus may Prove to "Life" that All have Repented and therefore are Soul Worthy to be All in All!

The tasks begin in The Way and culminate in The Way!

A fully persuaded heart, eyes that always are looking Upward and a mind full of Spiritual Wisdom, Knowledge, Understanding, Intelligence and Love is The Way to The All in All! How? Peace! How? Love!

The Law of Silence.

There is only one Golden Silence that is the Three Omnis which are the One!

See?

Love, Wisdom,

“p.”

## **24 - Come, Follow Me, not Pride and Vain Glory**

To the Family of “Life,” servants of the Spirit of the All in All.

As the Mystic of The Message of I Paul, the True Gospel of Christ-Jesus and therefore The Mystic of Wisdom and The exponent of the Way to the Way, keeper of The “Book” of “Life,” A Spirit for All “Ages” I AM the Present Well on The Spaceship Earth, the link between the Spirits of the Upper Realm and the spirits of The lower Realm. My tasks are clear and are being followed exactly as given. Your task is to cross over into mine. You need me and that which I have in order to Complete your individual tasks and collectively bring about that which the Cross of Truth has Promised.

You must Follow after me as I follow after Christ-Jesus and so on down the line of true Following, servants All, then, one after another! The Teacher, once he has collected his Followers and has established the Tasks and the Mission does not then keep going to The Students who wish to become Adepts. They come to him, or they go their own way.

You All have that Choice

Since God is for us and we are co-Heirs with Christ-

Jesus who can be against us? Who can harm us? No one dear brothers and sisters, no one, especially The Foolish loners.

Wisdom,

“p.”

Does your toe pray to your foot and your foot to your ankle? Does your neck Pray to your head? No! God forbid. Your wholeness is Mind, and your every Member belongs to Christ-Jesus and them Crucified. That's what I teach!

## 25 - "7" - The Meaning of "Church"

The Meaning of "Church" - the Meaning of the Mystic of The Message of I Paul. The Meaning of The Mystic of Wisdom.

I "P" have received the Message of I Paul the Way to the Way, the True Gospel of Jesus the Man, now Christ-Jesus, the living being both physical and spiritual of "I the Alcoholic" and "keeper," defender and Protector then, and a Servant of the "Book" of "Life," A spirit for All "Ages."

"Church" of the All in All translates into Spirit of The All in All - same as "story," in the "Book" of "Life" translates into Spirit! I am, therefore, the Mystic of the Message for it is I who Received it, was called to Receive it and called to the Understanding of it for the Purpose given in the Full Message itself.

In the Chief Patriarch Missiles, it is clearly stated that I am Now "the Message" and "the Message" is NOW in my hands to do with as I so see fit! I did not make that decision, Spirit made that decision for I am but a Servant to Spirit and a Well, a teacher, a Guide to Man. Therefore, I can only say, as did Jesus and I Paul and others, Come, Follow Me!

Follow me, as I Follow and Serve or Go your own Way. Your task is to cross over into my Path - My Way then, the

walk After the spirit, which I have completed to its fullest, and the walk in the Spirit, which I have also completed to the Fullest and that's Why I AM, "LIFE" IS, and you must do exactly the same. Without me, you have nothing but an incomplete Message. You need Me! The time for likes and for dislikes "Are Over"! "See"?

I am the Well of Wisdom, Knowledge, Understanding, Intelligence and Love. You need to become so and the only Way you or anyone else on the face of this spaceship is going to do that is to Come, Follow Me! I am the Teacher, you are The students, all of us Collectively are but The Servants of God Almighty, Co-Heirs with Christ-Jesus, our Saviour who will bring about the All in All when we, mankind, of this thing we call Earth becomes Fully Obedient to the Mind of Christ! I am, you all are still attempting to serve two Masters! I am not your Master but your Servant. A Servant who can find no-one to serve simply because you all believe I am not the Message even though The Spirit you Pretend to Follow has very clearly and methodically told you that I "P" am the Message, the Mystic of it and also the Mystic of Wisdom because I also have the True Gospel of Wisdom and have been in the Process of translating it for you. Much is completed but not Yet in your hands! You are nothing without it!

I would caution you, one and all, throw off your petty

wants and your foolish "selfs" and Come to the Teacher, to the Well, to the Mystic of The Message and to the Mystic of Wisdom and become exactly as I am, so that you can then Receive from Me as I have Received from I Paul for that is my mission and yours must Cross Over into mine if you are Serious, if you truly want to be Faith-Full and not Faith-Less, Hopeless, Loveless, Truthless, Wisdomless, Unityless, Peaceless and therefore "Life"-less!

Soon you will be "P"-less also, the "time" is Now dear friends, NOW or Never!

All Love and Consciousness,

"P."

A mystic of the Message of I Paul and a chosen and Called Mystic of Wisdom by my lord and saviour Christ-Jesus by their Power and love, I be their servant!

## **26 - The Comforter - The Paraclete - The Mind of Christ!**

Jesus said one would be sent to replace him - meaning something to be with us, alongside of us, an intercessor for us - Something that would guide us, teach us, lead us into Truth and Righteousness and actually do our Judging for us!

Romans 8:26-27 perfectly spells this out in conjunction with Romans 5:1-5 and with John's Gospel where Paraclete appears (allon - another of the same kind). John 14:16.

Jesus did follow the Mind of Christ and he did not send another person to replace him or a Holy Spirit for that is God, "Life," then - the Holy Ghost, which is no Ghost at all and is used in Christianity to mean exactly the same as The Holy Spirit, the Father, was not "given to us" after the Cross, but the Mind of Christ was given after the Cross to replace the Free will of man which actually was only valid until the disobedience in the Garden of Eden. How "death reigned" is really not "understandable" unless the Above is. (To be a Co-Heir there must be a will and a Testator to it, of it!)

## 27 - “1983” - A Year of Love and Truth!

Every attempt to elucidate imagery and give such essences received and perceived Full Justice, always fall short of coherent, visible, physical understanding.

The development of Creative Thought and Creative Imagination are most necessary to those who would become adepts.

To see the difference between the pure physical writing and the purest spiritual compare any of Paul's Epistles to any of the Gospels and the differences immediately become apparent to the peruser that he is seeing two different Realms of thought unfolding before his very eyes.

We, of the material realm, stand in awe of the spiritual and since we do not understand the spiritual, we intend to “materialize” it and in so doing we lose the higher in the chaos of the lower.

Each of us according to the Message, the Way then, has a task and a mission. It has become perfectly clear, to me at least, that my task is my spirit's mission!

My task then is not to physicalize my non-physical nature but to reach it, harmonize with it and prepare for the coming transformation of my physical essence into my

spiritual essence.

No spirit is my enemy, nor can any spirit harm me. The shoe is on the other foot - I can harm my spirit and it is defenseless to stop me! That's the epitome of being the victim of our own Punishment.

Since my task is my spirit's mission, my spirit's mission then, is my task of Preparing, Following in order to Come and be One in the Spirit Realm Above. My task then is the All in All in order that “Life” may be All in All!

We, of the Physical Realm are a Trinity - Body-Mind-Spirit. The Mind is our link to our Soul after it has “captured” its spirit and its spirit counterpart has “captured” it! Possessing and Possessed - Possessed and Possessing - the Compounding then of the lower essence and the higher essence to reach the Highest Essence and Rest in that Highest Essence as a partaker of the “Eternal Happening” of the All in All. A return to “the” Garden State then is imminent!

The New Worlds are, then, Now but Our day is Future when the Three become One!

My spirit cannot “step into” my physical world. I must “step-up” into its realm and that's a matter of mind over matter.

We were made, formed, created then, a child of Grace, an eternal essence, a spirit birthing then. We are also birthed as a child of Nature, a non-eternal essence, and we Need to be birthed again in order to “see” our Soul!

We began as Innocent Children, sons and daughters of the Almighty and that’s exactly how we are expected to return. Innocent - not Perfect here - Pure and Perfected there!

“Love and do as you will” does not preclude error but it knows no “mistakes”!

The Covenant with “Life” is “to cut Flesh.” The blood of The Cross was Atonement, Remission, Forgiveness, Justification and so forth. Atonement of the Covenant of the “cut flesh” is found in the New Testament only in Romans 5:11. We have been Reconciled and gifted with Righteousness so that the Separation is a simple matter of Minds. This Separation diminishes as we Ease Upward out of the mire of distortion and onto the Way! It’s a simple matter of rising up out of murky dis-ease into the lucid ease.

We need to cut the flesh and let the spirit out!

We have been Crucified and planted once and being dead with Christ there really is nothing left but to live with Christ - we should now, all of us, be walking in the Newness

of Life and not after the oldness of death.

Once dead we can die no more so death is not-the-way, why then do so many insist upon it, embrace it?

There are three reasons mainly, why. The Full Measure of Faith, a gift which is ignored, Creative Thought, and Thirdly Creative Imagination. With these three manifested in you and being manifested through you, nothing more is needed except Action for the Love, the Truth, The Wisdom, the Unity and the Peace are Present. They require your Presence, your remembrance, your Recognition, then, of that which is, always has been and always will be in you, of you, for you and therefore must be quickened and sustained by you! Being made free from sin and the law we were made the servants of Righteousness. For as by one man's disobedience many were made unrighteous, so by the Obedience of one shall many be made Righteous!

What is the Full Message then, but Peace and All Good things! The things that Are, then, and never the Things that are not - Spirit-Wise! How then shall your Righteousness be counted? By the measure of you Faith! Jesus died for the offenses of Man and was raised for the Justification of man for Life! For “Life” not for Death!

No one need search for righteousness and Faith - they are gifts - Free Gifts in us, for us! Imputed unto All for the

Redemption of our Soul. And not only that, but we should also Joy in “Life” through OUR Lord Christ-Jesus by whom we have NOW received the Atonement!

The Cross Reconciled us to “Life.” We are no longer Separated from “Life” but separated from our Soul! Separated only by the distortion of our thoughts and the darkness of our hearts. We arrived here Spirit Led and we must return Spirit led. We are spirit led to the degree of our Righteousness and Change to-ward Peace and All the Good things!

There is no Faith in “self”-centeredness, aloofness, dishonesty, impurity, selfishness and lovelessness. “Self” is Faithless and unrighteousness, division then, and strife then, an absence of Unity and Peace! Where they are not, the Spirit is not!

Unity is the sixth mansion, Above and below and in it reside Faith, Hope, Love, Truth (Freedom), and Wisdom.

Unity is One mindedness, Friendship, Fellowship, Freedom, Familyship, Love and Consciousness, one mission for one purpose, All built upon a foundation of Sharing and Caring for the Well-Being of All in All!

The Full Message of I Paul teaches and Preaches so that we may Teach and Preach Love and Truth for Peace and All

the Good Things through two mediums - Righteousness and Change! Which result in the Necessary components for the “Happening” of the All in All - Unity and Peace.

We have Designated by Spirit and Accepted by Man, a Mystic of Unity and a Mystic of Peace. Co-Mystics then, which is most Important Spiritually and very significant physically for they must Come hand in hand to the forefront so that the Ten may call upon and Be Answered by the Two plus One! John and Jesus came, Change and righteousness, hand in hand, only to be slain and end death. Change and Righteousness - Unity and Peace, then.

Unity and Peace then, the Fulfillment of the Mission of the Family of “Life,” servants of the Spirit of the All in All, and the New Worlds - Unity and Peace.

All below And ABOVE in Unity for the All in All Above for the Judgment and Peace!

How then shall we bring forth our “secret” to the World? By Emulating John and Jesus through a physical re-enactment of Elijah and Messiah!

The Mystic of Unity must, in the Coming year, teach Change and the Mystic of Peace must teach Righteousness!

You have the Way, the Knowledge to teach and you have had it long enough so that you are bare of Excuse, and when

you teach, teach also yourself and grow up out of being babes and holder-ons to foolishnesses.

Strong meat shortly arrives, be Prepared to Swallow it!

Swallow it you will, for your own Good, your own Right and your own Trueness, or you chew on it for the rest of your days in the bad, the wrong, the awry-ness.

You have been Chosen, Called as stewards, where is your Stewardship? You alone can answer that question.

For now, I “P,” having heard the Way, must also speak as a Man and ask also who dares change the Truth of “Life” back into a lie and continue to worship the creature more than the Creator? And who dare change the incorruptible God back into an image made like to corruptible man?

Now I speak as spiritual, for we have the Mind of Christ and therefore the Authority to do so. This authority is learned more than earned for it was sent to replace the Free Will. Since “Life’s” Will is now our will, we have the Power to Create Unity and Establish Peace.

Where lies the Power to Change? Love!

Where lies the Power of Righteousness? Truth!

Unity is Yesterday, Today, Tomorrow, Beginning, Now, Future! Only Now is “missing.” Only Change, Love then, can

bring it into our vision!

Righteousness too, is eternal, Yesterday, Today, Tomorrow. So visible that it is invisible and only our Righteousness, Truth then, can bring it forth in our imagery!

Unity, then, is Surrender to Love!

Peace, then, is Abandonment to Truth!

Unity demands a Change of Hearts and Mind!

Peace demands a Change of Minds and heart!

The most moving spiritual experience I have ever had was the “witnessing” of the Crucifixion wherein I now “see” and “hear” eternally the Unity and the Peace by it, the Change and the Righteousness from it, and the Love and the Truth of it. All may “witness” it also for it too is eternal, Yesterday, Today and Tomorrow even! The death of it ends with The Unity of the All in All and its Peace begins with its “Life”!

How should a Christian Spiritualist interpret “I am the Light and The Way”? Spiritually but as coherently as possible for human consumption.

Let us, then, apply Common Sense both Physical-wise and Spiritual-wise to that saying.

We know that Christ is the Light of Genesis and we know that this Heavenly Light was a Mystery that was not made known in any age to the sons and daughters of Men, until it was revealed to Paul, the Apostle of the First Light after the death and then the Life of The Cross. It was also made known fully to the Holy Apostles and Prophets simultaneously with Paul's knowledge through the Grace of “Life,” yet Paul was not aware of their being Christed at that time. We know that Jesus is the Way and that is Righteousness!

The Light Alone is of no Avail to us!

The Way Alone is of no avail to us!

Together they are our Salvation. Our Unity and our Peace! Our Love and our Consciousness. Our Identity and our Newness of Life. Our Goal and our Introduction. Our Faith, our Hope, our Love, our Truth, our Wisdom, our Unity and our Peace in the Flesh so that we may have it in the spirit and more Abundantly in the Spirit!

All we need do is Change from the darkness to the Light and from the Unrighteous way to the Righteousness of the Way!

“I am the Light and the Way. I come not to call the Righteous, but sinners to change their ways. Seek ye, then,

the Kingdom of God and his Righteousness and All other Things shall be given unto you. The light of the body is the eye: if therefore the eye be single thy whole body shall be full of Light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness how great is that darkness!”

“Repent, the kingdom of God is at hand” = Change, God’s Righteousness is here = I am the Light and the Way = I am The Unity and the Peace!

Jesus did not come forth as a doctor to cure the physical ills of the world but to show that change and righteousness would. He healed some to prove that his Way was the Light and the Way. Simply compare the number of days ministry to the number of healings reported and it is perfectly obvious that healing physical illnesses was not the focal point of his calling – Change and Righteousness was and the healings were incidental to it, used to display validity of the claims made!

Unity and Peace are the “Mutualism” of Love and Truth – they come by fasting to this world, change, then, and by The Way of Righteousness, then!

The higher the percentage you devote to living the spiritual Way Now, the lower the percentage becomes of the physical nature of life interfering and working against You

in The Future!

One thing you will never “hear” Jesus say is “Who is this that Comes, daring to be Me?” You dare and be bold in the daring and you will be embraced in Love for it!

That is what the Light and the Way is All About - Change and Righteousness for Unity and Peace for therein lies Love and Truth and Equality with!

As a Man I have no Ambition or Pride but as a Spiritual I am very ambitious and very Pride-Full and have wept within for I have not seen it blossom in All of you. It takes great courage and boldness to Change and to live Righteously. Change and Righteousness is not Religious piety or a “holier than thou” attitude or pretense but hard work.

We can, through our thoughts, our Aspirations and our deeds, Change our World into a Righteous world. That’s not some silly Pie-in-the-sky fable but a Promise Made and One to be kept “IF”!

The Family of “Life” is going to succeed or fall from within, based on its own “domestic issues,” Unity and Peace then!

Anyone can be a member of the Family of “Life” for in Truth everyone is. But everyone is not a participant on The

Way to “the Way”! As long as any of us hold on to old ways, old traditions then, we are not walking in the Newness of Life, we are then beholden to the Still distorted mind and the fruits of that is the old way, Death, which is Not-The-Way! Anyone can realize his spiritual potential in the Flesh and then go beyond, far beyond, if he or she makes the effort to Reach the divine consciousness which is in them. The very beginning of Perfection depends on our individual effort to raise up the lower mind to The realm of the higher minds!

Consciousness is an Ascent from the Physical-Material Realm to the spirit realm to the Soul Realm.

The lowest level of Consciousness is here, it cannot descend any lower, it can only rise up and then only when we Wake-Up and begin on the Way to Perfection! The Soul, or Spirit of Consciousness is a simple matter of Minds!

A Christian Spiritualist knows that he is not separated from “Life” but from his Soul! The Soul knows NO imperfection and no imperfection ever “sees” the Soul!

Without Change and without Righteousness man will Always be he who has eyes and does not “see” and he who has ears and does not “hear” for they have no Light to “see” and no Way to “hear”!

We raise our Consciousness only by choice, by effort

and by Action in and of and from Honesty, Purity, Unselfishness and Love. All of which demand Change and Righteousness!

Our relationship to the spirit is individual but our Relationship to the Spirit of the All in All is Collective. Without Change and Righteousness there can be No Unity and therefore No Peace. Without Unity and Peace there can be no True, Genuine, Pure Love and no Pure and Ultimate Creative Truth.

Who needeth Change? Man!

Who requireth Righteousness? “Life”!

The Light is for Change and the Way is for Righteousness!

Nineteen Hundred and Eighty-three can be the Year of the Three! Teach it and see!

Your servant,

“p.”

## 28 - Love, Understanding, Order, “See”!

How do you know, really “know” when you are on The Way of Good and Right and True? It’s quite simple really, you recognize that you are doing things you do not know anything about, and the results are Perfectly Effortless and True.

When you begin to recognize to Recognize such things, you are on Your Way to Full “Recognition”! Could anything be as simple and just as that? Nothing but One! And why worry, it’s truly NO-Thing. You “see” the trick to the Whole Thing is not to Fear but to “Love”! You do that and You and you can do Anything you and You Will!

How? Peace!

“p.”

“If” you could just “see” nothing, you would “know” NO-Thing!

It is Truth, Beauty is always in the Eye of The Beholder! That’s not incredible, it’s “Recognition”!

Believe in yourself – that’s the beginning to no end.

From this Foundation one can build a sound and sane Foundation of Full Faith.

With this Measure, Nothing can ever Rule You!

Adam and Eve were sitting around The Apple Tree  
paring Apples for a Pie after the Funeral of Able. “Cain,” said  
Adam, “No man can be a complete failure, he can always  
serve as a lousy example by his smallest effort!”

Don't be Cain, be ABLE!

For as a man minds his heart, so is he!

A True Christian Spiritualist sees the Sun set only the  
dawning for that's Eternity!

## **29 - Discernment – Communication**

### **#11 - “A Going Back”**

Does this discernment destroy the earlier ones of Communication Eleven? No, not at all. This one simply signifies the ever-on-going Change manifested by the on-going of the Message, always in an Up-ward thrust. The more we assimilate the more we change for the Purpose of Life and “Life.” There is, as we can readily observe by the discernments of Eleven, the huge difference between “eating and digesting” the Message and simply reading it. It’s the difference between you and I being the Message and the Message being simply words on paper!

On Page 7 of this discernment, the Jesus sayings are from Mark. In the Scripture the word Corban meaning a gift, needs to be understood to grasp what Jesus was so upset about. It has to do with love, with responsibility and with sharing and caring.

COMMUNICATION #11 - MESSAGE OF I PAUL (Book 1).

February 24, 1977 - listed date of Receiving.

January 1983 - Date of this Discernment.

“It is good you come” = I Paul’s Greeting, signature and authenticity and my reason and authority to “Come to the

Well.”

“Be of great courage and joy for all is well” = I Paul’s assurance to me that all was well – I was not crazy as I was thinking and that I should be happy about what was happening. He was attempting to remove all fear, worry, doubt, etc., from me, for they were barriers to my receptivity.

“What has been given to you of Divine Consciousness has now been wrought into your reality and you have been successful in breaching the Etheric planes of spirituality” = Divine Consciousness is a Gift, that which makes us the temples of “Life.” All Life everywhere is Separated from “Life” in the Concept that All Life came out of “Life,” both Spirit and Physical, yet “Life” is in us All. “The” Divine Consciousness is unknowable, unsearchable, untouchable and beyond our understanding. The foolishnesses of “Life” are greater than the collective Wisdom of men. As the temples of “Life” we are mere “spiritual tools,” each with its own particular use and purpose.

This Divine Consciousness was wrought into my Reality. Forced into my reality then, for on my own it was and most likely would have remained unknown and untouched by me on my own. I was called then, formed, shaped in order that others could be called through my

calling. My contact with I Paul and my Receiving of the Message and subsequent trips are all explanations of the remainder of the sentence. I had no true-self awareness at this time, I was “in contact” at higher spiritual planes, yet still “in need” of contact at the lower spiritual plane. What most fail to Remember and Recognize is the Reality of – We are spirits inhabiting a body and not a body inhabiting a spirit – We all tend to get caught up in the mechanics of this Reality and therefore we view everything in reverse and get lost again and again and again. As a spirit we are lost here, weak here because of the physical-material chaos and distortion. When we combine the physical-material and the spirit-spiritual essence force together we become as we should be and that is what “walking after” is all about, the preparing of the lower mind to give it over to the following of the higher mind.

As a spirit inhabiting a body, you should be fasting to this lower realm in all things except the task of, and the mission of that intended through the Newness of All Life by “Life.”

Physically I am not separated from anything, I am where I belong even if I am not doing the physical task assigned as the inheritance of man, but I am Separated Mentally from my Soul.

“I Paul will now begin transferring thoughts to you that will allow you to begin to act as usual but slowly begin to think as one with us.” –

“Allow you to begin to act as usual” doesn’t make a lot of sense. The three “begins” in the sentence are as confusing as can be, also. What can “act as usual” mean, especially in the light of “slowly begin to Think as one of us”? And, if I Paul is “now going to begin transferring thoughts,” what has taken place up to this moment? Is the third sentence of Communication Eleven the Actual beginning of the Message of I Paul? Is the second “begin” mean to act natural and the third “begin” the activation of the divine consciousness within?

Recognized or not, this sentence is one of the most puzzling ones in the Full Message. One thing is obvious, the whole sentence denotes Change, the “begins” clearly signifying this fact.

Communication One is the perfect example of “words on paper” and all who read it are like the “statue in the library” for without the ability “to think” as “one with us” it is useless to us. Pretty words on paper, but with “hidden” and “very profound” meanings that are hidden from us due to our “still distorted minds.”

Can any of you “see” in the three begins Change,

Changing, Changed? Can you “see” it in reverse as Changed, Changing, Change?

“I Spirit, being Changed, will now begin your changing so that you may begin to Change to be one with us” or I Paul will now begin to assist you to change so that through your changing you may be Changed as one of us.

The “as usual” has to mean “as expected” or “as intended,” in other words, “act natural.” In practically every survey taken here on earth in a search for the Top Priorities of Physical Life the Top two are Almost Always Love and Family Life, and why not, for they are instinctive, inherent in us all and it is simply acting natural to seek such at every level. It is a seeking of Unity and of Peace. This longing of belonging and contentment are not only the top Priorities, but they are the Last Resort here also, and nothing could be more natural than that.

Isn't the search for Love the search for Truth also? Isn't that what Acting Natural is all about in life, ever when we do it and are totally unaware of it? It's the norm, the “usual” then and “to begin to act as usual” simply has to be the Waking Up to it and becoming visible, vital, vigorous, vibrant and Present to it.

To worry, fear, to doubt, to be unjoyous and to lack courage are all manifestations of the unnatural, the still

distorted mind programming that has been handed down to us all age by Age. You see, each new age here has always been a dying dream to the expectation that the next new age will be the One – the Good, the Right, the True Age!

This third sentence can easily be expanded beyond what is given herein by anyone with a fairly good grasp of The Message following the points I have now outlined.

“Others in the physical world of your plane are governed by their own plane forces, fears and passions, and not by we of the spirit, but you will slowly and steadily change in thought and activity to our spirit and beneficent thoughts.”

What does “governed by their own Plane Forces, fears and passions” mean? It is now perfectly clear that it means men are governed by men and their physical bodies and that they are not “spirit led” which is the Natural Way. Man honors and glorifies men – hero’s and fools – heavenly saints manufactured by men and so forth. Jesus made it clear that one should honor his Father and Mother for one’s physical being, but he did not mean Glorify them for such belonged to the Heavenly Father. Jesus also said and this is most of what the sentence is about: the Pharisees and Scribes asked Jesus Why his followers did not walk according to the traditions of the elders.

Jesus said quite harshly: “Well hath Elijah prophesied of you hypocrites, as it is written, this people honoureth me with their lips, but their heart be far from me. Howbeit in vain do they worship me, teaching for truth the commandments of men? For laying aside the Commandment of God, ye hold the tradition of men, as the washing of pots and cups (a very low blow, “P”) and many other such like things you do. Full well ye reject the Commandment of God, that you may keep your own tradition.”

That tradition was the Religion, the manufactured Religiosity of men, not of Spirit! Secondly, the sentence here is also talking about the forces and fears of sins.

Scripture even doesn't say Jesus removed the sins from the world – it says quite clearly, he Removed The Sin from the World! I Paul stresses Fear and Passion. Fear is an emotion in this realm, so is passion. Passion here means lust, unnatural desires, wants gone astray, etc. All Change then away from hypocritical tradition, preconceived ideas, untruths, unnatural fears and passions are all beneficent to us and worthy of our thought and Action.

“Through such constant transference and guidance you are the channel through which much good will be perpetrated.”

Constant transference (receiving) and guidance (being spirit led, not leading then). My task is the Message, which is my spirits mission, its Freedom then. Much good will come about by it, through me then and not by me. The Message says, you have many “good works” in you, find them out. All the Good Works, the Right and the True Works then, must be spirit led not man led and that’s what the Commandment is all about – Obedience! “Sooner or later, you will follow someone, something” – better it be spirit than the Foolishnesses of men.

“See to it you are vigilant and purposeful and always watching and loving.” = Stay by your post – Keep the Watch – Wake-Up – Be vital, vibrant and so forth. “Loving” speaks for itself. Purposeful speaks for itself for who can speak for the Soul? Purposeful then, is the key word here for without the Purpose of Soul, the rest loses its savour. Communication One has no greeting or salutation. It begins with “the Soul” – that’s “the” most important two words in the entire Message for everyone and for the All in All! There is nothing that is, that is anywhere and at any place in time or space or in the absence of it that “the Soul” is not in some way, shape or manner involved. If one cannot now see this, even in the Chief Patriarch Missiles, then that one cannot “see” the Chief Patriarch’s nor the C.M.’s either!

“I Paul am explaining (all) this so that you will

understand when the time comes, and it is at hand, when you will look and act as always to all people, but you will know that you are different.”

Look and act as Always - is that different than “as usual”? Does time in this sentence mean gift, “time” then? Do we not now have a fuller understanding of “at hand”?

It must be remembered that at the time of this receiving I am thinking as physical, unaware of my spirit and with thoughts that I Paul is my spirit or God, or I am crazy and so forth. The obvious confusion is clear when we compare early Receivings with later ones.

I made many mistakes in my receivings which had to be corrected as we moved along, and I became more familiar and less confused. It was absolutely necessary for me to shed All my doubts, worries, fears and my own personal wants and the wants of others around me and give myself up totally to the task at hand, knowing the difference between my self Now and others around me, acting naturally which was almost impossible because my time was no longer mine to do as I wanted. The falling and rising - the rising and the falling became almost routine, second place in by life and I had to struggle to stay up and at the same time understand why. The reason “why” was obvious in the next question even though I did not fully understand

it at the moment. “You of Divine Consciousness will begin to have access to other minds so you must be extremely Faithful and cautious.”

Extremely Faithful is self-explanatory now, but extremely cautious was not always so. Cautious yes, in keeping the watch, cautious in thoughts, acts, deeds, yes. Cautious in approaching the Etheric Planes yes. But there was for some time the feeling of being cautious about “evil spirits” even in the light of the very next sentence for after All the Spirit of Death was lurking around in the shadows of my mind. Caution here also applies to being vigilant and watchful, purposeful and loving. All difficult to simply switch over to after all the years of being cautious in the opposite direction.

“You of Divine Consciousness are above bondage but you can be disciplined for what you do as well as what you don’t do.” Now, that’s a loaded sentence, a double or triple edged sword if there ever was one! The key word here is “bondage” and the second is “disciplined.” The “transference and guidance” is my freedom “if” I follow it and use it wisely and do not play games with it. The “discipline” explanation begins in Communication One. At this late stage of the game, it doesn’t take a spiritual genius to figure out what “suffer badly mentally” really means. It’s a simple matter of Minds and a simple matter of being

Separated from the Light where the Spirit of Consciousness is! There's no physical suffering there, all of that takes place here as long as man remains in the still distorted Mind and holding to the tradition that we are living souls and so forth. The “can be disciplined” is our own discipline as the victims of our own punishment for doing the things we shouldn't do and for not doing the things we should do! The beginning of the sentence “You of Divine Consciousness” lies in Communication #2 in the 18th sentence. Without I Paul I was already of “the” Divine Consciousness or divine consciousness but in a distorted plane level of it. To “begin to have access to other minds” has different meanings at different plane levels, but it all levels off at One Level!

“Others (you) in your (mine) plane level” – you then were still governed by your still distorted minds, the forces of this world and its fears and passions. I Paul wrenched me free and raised my mind to his level of Divine Consciousness, but I still had the chore of wrenching free of my own still distorted mind – Remember, I was still only a maybe at that moment – I could have turned my back on it. An adept, and “exerter” isn't made overnight, and I had been breaking promises and oaths and appointments all my life.

Once I was raised by I Paul, I was abruptly lowered also and given instructions to raise my mind from then on and to

call on him. Once I was able to do this, then there was no turning back for then I, too, was a Prisoner of Christ-Jesus and “above the bondage” of this plane level and its forces. Simply being told you are this or that really means nothing until you have Fully witnessed and experienced it on your own effort! There is a Tremendous difference between knowing about something or of something and Fully knowing and being Known! I could say that that is the Full difference between belief and Faithful! You can be filled with belief and “see” and “hear” nothing and therefore that belief rests in hope alone, the expectation hope but filled with Faith is a much higher level. You can have belief in something without Love, Satan for example, but you cannot have the Full Measure of Faith without trust and Reliance and Love and the Purity of Mind. If one is lacking, the Measure is wanting!

“I Paul command you to begin now to act natural in all things and in all actions but with a mind that only you and your esteemed earth counsel, who I will now recognize, know of and are privileged to share.” “Who I will now call Ted” means Recognize and that from I Paul was “A Commitment” beyond All the Commitments that Ted and I could ever make here and one that really has not been given its true Recognition by anyone here except myself.” “But with a mind that only you and your esteemed earth counsel

...know of and are privileged to share.” That not only meant we were brothers and Partners to share and care, but it also meant that at any time “T” capitulated as I did, he too would begin to receive and be a Full Partner with I Paul as I was. Even I was not aware of this truth until some time later, yet a careful “going back and going over” all memos, notes, personal letters, etc., to “T” will quickly bear this out. “T’s” problem, right from the beginning, was his failure to carry everything forward. A new Communication became Old as soon as the next arrived and “T” never could honestly and purely make up his mind because he was selfish. The Message got in “his Way” of Life, the Personal Life he loved more, in truth, than he did his Soul. Yet, that has been everyone’s problem down through the Ages who have had the Unique Privilege of being Allowed Access to the Full Message, the Book of “Life.”

The next sentence says it all very swiftly, very subtle but very conclusively!

“You are as one in your good-works.”

What are Good-Works as explained in the Message? That whole sentence should be understood thusly: You Two are One in your collective good-works. Since there isn’t supposed to be anything but Good-Works, then we are one in All things Good, Right and True and Bad, Wrong, and

Awry. Just as much as I am capable of pulling “T” up, he is capable of pulling me down! “We know of and are privileged to share of” = “IF”! Spiritual Partnerships are far removed from Physical Ones! Spiritual Partnerships are made in the Light, not in the darkness and the “as one” has to get there “as one” before it is fulfilled, no ifs, ands, but about it! Effort and Change are also “as one” Spiritually and Physically!

“You can rise or fall but only together if you of Divine Consciousness fall into evil.” Does “you” here imply one or two “as one”? We have always discerned this as a free-ride for “T” but when carrying everything with you applies then the “as one” applies, for if this was not so, why then the drive your brother directives and the I Paul whip cracking over “T’s” head so often? Why did I Paul practically beg “T” to step out if not to “save at least one”? How many times have I said that I have learned and learned well that no one can save himself, alone or otherwise? In fact, I said the same thing again in different words to “T” in a personal letter over the holidays.

“This is the Partnership and The weight of a Protector.” How many edges does that Sword have? How many of you can go to the Message and see what Protection, well-being, self-supporting and safety really means in all of its directions and who carries their share of their own

weight “happily and ungrudgingly” and out of the “self” mentality of “me first”? Who among us all is unselfish and not self-centered? Who really practices the Message as given? Who, when they teach and Preach others, teach and preach to themselves also?

Most of you simply do not grasp the meaning of Partnership nor the weight of a Protector or the meaning of being self-supporting which means more than just having a job or an income. Some of you simply do not understand that I go to a doctor to make “T” feel well, for I do not go to let the doctor save my life – it’s not his to save nor mine alone to save. That’s an area in this life where I am entirely different than the rest of you! I recommend that all of you go to a doctor whenever necessary and don’t cease to do so until you have the mind I have, but which is always in jeopardy as long as I am here. And now you should see more clearly why!

“Talk, Act, Live as you must but always from the “System that Always Prevails” and where the Laws remain constant will come your thoughts.”

Have you ever tried to “act natural” when all your thoughts are not “your own” as we know them here?

The only possible way you could say yes would be if you were Following the Message exactly as given! The simplest

explanation of this is to say that you give Up your impure mind and Receive it back Purified and then you go on in your words, acts and deeds dedicated to the Good, the Right and True being All things to all people in order to save ONE EVEN! You see, some of the “little things” in the Message eventually get your attention and then your Recognition that in truth, they are the “Big things”! It’s all a matter of the mystery of Change. They become visible when you do! It’s the difference of being Present – here and there, and just being available here! In Reality there is no such thing as a scattered stranger, just non-Present Family members both here and there. Scattered Familywise and distorted Mind-Wise, a “stranger” then, in that sense to the Truth!

“Practice Always in your inner mind to remain open to I Paul.” What’s the “inner mind”? How do you go about this “Practice”? Again, Walking-After by Following The directions exactly as given, not as you or I elect, select or decide!

“Now this . . . incomprehensible to all . . . except Him Almighty.” Once I tried to discern this; now I leave it alone! The same goes for the next two sentences. “N. Chambers is your earth counsel’s guardian.” What has been discerned of this sentence earlier has been incomplete, as have All such discernments up to the Chief Patriarch Missiles – Chambers to I Paul there is as Barnabas was to Paul here. Chambers has

never really left “T” – “T” simply eased away from Chambers. Of what value is Chambers? Everything given has value If it is given Full Recognition. Chambers was an Equalizer for “T.” I had I Paul, so Chambers was “given” to “T.”

In the next sentence I had the numbers reversed but it really made no difference, and the First “or” should be “and.”

“The numbers 330 or 303 or any combination thereof Have the same guardian protection. More later.”

The numbers have been explained – in part – there is yet more to come.

“You did well, you have Come” (by following my water signals.) “You now have advanced another light Plane.”

With each successive success in following directions, we all advance by “light planes” here and Now. The more light we let in, the lesser the darkness of the still distorted mind.

“More later tonight.” Self-explanatory.

“Act, talk and relate naturally.” – This means in my contact with I Paul and not here, for that has already been covered.

“You will improve.” - In my contact and in my receiving and practice.

“Your counsel Ted may ask six questions.” This is in reference to a “sitting” for that evening.

“He must accept, as we know he will, whatever he hears.” The “we know he will” is comical now. Ted was so nervous he could hardly hear even. The six questions were a Golden Opportunity that just didn’t materialize from this end.

“It is good you Come.” Same as beginning.

I am sure that some will recognize that much more could have been included in this discernment. The major points were given and are traceable throughout The Message for anyone to see, if they are willing to exert the effort. Inclusive in #11 is Faith, Hope, Love, Truth, Wisdom, Unity and Peace. The question is, can you now “see” them and all the things that fit into each.

Can you “see” the Good, Right and True herein?

Can you “see” Honesty, Purity, Unselfishness and Love?

Can you “see” Prepare, Follow, Come?

Can you “see” the Mind of Christ?

Can you “see” The Light and The Way?

Without these insights into Communication Eleven, you will not have, as yet, discerned it!

If not, then in truth your understanding lies somewhere between Communication One and Eleven.

Cogitation, Meditation, Contemplation and Prayer is not a lifting up of one’s mind and heart to “Life” but rather an “opening-up” of them to “Life” through the light Planes. It is the Covenant then being fulfilled by us through our efforts to Prepare and Follow in order to Come and be Perfected and Purified to enter into The Holy of the Holies.

The Way is the Natural Way of Life and the Light gives the quality of its Actions, its form and its structure and its essences, such as Principles and Purpose and Above All its Guidance!

Is the above sentence New? No, its Communication Eleven is its highest discernment. It is in every single Communication also and it is also a collective discernment. It simply takes an “exerter” to “see” it, to “hear” it, to “know” it, to teach it and to preach it!

There are five “can you “see”” questions above. One of them is the Key to the Rest. Find it and you find the answers to the other four and in the five you find the Full

## Discernment!

Learning how to discern is a walk, a methodical plodding to-ward the “the Answer,” the Foundation then upon which everything else is built up from, erected upon. Take as an example “God is Spirit; therefore, he must be Worshipped in the spirit.” The First three words should come as no surprise to anyone. The two key words of the balance of the sentence are clearly “in the.” Once you can collect together all the meanings and intents of “in the” you can discern its usage anywhere in the Message and in the scriptures!

As brother “T” has said “I need a place to start” - Try this - Can you truly Worship God in the Flesh? That’s as good a starting place as any for that one simple saying of Jesus which is loaded!

You see, the Message is also loaded with simple statements, words on paper, but when the Effort is applied and Common Sense is Present, they then become Visible Revelations - esoteric then in the sense of “Private”! Private then because they are Silent. Silent being the way of Symbolism. We say secret but that’s not really proper for the silent is there for everyone to “see” and “hear” if they so choose to exert the effort.

If I “P” say to you “the Message is not a Place for

Mindless people,” could you really understand what it was I was saying “in the silence”?

We read scripture and we see such things as Jesus saying he didn’t come to destroy the law, not even a jot of it, but to uphold it, fulfill it even. What does “fulfill” mean? What happens to a covenant if it is true or false when it is fulfilled? Do you empty it out and re-fill it? Reading, as the Message states, is one thing, discerning is another. Even Jesus is quoted telling his followers the same thing – it was for them to know the private things, to have the eyes to “see” and the ears to “hear” even, and the same has been given to you! It’s a simple matter of seeing and hearing with your Mind exclusively over your eyes and ears. Even this requires discernment.

It’s a simple matter of Remembering and Recognizing the Foundation of Recognition then.

No one is going to memorize the Full Message, that is why the collection of each major point in the Message, such as the Mind of Christ, is so important so that once you have its foundation, you carry it with you and in this carrying of everything along with you, you can readily “see” and “hear” and “Understand” every reference to it.

If, for example, a person says in my presence “Once death reigned” they do not have to speak another word. I

“know” the Whole of it! How? Through discernment. Can you take each of the three words and explain fully the meaning on each, the silent Truth therein? From “the” you should be able to do exactly that!

Love,

“p.”

## **30 - The Meaning of and Reason of Being Self-Supporting**

The Message says that those of Spiritual Designation, the Called then, should be self-supporting. This means gainfully employed by one's labor, talent or service.

It means those physically capable of such self-support must be engaged in it, so as not to be a burden upon nor a leech upon others. The Principles of Sharing and Caring, Love then, apply herein.

From "the" discern Self-support as it applies to each individual - to married couples and those living together, the type of self-support acceptable and not acceptable - and anything else inclusive in the term "self-supporting."

Give us, then, a three-level discernment! We do not want your personal wants, likes or dislikes involved in this discernment - we want what The Message demands and why!

## 31 - Your Odor is Discernable

The spirit, being of the Full measure loatheth the honeycomb - but to the hungry spirit every bitter thing is sweet.

Ointment and perfume rejoice the heart: so doth the sweetness of a person's friend by hearty counsel.

Faithful are the wounds of a friend, but the kisses of an enemy are deceitful.

Open rebuke is better than secret love "If"!

Boast not thyself to me of to-morrow, for thou knowest not what happened today.

A lying tongue hateth those that are afflicted with truth, and in that truth a mouth never flattereth. For whosoever diggeth a pit shall fall therein - and he that rolleth a stone, it will return upon him.

So fool, hide ye behind the perfume and the ointment of lies, either way your odor is discernible.

(presented at the Sunday 1-23-83 Teacher of Teachers meeting)

## **32 - Jesus Did Something Rash - What Are You Waiting For?**

**Discerning - Self-Supporting - “Anything, then”!**

What is the symbolism behind “I am the A and the O”?

The “A” meaning All and the “O” meaning One, and the statement itself meaning, not only A or O but everything in between.

No one is further Along in the Kingdom than another - That’s why it is so important to give up your right to be right! Think on this! It’s all right to walk into the wind if you have your mouth open but nothing issuing forth! Simply Remember, when you seize the final word it never is, therefore better you keep your mouth shut when it comes to finality!

The sweet savour of “having your mouth shut” is never as great as Doing it yourself! Self-supporting is the going from “a tent-maker” to the “Creator of a Gate.”

## 33 - “The Gospel According to Mark”

What does that mean?

Start with it All over again thusly:

“the Gospel” - “According to” - “?”

Let’s start with the “?” - we have been told that the “?” (Mark) is unknown.

We have been told what the Gospel is - the rest is mute!

All you or I need to know then is what is “the Gospel.”

From a stance of who, what, when, where, why and how  
- discern “the Gospel According to Mark”

Then simply “Prove it”!

## 34 - Discerning and Writing Mark

The teaching of Jesus goes like this: the Kingdom is near, the strong man is disarmed, the forces of evil are in retreat, the physician comes to the sick, the lepers are cleansed, the great debt is wiped out, the lost sheep is brought home, the door of the Father's house stands open, the poor and the beggars are summoned to the banquet, a master pays full wages to a man who doesn't deserve it, a great joy fills all hearts, the hour of fulfillment is at hand - then it comes - the Cross of Truth and Love - now everything is restored except the Soul - Man must now, in Obedience to the Mind of Christ, transcend and Redeem his Soul, not in the Flesh, but in the Spirit - Man is Now, the Spirit is Future!

Wake-Up - be Alert - keep the watch - be vital - vigorous - vibrant - be ready - be Prepared - Be Active - the Kingdom is in us Now - Christ is our Being yet we must be the Final Doing. How? Enter I Paul and Action! The Question Now is "when do we begin"?

Jesus really had only one moral injunction: "set your minds and your hearts on the Kingdom and everything else will come into you as well."

If Luke 10:18 is true, how are we to understand death as

the final victory? In fact, how are we to understand Luke 10:18?

Also, in discerning Mark we must keep in mind that All references to the Parousia are of later Christian Religion doctrine - posthumous (published after the death of the author) and manufactured and therefore All such references must be disregarded! Since Mark has been proven as the first written, the earliest gospel then of those canonized all such references in the others must also be labeled as spurious! All the references to the "Coming of the Son of Man" are, without a doubt, interpolations.

Keep in mind also that the author of the latest gospel called John refers to a Paraclete, a counsellor or a Comforter being sent by Jesus. Not "at once" but at the "end of this world" and clearly that to come, to be sent then, was not Jesus himself but "another," a Paraclete! (see John 16:7 - Mark 8:38 - Luke 12:8) - Also Genesis 14:18-24 - the high Priest! A Christ?

What then, did Jesus believe would happen when the time arrived for the Kingdom of God to be finally realized in its entirety? The gospel writers themselves tell us that this infallible Son of God was as fallible as Satan!

Sometimes Jesus is quoted speaking of it in terms of a transcendental event - for if it only came on earth that

would limit it to those Alive at The moment of its happening, and that was not what he had in mind at all. On the other hand, his followers, like most Jews, believed that the event would be terrestrial and this worldly since they argue over who is going to sit in state on Jesus' right and left, see Mark 10:37, But no matter what, all agreed that there would be a cataclysmic eruption of God into history!

And Jesus is seen repeatedly issuing dire warnings of the Judgment that would then be inflicted - with a sharp separation of the sheep and the goats amid traditional Jewish exhortations of the terrible hellfire which surfaces quite heatedly in Matthew 13:50 and 25:46. But when that happened, when it would happen, who would be saved is practically impossible to clearly discern from the Four gospels.

But whatever the answer, the proclamation of The Kingdom of God, present and Future, was the essential and overriding feature of Jesus' Teaching and Preaching.

History knows as much about Adam as it does about Jesus. The Later Church built up his fame for many reasons and they have painted him as a man, to be an ethical teacher - no doubt he was a Master Teacher, but it was not as a purveyor of moral instruction that he saw himself.

It was only when the supposed imminent

consummation of the Kingdom did not materialize “as believed” the later Church had to scurry to build-up a facade and manufacture a moral and ethical system and claim it was Jesus’. Jesus’ whole, true teaching centered around Preparing people for that Kingdom which was imminent and for its first fruits which he believed himself to be Creating! (My Power, my Power, . . .!). That is the original feature of all of Jesus’ Teaching and Preaching, moral or otherwise, and a lot of it was “collected” and turned into a Sermon on the Mount by the Church. In Luke it is a Sermon on the Plain. In truth it was no Sermon at all. The Christian Church came into being because the Kingdom did not!

The Christian Church completely disregarded Paul and “his calling” until they had established themselves, their doctrines and their gospels!

The Truth is that neither Jesus nor Paul nor Peter established a Church of any kind and they never intended to do so. There would have been no Church if the war between the Jewish Messianists and the Gentile Christians had not arisen and that war, over who had the Truth would not have happened if the Kingdom had come and if they had paid attention to Paul and his teaching which was not of men nor of a man.

If one would simply look close enough, they could

readily and clearly “see” the power of the “self” at work the moment Jesus was dead and before that moment even! It’s All through the Four Gospels!

What is The Church in reality anyway but an independently based ethical system that Pretends to be the Church of Jesus and Pretends that its laws, rules, rites, sacraments and so forth are Jesus’ and nothing can be further from The Truth or the Will of God than Religious Christianity!

Jesus’ teaching, though ample, was never systematic, and that applies also to Paul’s teachings and is quite evident in the Message as received.

Furthermore, over ninety percent of what is cited as “Jesus’ ethical teachings” were not his at all but the repeating of what Jewish teachers, leaders and Prophets had already said in the past and easily found in the Old Covenant!

However, Jesus did update, upgrade, and sharpen many of them – such as “love your enemies.” His “but I say” usually denotes Change! You need to keep in mind also, Remember and Recognize then, that when Jesus was here, he was talking from the base of the Old Covenant, that which he came to fulfill and did. The Church built itself on the Old Testament and used it as the Foundation of its New one

which they and they alone manufactured. The Old is irrelevant and the New in its entirety is irreverent! We were not Restored as “living souls” but as spirits inhabiting a body still seeking its Soul ever since the Garden Disobedience! The Soul was not Restored, and neither was Death! That’s a simple matter of mind and it is our One choice as to “how” we shall make The Transition from here to there. With Light or without it!

It is a basic Jewish belief that “All thy works should be for the sake of God.” “Thy works” means your every word, act and deed. Not all Jews believed in a hereafter. Many believed that the Now was All there was and if you followed the precept above you lived the Good Life Now and that was your reward by complying to it. Now Jesus took this saying and cast it into a more vivid focus by relating it exclusively to The endeavor to secure admission to God’s dawning Kingdom. “This is clear from the Beatitudes – “Blessed” are the . . . These were both summonses and promises, assuring the unfortunate, if they have Faith their admission is assured, easier even than for a rich man!

“Set your mind upon his kingdom, and all the rest will come to you as well,” that’s really what Luke 12:31 is saying. That was why Mary of Bethany was preferred by Jesus over her sister Martha. Mary sat and listened to his words, she did not interpret nor do housework or anything else while

Jesus was teaching!

That, too, was why the disciples had to be equally single-minded and which the gospel of Mark clearly spells out were not. Were not, when Jesus was with them and were not, after even and that is why the Christian Religion is a Pretense.

If Jesus told the rich young man to go and sell all that he had and give it to the poor and then come follow him - what do you suppose he demanded of his disciples, something less?

The gospels clearly spell out that not only must food, drink and clothing be totally unimportant in their eyes, but they must abandon everything they possessed in order to take part in the kingdom which Jesus himself was going to install upon them. "We have left everything to become your Followers" Mark 10:28.

Jesus demanded the "Pure of heart," the "single-minded" and those free from a "divided self"! "Follow me and leave the dead to bury their dead" says it all!

What Jesus demanded he meant, and he allowed for no compromise and that is why his chosen ones failed so miserably in all respects. To build a Church upon a foundation of miserable failures and disasters is to build

upon a foundation of sand.

Why is the gospel of Mark important? It is the only “gospel” written out of the clutches of the Pretenders. Of course, we do not have it today as written, it has been desecrated, abused, added to and even has had deletions made. Our task then, is to restore it to its once Truthful status!

Here, then, is the Task – we can accept the First and the last word of the gospel – we cannot accept anything else, not even the Title.

## 35 - Memo: Warrant

TO: The Family of "LIFE," Servants of the SPIRIT of the ALL in ALL.

FROM: I "P," One Called to Be an Apostle of the Spirit of Life, a Soul for All Ages.

I "P" say, in the Name of Jesus, Spirit of Death hold not my people over the time allotted to them. I give myself as bondman for their release. So be it.

No Greater Love can One have for Another. I give my spirit up unto you. Let my people go, they do not Comprehend that "both" birth and death are healings. I confess, I am responsible. Therefore, "thinking Life" Always I "P" thank you. I sing Your praises. They are my exhortations. That makes us a duet.

By my association with you, I "P" knows, he is not THE Advocate of the happening of the All in All. The First Light has Gestured. I can only gesture.

I am not the Attorney of The Warrant. I have only been invested and invaded with its Wisdom and therefore its Power. I bend my knee.

Man insists in labeling the three Mystics as the Family of Life. More Truthfully, he should give Recognition to their

True name which is Omni.

Now knowing who and what is The True Mystic I “P,”  
can Unite myself and my Partner to the Family. I accept.

Who, pray tell, could have it different?

Who, pray tell, would have it otherwise?

I Put the Church to rest.

I rise to the Family.

I Lower myself to say: I Love You.

I “P.”

A seeker who has found the realm of non-argument.

## **36 - No More CPM Meetings**

There will be NO more Chief Patriarch Meetings, so-called, on Thursday Evenings.

I “P,” the Message I AM, have Called them unto myself. Try to wrench them free.

Now, they shall be put to the Greater Use.

Discernment!

The Chief Patriarch can, of course, call his own gathering any time he so chooses.

The “Church” will, in the future, meet Only when a brother or a sister Needs such a “collective” gathering - Otherwise we shall All remain secure in our Preparation. Knock.

The Message Stands “as given.” You must make the decision to Accept that “Given” or.

Your servant “P.”

A Family member Always.

I have not come to destroy - Yet I hold A Sword.

## 37 - I Came, I Saw, I . . .

First, let's take out of the gospel itself All the Reported words of Jesus and see if we can align them into some kind of a chronological order, through our supplying the words, the mind or minds then, that are the authors or Authors.

Mark, being a highly idiosyncratic gospel is no Easy Chore in relationship to its discernment. Our task is awesome - Yet we must get on with it, of discovering and isolating The specific, and often to ourselves alien, Features peculiar to the First, and not the twentieth, Century A.D.

The deeper I dig, the less I know, simply because the Truth that destroys is at work - I must learn not to hold on to that destroyed.

We must maintain a position of Guarded Optimism in our discerning at all times.

Everyone must have a Bible and we should have in our presence at meetings one copy of every Christian Bible that is used by every Christian Denomination.

Everyone should have a dictionary.

At all meetings we need a Bible Dictionary of both the Catholic Faith and the Protestant Faiths. We should have a Concordance available. We should have a Synoptic Gospel

available.

We All, bring nothing to these sessions, yet we leave absolutely nothing behind.

Any discernment has to come from Stolen Freedom - our objective is to give back that which we did not pilfer.

Soap, for you, Caiaphas, and Pilate is in the toilet! Dry your Clean Hands on the Tetragram. Freedom, and all that that word can possibly imply, is the Only Rule here in this Discernment.

## 38 - Now Getting Around to Business

A True Mystic knows that to get away from or not to associate with unbelievers he has to get away from, or better, out of the world - whatever that is.

Now, getting around to business, I shall discern that, or better, those things labeled as Gospels - it's really very easy.

God created Life or God created Man. God saw and said for Christ's sake they got it all wrong.

So, God came to earth - whatever that is - and said Look, this is the Way I intended.

Man said Look who is this fool - and then they stoned him. Now god sits in his throne - wherever in hell that is, and man sits in his and awaits the Second coming.

Sooner or later and when man gets tired of Stoning each other and Looks, he will see the God that's Known as transfiguration. It is Known in The Kingdom as Life.

P.S. No True Mystic would be wise enough to sign this. Just think about the poor mystic - after all - he really has only learned to speak coherently two words "Time" Now.

## 39 - There is no Realism in Reaganism

Sitting in the White House of America the Beautiful is a not so beautiful egotistical maniac, a malicious egotist who, along with his female counterpart, are repeating some very famous last words of old “Let them eat cake.”

We, the “have not” people, are the “them’s”! They act as if they and money are immortal and all of us should bend our knees and sacrifice ourselves to them and it, the New High Priests of the new “not the way.”

His highness professes to be a Christian, but the Way of Christ is the Well-Being of All Life and Reagan and money do not stand for that Well-Being in every word, act and deed, so he must be, as are many like them, Anti-Christ. I accuse because of the Following, all of which are anti “the Way”:

- Unemployment at record levels – to allow suffering and death.
- Nuclear Armament – to kill, maim and destroy.
- Prosecution for failure to Register for the draft – to kill.
- Budget cuts that harm the Needy – to starve, freeze, shame, maim.
- The weakening of the EPA – to allow the further rape of the land.

Seizing the Presidency from Political Promises that were lies in an attempt to win the up to now elusive Academy Award for Worst Actor.

Supporting countries where human rights are practically non-existent - Guatemala being a Perfect example.

Attempting to institute totalitarian government into our already shaky Free democracy.

History has shown us that those who God will destroy he first makes mad with Power and Wealth!

We don't have an American in the White House; we have some Alien Nero and a pretender to the seat of Marie Antoinette. We do not have a Lincoln nor a Betsy Ross, but we certainly need such.

Yes, what fools we mortals really are, we deserve the ego maniacs we elect, and boy are we getting it!

Why, in full view of so much Good, must we Always end up with so much Bad? Can you, as an individual, justify his, or your vote or non-vote for such Results?

If America Alone is ever fortunate enough to elect a True Christian to the Presidency there may not be enough cake to go around, but there will be enough bread to go

around to feed and care for the Well-Being of All in All.

Capitalism, Socialism, Communism and Religionism are “not the way.” Spiritualism is The Way to “the Way,” the one Way, the only Way, for the Way is through Love and Truth and there is no other way except The Way of “Life.”

We, the People, are now in bondage to a President who has no conception of Peace nor of human rights, especially the human rights, the well-being then, of those who he Pretends to Represent, but in Truth, serves only the interest of a particular Class, a small segment of the population of these United States and the World Money Community.

Then we have the Serious Problem of World-Wide Crime of which every Nation contributes to more than against. The Soviet expansionism rolls merrily along and soon will fully swallow Afghanistan and the Soviet borders will be further extended. Will they reach heaven? – There is no end in sight of this Soviet crime wave which is exactly the same as the Expansionism of Germany and Japan in the Past.

The United Nations has proven to be a Farce and if Franklin Delano Roosevelt were President today, he would destroy it. Not for its theory, but for its lack of practice of it. The facts have proven that the United Nations concept of World Peace is unworkable and the arms race, world

expansionism and International terrorism expand, all of which are designed not for world Peace but for World Conquest. A World Conquest, inch by inch that will go unchallenged now that Vietnam is behind us, for to challenge the Soviets means to destroy this world. The Fool in the White House knows this, and he knows we have enough arms to do the Job now, but he wants more and more, simply because that's the only defense he has, a big but useless stick. We all know he has the big mouth! We have a Civilian Defense system of Every man for himself, that's exactly what Reaganomics is - every big money interest for itself and assured the Full backing of Mr. Reagan!

Five hundred business failures a month. Little ones, little businesses that is, are forgotten but the Chryslers are not.

Now this is really a very poor attempt to voice oneself to the Problem.

“Make”! it Perfect - you, and you, and you - it's Your life!

Love - “P.”

Remember 12 million people who want to work are right now, today, unemployed.

## 40 - The Ides of March

The ides of March - Saturday - "think tank."

A suggested Agenda and therefore requiring no vote we shall proceed.

Let us, together, write a column for Common Sense that deals with the economy of the land we presently reside in.

Let's look at the Message and not the messengers.

Healing.

Let's look at the messengers.

Healing.

Let's see our dreams - our visions.

Healing.

Let's look at each other.

Healing.

Let's find out who we are and then why we are what we are - "NOW."

Let us, Lay down, the rules.

Freedom - at All levels.

If there is a discerner, let he or she speak now or forever.

## 41 - Be Advised

To the Family - if T and DL Agree:

BE ADVISED - please be advised.

I am nothing. I am present. I am not available for all your petty foolishnesses. I am outside "your" political process. I am outside of "your" dull emotional process. I am available and only available in the business sense to our secretary. I am Present to my brothers, "T," "DL" and of course the Woman I reside with. I am Always and in All Ways Present to "T" and "DL."

No More phone calls to me.

No more "just dropping in on me" foolishness.

If "you" want to talk to me, fine - it's easy - talk to "T" and "DL" - you "see" me only through "T" - thanking You,  
"P."

If I were you and "DL" - I would sure as hell post this, in your version, Everywhere!

## 42 - Designation - Co-Mystic “G”

My Dear Chief Patriarch, my brother “G,” Please hear.

Please be advised in all joy and happiness of the following changes within the “Church” of the All in All and the thrusting into the leadership of The Family of “Life,” this:

You are to be a Co-Mystic of the Family of “Life.” The designated Mystic of the Truth that settles Freedom. Walk Carefully, the task is awesome. Inform immediately “N” that he may assume the position of Chief Patriarch. It is his until his going over. Inform “JN” that she may immediately assume the position of Chief Prophet.

Give notice to one and all that the bearer of the standard of Chief Evangelist is secure and the spirits are happy. Jesus alone can replace him.

In regards to the Teacher of Teacher position, we now hold a challenge. It has been given to me to decide. It’s a great privilege. I “P,” pass it on to the Chief Evangelist, my dear brother “AD” to decide. So be it.

Wisdom and of course in All Love,

your servant - “P.”

P.S. Welcome to the very undistinguished rank of Mystic. Now your Pretending is going to be done for you as was mine – “if” you allow it, as I did. May Christ work in you and yours. See to it!

We are now assured of eight.

Let us not seed on barren rocks.

Nothing else is inherent in these changes. I “P,” sees the hand that is still in command even though the mouth has silenced itself, the hand still moves.

Allow me this “G,” may God Almighty give the three the strength to at least plant that which we Mystics hope to sometime and somewhere Harvest. Love. My God shall meet all your Needs.

## 43 - My View Is This

Brothers and Sisters:

My view is this:

The changes clearly imply that we are moving out of the Realm of "Church" and into the one Realm - the Family - Remember, that the mill of God is Always and in All Ways slowly grinding.

It appears as if we are getting Closer. Believe me, that is an illusion! "We" never get closer. Christ gets Closer. Please, for your own Sake Keep the Watch!

your servant, "P."

Know now and forever, I "P," Fully Remove myself from All Jurisdiction within both the Family and the Church. Three, to me, is enough. Listen to "T." Then you will hear "P."

Understanding,

"P."

Please, Finally, Wake Up!

## 44 - To the Current Family of “Life” from Its Servant P

None of you really know me.

I am a poor servant. I have tried. I have not succeeded. I do not apologize. What I have tried to do, I did in all good conscience. I smell the grave. Now I challenge all of you - try to outlive me. For therein lies your salvation.

The Family of “Life” is no cult, no sect, no religion (god bless their hearts), no science, no illusion, no daydream, no vision, no hell, no limbo, no purgatory, no social dance or is song, no, none of these things. It is, and always will be, Life for “Life.”

My God, when I compute myself against all of that, I know who I Am not!

I comply. I have put the toys away. That “putting away” does not make me at all special. It only makes me Aware. Now I can say as my Master said: Whose head this, and whose inscription? Pay to them what is theirs but never give over to them what belongs to the Father. How in God’s Land, could I say otherwise? I have a new body. I am going home. I Pray I will not miss any one of you. I Love. I think. I have acted. Now the stage is yours. I’ve taken a handful of

promises - I will leave them behind. Catch one or two and then you can leave them behind also, for the less fortunate you and I.

Now it is proper that my brother and my Partner should know me. It shall be done. One other must also know me. It shall be done. From these two shall come my revealing. It too shall be done.

Once a servant, always a servant. I am no Roman, no Greek, no Gentile, no Sadducee, no Pharisee, no scribe, no priest, no Rabbi. I am but a Poor servant. I like what I am not. Know me. Love me. Do not ever idolize me. I am not worthy. Let me be your brother. Yes, even your servant brother. Let me. I do love you. I shall always love you. Today and tomorrow. Forever and forever.

Remember servants never command, they seek only Justice and Mercy.

May his Grace be with you.

Love and Peace,  
your servant - P.

I have been ordained to root out evil - my own first. I hope I have not failed. To see God is to be awakened to Peace. Love.

## 45 - Vulgarly

Profanity has been around as long as prostitution or at least that would be my guess. What the Ancients used and labeled as profane is not the same as we use today. It is no secret that whenever people begin to learn a new language or live among people who speak a different language it is usually the profane that is picked up first.

The Message puts down swearing as a daily form or means of communication. It is not conducive to learning but rather displays a lack of intelligence.

Jesus himself used the common vulgarity of his day and age when he taught. In his day ass wasn't vulgar - Raca was as was snake, viper and asp.

In private conversations vulgarity should not be used unless one is quoting someone else and then consideration should always be given to those present.

In teaching, it is allowed only for its shock value or quote value.

Hell or damn is not vulgar in their true sense.

Most, but not all vulgarity is simply a mask of an inability to think and read. It is but a substitute for learning or the will to learn. It is also a mask for hate and anger.

As the true languages fade into non-existence the vulgar proliferate. Not a single human being on the face of this world today speaks a Pure Language simply because none thinks Purely. Very few people out of the number of people there are in the world really understand what profanity is or means. What vulgarity is or means. What Profane is. What Vulgar is. What swearing is. What oath means, and so forth. Usually, it is left to the ear. It involves much, much more.

Think on this before you make a full Judgment and commitment - either way.

Peace,

“P.”

## 46 - "P" - MAL - No Longer a Teacher

Verily, I say to you that as a teacher I have been firm. Now I shall no longer teach as a teacher. I will confine myself to Preaching, now and then.

All teaching now must come from the chosen. It should not be a secret to anyone that not all can truly learn or know the Message on an equal basis. Our learning abilities are quite different. Our schooling varies. Our mental capabilities differ. This is not a thing to be put down or snickered at. We must, all of us, allow those that do know lead others but only if they wish to be led. After All, Come Follow Me is really only an invitation - not a Command. I know that Jesus never wanted anyone who did not want him. He simply called; he did not Judge those who did not comply. Let the dead bury the dead was not a Judgment.

Even when his own Family came to bring him home and cease his ministry, he did not Judge them. He simply asked a question. He did not Judge Pilate or the high priest or those given amnesty in order that he could be hung. He even did not Judge Saul of Tarsus. All he did was to call. But those called and once following he did demand from. There lies the difference. He despised pretenders, Hypocrites then. Verily I say unto you, so do I "P." A simple yea or nay is all anyone can ask. Only you can answer. Do so in all honesty.

Pretenders are a dime a dozen. I do not wish to purchase any. This earth has an abundance of fools. It screams out for more Jesus'.

For me or anyone else to keep repeating "I know" is of no avail to anyone except those that can say the same. Christian Spiritualism is really a matter of you "know" or you follow.

Therefore I "P," MAL, say to one and All, find out, experience, witness, leave or come Follow us.

My Love and my Life,

your Servant,

"P," MAL, no longer a teacher.

## **47 - The Ten Principles of Action for Christian Spiritualists**

1. FORGIVE.
2. THINK.
3. LOVE.
4. PRAY.
5. CONTEMPLATE.
6. MEDITATE.
7. CHOOSE.
8. ACT.
9. GO.
10. TEACH AND PREACH.

## 48 - No One Person or Persons Are W-303

Memo to: “T” and “DL” - Brothers and Partners, and the Mystics.

(Thursday night's meeting last).

No one person or persons are W-303. W-303 is the Center of The Family of “Life” here on this earth, a remnant of the True W-303.

Two are designated for Virginia Beach. - that doesn't mean eight others “have” to go also. Choose and move means at least two but it does not demand ten. There will always be a Family in Falmouth for it is the First of our time.

If the entire Family cannot right now accept “T” and “DL” as Partners, brothers and the Leadership of W-303 while I am still alive, then they will never be able to do so.

The Mystic at Large designation is a Spirit Created position in order to replace the Apostle of The First Light who has been Christed and has entered into that Light. The MAL is now holding in the flesh a Spirit Position! That's one reason I “P” am not to be bothered with petty foolishnesses - I am not always Present “here” Now.

I find that at a meeting when one of more communications are read, the Family has trouble of making

“the connections” between one and another and some very foolish questions are made of this one or that one. It’s really a simple matter of thinking and carrying certain things along with your thoughts. It needs to be learned.

## 49 - If Thou Canst Speak Well of Another . . .

Greetings:

If thou canst speak well of another, speak not at all. That's great for a Religionist. It holds no water with a true Spiritualist.

From now on I "P" will speak to no one who doesn't speak to themselves. I am not going to be abused any longer by anyone's ignorant self. I hold in my hands no favors.

I see only what the spirit needs for me to see. I hear nothing, only that which the spirit wants me to hear. Can you, as an individual, see the difference?

Now, I "P" have a commitment. It belongs to my brothers and my Partners, "T" and "DL." I shall live up to that commitment. I ask nothing from them. It is strictly their commitment. I nail no one to the tree. I survive if they survive. That's pretty simple. I need them - I do not have the slightest idea of what the hell they think they need. I cannot commit suicide - but they can murder me. I accept their judgment. I will not weep. Let them, then, be brothers and my Partners or my executioners. I really do not care, from that level. I am a foul weather veteran. Some day - Some Place - Some How, some other, all of you will follow someone or something. I now follow someone. I say to you,

pick and choose. Simply be perfect in your choice.

Love,

“P,” MAL.

## 50 - Now I Give You The Spirit

Now I give you the Spirit. You are now totally locked in. There is no escape. Try.

Dear beloved laborer, take good care of your brother and Partner. Now, he needs you. Protect him at all cost - even your life - save him. Love him. Leave it All to him. In his hands place it all. No greater things can you do. So be it.

Js.

Wait, I shall come again to you. Cease your arguing - it prevails me nothing. You are now prepared - show it. Show me.

## 51 - The Time Approaches

My dear brothers and sisters; my Partners:

I come to you in All Love and All Unity and in All Peace. Greetings to one and All. Greetings and Salutations.

I P am not ashamed. I P am not afraid. I P am I "P." Glory to the Father. Glory I say to the Christs. Glory I say to one and all who follow Jesus and do things in his name. The name above all names. Rejoice, I say, Rejoice. You are wanted. Unity and Peace. These two we Need.

Change and Righteousness, these are our goals now. We need Truth and Wisdom to make it all Real. Let us together make it all Real. I shall not weep, unless you insist upon it. I will if you insist. I would rather not.

It took a while but now I have my feet upon The Way. I intend to stay there in spite of all of you and myself. I intend to remain firm. Don't attempt to provoke me. I will bury you. I will no longer play games with you.

Remember that and give it Recognition. I will no longer play games with you. I have grown up, playmates, I now keep The Watch.

I have arose and I have gone into the mountain. I did eat and I did drink. I have gone in The strength of that meat. I

have forty days and forty nights unto the Mount of the Almighty. I have come to the cave, I lodge there. Behold the work of our Christ-Jesus for they have asked me “what doest thou here?” I have answered “I have been very jealous for the Lord of Hosts,” and I added, “I am concerned for my Family.” Yea, I said, “our kind, your children have forsaken your Covenant, I will take their punishment if you will allow such.” I only am left to do such a thing. Who then, seeks my life, to take it away? A great and strong wind rents the Mount I stand upon. Is not my Lord and my master in that wind? Oh, woe be to me if he is not. Tell me God, tell me a poor servant that he is. I see after the wind an earthquake. I see. Yet my Lord and Master is not in The earthquake. What shall I say? And after The earthquake a fire. Yet the Lord was not even in the fire. Ah, but after the quake, after the fire, a still small voice. It shall be so because you have told me so. I shall repeat it all in his name. Seek me out Lord do not leave me behind.

Yours always,

“p.”

My most profound need is that none of you insist upon my burying you. Better you should bury me and save me all the trouble. But, if you insist, I will do my duty. Amen!

## 52 - Press Release

Are you hungry? Do you know anyone who is? Are you lonely? Do you know anyone who is? The Family of “Life” here in Falmouth has a deep belief in human dignity, human rights and true human needs. We fervently wish to do something in support of them.

As residents of this Township, we of the Family of “Life” simply cannot accept the fact that someone here can go hungry or be lonely, and in need of a friend. We sincerely wish to be that friend.

Please call us at 540-1230<sup>1</sup> or write to us at P.O. Box 303, Falmouth, Mass. We will respond and assist where the Need exists.

The Family of “Life.”

Instead of a Paid Ad we could try to get the Falmouth Enterprise to print something as a news release.

---

<sup>1</sup> The phone number and P.O. Box are no longer valid.

## 53 - Nobody Came - Only Us

My name is not important. I am simply a human being who, within his own protestation, was attempting to reach out to his fellow human beings.

I look upon my brothers and my sisters as total equals. By troubles I am sure, are their troubles - and theirs mine. I have tried to help.

I wonder why I am ignored by them. I do not ever ignore them.

The Family of "Life" asked a very simple question. A Justified one I believe.

"Is anyone in Falmouth hungry?" "Is anyone in Falmouth lonely?" We did not mean to pry. We wished only to Love. To Care and to Share. Please Falmouth, forgive us for our stupidity. Neither the one Newspaper that supposedly serves this town would give us a yawn. Neither the Radio Station that serves this town, supposedly, would give us a line.

We Understand. We only wish that the rest of you could. Pawns are always pawns. "They" shall forever hold your minds. That's what they are in the business to do.

You see, dear friends, the Family of "Life" is not in the

money business. We are in the equality of the People Business.

We do not sell Copy - we have nothing to see except Spiritualism. We are not a Religion - any religion. We are Christian Spiritualists.

I believe, if you see any segment of the truth and the totality of your very own life and that of the Life of All, you may purport to Love - I say to you - Look at our Message.

If you believe that a handful of people worked their hearts out to feed the hungry and make friends with the lonely just because we didn't have anything better to do with our own lives, then you are sadly mistaken. The loaves and the fishes are at best a precarious way to go. Yet we at least attempt to do what the Spirit asks. We may consider our effort a fall - some may even go so far as to label it a failure. I would simply ask "How do you feel after the effort given?"

Answer to your own conception of Faith. I personally feel for one and all who have truly exerted the effort to do the Good-Work that was suggested to us. Thank Grace for each and every one of you.

Yet, in victory or imagined defeat, I wonder. Did we approach the problem in the Common Sense and therefore

the Correct Sense? I am a great believer in Results. If I get some, I can rejoice. If I do not, then I must examine my approach. Let us do this. Let us do it again. Let us follow the lead of the Spirit and cease in our attempts to lead it.

To each his own Gift - Let us not covet one another's.  
So be it.

Friendship - Fellowship - Familyship - Leadership -  
Servants - brothers - sisters - Partners - Carers and Sharers  
- Amen!

Be then, of good repute. Do not despair. Do not lose sight of that which is good, true and right. We are powerless to make the things of the Spirit work. We can only Act and Follow. We can in all truth do nothing more.

Love and do as you will!

With no disappointment,

Your servant and brother,

“P,” Mystic at Large.

## 54 - Charity - Its Common Sense Application

Weigh the Cause and then Act!

Those called and designated have a responsibility to one another before all else. The Family, as it now stands, cannot save the world, feed the world or do anything like it.

Anyone can be a Family Member, for in truth everyone on the face of this earth is, but for The Now only those exerting the effort toward the Mission and its Purpose are the Recognized.

We have no space for contentious spirits, for loners, for strifers, for back-biters, for gossipers, for malingerers, for foolishnesses and excusers. Being humble of heart and mind doesn't mean "be a damn fool" - it's a demand simply because they will bring about the New Worlds and give everybody a share in them if they want it and will do something about it! You're in or you're out and a simple yea or nay is all that is required once they have heard the Way to "The Way"!

Jesus told Peter get thee behind me Satan, he showed no favorites. He said to Peter what he said because simple simon was more concerned about the things of men than he was of the things of God.

Jesus told his disciples and followers to do many things, such as love your enemies because to hate them was a simple waste of time and energy which was more urgently needed to The tasks at hand. Love is not money nor monetary contributions to fools, wasters, and aimless wanderers.

The tasks and Mission come First – the “tryers” come first – you still do not feed the Children’s food to the dogs; you don’t cast Fear to the swine.

Until you can truly love yourselves you can do nothing. Once you can do that you have to immerse that self-love, that self-regard and move up to the love one another level and that also has to be total in the Family of “Life.” As it “now” stands or will stand whenever that level is reached collectively. Charity is a collective.

You cannot do anything about the Present hostilities and strifes and divisions, and gossip, and back-biting of the world until you have destroyed them within the Family and Fully established the Love one Another Level among the Called and designated.

You need to turn the cheek here first.

You need to give your coat and more here first.

You need to Pray for those here first.

You need to Love and not waste your “time” nor energy in hating, in anger, in strifes and so forth. Until you do, you cannot help anyone else in need because you are no better off than they are - you are naught but the blind leading the blind - you are filled with Religious preconceived ideas of what Love isn’t and you “know” nothing about the Love that Jesus taught nor I Paul wrote about.

Money has never saved a single spirit - The absence of it has saved many!

Besides knowing nothing about Genuine Love many know nothing about money either. Every time you buy something “you do not need” you spit on the Message. As long as you continue to live from “want” you continue in “self” and you are really useless to Christ-Jesus and The “happening” of The All in All. Be ye as little children - Receptive then to the important things of the Way and not deceptive about them.

Charity belongs to those in need, in true need and not the “self” manufactured ones. Stop reading words on paper and mixing them up with old, preconceived ideas. Study and think them out and then comply with them. That’s common sense.

The Way of Jesus has been maligned and abused, even by the Christian Religion, as being unworkable in our day and age. The truth is nobody knows that. Why? Because nobody has ever tried it in this day and age and only a few since Jesus revealed it!

My Major Priority is the Message. Then comes the Partnership and then comes the sisters and brothers of the Family with designations and then comes any and All who I can help and who are in true need both physically and spiritually and spiritual need always comes first but never forced upon nor brought from by a contrived act of Charity! Charity and all that that word implies includes Wisdom as well as Common Sense! A very careful Perusal of the Message will show you what “Charity and all that that word implies” means.

Faith - Hope - Love - Truth - Wisdom - Unity and Peace. Giving and Receiving then at all levels of the Universe.

Charity is our greatest Responsibility. No one ever Proved that point more nakedly than did Jesus.

Love and Understanding,

“P,” Mystic at Large.

## 55 - Meditation: Eye of the Dream

For those who have followed the directions and have truly attempted to exert the honest and sincere effort called for to get out of “self” and stay out, the following is a sure-fire way to solve problems and receive answers from The Spirit that are purely not “self” - seeking.

Practically every human being in this world goes to bed with problems and questions. Most of them earnestly seek solutions and answers. Many use prayer while others simply leave it up to fate. Others attempt to run away and hide from them. To many, sleep is an escape. To others suicide is the only way out. To others schemes and striking out seems to be the best solution.

The only true solution is Unity and Peace through Concentration, Meditation, and the Dream. For those who have followed the Message diligently this is a very simple process. If you have a question or a problem that is truly vexing you, when you retire do this: Concentrate on it with ABSOLUTELY NO Malice, anger or hate in your mind or your heart. Once you have it fixed in your mind meditate upon it. Not its solution mind you, simply meditate on the problem or the question and stay with it until you fall asleep.

From one to five days, or nights, you will “dream”

about it and in that “dream” you will have the answer. It is truly that simple and that sure-fire! It never fails. Only you can fail if you do not follow the process as given.

This is no experiment. It is a revelation to those now Present and exerting the effort.

Not only can this process not fail, but I guarantee as the Mystic at Large to join you in your journey.

Try it and “see.”

Love,

“P,” Mystic at Large.

## 56 - Theme, Purpose, Life of the Family of “Life”

The theme of the Family of “Life” is Unity and Peace.

The Purpose of the Family of “Life” is Recognition.

The Life of the Family of “Life” is Spirit.

We are Spiritualists - therefore we should All be Spiritual.

The Truth is We are Not.

We must All learn to share and to care. Keep in mind that I said, “We must All Learn to Share and to Care”!

How selfish are you - truly, how selfish are you?

Do you “own” anything that you will not share with me?

If there is anything I Love, it has to be Open hearted and closed-minded Christian Spiritualists. Yes, that’s the pinnacle I stand upon - and that’s not a perilous pinnacle.

So, in setting up the Purpose of these third Thursday meetings allow me to lay down the following guidelines:

1) If you have something to say and it is Constructive -

say it – otherwise withhold your “self” from us.

2) If you have a needed request for someone share it with us so, we too, may care – but even better we may Act.

3) Let us all be as “Life” intended – Sisters and Brothers – but better Children! Now and Forever and without any pretensions whatsoever.

I warn you of this – if I read you in pretension, I will expose you.

Love, “P,” Mystic at Large.

## 57 - Expandable or Expendable

Dear ParaNormals:

It ought to be clear to you all, now, that you are expandable or expendable - the choice is truly yours. As I was fond of saying at gatherings, "Say one for me and save one for Christ," so must you also. A good ParaNormal knows how to urge, surge, purge and splurge.

Now beloved laborer it is well known you are not well. We want you to rest and spend All your time in fasting, prayer, contemplation, cogitation and meditation. Purge those things that plague you. We will guide you. Until we call you, follow our directions diligently. Love.

## 58 - The Wrath of a Patient Man

It is good you come. We are well pleased with you, dear laborer, in your attitude with your peers. Your patience and recognition that you are but one of three earthly paranormals and you have restrained yourself from interfering in their tasks or mission. Of course, All there should be reminded to beware the wrath of a patient man. I Paul proved that on more than one occasion when I was in the flesh. You, dear beloved laborer must continue to rest and to follow our directions exactly as given. I will call you to when it is time, to continue the Mysteries. Now before I Paul leaves you; I shall answer your question.

The body never “gives up the spirit.” The spirit gives up the body - withdraws from its cocoon but cannot do that until it has firmly in its grasp the lower mind - if that does not occur, then the body simply expires in time and the spirit remains earthbound with the few exceptions given in the Message. As to your other problem, please do not fret over it - allow us to handle it.

In All Love and Peace and Goodwill to you, “T,” “DL” and the others we await you.

Js, J, I Paul, VH, others of the Spirit Realm.

## **59 - Excerpts from Messages**

### **Received over a Three-Month Period - "P"**

Greetings:

I James, in the name of my brothers and with the blessing of my brothers' brothers and Partners speak to you three, the ParaNormals of the Family of Life. I James, as the protector of W-303, ask to be heard.

Listen! Take counsel, execute judgment; make your shadow as the night in the midst of the noonday; hide the outcasts; bewary<sup>2</sup> him not that wandereth. Let our outcasts dwell with you.

I lay upon you three a heavy burden. I make no apologies for as brother I Paul has stated, I want more and more and more. Spirit is never satisfied - never satiated.

Now I shall attempt to educate you who are the true designees of the Master - ParaNormals - the greatest designation that can be given by Life to a human life. Wear it well. Brother Paul elucidated well about the Well. "Go to the Well" he said, he was not dreaming. "And the waters shall fail from the sea, and the rivers shall be wasted and

---

<sup>2</sup> betray

dried up,” “Yet, the Well shall never go dry.”

Now through brother “P” you have been given access to the Well. Why should you be stricken anymore? You know well those who revolt more and more, their whole head is sick and their whole heart is faint. You, as a ParaNormal in the name of Christ-Jesus cannot afford such luxury.

Except he had left us such a very small remnant I would not be wasting nor sharing my space with you.

What I do have is yours. That’s not my decree.

I James, I see you. I see your lies. I see your pretensions. I see your “self’s.” I see your tempers, your angers, your angles. What, tell me, do you see?

You, who have been gifted with the most elusive of all designations, what do you truly see? If you can still look into a glass and see yourself, then you will fall, again and again.

Your country is desolate simply because you are not there. Get there.

I give unto each of you, a Bell, a Book, a Light. Grasp them as you grasp Life! Furthermore, we give to two of you the Power and the Wisdom to heal in his name.

To what purpose is the multitude of your angers, your tempers, and your explosions against your fellow human

beings? Are you Superior? We think not.

When you finally come to appear before me, receive me then, who has requested of in fact required that you walk in my court? You are most fortunate for you are protected. If it was my decision, I would make you earn it over and over again.

Yes, they call their powerful and they call their mighty  
- I would be more cautious.

Please, send me, I James, no more vain oblations, they are an abomination to me. My brothers do not share this with me. Yet, since I James, am entrusted with the Way of ParaNormals we shall, until told otherwise, do it my way, which I hold to be the true Way.

I speak unto you as an equal, as one sharing and living in your realm - there are moments when you must Understand from whence I come.

Now, I James, burden you. Stand by and support brother  
“N.”

Stand by and support all the Mystics.

Stand by and invigorate All the others.

You must fulfill dreams. You cannot do this if and when you are deep in “self.”

You, "P," are instructed, here and now, to guide your brother ParaNormals. You know that ParaNormal is not a spiritual designation. It is purely a physical-material one - but that is the realm you are presently entrapped in and we shall, as always, recognize that factor.

Lead your brother ParaNormals into the dark recesses and allow us to give them the Light.

The silence of I Paul shall once again be broken - Jesus has requested this to be.

I James, remove myself from All your thoughts, trials, tribulations and whatsoever. I James, give you over once again to I Paul, my brother and my brother's brother.

Greetings:

It is good you come. I have missed your presence but I Paul have always and in all ways been with you. Now my dear laborer, I return, not so much to you who has almost completed his task but to your brothers and your partner ParaNormals. Brother James will stay with "T." I Paul, never forsaking you will walk with "DL." You, you no longer have need of anyone's guidance, you know and understand the Way home. So be it. You have fulfilled two of the three.
