The First Gathering of The 13 - A Teaching Communication

Please Note: This paper is an actual transcript of the Live Teaching presented on the above date. Parentheses () have been placed around statements made by I, Paul during the teaching, but are not in the actual handwritten communication. Brackets [] have been placed around statements made by others in attendance at the First Gathering. PW, Secretary-Treasurer, 2/1/96.

(I, Paul: I would like to open with one short paragraph, to set the tone:

An honest, earnest, and sincere seeker of the Truth, must summon his own consciousness as a witness, appealing to his own rational and spiritual nature, and must allow the conscience to be his guide when in doubt of the way to be taken at any given moment of uncertainty.)

(Now, I'd like to set some ground rules:

1. If you need anything, get it now - before I get started.
2. If you leave the room during my presentation, we will stop until you return, unless you don't return.
3. Take no notes. Just sit and listen.)

(There are now only 12 of us - of you - I don't belong to The 13. I am its teacher and its prophet and its spirit guide. You are the 13 neophytes, the students. The teacher doesn't go to the students. The students come to the teacher.)

(Now you that are here have expressed a desire to be seated in The 13. We will see just how many of you are still here when I'm done tonight. One's gone already. That's the way we play this game.)

You did not get chosen to vie for one of the 13 Seats because you were loved or liked, (even though you are loved and liked). You did not get chosen because you were dumb or smart. You did not get chosen because you had some special attribute or talents. You were chosen strictly on the basis of your inherent potentialities. Period.

What is wanted from you is what is already in you, but not manifested by you at the present moment. (It will be, but it's not at the present moment.) We intend to drive you hard enough, and just long enough, to enable you to transform yourself by a total renewing of your ways and your thoughts so that you will hold an Absolute Ease of Mind, and so that you will Act Natural in all your words, in all your acts, and in all your travels, both here and There.

If you lack courage, if you lack the strength to control your own mind, if you fear, if you are selfish, if you want to do things your own way, if you are not truly concerned about others, if you do not want to work hard, study long hours, give up some things you want but do not need, if you do not want to be Obedient to the Mind of Christ, then

you do not belong here.

If you cannot keep your word, you do not belong here. If you cannot fully and faithfully and constantly maintain All of your Responsibilities that you have contracted for in this life, then you do not belong here. If you are called and can't or won't come, then you don't belong here. (Like brother Greg.) If you have any idea that you have joined a social club, or a country club, you either disabuse yourself of that idea right now or leave. The 13 is a Spiritual Order and Order will be its first task and Obedience its second task. Here you follow – you don't lead. You don't lead until you are Seated, vested then. And if you do not care to Follow and Obey the Way, then I suggest strongly that you say so and remove yourself NOW!

If there exists any animosity among you, between you, if there exists any likes or dislikes among you, between you, then this Order of 13 is not going anywhere, nowhere at all – and if you go nowhere, you can do nothing spiritual or spiritually, simply because AS zeros you beget zero. This is the Ordinance of Reciprocity at work under the Law of All Laws – The Truth – which both Creates and Destroys. Think very seriously about this, and then make, without any undue delay, the necessary corrections or be gone. All it really takes is a very simple change, renewal then, of your mind, and the action to conform with the change.

Now my dear brothers and sisters and partners, you wrote me a letter, you said you wanted in. Now you should know what you wanted.

There are right ways of hearing and there are wrong ways of hearing. My friend and brother and Partner Jesus explained that in the parable of the sower, which you can locate and study diligently in Mark 4. (There are two sections, the parable and then his explanation to the story.)

Some don't hear anything. They're (sick) “asleep,” in “self.” Some of you hear only in part, you hear only what you want to hear, what is pleasing to you and this you is also “self.” “Self” taking out of what I say here today only what you like - only that which fits your thinking, (your present thinking). This is partial and partisan hearing and in The 13 this type of hearing will not wash. Here the dog must always hunt. So listen! All those who Follow the Mind of Christ will suffer - will ache - will taste persecution! Now, did you hear that? Are you leaving? (listening?) How do you enter the Kingdom of God? The answer: through much tribulation. Did you hear that?

The time for likes and dislikes are over - long overdue (over) - so see to it. Did you hear that?

You cannot mix Spirit Revelations with your physical wants. Did you hear that?

The revelations, the commands, the directives of Spirit are sharp – stinging – demanding – commanding – forceful – powerful – they hurt! (I know!) – They command your obedience – your trust – your loyalty – your self-discipline – your time. Did you hear that?

The spirit wants to know you, (as a person, I should say) not as a person, but by your Fruits. Not your inane excuses – not your procrastination – not your irresponsibility – not your silly, foolish, perfunctory performances – Let the dead bury the dead. You come and walk with me and live. Did you hear all of that? (Did you?)

The spirit wants your life – all of it and it wants it on a full-time basis – no ifs, ands, buts or maybes. Period. Did you hear that?

Here in The 13, Christ Comes First – No we are not forgetting God – But since God is no respecter of persons, we deal with God in our spirit and its evolution to the Soul – here we deal with Christ – Our Christ – who is a respecter of Persons, and especially of their mind – So here Christ comes First over everything else in your life. Christ comes First, and with Christ comes the Mind of Christ. You cannot separate one from the other. Did you hear that?

The Spirit says you must not fear – no fear at all. You see, this is not so difficult to Understand once you “know”

the true meaning of physical Death and once you “know” the rules of this Knowledge of Death. Do you? If not, you will learn them here in The 13.

You must be receptive. A rule here is receptivity in action. Always and in all ways! Did you hear that?

There can be no rejection of what the spirits want and will demand from you. You must not only be “good seed,” but you must sow unceasingly and relentlessly “good seed,” in all your words, acts, and deeds. Did you hear that?

You will cherish and speak only the Truth. That which you know is the Truth, even if it hurts you momentarily or otherwise. Did you hear that?

Religiously you must be an atheist. As to the scientific origin of man-woman-mind you must be an agnostic. Spiritually you must be a perfect spirit. Did you hear that?

When people look at you, talk to you, walk with you – they must see and they must hear a True Son or a True Daughter of God Almighty, and whenever they walk with you – you must make the pace difficult to keep up with. Did you hear that?

You stay here and follow all that is given you, and you will command Respect and Trust and Awe and even hatred – a product of jealousy. Did you hear that? (Somebody's

gonna hate you.)

You must give. In fact, you must give, you must be All give and no take. Not that you should refuse Gifts, for you should not. Did you hear that?

You must always place yourself last in the order of man-woman-spirit, and your main concern must first and always be the Well-Being of All in All. You cannot afford to be inferior to anyone any more than you can afford to even think, never mind act or display superiority to anyone. Did you hear that?

You cannot keep any longer one foot in this world and one foot in the Kingdom - You must take a stand - you must firmly set your mind in one or the other - (I don't care where your feet are.) Otherwise, sooner or later, you are going to lose a leg, only you won't do it here, simply because you won't be here (in The 13). Did you hear that?

As the sower said, here we have no seats for wayward hearts and minds.

(Here we have) No seats for thorny hearts and minds.
(That's not horny, that's thorny.)

(We have) No seats for stony hearts and minds.

(Though) But we have 13 Seats for fruitful hearts and

minds, for ears that hear and act, for eyes that “See” and “Know,” and give away that knowing in a most fruitful way. Did you hear that?

There is no eternity in this world – Eternity of Life lies elsewhere. There is not a go now and pay later universal plan. If you want eternal life – yes, want eternal life, that's correct here (to want), then you have to renew your mind. All of you have to renew your mind. The one you hold right now is not good enough for The 13 – you need to cease and desist in your conformity to this world, and all the while giving lip service to the Message and to the Kingdom of Almighty God! Did you hear that?

Double mindedness, schizophrenia, is not Acceptable in this Order. You will become One Mind, and One Minded, and of one mind as regards Spiritualism, Faith, Hope, Love, Truth, Freedom, Wisdom, Unity, Peace, Power and Energy. Did you hear that?

You must always be Prepared for anything and every conceivable thing and you must be overly Sensitive to the Spirit at all times. Regardless of whatsoever it is you are doing or planning on doing. Did you hear that?

Spiritual Perception requires, demands then, that you “hear” and that you “see” 24 hours a day – Nonstop – Perpetually then. Did you hear that? (Well you're gonna

hear from the Spirit, I have news for you. So you had better have heard that.)

Christ wants people with substance and ideas and ideals. Who have Courage with overpowering Love and Energy, with unhesitating Obedience to the Good, the Right, and the True, with desire and dedication, with Compassion and Understanding, with Christ-Like Love, then, with Jesus-like daring then? Unafraid to stand up and be Counted for Christ, the LIGHT, then, and its All in All Happening, then – those who will teach and act from the Message and be the very curse of all other ways that are not the Way to “the Way.” Did you hear that?

(Would you like me to say it over again?) [Yes, please.]

(Christ wants people with substance and ideas and ideals. Who have Courage with overpowering Love and Energy, with unhesitating Obedience to the Good, the Right, and the True, with desire and dedication, with Compassion and Understanding, with Christ-Like Love, then, with Jesus-like daring then? Unafraid to stand up and be Counted for Christ, the LIGHT, then, and its All in All Happening, then – those who will teach and act from the Message and be the very curse of all other ways that are not the Way to “the Way.” Did you hear that?)

Here, you need to learn to change minds – your own

first, of course, then others, and you don't do this – you cannot do this, sitting on your hands wasting your moments here – wasting your gifts here on matters that simply do not matter – Responsibility brings Recognition, and with Recognition nothing can stand in your way, if you “know” what you're about, if you “know” what the Message, the Way is all about – if you “know” what the Kingdoms are all about – and here, in the Order of 13 you who stay and persevere are going to “Know” Everything, and if I'm any judge of people, it's going to scare the hell out of some of you – who need it scared out (of you) once and once and for all. Did you hear that? Fine. Let's take 1/2 hour to talk it over among yourselves or by yourself. I will call you to reassemble.

{BREAK}

(March 13th, 1986, I released a communication. It had a very simple title, it said “You Can Do It.” There was something strange about that communication. It was a drastic change from the norm, because it was signed in parentheses, what it said in those parentheses was “Notes from I Paul.” March the 13th, 1986. It got run through the computer on whatever the next day, March the 14th. It was read and nobody in this Family ever questioned that strange new signature. I didn't sign it. Jesse didn't sign it. Nobody raised that question about it. I'm gonna ask

brother T to read it for us. There's five pages and a paragraph and a half. It has a title besides “You Can Do It.” That title happens to be, now I can reveal it to you, “The Thirteen – Its Conscience.”)

[T READ “YOU CAN DO IT”]

(I, Paul: That may give you some insight into what I've said so far. Did you really hear that? Maybe for some of you, it's the first time you heard it.)

This is Part 2. You're still listening.

Question: Do you want to enter the Kingdom of God, and serve the Supreme Spirit for all of the Eternal Eternities? Yes? [mutters of “yes” around the room.]

Then you had better start doing so Right Now, and beginning, never cease. That's “How,” my dear brothers and sisters, that's the real answer to the (question) “How”!

(Another) Question: Do you wish you were never born? NO! [Mutters of “no.”] Well, if you waste your life and gifts on matters that do not matter, it would be, in fact it will be, better if you were Never Born. Believe me! (I know.)

Question: Do you like Life? [Mutters of “yes.”] Yes? Why? I want you to tell me...

[T: Cause Life loves me] ...one by one why you like life. Who

wants to start? (Over here? Shoot. Why do you like life?)

[PB: Never tried to think of any reasons before.]

(P: Well, think of one now. We're waiting. I know you put yourself last, that's why I called you first. Take your time, I waited ten years for this day, I can wait another ten.)

[PB: I don't know anything else.]

(P: You don't know anything else? All right. My friend over there in the back seat.)

[MP: I think because most of the time I enjoy it.]

(P: Ah, okay. I believe that, I believe that. Brother David.)

[Dh: Yea, I think there are moments I enjoy most.]

(P: Moments?)

[Dh: That I like to expand on.]

(P: Yea, but why do you like life? Because of just a few moments now and then?)

[Dh: I don't know.]

(P: I don't know, that's an honest answer. Brother Adrian.)

[AB: I think because for the first time, I am enjoying some of the joys of the rewards of effort.]

(P: Ah, I like that. Brother T.)

[T: I like life because that's all there is. Really there's either life or nothing, and through the Message I've been given some sort of recognition of that. So I think it's inherent, it's inherent in me. I don't think I can do anything else. My problem is to become aware of it.]

(P: But you like it, in spite of me.)

[T: Sure, I love it. That's all there is.]

(P: Betty.)

[BN: I like life because it allows me the opportunity for a new experience every day, every hour.]

(P: Very good. Janice.)

[JW: I love life because I've been fortunate that I have had a very happy life, and that I am a happy person most of the time, and I love the things that are here in life. I love seeing, I love smelling, I love hearing. I love feeling, even just the air, when it blows. I like all that's here. To me it's beautiful.]

(P: You should have been a poet, poetess. Very nice. Okay

Hulk, why do you like life?)

[DH: I like life because I've considered the alternative and I didn't like that.]

(P: (Chuckle.) That's a fairly decent reason.)

[JN: You looking at me?]

(P: I sure am kid. I'm staring in that direction.)

[JN: I've got to combine to what David said and what Ted said, that...]

(P: I didn't ask you what they said, I asked you, why do you like life?)

[JN: I figure it is inherent in me to like life, because I'm a manifestation of it, and that's what I need to do.]

(P: That's a damn good reason. Brother Greg.)

[GD: I like Life because I find that a positive attitude in that which I'm involved enhances both my experience and that of the people I'm with.]

(P: Very good. Brother G.)

[G: It's the only game in town.]

(P: And you like rock and roll. (chuckle) I had to get that in. John, my friend.)

[JA: Well, the only thing I can really think of is I enjoy to learn and there isn't a day that goes by that I don't learn something.]

(P: I think that that's one of the real reasons that I like Life now. The opportunity to know something new, perpetually. That is a great feeling – I love Life because of the people I meet in Life. Even some of the dummies. Well, I'm glad at least nobody said I like Life because it's something to do.)

Alright, let's go on.

This Order, the Order of Thirteen was predestined – therefore, those who take a seat in it were, most probably, Predestined to do so – Now I presume that you all wish very deeply to own one of these seats (because you wrote me a letter saying you did) – Personally, I have been laboring for ten long years to finally see them filled and frankly I had almost given up hope that I would live long enough here to see this “dream” of mine come true – unfold – well those Seats are not free. If you want one you are going to have to work for it – you going to have to earn it – the hours will be long and tiring – the work will be hard and taxing – tough, tedious and at moments excruciatingly unsettling – yet, if you desire, want and need one of these 13 seats rightly enough you'll go through hell and high water and fire to

get one. If you are not willing, anxious even, to do this you simply will not get one – of the entire Family of LIFE and LIGHT, the 13 are the only ones who will be asked to sacrifice, to fast. Did you hear that? Any questions (on that statement)? (Hearing none, here's the question you didn't want to ask – the answer to it – the one you were thinking about.)

Here's your answer – The Sacrifice is to be a servant slave, yes, that's correct, a servant slave to the LIGHT (not me, not to Jesse, not to your True Self, to Christ then) – until you are seated and when seated you will be given equal status while in the body of flesh with one Jesus of Nazareth, when, in the flesh, who, of course, we no longer know in the flesh; “with one difference” – you will be Spirit Protected – Never Sacrificed, Never Forsaken – and you will have Power to act accordingly. That's a Spirit promise – not mine – I don't make promises – I convey them. As your Spirit Guide, as your Teacher, as a New Prophet, (I ought to say pseudo-Prophet) I can tell you this – You will not be asked to do anything that I haven't already done. (And I'm standing here safe, sane and sober, today and you don't see any scars on me. And I have been through hell, high water and fire. And if you don't think so just call me up someday and I'll fill you in. And I'm not too old and such a beloved laborer that I don't get corrected

when I need to be corrected – “It is Good You Come.”)

Now how many of you are going to be walking and talking examples of the Book of Life as a member of The 13? How many of you are going to grasp this once in a lifetime opportunity to labor lovingly for the Kingdom of the All in All?

(Stop here and I ask you now in light of everything I have said up to this point) Are you In or Out? [All responded “in”.]

Let's go on. (I'll shake somebody loose – I think what we ought to do is take just a couple of minutes – I have to talk to brother T – did you get my message? [T: Yes, I did.]

{BREAK}

(March the 13th 1986 – “You Can Do It” you now know its true title to be “The 13 – Its Conscience.” Now I want show you “The 13 – Its Consciousness.” Brother T, front and center. It's, I don't, maybe ten pages, whatever, and a paragraph and a half. Would you write on top “The 13” in the right-hand corner and put “Its Consciousness – CPM #27” – read it, listen to it now from a different viewpoint – as a neophyte vying for a seat in The 13.)

[T read CPM #27 – The Mysteries]

(Thank you. Knowing full-well that you didn't understand a god-damned thing that said, you will be given the discernment of it in simple and clear language so that you cannot but understand it and use it if and when you get seated in The 13. It's already prepared for your perusal. Let's go on.)

(T: Can we take a little break? P: Let's take a little break.)

{BREAK}

(You need to know that) Every single NOW has something in it to be won or lost -

Every single NOW has a promise and a threat -

You either win it - hold it - take the promise over the threat or you lose it.

My task is to show you how to win and how to avoid the threat - and “knowing” all about you I have my work cut out for me.

You see, you know all the expressions of Spiritualism but you do not hold the experiences of them.

As a “13” you will acquire all the experiences of those expressions. If you listen, if you work, study, Practice, Follow, Act, Think, Love and Obey - what Spirit is seeking is not a Perfect You but Perfect Action from you! Do you

hear this? Do you “know” what it means? Listen!

It means that you will become the 7 Laws and the 31 Ordinances and you will visit the 5 Pillars those of - Perfect Faith, Perfect Hope, Perfect Love, Perfect Truth, Perfect Wisdom - the latter will be your “House.”

This means then you will Act NOW as you will Act in that House of that Kingdom. You must begin Now to Act - always and in All Ways Act as if You are out of the body and in the spirit!!! Did you hear that?

Hold on to your seat - Listen most carefully to what I am about to say - You will not be concerned about morals or ethics, yours or anyone else's - you will, though, love no matter how much it hurts you. You'll simply have to overcome your aversions to do so or be let go! God is not a Moral God - God is not an Ethical God - God is Love and God is Truth and God is Spirit and God is God and you can cease now playing at Being God. You had better - and since God is not a Moral God what makes you think that you should be what God is not? Besides - you don't even know what Morals and Ethics are (spiritually) - all you know is what religion teaches and what you have cultivated in preconceived ideas throughout your life all wrong I might add. So get out of the mentality of morals and ethics and Get INTO Acting Natural and all that that term implies. You

are a Spirit – Act accordingly. Did you hear that?

Now hear this again – Here you are all Equals and here you had better hold to that Truth without exception or Jesse will inform me to say goodbye to you. None of you holds a seat in the 13 yet – you do not have to contend with each other to win one – Your contest is with you and your “self” – one you had better win and swiftly so! Did you hear that?

Now listen UP – For the purposes of purification from this day forward you will not read any books other than fiction for relaxation purposes and magazines of a general or newsworthy content. You will read though those books you are told to read. Other than this the Message of I Paul and those Communications you will receive here pertaining to the 13 will constitute your reading material for now (from now on). Each of you will receive a complete set of the Message for which you will be required to sign a contract that you will protect it – not abuse it nor lose it – nor loan it out and will agree to immediately return it if you leave or are dismissed from the 13 and this contract will include all materials you will receive as a neophyte of the Order of the Thirteen. Did you hear that?

Now let me speak to you about the conduct expected of a member of the 13 trying for a seat in the Order of

Thirteen.

If you want to argue, to lose your temper, to hold likes and dislikes, to hurt another in any way, shape, form, or manner, or to do things your own way, then leave NOW – you won't make it here and you won't be around very long anyway if you try to hold to old ways – you are responsible for you first, but you are also responsible for the other twelve also! Did you hear that?

The 13, the Order, exudes Change and Changing – if you don't want to change then the 13 is no place for you. If you don't want to follow then the 13 is not for you – if you don't want to learn, to know, then the 13 is not for you. If you don't want to keep in touch with all the others, then the 13 is not for you. If you don't want to study and work hard, then the 13 is not for you. If you do not, then, want to work with, at, and by the Message, and the material given strictly for the 13's benefit, use and practice, 24 hours a day, then guess what? The 13 is not for you and you are not for The Order of Thirteen. Did you hear that?

Furthermore, you will stay out of people's personal lives – you will not meddle – never – unless you are invited in – on the other hand you don't need an invitation to invade their spirit or theirs yours – there you are always welcome if you go in spirit and in truth – Did you hear that?

On top of all this you will not gossip and you will not backbite and you will not put one another down in whispers or in the shadows or outright – instead – you will always Strive to raise each other up and this you must do in all ways possible – you place any barrier whatsoever in a sister or brother's way and you are gone from here! Did you hear that?

From now on turn your concerns away from material things over and above your Needs and Concentrate on People and their Well-Being for they must be your Primary Concern from now on – and when I say people I mean their minds –both of their minds. Did you hear that? Good – now hear this. Your concept of time is minuscule. You need to get your minds transported into Vertical Time and only use horizontal time for the absolute necessity of your daily, routine responsibilities. Horizontal time is for physical matters exclusively – don't even try to take horizontal time thoughts into your Spiritual thoughts and Acts and Activities. Did you hear that? Good!

You make your final decision, you're IN or you're OUT. When we reconvene, I want only those in attendance who are here to stay through the Fire, the Wind, the salting and the Water, always the Water – come what may and it very well may.

Part 3

(Now I don't think it's any mystery that) Greetings – I love you – I respect you – I trust you – I want and need you.

My first task is to seat as many of you as is possible in the Order of Thirteen. It's a difficult task for me – it's possibly going to be a very difficult Goal to accomplish for you.

I want you to know that the very existence and progress of the human Family of LIFE and LIGHT of the All in ALL on W-303 lies squarely in the hands of “The 13” whoever they may finally end up Being. What they learn and practice will be handed down to the Family to teach Everywhere here for the purpose of recruiting new members and when that Family reaches a majority of the total population “The 13” are going to lead them to the New Worlds. (That's not pie-in-the-sky.)

The One Key to everything I have said here today – up to now – has been said here today and said more than once in the Message of I Paul – let me quote it one more time – “to Act Natural is to be your True-Self within a Duality of minds – that need be United in order that the Spirit may Evolve.”

In closing my presentation, but not our gathering, let

me say this for your well-being and your health. (You know for your health) You need Good Food, Good Housing, Good Habits, Good Cheer, (a good attitude, George, of Life) and an income to satisfy all your Needs.

For your Spiritual Well-Being you need all of the above plus Common Sense, Knowledge, Desire, Information, Understanding, Love, Unity, Power, Wisdom, and Ease-of-Mind, and Faith - a Full Measure of it to be exact - all of which will give you Peace, Joy, Happiness, and the wherewithal to fulfill your Goals.

As a Prophet I see before me the Unfolding of many dreams and I hear the voice speaking - "Fear not for I am with you - I will bring them from the East and the North and take them to the South so that I may gather them Up in the West and say to them keep not back - bring all my sons and daughters from the ends of the earths - even everyone that is called by my name - for they are for my glory - I have formed them, yea, I have made them. Bring forth the blind people who have eyes, and the deaf people who have ears - let all the Earths be gathered together and let the "The 13" be assembled and bring forth their witnesses that they may be Justified - let them speak and say you all - It is Truth." Now let me finish with this. When you have made up your mind on something pertaining strictly to "The 13" please understand that your mind no longer stands alone

and cannot be considered as made-Up until all 13 minds are made-Up and United and Agreeable as ONE mind. This you cannot fake, you simply will not get away with it. You try and you are Gone! (Because Jesse will tell me, you are gone. Somebody always knows what you are thinking and what you are up to. When I need to know I'll know. And if you don't believe it – test me – and you're gone. Now, you have some organizational work to do here tonight before you get to bed. I'm going to ask my Brother and Partner, who incidentally he and I happen to be the co-founders of the Family of LIFE and LIGHT on W-303 – In case you didn't know that. And I'm going to turn it over to him, he has some material that I gave him, we have discussed – he understands it as perfectly as I do and we are going to tell you where you stand, where you don't stand, even going to give some of the communications that belong to seated members of the Order of The 13. So, that may be a hint that just maybe you may be sitting in a seat – we'll see.)

Read I Paul on The Mind.

You Can Do It! **The 13 - "Its Conscience"**

Greetings,

If you are unhappy, you have no self-respect. And when you have no self-respect you have no real love for yourself. And when you have no love for yourself, you are lost, you are helpless, but not hopeless. Where there is Life, there is Hope!

Happiness is a state of mind and therefore it has nothing to do with any material things whatsoever. Learn this. The single-most barrier to happiness, which, Spiritually interpreted means Love, Unity and Peace, is "self." This "self" is the "unreal, false you," an illusion really, that is forever at war with the "True-You" or the Real You, your "Spirit-Self"!

You need to slay this "self" all the day long in order to acquire an ease-of-mind and the only fool-proof way to do this is through what The Way to "The Way" is all about - "The Mind of Christ"!

Spiritually interpreted, The Mind of Christ is The Will of the Supreme Spirit, LIFE, then, and this Will that Wills above all wills, interpreted, means simply, the Well-Being of all of man-woman kind - be they Etheric, Astral,

Planetary, or Physical, which interpreted means Life person, Light person, Cosmos person and Vessel person.

So, no one need be unhappy, without love or truth, unity or peace for they are free gifts of the Spirit, as is, grace, which interpreted means “Mystery.” You are free to be happy even though Freedom is not a gift – it is something earned, both physically, mentally and spiritually! And it is earned through The Truth, whether it hurts us or helps us, creates us or destroys us, we need all seek it, find it, hold it and live forever by it, for it is The Truth that sets us all free and that's one of the reasons we can do nothing against it, to it, by it, or for it except follow it. This, in a nutshell, is what Prepare, Follow, Come is. It is to walk after the Spirit, walk with the Spirit, and walk in the Spirit and in that order. And, “You can do it!” Today, most people, are seeking for meaning in their life, and a way of life that is solid, tangible, and rewardingly full of happiness and self-esteem. Pie in the sky? No, such a way of life is possible and available if one is willing to work at it physically, mentally and spiritually, and without fear.

What do people fear most? Death. And this is sheer spiritual ignorance. We should celebrate death as we do birth, for both are the very beginning of a new life.

Life, human life, on this earth was either Predestined

for something higher and greater than death by a Power and Wisdom far beyond man-woman's total and collective comprehension or it wasn't. It's as simple as that and as complicated as that!

Enter the Message of I Paul, the Book of Life and the Book of the Two Ways. The Message is the Highest and most far-reaching ever to be entertained by the human mind with the most sublime purposes ever to be undertaken by the human will. It's a Message of Love, of Truth, of Wisdom, of Honesty, of Responsibility, of Intelligence, of Knowledge, of Recognition. It is a Spiritual Message for physical beings of all ages and walks of life.

“Be not conformed of this earth but be transformed by the renewing of your mind.” Do you know how to “renew” your mind? In fact, do you really know what “mind” is? Whether you answer yes or no, we invite you to read the Message of I Paul. You can do it! Do what? – you may ask. You can become Fully Human and Fully Spiritual Now, that's what.

If you're looking for signs or miracles, you're in the wrong place. If you're here to raise your levels of consciousness and awareness then you are in the right place.

You see, you already have all the signs and “miracles”

for you are them. They exist in your body, in your mind and your spirit and you can, with effort and study bring them into useful reality. We, as Christian Spiritualists, the brothers and sisters of the Family of LIFE and LIGHT of the ALL in ALL, have certain tasks, certain missions and one Goal to fulfill and we spell those out to those of you who wish to further your enlightenment of the Truth and find this ease-of-mind we speak of.

Let us give you an excerpt from a Communication received involving the truth about Predestination.

The Supreme Spirit, LIFE, Predestined the Ages and set them in order. Spirit Ages we measure in Vertical time. Physical Ages we measure in Horizontal time. Therefore, the Spiritual Age and the Physical Age are but opposite sides of the same Age.

Hence, “This Age” is the Physical Age and the “Age to come” is the Spiritual Age. This will appear when the appointed “time” of “darkness” ends, i.e., the Physical Age; and the appointed “time” of the Light begins, i.e., the Spiritual Age, wherein mankind becomes Fully Human and Fully Spiritual, the prelude to the Fully Spiritual New Worlds.

Horizontal time moves in predictable, predestined order and in cycles or rotation, just as day follows night or

Light follows darkness.

Light then, is perpetual Vertical time and eternal.

The “darkness” is always trying to wed the Light but it cannot simply because the Light is Alive and the darkness is not.

In its Predestined Order the Light has withdrawn from the darkness and has left the darkness to rule for an appointed time, and only when the appointed time of the darkness rule wanes does the Rule of the Light begin to dawn and to spawn The Spiritual Age. Just as “man” rules the Age of Darkness so too does the Spirit rule the Age of Light, the New World, prior to “The Happening of the ALL in ALL.”

This shadowy Physical Age of Darkness will prevail until the Ancient of Days lifts the veil with its Power of LIGHT, Truth, Love and Justice. The LIGHT is then the Power and the Wisdom of LIFE and the Keeper of the Spirits of the ALL in ALL.

No Judgement day will mark the end of one Age and the beginning of the next Age. The Judgement began at the beginning and is perpetual with it - “you carry everything with you.” This means, as it concerns this subject, that all Judgement is individually inherent wherein each individual

with the knowledge of Right or Wrong judges themselves both Physically and Spiritually by their acts – A simple matter of minds as is “the Soul”! The Family of LIFE and LIGHT is for those who will “shine like the stars” for the Age and Until. (For the Spiritual Age of Love and Until the Happening of the ALL in ALL.)

The Spiritual Age has to be simply because “that which has been is that which will be”! Welcome.

A Creative mind is a mind that is tuned into Creative Thought and Creative Imagination. The Memory both creates and destroys. Mankinds, the Universe over, did not Create themselves but the Power of Creation was gifted to them from their beginnings exclusively for their ends. Having been Perfectly Created, but not Created Perfect, we have the gifts inherent in us to become perfect and enter into the Light and to rise through the Planes of Evolution to that Perfection of the LIGHT Mind.

The Key to this perfection is the predestined minds, the Gift of LIFE! We have heard it said that “man” is what he eats – but we know that “man” is really what he thinks, and this has been the Truth of Man since his inception on this earth.

It has been written that there is a physical body and a spiritual body which are applicable to “man”! Are we to say

then that man is a duality? No, for we believe that man, true-man, is a spirit inhabiting a body. Or, to state it more concisely and clearly, we believe man to be a whole, a United one, consisting of body (soma), mind(psyche), and spirit(pneuma).

Contrary to Scripture “man” was not created a “living-soul” but came into being as a “living-being,” the term “soul” was a mistranslation of the Hebrew into the Greek and we have been stuck with and plagued by the term “soul” ever since. Quite literally, we are all very “poor in soul”! Yet we are Rich in Spirit and Mind!

This world is full of the religions of man but there is no such thing as a Religion of Spirit. The term Spirit has no religious connotation whatsoever. You see, most humans simply cannot comprehend transcendental Truth - it's above their reasoning. In fact, the human race has as yet discovered who man is. Furthermore, this man cannot even discern the differences between his brain and his minds!

You see, the minds “think,” the brain is but its computer and this is what Cosmic Consciousness is all about. Our thoughts are what determine our goals and our Action is what determine our accomplishments.

What the Religionists haven't learned, as yet, is the Truth that the Supreme Spirit, LIFE then, is not going to do

for them what they are capable of doing for themselves. And that very definitely applies to All of mankind.

Today we live in an era of information. There are more “rediscoveries” being made in the Now than ever before in all branches of Science and in the religions, even. Through the use of computer science, for example, as an Exegesis' medium, we are beginning to expose Religions as the myths and clever sagas they are. The Message of I Paul itself is anti-religion, and of course, highly Spiritual. Now if True Christian Spiritualism is not a religion, what is it? Very simply put, it is a Relationship with our spirit and with other Spirits and a clear, concise knowledge of the Spirit Realms and our rightful places in them.

As the Truth both creates and destroys so also does the memory of man if it is not controlled, disciplined. All too often memories are the basis of much hatred, bigotry, jealousy, fear, greed, vengeance, wars and death. Man needs to train himself and leave the darkness of the past to the past and allow the dead to bury the dead while he focuses on the Now and uses the memory only to righteously and peacefully correct the wrongs and the mistakes of the pasts to make the Future a better place for All. Using the memory for the propagation of the Good, the Right and the True is the proper use of this function of the Mind and its computer.

While the Religionists claim to be “people in Christ,” we Spirituals are people with “Christ in us,” for that is where the Spirit of LIGHT is, if you are in the Way to “The Way.” And you are “in-the-way” in one way or another whether you are cognizant of it or not.

The “Christ-in-you” lies dormant, undeveloped and unheeded. Only a few actually hold the Activated Mind of Christ and adhere to it in All their thoughts, acts and deeds. This Creative Force, this Power and Wisdom of the LIGHT Spirit is in ALL, but ALL are not in, of, for, or even aware of its Presence. This leaves most people in a position of being “available” but never “Present”!

The Philosophy of True Christian Spiritualism is a workable and viable Way of Life, a better way in fact. The Message teaches the depth potential of man and his, or her Spiritual Unity with LIFE and its Kingdom. Therefore man-woman is an integrated Whole consisting of body, mind, spirit, and when these are perfectly united they become Fully Human and Fully Spiritual NOW with All the Power and Wisdom that such an accomplishment implies.

If you can discover the consciousness of your spiritual unity with the Supreme Spirit and your fellow man, and if you can become established in the conviction of the Divine Consciousness of man, you will become an intuitively

guided and effective instrument for “change” and “Action” that most certainly will transform you into a Fully Human and Fully Spiritual being with the Fully Activated Mind of Christ within the provinces of your inherent interests, abilities and responsibilities. You can be a messenger for and of “The Truth” and one of its Universal Servants simply because You can do it.

In closing, one word of caution: When you enter into the Realms of the “unknown,” it should go without saying, that you do so with great personal risk - you may find your Whole Life Changed and in a constant state of Change until you are completely Changed into what you are Supposed to Be! Prepare, Follow, Come! You can do it!

The problems of the Now facing all of us in our world today be they personal or of a collective nature can be solved. The very solutions though must be spiritual ones, for material, intellectual and ritual religious ones have been tried, worn out even, and found terribly inadequate and wanting. And spiritual things can only be discerned Spiritually!

You see “the Truth” is in All of us, hemmed in by our carnality and without our learning and utilizing self-discipline, self-reverence and self-knowledge we can never “know” it! The first step to the Great Within is to

slay “self” and you can do it by giving-up “wants” and replacing them with “Needs” via the Ordinance of Formative Causation. We must allow our inner kingdom to come-out on Earth as it is in the Spirit Kingdom. The ultimate of our search for the inner Kingdom must come in the Knowledge of the Mind that sustains it, the Mind in which it actually has its very existence. And the study of Mind can only be done through introspection, self-contemplation, cogitation, meditation, and spiritual searching and actions. Furthermore, there is the matter of Faith wrapped up in all of this. Religious faith is mostly no faith at all for the masses believe only because the church believes. This is blind faith, faith without action. We know there is no reward for finding Faith; it's what you do with it that counts. True Faith is not a physical-material thing, it is a spiritual thing that has its power “within,” not without. Faith, contrary to the stance of all religions, cannot be taught, it's an inner manifestation that can only be grasped and brought up to its Full Measure through insight, intuition and revelation! The Full Measure of Faith is the Full Realization of one's absolute unity with the Supreme Spirit. This is the greatest, most profound knowledge that any man or woman can attain. It is here that the wall of Separation between Man and Spirit dies and Man begins to truly Live! We are really the expression

of Spirit, the Activity of the Spirit, the Intelligence of the Spirit, the Love of Spirit and the Truth of Spirit, only most do not “know” this! The Kingdom is within us yet we elect to live without! This is not only sad but ignorant.

Until you have achieved mastery over your “self” and drop all of your illusions of grandeur and stop intellectualizing and rationalizing your way of life and get into the True Way of Life, the Spiritual Way, you are “going” nowhere.

The greatest enemy of mankind is not death – far from it in fact. The greatest enemy is fear. Fear and its children, doubt, anxiety, paranoia and the like. Those who hold the Full Measure of Faith, the Fully Activated Mind of Christ, know no fear simply because there is nothing to fear. Fear not to have nothing and you can have All. Fear is spiritual irresponsibility and blatant spiritual ignorance.

The Message of I Paul is a guide to assist you in making the breakthrough into the “great within.” It is a simple outline of the techniques necessary by which you can release your own innate potential and be transformed by the Power of your own Divine Consciousness and Spiritual Conscience!

The Mind of Christ, the Will of the Supreme Spirit, the Will that Wills above all wills, is for your well-being and

the Well-Being of All of mankind. Are you Well? If not then you should be an adherent of the Message of I Paul. You can do it! You need only exert the effort called for - the results will be given! Love, Peace! In The Great Discovery!

(Notes from I, Paul)

CPM #27 - The Mysteries The 13 - "Its Consciousness"

Christ-Jesus saved us through an act of Obedience and now, in all fairness, they ask each one of us regardless of age, sex, race, color or religion "What are you doing for us?"

What's being asked is "will no one follow after us in your day and age?"

Those who have ears to hear know that this is God calling. Many do not answer. They know not what to say. The voice is evocative.

It carries a few to the bounds of spiritual investigation and discovery and points beyond. There, the few, touch upon unusual themes and "things," facts and analogies and in so doing the few touch upon archetypal images, visions and dreams, knowing full well that this is only the beginning. The One that has no end.

These few, being scattered all over four globes, are the only ones who are Following the Spirit, a distinction above those who are walking after the spirit, the so-called preparers or novices.

The few we speak of herein are common ordinary people and none of them are masters in their field. Yet they

are all capable of pointing way beyond their own capabilities and of receiving thoughts from others and especially each other, and above all they are capable of answering the evocative voice at all times and at all levels. So this, the First installment of the mysteries is not for them but for those of you who read this and then Act having the knowledge of the Book of "Life" for the necessary support so that they may also experience what the Few now Hold. We are concerned here with dimensions of Awareness, of Understanding, Wisdom, Truth & Love.

A dream, an idea, an ideal, a vision, a quest, a venture that has for an unknown time been growing in a single mind, in a state of hibernation or incubation, sometimes suddenly explodes and its energy blows away all the barriers and past, all contradictions, disbeliefs and protests of all the earths and all their peoples.

"The Mysteries" are a step into the unknown. It is no place for Fools nor Pretenders. It is no place for the self-centered, the self-displayers, the seekers of "being important," the heroes, the glory seekers or the tyrants and evil ones. The Gate is barred to all who are in any way, shape or manner, selfish and in want. There are NO exceptions. Only the Known and Recognized are accepted. All Truth Seekers are Welcome and the only passport that is Valid is Genuine Love for the Truth.

The mark of Genuine Love is Universally known as Unity and therefore unmistakable.

Unity is the Greatest Psychic Force knowable. This "Force" creates a dynamic atmosphere in which the qualities of the Evocative voice comes into full view and full activity.

These High Plane Levels are balanced by the Unity of the Inner and the Outer Being. Failure to maintain the balance always results in Fall. The keys to "the balance" are, as the few know, Cogitation, Contemplation, Meditation, Prayer and Fasting and a deep desire for Peace.

Inherent in those keys lies the already accumulated ones of Faith, Imagination, Wisdom, Knowledge, Understanding, Intelligence and Love. Inherent in those lies Creative Thought and Creative Imagination.

Inherent in these lie Seven Laws and Thirty-One Ordinances of both the Spiritual Realms and the material Realms.

Every "Adept" or "Spiritual" knows that he is engaged in a fourfold relationship.

First to his Whole Being. Second to his fellow Adepts. Thirdly to his world and fourthly to the invisible realm of "the mysteries."

The Adept knows that the title of this missile is purely symbolical for he recognizes only one mystery and that is Grace.

The fourfold relationship is also known as the four points – North, South, East and West which are never “fixed” points. They are also at times referred to as the Four Winds or the Four Flames or the Four Waters.

An Adept knows that an impersonal center is essential to all Creative work for such power is never a personal attribute. The Center alone gives vitality and duration to all that an Adept can accomplish and an Adept can never supersede that allotted to him.

An Adept is an instrument to be played for it cannot play itself, yet an Adept knows nothing about separation or idleness.

The development of Consciousness within the Dimensions of Awareness is the life of an Adept and these increase his awareness of the Archetypal Reality in whose midst he lives. These then are the worlds which open up to the true Spirituals through the “walking after” into the “Following After” stages noted above. All Creative Work is rooted in the Dimensions of Awareness and in the “Center” all ways meet and Unite, and become Peace.

Man is weak yet he seeks to be Free. Only the Truth can set man Free and man shuns the Truth. He is not familiar with it. A Great Adept once asked of his hearers "I tell you the Truth why then do you hate me?" That's man's paradox and only man can correct it. And he can only do that by fully walking after the spirit with the full expectation that he shall find it, and follow it. The very weakness of Man must be transformed by man into an effective quest for the Center of the Dimensions of Awareness and once begun, if ever begun, he must never again look back. Never! Progressive Insight means exactly that and no other thing whatsoever.

To become an Adept one must first mold himself and then knowing who he is he can then liberate himself by realizing and releasing the spirit. Try as one may there is no other way open to man.

Realizing oneself is a small phenomenon but realizing the Spiritual is an ever increasing Mystical Phenomenon. There is no room there for weaklings! The promise of Salvation is what awakened man's quest for Freedom and that Freedom lies only in the liberation of the spirit. Physical man can never be Free, Never!

Something must be said here before going on, about this earth's Religions and Sciences – the important ones –

and they are many and varied yet they all point toward the “saving” of something. They are the reasons, the stumbling blocks then, as to why the Great Adepts, past and present, have never been heard nor given the proper recognition. Man still believes he can save himself.

They all have a secret awareness of their own limitations but this does not deter them from pretending that they have none. To do so would immediately destroy them in the minds and hearts of their lay followers.

Religion is a technique for achieving a favorable lot after death.

Science is a technique to forestall death, or end it all together.

Both seek eternal life yet they do so with two entirely different realms in mind.

The Religions stand in opposition to each other and together they stand in opposition to ritualistic cults which employ magic for earthly purposes and pursue no transcendental aims of any lasting value. All of them have a character in one form or another of reform which hardly anyone pays any attention to whatsoever. Repent, the Kingdom is at hand is hardly ever heard of anymore!

Most of them were founded by a leader. Many times,

older or rival religions, in order to impede the progress of the newer cults or sects, incarnated newer gods, thus bringing their saviors into line with the newest ones. Sometimes, foolishly, their saviors were elevated to the rank of gods. Some are highly pessimistic in their judgements of everyday physical life and its experiences, and on the other hand they are full of a glowing optimism with regard to religious endeavors!

They build salvation on a transcendent insight that has no reason whatsoever, on mysteries they cannot reveal, on dogmas they claim are supernatural and therefore unexplainable, on secret revelations that preclude their revealing them, on intellectual intuition outside the realm of the common man.

Thus, they prepare the way for the many who are not capable of preparing themselves, for the lay people lack knowledge, and they, the leaders claim they do not.

All Religions and all Sciences are Gnostic in one form and level or another with the Religions at the lower end of the scale and the sciences at the higher.

All Religions lie in the realm of the “unhappy consciousness” while the Sciences lie in the realm of the “unconscious” and “unknowing.”

It is from this mess that all adepts, past and present, are struggling to save “the Spiritual” from disaster.

Jesus, who was a Great Adept, knew that the Spiritual was of luminous nature and fiery essence and exhorted man to strive to achieve their goals in their pure state, which was the Radiance of Love and Truth. He gave a clear indication that the saving clarity presupposed the night of the unconscious and all would find the climax in the illumination of the Superconsciousness. Love and Truth!

I Paul employed this “beatific Consciousness” to give it clarity in The Message of I Paul which is but a modernization of the “Book of Life” for a particular Age and group. Ours!

What does a Spiritual Adept have to offer this world of Religion, Science and Politics?

A proof of destiny as precursor for the eternal being of all who so choose the Way to “the Way.”

In plain language that simply means Proof Now of life after death. That's the total sum of all that any adept has to offer yet weighed against Religion and Science it is by far the overwhelming heavier. Yet it is ignored and has been for countless centuries, going back beyond the Sumerians.

Perhaps it is because no Spiritual Adept has a doctrine

of Salvation to present to man. No dogma, no rite, no ritual, no sacrament, no sacrifices, no real rules or regulations. Just Freedom – Now and Forever. Both Religion and Science are based on speculation and nothing more. It wasn't always thus.

We must take great care when we equate the solutions of both sides – Religion and Science. Both sides created their own foundations, one from a theory of the elements and the other from a theory of the pneumatic conception of all life. The philosophies are entirely different but they do cross over into one another, here and there simply because they both are seeking the common cause – eternity. With all their vast parallels these two do not realize that their gnosticisms will never allow them to reach the depths they are seeking for gnosticism can never reach that which is unfathomable to Gnosticism – Unity, Peace, Love, Truth, LIGHT, LIFE.

Both Religion and Science are based on wretched illusions, therefore all their secrets and mysteries are illusionary, or unknown theories.

Science will not fully accept the fact that death is a necessity and Religion will not fully accept the truth that physical resurrection is an impossibility! There is no such thing as “perfect knowledge” for all knowledge available to

man shall pass away as man will continue to pass away eternally! It is almost impossible for an Adept to accept the boldness of their foolish ventures.

Most human beings have absolutely no concept whatsoever of what a “Spiritual” truly is or what he is all about. It is also almost impossible to encompass the boldness of his venture.

It consists in escaping from our nature by freeing ourselves from the act, though this act is what we are made of – in regaining our energies from captivity, and once more putting them to work without succumbing to egotism. It consists in strictly disciplining our vital functions and creative thought and imagination and so “building worlds” which do not obstruct the evolution of our true being but on the contrary enriches us with Free Creative Force. If we succeed, we cease to be slaves to anything and achieve full independence, both human and spirit. A “Spiritual” then is one who is both fully human and fully spiritual at one and the same moment both in time and in space.

Spiritualism is an undertaking worthy of your interest. Christian Spiritualism is an undertaking worthy of All your interest.

Everything that has ever been, is now, and ever will be

is included in it.

Every striving for “Life” must eventually come up to Christian Spiritualism for nothing exists, never has existed and never can exist that can surpass it. It is Clearly the only road of life to “Life,” and it is situated beyond all good and evil here. Those without souls must learn that they must create for themselves a spiritual world, knowing that freedom is not something given but a task.

Redemption is a Freedom.

What the Religions and especially the Christian Religions fail to grasp is the Truth that in rites, rituals, sacraments, dogmas and so forth no Grace can be Present.

Such foolishnesses are a deliberate act designed to bypass Grace and directly call forth the desired act or circumstance wanted. Praying to idols or statues is an example of this attempted bypassing.

Open Prayer constitutes a rite.

The recitation of a formula constitutes a ritual. They are uncertainties and uncertainties preclude Grace as do all other mechanical practices in general. Even the lighting of a candle in a religious context precludes Grace!

The Truth can be seen only by those who have

cultivated their inner power to see. The power is Universal, the cultivation is individual.

Let us now go upward by keeping in mind that “the mysteries” herein are actually Secrets and not mysteries at all.

The Adept has burned his candle and his incense and in so doing he has put all thought of mysteries out of his consciousness so that he may clearly face the Secrets in All Good Conscience.

A True Christian Spiritualist, an Adept then, has two primary functions, Faith and Imagination. And he has two Prime functions, Unity and Peace. He has only two tools. Love and Truth. He has only one goal, Soul. These then are the extent of all of his Secrets. They are vast, complex and awesome. Every Adept's hope is that he will die secret-less. That doesn't appear on its surface to be too difficult to do. The problem lies in finding someone worthy to pass them on to. There exists in this world a vast wealth of limited cognition and therein lies the crux of All the problems of an Adept.

The “human all too human” Religions of this world lie at the core of the problem. An Adept can only keep chipping away at this frozen block of humanity and hope that some of the chips pared loose will thaw enough to listen to him

even if only out of an act of courtesy. That, at least, is a beginning.

Everything an Adept has to say has its importance, much is hidden even in his supposed "small talk." No Adept can ever afford to waste a single breath. The uneducated and the uncaring can never grasp the terrible awesomeness of the Freedom that an Adept holds. It is so great that it makes an Adept the most careful person on the face of this earth and it demands that he never displays it. An Adept can do anything he wishes to do and that is its terriblism.

Always relaxed yet always and in all ways forever keeping the watch.

All Adepts are the sons of barren mothers.

Transcendence is possible only when the creature approaches the Creator to guide him and protect him.

Transcendence without Preparation is therefore dangerous for there is no guide nor protection without it first being accomplished. All may approach but not all receive Recognition for that only comes by preparation and the "Following After" of the Spirit in All things at the Physical-Material level even if it is only for a short duration in the beginning prior to and straight through the

Act itself until the safe return.

None of this has anything to do with secrets, it's all a matter of "the Mystery." Paul, another Adept, attempted to convince man that with his tainted nature and his Soul in exile that it was impossible for him to achieve Salvation without Christ coming to his Aid. He meant then exactly as he intends now, the Grace of Christ. He has told us all that Pure Spirituality is Supernatural and therefore he revealed unto us all a secret. What is amazing about this is the fact that hardly anyone "sees" the secret revealed.

The truly blind rush about saying "I'm Spiritual, I'm Spiritual" and the truly stupid rush about claiming, "I'm Religious, I'm Religious" while the rest sit and watch and think "I'm Scientific." True Spirituality comes only through Love and Truth. Pure Spirituality comes only by Love and Grace. And All Grace has its origin in the Holy Spirit. And this Spirit bloweth where it listeth. No one knows, not even a Great Adept, when it Comes.

An Adept can ask Christ to lend it to him with full knowledge that he can never deserve the loan. Few Adepts have ever done so, even though they are Free to do so at any time.

An Adept understands the imago-Dei.

An Adept understands the semen-Dei.

An Adept understands the Pati Divina.

He needs Understand nothing else. To an Adept physical nature and non-physical nature are not antithetical. He Understands.

All of these are secrets but only because “he” understands.

Understanding to an Adept is Understanding implied Understanding. That's no secret – that's simply simple, spiritually.

All confusion belongs to the material realms. That's the work of “the mysteries.”

Let us now proceed to the work of Secrets.

Every Adept has to have a disciple. The Adept either chooses his own or if he delays in the choosing one is given. Once the disciple is “selected” the Adept and his disciple are Partners for eternity. All Adepts look upon their disciple as Anchors. Every Adept knows that he must “weigh” this anchor in order to sail the Cosmic Sea, star by star, and get himself and his disciple safely home. How this is accomplished is left entirely up to each individual Adept. No Adept has as yet failed although the “Book of Life”

clearly states that one will.

Jesus almost became that one but through the Mystery he was saved and Saul became his true selection. The rest of that is history both past and present.

No Adept wishes to be the One to fail. Therefore, each has his own secret way of avoiding that fate. That's a True Secret and one no Adept will reveal until it's time. Yet, as Secrets are given designations of importance this is one of the lesser ones.

Another lesser Secret is the fact that if a man or woman can come to the full Understanding that there is a Physical body and a Spiritual body and that the Soul is present in neither then that one has, at least, the possibility of Redeeming his or her Soul. An Adept loves "Life" because "Life" Loves all the "Life" in the Adept. It is this benevolence that permits the Adept to participate in the Kingdom Now! The heir has already read the Will. It's a predestined privilege of the elect.

The Will clearly states that All heirs have an equal share in the earths and in the heavens and in the waters.

The Will then precludes all notions of Separation! Perhaps the greatest Secret an Adept holds is the Truth that he has a Renascent Power or nature. Yet an Adept must

always assume the posture and position of “me, you will not receive.” That is the Secret of “Why” an Adept must be All things to All “People.”

An Adept and only an Adept must hate himself in order to Love! That's a Secret that only Adepts can share in.

An Adept knows that a “normal death” here is a prerequisite to the growth of the spirit. The Adept Paul said the seed must die before it could live. He was speaking as a Spiritual and addressing himself to spiritual destiny. Since his disclosure it no longer is counted as a Secret by other Adepts. Yet it insists upon remaining so. The Chariot is Ready – there are no passengers.

An Adept knows the Spirit of Death and that its realm lies in the term “Keep the Watch.” The Spirit of Death holds all existence other than One for “three days and three nights.”

All mourning passed away with the “Tree of Life” and in its stead stands “Keep the Watch,” be Prepared to Feast.

An Adept knows that generation, fertility and growth are all indissolubly bound up with the Spirit of Death which is immortal.

The inevitability of death is not a destiny decreed by some hostile power. Death itself is not immortal only the

Spirit of Death is and all must Pass through its gates. In birth itself, in the very act of procreation, death is at work. It is at the base of all new life.

An Adept simply because he can “see” understands that even the bible states that procreation, birth and “all growth” as well occur outside of the Garden of Paradise and appear only after death has been decreed for man.

An Adept knows that to fear Death is to assure “Death.” To fear the inevitable is the folly of all follies simply because fear shuts-out Preparation for the inevitable. The Secret here lies in the Truth that the Spirit of Death is saddened by man's fear.

Because of the Spirit of Death an Adept holds himself above nothing and below everything. An Adept sings the Praises due the Spirit of Death yet he hesitates to enter its Gate until he can fully say I have fought the good fight; I have done all my meagerness can accomplish. An Adept yearns to rest and in the yearning he finds it.

An Adept knows the secret of a “Time to anger,” but only after the fact of his “Cleansing the Temple.”

The male Adept knows that he dominates the female but his Secret is that she sits in the House and is not afraid because he is an Adept. It's exactly the same in reverse.

An Adept “fishes” knowing full well that in reality he is a hunter “hunting.” He leaves the “fishing” to his disciple.

Elijah “hunted” while Elisha “fished.” In that Unity of Purpose the tare was always full, spiritually.

An Adept knows the Secrets of the First Temple (the great pyramid). Did it have an Apex? If it did, where did it disappear to? Is this a mystery or even a secret?

The Egyptologists demand that it be recognized as a Tomb. Common Sense dictates otherwise. No burials took place in it. It was not a place of death but of Life. Royal Egyptian burial had its own place, the so-called Valley of The Kings. Was there a separate Valley of The Queens?

Who erected the Great Temple? How?

Common Sense dictates that no magic was present in its erection and if not, how did it come about? Consider that its stones were quarried some great distance from its site and none of them were mere pebbles. Their quarrying alone is awesome, never mind their transport and then their union. Everything about the “Great Temple” is to man a mystery holding uncountable secrets.

Were time and gravity made to stand still? Did this earth's man build the “Great Temple” in the highest sense

of this question possible?

The answer to all of this is really quite simple and visible. Yet it is so visible it has been rendered by Man Invisible. An Adept knows that the answers lie in an Ant Colony but he realizes that to non-Adepts that is no answer at all. Let us examine and explain the Secret of the "Great Temple" by first explaining what its use was and what exactly transpired there.

First, as an Adept I must tell you that the Egyptologists have gone about their work in a "traditional way" shunning every opportunity to truly plow new ground, sort of like a doctor who treats a patient for a whole year for Yellow Jaundice and then loses him and discovers at his patient's wake that he was a China man. That "discovery" bore no fruit.

What is the Sense of the "Great Temple" sitting there as it does outside Cairo the city that was built by its stripping? Was it erected for stripping? For the sake of Cairo? Does it contain within itself the prophecy of its being stripped? Yes, every Adept knows the secrets of the empty sarcophagus besides the fact that it "eats the flesh."

The Secret in the Stripping lies in the Act itself. A lesson then. A lesson few can comprehend. Incomprehensible simply because the deed, the act itself, is

the barrier to the comprehension.

An Adept knows the Patience symbolized by the Sphinx. It's all Pure and True Prophecy. It has Proven its Purity and its trueness over and over again and while man and his foolishnesses pass away, they survive – stone edifices in the Sand.

An Adept is an adept simply because he is intelligent enough to examine his own thoughts before he rushes forward blindly.

The Great Stone Face sits and stares straight ahead always maintaining a posture as if to leap ahead and it speaks over and over that stupidity and idleness is not a virtue. No one “sees” and no one “hears.” It is man. It will completely disappear when man ceases looking back and rushing forward blindly.

Coming back now to the “Great Temple” what is there for man to see and hear?

First, the “Book of Life.” Secondly, the signature of those who actually erected it. Thirdly, the reason for its being. Fourthly, its use then and NOW. An Adept can say that the “Great Temple” is the “Book of Life” on this earth and do so in all Good Conscience and therefore in unity of ALL Consciousnesses.

What the Egyptologists have failed to decipher is the very first statement of the “Book” following the Salutations which reads: A brother is a brother and they come and go, together or united while a Partner is eternal and they go with the other eternally.

There exists more theories, speculations, implied truths about the Great Temple (pyramid) than the Temple itself has stones. There is One basic message contained within the Temple itself and an Adept can interpret it for this world in this all-inclusive and simple manner:

“May we all return again to all of you safely soon in All Love, All Peace and All Unity for your Strength and ours.”

That is the Great Secret of the Great Temple. The French one, Nostradamus, never saw the Great Temple but he traversed all of its Passage Ways, both seen and unseen. No Quatrain could have existed unless this was true.

The Great Temple stood long before it stood in its present site. It's the home of Bamah.

“For when I had brought them into the land, for the which I lifted Up mine hand to give it to them, then they saw Every high hill, and all the Thick trees, and they offered there their sacrifices, and there they presented the provocation of their offering: there also they made their

sweet savour, and poured out their drink offerings. Then I said to them, what is the High Place whereunto ye go?"

There is neither bond nor free – there is neither male nor female, there is neither Jew nor Greek, for you are all the children of God by Faith in Christ-Jesus. You are All One in Christ – man because they are in the Great Temple. And “if” ye be Christ's then ye are in the Great Temple. For we are of its workmanship – even David, Melchizedek even laid their stone for every Temple is builded by Some Man.

Whyfore has it not disappeared even though many times assaulted?

A man buildeth it only a man can tear it down, and in the tearing down comes its building Up and that is how it was Raised, erected then. The tools were simple but Genuine – Full Faith and the Fuller Imagination.

The Great Face sits and watches. It keeps the watch for the Return of its Wholeness. “It” (he-she-she-he) sees the easiness of its foundation and the difficulty of its Rising Up to its true Completion.

The “Great Temple” is and are the only eyes that “see” and the only ears that “hear.” Recalcitrance holds no stone in it nor can it ever. Procrastination has yet to offer a single stone. Dishonesty and impurity are buried beneath

it. Do not tunnelth to it. The “Great Temple” stands. It is.

The question is more than why – it screams out for the answer of How.

Did All Time and Space, Gravity then, stand still? Of course, but only of course “If” you can grasp what time and space and Gravity truly “are,” not “is”! “Are” is our. Is is “Are”!

Who truly erected the “Great” Temple? The descendants of the Lumerians. They spoke only lingua franca. They were and are the Only Creatures of the Night. And never of the Black Night. They came from “the” House of Glass.

The Great Temple is “The House of Glass” and it sits glass-less on the Fused Sand. That which fused the Sand erected the Greatness of “The Temple.” It is All Energy.

Now you know why.

Now All Adepts must reveal to you How.

(For the sake of my brothers and my sisters we shall cease here for the day and “this” evening of the Fish, we shall of course continue.)

I can tell you sitting here – shun the Great Face and Seek ye the Temple.

Your Love, "P"

What's a Myth? Is it a supposed mystery? An implied Secret? Or is it simply a myth? Is the Great Temple standing? Or are we truly seeing a Mirage?

“The Book” clearly tells us what time and space are and what they are not in relationship toward each other. What does it tell us about Gravity? What is its true purpose?

It's really nothing more than “Life's” shield. It protects the Kingdom from being seized. It divides the Light from the darkness. God's face moved upon the waters. The Great “Temple” is the only Spiritual “Pre-Form” on the surface of this earth, now.

It's a calendar and a Watch. A measure and a Walk. It speaks All the Face cannot say. It's a True launching pad. Its purposes are uncountable yet “it” only has one. It speaks every knowable tongue but never its own.

They cannot speak of the unknowable, they can only display it. They know that hidden lies in exposure. Disclosure is their aim.

Try as you may the shield prevents you from adding one cubit to your stature. Try!

That's not the Threat.

There lies the Promise.

The Great Temple reminds the Stone Face to Love what it does.

High Hopes and big Dreams only are possible in this Silence. The Temple door is Open. Come. The Silent Bell is in the Tower. The Tower is never in the Bell. The Bell is peradventure, the Tower seeks its own.

A lie can never be explained and that is the Truth of forgiveness.

Moreover, take thy up a wail for the king of kings. And say, What is thy Mother?

A lioness: she lay down among lions, she nourished her whelps among young lions. And She brought up one of her young whelps: It became a young lion and it learned to catch THE prey; it ate The Flesh. (The scripture says "it devoured men" – "P," here) – – – ("The" says "it slayed self.") The Nations ALSO heard of him; He was taken in their Pit, and THEY brought him with chains into the Land of the EXODUS. Now when She Saw that Site had waited "And"! her hope was Lost, "then" she took another of her whelps, "And"! made him a young lion. And He went UP and down Among the lions. Only the lioness can walk the

steps of the ghat! That's "the Way"! of a gestator! Time passes Now the future comes into view, Possibly. Go get another Whelp. The lioness paused. Modesty knows not the house of the Divine. Blessed Be He.

Virtue searches for the Children of Wisdom. The lioness plucks yet again another Whelp. Churches celebrate what they label as "these Sacred Mysteries." Be not fooled by such. There are truly no Sacred Mysteries – religiously, scientifically, socially, or politically. There are only Sacred, Divine Mysteries in the Spiritual Realms. They do not exist anywhere else. All, so-called mysteries belong to an unknown realm – how could it possibly be otherwise. Secrets can belong, and do belong to any realm – real or manufactured. That truly does not make them Secrets – only the claims attempt to do that and many of those claims are no mystery – at least not to a knowledgeable True Christian Spiritualist. He or she knows better – they have been educated.

Now there are a few steps into these so-called mysteries that need to be spelled out before I truly get into the heart of them that should be spelled out – so I shall spell them out. For as these qualities exist and increase, I shall decrease – not from these qualities but from your physical existence. We are Mystics when we truly experience the existence of "Life." When we do this, we

begin to decrease from this world – that's what “the Mysteries” are all about. There are eight steps to “the Mysteries” – the seven Pillars are never complete without the “One.” Faith, Hope, Love, Truth, Wisdom, Unity, Peace are nothing without “Life,” the “One Life,” the All in All.

1. “Faith” – belief, knowing, obedience, surrender.
2. “Resolution” – Resolution is second, after surrender. “The Way” is not primarily the whipping up of the will, but its surrender, and then Resolution.
3. “Intelligence” – What does not hold the mind will soon not hold the emotion and the will.
4. “Self-control.” Now “Self”-control following “Self”-surrender is Christ control.
5. “Steadfastness” – no tentative control.
6. “Godliness” – this is “Life” forward – the “Life” contact through Contemplation, Cogitation, Prayer and the three stages of meditation.
7. “Familyship” – brotherhood, sistership, Unity.
8. “Christian-Spiritual Love” – this is the atmosphere and attitude of the whole. “For as these qualities exist and increase with you, they render you active and fruitful.”

Diligent study and Action are called for. Now let us go

onward with the “Mysteries.”

There exists only Five Spiritual Emotions.

1. Prayer.
2. Meditation.
3. Contemplation.
4. Cogitation towards the Spirit.
5. Healing or “Resting in the Spirit.”

Very, very few human beings truly understand the phenomena of these five Spiritual Emotions and therefore miss the experience of their collectivity. Some witness this one or that one but few ever Experience and Witness all five of them simply because they do not Surrender and Abandon completely to them when they attempt to practice them.

“Resting in the Spirit” does not mean “sleeping in the Spirit” – it does not mean “Limbo in the Spirit” – it does not mean lying idly around waiting for the Spirit. It means, and it is no mystery nor secret but being “Active in the Spirit,” a Competitor for the Spirit and a Gatherer for the Spirit wherever you go and in whatever endeavor you undertake. The one true mystery of All mysteries in the Universe is Life and why we have it and why it is so abundant within our little world. When Man begins

developing out of mere personal consciousness he trains and develops deeper Spiritual Powers and enters into Spiritual Consciousness: he sends thoughts down into the inner centers of his organism and through His Mind quickens them to life. These “deeper Spiritual Powers” are what we cite as the mysteries.

One of the most powerful of these deeper Spiritual Powers is healing.

Death, disease and dis-ease all came into this world through what man cites as Adamic ignorance and the truth is that it can only go out through Christ understanding.

Spiritual healing deepens and enriches consciousness and through this process the everyday problems of life touch us in a decidedly minor degree. But healing work is not the end the object of our being on the spiritual path. Rather it is incidental to the major goal of attaining Spirit Recognition. Anyone who has had any real experience in Spiritualism must have observed that the life ambition of most people is to become either healthy or prosperous or both, but at some time or other these masses must learn that lack is not as great a problem as it has been painted nor is sickness. In fact, both dis-ease and disease and lack may serve as incentives to drive them out of the physical and mental limitations with which they have bound

themselves. These limitations are brought about not because the mind and body are evil and sick but only because the mind and the body have been conditioned by the belief in two powers.

A mistake often made by sincerers in their practice of spiritual healing is to treat effects such as headaches, cancers, polios, by denying them or in some way attempting to handle them. Never again make that mistake! Never under any circumstance treat disease or dis-ease of any kind. They are, in truth, only effects. If you could remove every one of them, the cause would still be there, and the cause is a belief in two powers, a belief in the carnal mind! If, at this moment, you could be made whole, nothing would stop you from becoming diseased or dis-eased tomorrow, unless you yourself came to the Recognition and Realization that the healing that had taken place was not one of lack or limitation, of fear, of evil, of false appetites, of cancer, of deafness, of blindness, of worry, doubt, anxiety – the healing was the result of being freed from a belief in two powers – good and evil spirits!

Once you begin to heal on this basis and of course you must be fully prepared to do so, you will find that those who come to you for help will be given years and years of freedom from the everyday discords and inharmonies of

this life. You will be the channel through which they will be set free – not from their ills but from the cause of their ills, the worldly belief in good powers and evil powers.

If you are dealing with a dis-ease or a disease, be willing quietly to ponder, reflect, meditate, cogitate, contemplate on this Truth – Life, Infinite Being, besides which there is no other Supreme Being, Omnipotent! There is no other Power. Nothing can be empowered to do evil. How could it be if Life is infinite, if Life is infinite good and infinite omnipotence? Life constitutes all being.

What we are faced with is not evil. It is not a destructive germ. We are faced with a belief in two powers, and we must not accept it. There cannot be Life and any other Power. There cannot even be a Power for good anywhere. There can be only Life itself maintaining and sustaining the integrity of its own being.

Now Oneness is the principle of all life and that is Life, God or the Supreme Spirit. What you label the Oneness is of no true or real importance – what counts is Recognition. Life or the Supreme Spirit though is a “silent” Spirit and speaks to us only through Christ to whom has been given the Power of Life and the Wisdom to use it. Christ is the voice of Life, the Wisdom of Life and the Power of Life, and that Christ is known to All True Christian Spiritualists as

Christ-Jesus.

The truth of Christ as disclosed to All True Christian Spiritualists on the sacred night of Transition by images, visions and thought transference are something absolutely new, astonishing, inaccessible to rational cognition. This is self-evident yet it has often been forgotten. The experiences of the sacred night, from whose darkness suddenly the most brilliant light bursts forth, are often evoked as a warning for the terrifying darkness through which the beginner in spiritualism must make his way before the night of uncertainty vanishes from them and the sun of Truth shines upon them. Death and its worldly terrors are suddenly transformed into the beatitude of the Spirit freed from suffering, with the emotion and transfiguration of the spiritual who, once they have beheld the sublime vision, no longer doubt nor fear and become fully aware that they have been called and chosen. This is the beginning of being transported into the realm of miracles, into the presence of Jesus himself. Let them be confounded who will not undergo a change of mind and heart and embrace the One Power, the Creator of all Good for only the Righteous and the obedient can live the sacred night. Go and stand before the gate of the spirits and forgive yourself and beg for forgiveness and it will be yours. Take heed to yourselves and force no burden upon

another. Follow the Message, the Book of Life exactly as given according to the best of your ability and behold the sacred night will come to you.

Come and we shall show you the Logos, and the mysteries of the Logos, and we shall explain them to you in images that are known to you now if you have Prepared yourself. We are going to tell you all the inner essence as well as the true outward form and structure of ancient Christian Spiritualism. The incarnate Logos also has its mysteries. Indeed, the whole work of Christ's salvation is the “mystery which has been hidden from ages and generations, but now is manifested to all who are called and chosen.”

First, let us firmly establish in all minds that Life is no respecter of persons. The Spirit of death is no respecter of persons either. Life recognizes no religious denomination. Life recognizes only sons and daughters and them equally. Christ-Jesus recognizes no denominations, political, religious or otherwise. Neither Life nor Christ-Jesus are concerned about human beings per se, they are totally committed to the salvation of the “True Self's” the spirits that you truly are as are we. We too were once humans but we and you were always spirits, first and foremost.

On earth today Christianity is firmly in the grasp of the

supernaturalist who for the sake of supernaturalism has turned true Christianity into an “inhuman” and “anti-Christ” transcendent Religion of words. And the word killeth! That is, the words of the Religionists.

Become a True Christian Spiritualist wherever you find yourself. Build yourselves homes and true houses. Dwell in them always.

Nothing in the Universe has more grandeur, more secrets, more mysteries, more unknowns than the infinity of the lower mind and the higher, especially when they are united, and especially when the infinity of these two “minds” are fully understood.

Even, what I am fond of calling “Pea-brains!,” a weak lower mind in truth, incapable of loving one another, you see, the ultimate frontier is not geographical or spatial but Mental. Prepare, Follow, Come; MIND, Mind, mind; Change, Changing, CHANGED!

LIFE'S Great Power is the Function of its Infinite Knowledge and its Awesome and Tremendous Gnosis is its very signature. Certainly, LIFE is LOVE and TRUTH. Yet there are more Functions included in the Awesomeness of LIFE'S POWER, for Life and life are the total power of the entire universe as they know of it. Life is actually the only true perpetual motion that exists.

Neither the Message of I Paul, the Scriptures, nor the Book of LIFE are a Record of the Supreme Spirit's Action! If you do not completely Understand this then you had better get aboard the Omnibus. It provides transport to those things having many purposes for your well-being.

Now let "us" all follow this Train and Chain of thought, hopefully Creative.

"Omnifarious" is simply something dealing with all the types of Forms and Structures.

"Omnitic" simply means creating all things.

"Omnipotence" is simply the state or quality of being omnipotent.

"Omnipotent" simply means have unlimited Power and Authority - "All" Powerful in other words LIFE is Omnipotent - it has Absolutely no Challengers, here, there, anywhere!

"Omnidirection" is simply the power or the ability to send or receive in or at any direction in Space (it must be remembered that everything, everywhere is in Space!)

"Omnipresent" simply means being everywhere at the very same time and moment. It also means having the Power to be Everywhere and Nowhere all at the same

moment in time, in Space, in Cosmos, in Universe, and any other place it feels that needs its presence as a Dimension of Awareness!

“Omniscient” simply means knowing all things, or better, having Infinite Knowledge of All Things.

“Omnium” – “gatherum” a miscellaneous collection of persons, places or things.

“Omnivore” simply means and does designate an omnivorous animal of the non-Vegetarian type – Meaning Man!

Now dear brothers and sisters and All of you of the Family but temporarily divorced from it by “Self” this is the introduction to All the Secrets of the Universe, as we “think” we understand it or better, the Introduction or Mother to All the Mysteries of which you are Number One.

Love, Peace, Wisdom, Knowledge, Intelligence, Truth, Compassion and Unity

Your servant and brother – P

**Second Meeting - May 24, 1987
A Teaching Presentation
and
Introduction to Lesson Seven and Eight
(Lucid Dreaming - I and II)**

Greetings and Welcome to the Second Session of The Order of Thirteen.

This morning my opening remarks to you are going to be a combination of Allegorical, Esoterical and Symbolic metaphors about things Spiritual, Physical, Mental and, perhaps, emotional and psychical, too!

The great inherent psychic Attributes, “powers,” then, of Human Life here on W-303 have never been easily accessible, since the advent of religions and other philosophies here, without Proper Study, Dedication, Repetitive Practice, Courage, Self-Purification, Self-forgetfulness and great Self-Discipline, the preludes to Freedom.

This is one tremendous lesson from the Past, the Ancients that you, The 13, will have to learn all over again.

Who among you cannot feel that the Life of the spirit after the physical body is shed must be mysterious and Wonderful and Awesome?

Shouldn't it also be that way now – after all you are the spirit we are speaking about so why shouldn't you expect your Whole Life Now to be most Wonderful and Awesome by utilizing those “mysteries” that make You mysterious – the Whole You, the soma, the psyche, and the pneuma? (anima (Latin).)

The Order of 13 is a mystical calling and a Transcendent teaching of what it means and entails to be a Spirit Guide, a Spiritual Genius and a Spirit as well as a Fully Human entity, even though it is largely “other worldly,” yet a guide to “Acting Natural” in the Now in Preparation of returning to the Natural Life in the Light from whence “You” came. (Your mind, Your spirit, that is.)

In other words, the Order of Thirteen, under the blessing of the Treasury of the Light, is Earthly, but Cosmic and Super-Cosmic, Etheric and Astral and Planetary, being safely and securely tied to, bound up with, the other Quaternary Entities of the East, the North, and the South, 303, to the LIGHT.

Actually, your inherent Spiritual Attributes and qualities and powers are not mysteries, (except to you at the moment) but substantive means of Transcendent Excellence.

The Order of 13 then, will be, as Spirit Guides,

Transmigrationists, for it is in the Coming In, the Going Out and the Coming back In again that you will “hear” the Words-of-Power and the Words-of-Wisdom, and they will appear when you least expect them, and where you would “look” for them lastly – and then you will “see”!

As a Spirit Guide, I need to tell you that I have three enemies!

“Self” is Number ONE (the false spirit).

Number TWO is Any and All Political Ideologies; All Manifestos; All Theories; All Untruths; All Laws; All Bigotries; All Ignorance; All Creeds; All Doctrine; All Dogma; and the like, that threaten your “Freedom to Act Natural” in any Way, Shape, or Manner and that are not Conducive to your Well-Being and which violate the Mind of Christ purpose and intent.

Number THREE is any Temporal Institution, Religion, Philosophy, Belief, or whatever that requires you to Act other than that which is Natural. Spiritualism is Natural. Religion is unnatural, as are all other ways of life that teach anything contrariwise to one's God given Right to “Act Natural.” To Be Natural, then, Now and Then! Whether in the body or out of the body – it really doesn't matter.

Here, Friendship, Fellowship, Togetherness, Equality,

Integrity, Freedom, Courage, Fair-Mindedness, Fair Play, always Fair and Square, then, Courtesy, Kind, Patient, Faithful, Fearless, Diligent, Always Present in body, mind and spirit, and Obedient to the Mind of Christ at all times – We call this “The Code of Self-forgetfulness”! Well-Being, then, not Vulning! Loving, then, as a Servant to the Truth in bondage to the Mind of Christ.

That is “Freedom in Action” through Dedication and Desire to be All in All that is then, Recognition of LIFE in spirit and in truth!

Is that too much for you? Too heavy? It's not heavy, actually it's easy when you take into account that the most dangerous place in the Universe right now, the greatest threat to your Well-Being right now, is right here on W-303, and those who are seemingly dedicated to ending your Well-Being via Nuclear Insanity! Understand?

The Truth is that we are living in a steadily disappearing world and we Need Now, All of you Need Now, begin to Prepare and Plan for the New Worlds, The 13, then, need to transform themselves into what Spirit Guides are – Procrustians! And you do this with the “Fingerprint” of your True-Self – your mind, your Consciousness, your “Awareness,” then!

You need to learn, and to understand, and to agree,

that physically, you are waste – mentally you are distorted – and spirit-wise you are ignorant! You do this and then, and only then, can you truly Be something!

You are, right Now, sitting right there, of Divine Consciousness – of it, but you do not manifest it. Why? (I just told you in the statement above.)

It is your spirit self, your true-self, that IS Truly Important and because of it you should be super spiritual, mentally sacred, then, and not mentally scarred. Your mind, your Awareness, then, is an essence of an essence of ONE Mind – an Omniscient Mind. (Yet you hold a distorted state of, and a fallen, altered, lower state of “Consciousness,” then, of a higher state of Consciousness, linked much closer to that Omniscience!)

Is it any wonder that Paul wrote that God's thoughts are not man's thoughts?

Is it any wonder that we have an Agony of Conscience? The Only Guilt for which no evidence is Required – You know and God Knows.

You see, the farther away from the flower, the fainter the fragrance is. The farther away from the Light, the darker it gets, the farther away from the fire, the colder it gets. The farther away from the Soul, the Longer the

Journey back becomes. The more materialistic you become the less Spiritual you are. The more you “want,” the Greater the difficulty of fulfilling your Needs and your Responsibilities become. I hope you are getting the point of all this.

The distance you put between body and soul is not important, not Relevant? (What does this mean?)

The distance you put between the lower mind, your Awareness, then, and the Higher “Minds,” is of the utmost importance, and very Relevant.

The distance you put between the Physical body and the Spiritual Body is not important, not Relevant.

The distance you put between your “Awareness,” your essence of consciousness, that distorted and carnal and wayward and chaotic essence of the Soul or the Spirit of Consciousness which is LIFE and LIFE Perfect and Absolute then, as is your essence of it, Mind, that is, but not your “Awareness” of it nor the SUM of All of your memories, thoughts, ideas, feelings, words, acts, deeds, hopes, experiences, faith and so forth, and your spirit mind, then, is of the utmost importance and most Relevant! Your “mind” is Perfect – it cannot be anything else but Perfect – it is Divine, but your “Awareness” is not Perfect and that's the Problem, your Problem.

Remember now, that when we say “your spirit's mind” we are saying “yours”! You are spirit – the spirit is you – you are the materialization, so to say, of your True-Self, spirit, then. You then, with form and structure made up of mere matter! Without the Essence of the Soul or the Spirit of Consciousness, nothing but an animal. Are you getting the point, the drift of all this?

Animals don't “Think God” – they have a brain but they simply can't Think God! Spirits don't have any brains but they can and always Do “Think God,” LIFE, then! And so can you and I suspect you know the Reason why!

So now listen very carefully. Now I may lose you, now I may even get a little lost myself.

“You” and you are materializations, one Physical-Material and one spiritual. One in the image of The Image of God and the other in the image of that image, materialized! LIFE is Invisible, Incomprehensible, Ineffable, Everywhere but No Where, Everything but No Thing and so on.

Man-woman cannot see God but they can “see” God. Spirits do not see God but they “see” God and they “see” each other but they do not see themselves and they do not see illusions! Only you see illusions and only you follow them.

Only God, LIFE, then, is All seeing, All hearing and All powerful – the Three Omni's, the One Soul, then.

Now we say God is Spirit. But we also say LIGHT, or Christ, is Spirit. Are we, then, talking and thinking that they are alike in Spirit, the same Spirit? Isn't Spirit, Spirit? Jesus said “God is Spirit,” but Jesus wasn't always right any more than any of you are always right! And, I am asking questions that you can't answer but I'm willing to listen to you if you would like to try. Anyone want to try?

O.K. We will get back to all of this in the future – in the meanwhile I would like to give it some thought if that's possible.

So, anyway, as we said you are the materialization of a spirit.

LIFE and LIGHT and Life, then, has created and caused you and You to be what you are, the great mystery of this Earth, and who can solve such an Arcane mystery? Darwin? A Pope? An anthropologist? A psychologist? A philosopher? An atheist? A scientist? A psychic? A prophet? A magician? NO! None of these, in fact, NO Human Being knows why or how he came to be, and worse, they have no proof of who or what they really are or where they came from or how they got here or why, even!

One Thing is certain though - we did not create ourselves and we were not Created ex-nihilo i.e., creation without a Creator, a purpose or a meaning.

So here you and You are. One physical visible body - one spirit invisible spiritual body. Tied together by the Essence of ONE Mind. Your Physical Self is Pure Animal, made up of minerals, elements, chemicals, vegetable, tissues, muscles, organs, flesh, fats, blood, skin, etc., but mostly H₂O and its percentage of your physicalness is about the same as the unused portions of your computer, your brain! Yet, despite this Animal Purity you are not an Animal simply because on this earth you are the only “animal like” Life form that Knows and Knows you Know - you have a mind - no other visible Life form on this Earth has a mind and that is what makes you Unique! The only Invisible Life form on a Plane Level with you and your mind is your spirit and its mind. It is those “minds” that make you divine and not an animal, a vegetable, or a mineral. It is your protection, your immortality, when United.

When you were conceived by your parents, you Received your mind, per Communication #19 of the I, Paul series. When you were birthed, your spirit entered in and you were NOW Whole and Divine and not just another animal or ape. The mind was predestined, then. Wisdom

sent the spirit out to be called back by Soul with the minds United after 72 hours from the moment of the physical body's demise. During the interim of that 72-hour period the spirit, Now a Spirit, is in the Keeping of the Spirit of Death, who, upon hearing the Soul calling, releases You, Your True-Self, to begin your Evolution (Per Communication #1) Upwards to the Fullness of the Light and your participation in the Happening of the ALL in ALL. If the Soul doesn't call back, guess what? You are either Earthbound or somewhere else other than where the Light is!

So, as you can see, hopefully, You are living in a “house” without a permanent foundation (i.e., your physical body).

In the Temporal Now you are a Whole Being composed of Body, Mind, Spirit.

In the Eternal NOW You are also a Whole Being composed of Spirit body and mind! There is a physical body and there is a Spiritual body and that's what “vesturing” is all about - Shedding the old body for that glorious new body wherein you Put On the Light Robe! The Robe where Five Words are written - Zama Zama Ozza Rachama Ozai. (The fourth word begins with an “R” not a “B” - It is “Rachama.”)

All the Power of the Kingdoms are in the Mind of Christ and the Mind of Christ is in All the Kingdoms, All the Realms, then, All the Planes, All the Spheres, All the Angels, All the Spirits, All the spirits in All the Mankinds, and is “The Catalyst that Binds” the Etheric Man-Woman and the Astral Man-Woman and the Planetary Man-Woman and the Vessel Man-Woman together and to the LIGHT and, collectively, all of these to LIFE as ALL in ALL – Mind, Minds, Will, Water, Love, Wind, Earths, Fire, Spirits, Angels – SOUL.

O death where is thy sting?

In most of the above we have been speaking in allegorical terms, employing symbolic terms and metaphors associated with Spiritualism and Esotericism, all to say “God IS – I AM,” which, in turn, is speaking metaphysically, and we shall continue in this vein attempting to keep it all at a low level of “thought expression” for the benefit of “the assessment” of all in this room.

“In the Beginning,” which did not occur here on W-303, and I refer you all to CPM #29 for an explanation, only the Essences of the Soul or the Spirit of Consciousness were predestined and those essences were, Naturally, Eternal, Uncreated, and Uncreatable, yet Highly Creative

and, of course, Immortal!

The LIGHT lit up the East and Wisdom sent them out to settle it. Eventually they migrated to the North as the Light spread and then to the South following the Light and eventually, they came to the West, these Lumerians, the Keepers of the Well, and our Ancestors. Yes, our Citizenship lies elsewhere!

(Now, what does all This tell you?)

(Who would like to answer that?)

1. Yes, there are other intelligent Life Forms living in space along with us.)
2. Yes, there has been inter-earths travel.)
3. Yes, there are means of transportation and we call them Unidentified Flying Objects – they don't fly – they sail!)
4. Yes, they are mankinds, just as we are a “mankind”! They preceded us – if there is to be any name calling they will do it – not us!)
5. Yes, you (or the Seated Ones) will receive a full report on all of this.)

Mark your CPM #29 “The 13 – Its Navigator and Cartographer.”

Then came Spiritual Disobedience fueled by Materialism and our Carnal, “Animal Like” Nature, and the one Life on W-303 that Knows and Knows it Knows, lost its Immortal Nature and Death came to Reign on W-303, and gradually Spiritualism was forgotten and eventually replaced by Religion which is False Spiritualism and a belief in a Counterfeit Spirit! “Self,” which religion calls satan! Evil has only ONE Face and it is Human.

The Message of I Paul has already proven, from the New Testament, that Jesus himself did not hold to a concept of an Evil Spirit! Have you studied this? Do you even know where in the Message this exposé is? Find it and learn it. The day is coming when you will be very glad you did.

Now in light of all I have said to you up to now we can deduce the following: All Physical-Material, Animal, Carnal, Mammal and other life had, and has, a brain and a Central Nervous System and could see, hear, smell, taste and touch, but not all brains had, and still do not have, access to a mind - “that” belongs, here on W-303, exclusively to Vessel Man-Woman. Death, then, fell only upon the Mind-Less. Only the Mind-Full, then, reasoned and manifested what we call Logic.

What do we imply by Logic?

What do we mean by “Logic”?

“Logic” can be viewed as the Systemized Intercommunications between your Brain (computer) and your Sensortizers (Central Nervous System) which, collectively, comprise your Physical body's Attributes, Functionings, then, via Sendings and Receivings, which are tied to your physical senses and health.

Now, at this point, what are you? At this point, in this state of being, can you read? Can you write? Can you solve a simple mathematical problem?

At this point you are an Animal, Beasts even! No, you cannot read, you cannot write, and you cannot solve a simple mathematical problem, you are not even aware that one exists!

With this type of “Logic” such an entity cannot seek the Kingdom of God within. The question here, then, is Why? Is it because such as these were not Created by God but evolved? No, that's not the Reason – in fact such a matter is not even relevant here – who or what caused such to exist is not important here. And, if not, what is important here? What is Relevant here?

Simply put, a matter that truly does matter, and, which, is a very simple matter of mind, Consciousness,

“AWARENESS,” then! Creative Thought and Creative Imagination capabilities, then, and those Attributes and those qualities that are found only in a Wholeness, a Completeness of Soma, Psyche, Pneuma, then. Man-Woman, then, mankinds, then. Not animals, then, not beasts nor mammals, then, but True Sons and Daughters of the Supreme Spirit and heirs to the Kingdom of LIFE with the LIGHT, through whom and for whom and by whom you exist.

Yes, we have all the animal “Logic” of the senses, the brain, the central nervous system, all the attributes which determine our physicalness and its functionings and malfunctionings, but, we humans alone, here, have certain Unique, Exclusive, Qualities and Attributes which determine much more than our animal like “logic” and carnality.

Vessel Man-Woman are not dumb domesticated animals or beasts even when they “ape” them at times. Simply because they know better than the dumb animals doesn't mean that they always act better or smarter. What is most important is that they can, and what is most relevant here, is the Truth that they should, and not waste their (whole) life here and their minds here on foolishnesses, on matters, then, that do not matter!

But the problem of Man-Woman here, you then, is that you cannot leave the Fruit, both the Good and the Bad Fruit, and the Evil Fruit, then, of The Tree of Knowledge of Good and Evil, Alone!

That's your difference from the Animal, the Beast; Mind, and its Knowledge; Your Abundance of it and your distortions and Altering of it, your ignoring of it, then, to satisfy Carnal Wants, and your misuse of it to play at being God. Do you play at being God more than you do at Truly Acting Natural? (Think about this.)

After all, who are the fools who Rationalize and Intellectualize the wrong to be right; the simple to be difficult; the Good to be Evil; the Evil to be Good; the Untrue to be True; and an illusion to be Real, or to follow, or a theory to be the Truth? And the Truth to be a theory?

Aren't you the ones who judge others quickly and often, even though you lack the qualifications and abilities to do so? Aren't you the ones who lack the Courage to Judge yourself first? Yes, you are the ones who criticize others for doing exactly the same things you do - consciously or otherwise!

Aren't you the ones who are so deep in “self” that you are deaf, dumb and blind to it, but have no difficulty in seeing it in others and quick to mind their business while

your own is being rapidly bankrupted and destroying you in the process? Full of Vanity and vain glory and egotistical Pride, laughing and gossiping and backbiting others for being as you are and doing exactly what you do, playing at being God? “After All,” they can't be God, you are!! Not even the Animals do these things and did you know that Darwin's only Degree was one in Theology?

We know from the Message of I Paul that the Truth both Creates and Destroys but to truly “Know It” we must also Understand it, before we can use it, and every single person who has in the past, does now, and will in the future, act and play at being God, instead of Doing the work of God, also create and destroy. They have, they do, and they will tomorrow, create new evils, new distortions of consciousness, in an attempt to change the creation by transforming it back into Chaos. They destroy the good, the right and the true in the minds of all who follow them and their idiotologies and sick philosophies and politics. They attempt to destroy knowledge by continually spouting nonsense and an altered and distorted view of the Way to “The Way,” mixing it with other, lesser ways, and those clearly Not The Way. They “burn books” with their mouth and they destroy human and spirit ideals and eventually, but always, they Destroy themselves. And in this destroying, they have Created something, another

lesson of the folly in following the blind, the talkers, the fools, the pretenders. Their own self-destruction creates a better world to live in, a world without them, a world with one less false God! The mills of God grind slowly but they grind very finely and final! Someday, all of you, are going to learn, and learn well, who it is that has the very last word!

Yes, my dear sisters and brothers we are Unique and our Special Attributes and Qualities hover over and above all other Life Forms on this Earth of ours and even more Unique and Special because some of those very unique attributes and qualities extend into the very depths and heights of infinity and eternity. But the most awesome uniqueness we hold is our Choice to be an Animal or a Beast or Carnal minded or a True Son or a True Daughter of the Supreme Spirit. And if we choose to be a True Son or a True Daughter of the Supreme Spirit, LIFE then, then the very Uniqueness of Uniqueness, its very Ultimate comes shining through to engulf us - we can die to Live! No Animal, no Beast, no other Life Form on this Quaternary, W-303, has that Uniqueness! It is not a matter, then, of mere matter.

The very key to all that does matter is spirit, minds and Transcendence. Transcendence is the Primary Task of the Order of Thirteen, and my task is to seat 13 and get on with all the tasks.

May the day come and soon when the Almighty may again receive Glory in his Own World, and Man-Woman may be seen to have had not only a glorious beginning, but also a glorious meaning and purpose for their life here, and also that the mystery of that Life might become Common Knowledge that they have a glorious destiny and future in store for them in the ages to come, as I have discovered and witnessed – and once again may Unity and Peace and Love through True Spiritual endeavors and Common Sense be Restored to our Earth and that the Family of LIFE and LIGHT of the ALL in ALL and its Thirteen may lead the Way to “The Way.”

We are not here by Accident or by Chance or by something that happened in an Ancient and Primordial Sea, but rather as the Crowning Glory and Achievement of the Creation of a Loving and All Wise Spirit who we know and Love as LIFE.

For though I speak with the tongues of MEN and of Angels, and have NOT Charity, I am become as sounding brass, or a Tinkling Cymbal.

And though I have the gift of prophecy and understand all mysteries, and all knowledge; so that I could remove mountains, and have not love, I am Nothing.

And though I bestow all my goods to feed the poor,

and though I give my body to be sacrificed, and have not love, it profiteth me nothing. Love suffers long and is kind, love envies not, love vaunteth not itself, is not puffed up, does not behave itself unseemly, seeks not her own, is not Easily Provoked, thinks no evils; Rejoices not in iniquity, but rejoices in the Truth, Bears All Things, believes All Things (spiritual), hopes all things, endures All Things.

Love never fails; but whether there be prophecies, they shall fall; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away – for we know in Part, and we Prophecy in Part. But when That which is Perfect is come, then that which is in part shall be done away.

When I was a child, I spoke as a child, I understood as a child, I thought as a child, but when I became a man, I put away childish things. For now, we see through a glass darkly; but then face to face: Now I know in part, but then shall I know even as I am known – for God IS–I AM. And Now Abideth Faith and Hope and Charity, these three, But the Greatest of Them All is Love.

Now we know what Paul finally came to know and we have the Message to prove it.

Now before taking a break let me tell you something that Jesse knows and has passed on to me to give to you,

The 13, 10 Candidates and 3 Seated.

Prior to his crucifixion Jesus addressed his followers and others and made a statement that all those he left behind and who came after him, would do greater things than he had done and while they were doing these things he too would be doing! Preparing a place for Prepared People in the Kingdom of God.

After Jesus gave up his Life for the sake of Love and Truth and humanity he left us all a legacy and the gnawing question of all who would follow him as to what should our sacrifice be in this following. The question was and is what is sacrifice Now? And what is The Legacy must also be answered.

The difference in Sacrifice is that Jesus gave up his physical existence so that you may have a better existence here and he certainly implied that those who would Follow him and Emulate him would Join him in God's Kingdom. So Jesus made it clear that giving up one's life was not The Way to emulate him – was not a sacrifice suitable to Following him – Emulating him then was the Sacrifice called for by Jesus himself in the flesh.

Do you know what he meant? Any of you – do you know? Let me tell you.

You Sacrifice by living for Jesus – living out his life here that he couldn't live out, here. So your sacrifice is a living sacrifice, a Servant-slave to all that Jesus lived and died for, so, if you complete Jesus' life here for him, you really haven't sacrificed anything, it is NO Sacrifice at All!

I'll let you decide what it truly IS!

I Love you – Thank you – Now

Table Fellowship - We will have One - and the Case for it!

In the Readings of “Lesson 13” and “Signs and Symbols” we will take a “5” minute break every half-hour or so. “JA” will be the time keeper.

Now this morning I would like to take a moment about what the Religionists cite as the Devil and what we will call and place into the proper perspective - Mr. Dumb, Mr. Stupidity, and Mr. Ignorant. All pseudo identifications, for we all know that all Evil wears a human face.

Now let us get down to the business at hand - we have a long way to go - so let's Go and Do.

June of "88"

Welcome to this official gathering of the Order of Thirteen of the Family of LIFE and LIGHT of the All in ALL.

Those of you who are serious and concerned with, and about, the Well-Being of man and woman kinds will remain - the rest, if any, will be Ushered out by a Representative of the House of Urbane.

I, Paul, as "the Mystic" of the Family greet you. May you walk in the Light forever. May the LIGHT be your cause and LIFE your Goal.

Now we, all of us here, being Human beings, have certain foolishnesses and certain habits, and certain idiosyncrasies, some of which we - you - carry to extremes - this will end here at this gathering of the Order of Thirteen or you will.

I, Paul, need only point to the Two Presentation Communications to the Order of Thirteen to make my case.

First, though, I would like once again, and for the final time, draw your total Attention to Letter One (1) to the Order of Thirteen.

(Read it.)

Secondly, I would like to give another Demonstration

of Mr. Dumb, Mr. Ignorant, and Mr. Stupidity, to you, and nothing can do it better than The 13 meeting held in Waquoit-Falmouth on June the 12, 1988.

(Play it.)

Now you need to know that I, Paul, am no longer your Spirit Guide, therefore, I believe you should all understand the make-up of the Order and who its Spirit Guide is and what it is you and he are about.

We, you and he are starting a “movement.” Its Command is to “Restore My House.” It is, therefore, a movement of “One-Pointedness” and Lesson 13 to The 13 spells out what “we” mean by this.

Once all of you having at least heard Lesson 13 read to you once, we will take your questions, if any, about this “One-Pointedness.” I can tell you this, though. The Order or its remnant will be in ONE Place! And that Place will Be Close to the Water.

And, once, having heard “Signs and Symbols” which is incomplete but will not remain so much longer, then the Mystic will discern “All” for you. That is, all of you who survive this Gathering!

Now, my dear sisters and brothers, and Partners, you should know exactly what the Order IS. So, I, Paul, give you

this: The Order of Thirteen is the Voice and the Conscience of the Family of LIFE and LIGHT of the All in ALL.

Now having given you this definition, I, Paul, say to you it is a discernible one “IF” that discernment comes from wisdom and is in no way self-seeking! Mr. Dumb; Mr. Stupid; and Mr. Ignorant need not try - we will hold their hand and do it for them. But, when I, Paul, let go, they, and you, are on your own! Keep the Watch.

Now I need to inform you that each of you, “JN,” and “Dh” (senior), have the obligatory right to the title of Reverend, but I, Paul caution All of you to make no more of it than did Jesus and no less of it then did I Paul.

So this I, Paul, lay upon you. You, the members of the Order of Thirteen, besides having the Full Responsibility of becoming Fully Human as well as being Fully Spiritual, per the Message and the Book of the Two Ways, will also be political and openly so - locally and otherwise.

In keeping with this and staying close to your Spirit Guide, “DH,” my, his, your, our Brothers and Partners “TM” and “DL” will be my political spokesmen.

Total involvement then in the Well-Being of All Human beings is the key to being Fully Human and Fully Spiritual in The NOW! Nothing and No Thing is, or will be

accepted as an excuse or a substitute. There are, after all, no Accidents and therefore NO Excuses. Yet, there are People and we will accept mistakes but not as a habit nor a deliberate act and never, never, forever!

The Spirit Guide of This Order, being one of these people, will never again Travel Alone - and this my dear brothers and Sisters goes for all the rest of you.

So, in keeping with This, No member of the Order will ever go Alone in the Task of dispensing the Order's business. You, then, are only as strong as the weakest link in the Chain.

And, speaking of this Chain, Brother "AB," Adrian Braun, has now the Responsibility of keeping it strong - together, then. He will, then, be a Link between the Spirit Guide of the Order and the Practicing Guides of the Order Itself.

So we have Now an Executive Secretary-Treasurer, our brother, Partner, and spirit guide, "T." We have our Editor of Common Sense, our brother, Partner, and spirit guide, "LN." We have our "Historian," our brother, partner, and spirit guide, "JA." We have our "Spokesmen" brothers and partners, as well as spirit guides, "TM" and "DL."

Further, we have our Coordinator of Creativity, our

Sister, Partner, and spirit guide, “BN.”

Always heading upward, to “GD” and “GZ,” our brothers, partners, and spirit guides, I, Paul hand to them, in a joint effort, the Responsibility of Receiving the Message when I, Paul am no longer capable of doing so and giving it into the hands of the Order of Thirteen and to my Sister and Partner “JN” and to my Brother “Dh” (senior). See to it.

Keeping in mind, then, that the Truth will Always, and in All Ways, Will Out, and that none of us can ever go Alone, I, Paul give you my Sister “JN,” and my Brother and Partner “Dh” (senior), who go where I, Paul, goes. In my Absence they represent me as a Symbol of the Path I, Paul, walk. May they both walk it Faithfully. Regardless, my Partnership and my Presence will Always walk with All of you as will your Spirit Guide.

And, staying on line, I give to my brother, partner, and fellow spirit guide my status as “beloved laborer,” to your brother “G.” Not to keep, but to Share, Care, and give it to All of you as well as to maintain and manifest it.

And, Finally, in your Attempts to be Equals, I, Paul, Mystic of the Family of LIFE and LIGHT of the All in ALL, I give to you your sisters in the NOW, who are also partners and spirit guides, Sister “GT,” a sensitive; Sister “DP,” and

Sister “PW,” also the Executive Secretary of the Family, my Knowledge to the whereabouts of the Keys of the Kingdom and from this will come “She,” the Wisdom and the Power who will Represent, Speak then, for the LIGHT.

And I must add, that the Voice of this Order will be its Spirit Guide.

In the Name of LIFE then, the Supreme Spirit, Seek LIGHT.

How then am I to make you All Mystics?

Very Simply, through the magic of the Message of I Paul.

So let me say to you All. I, Paul, am your brother, your friend, your Servant.

I bid you Peace. I, Paul Loves you All regardless of where you stand. I, Paul will never Attempt to Stand in your space.

Please See!

I, Paul, gives to you the Third Day. Please, All of you, then, seek out this LIFE.

Now I Leave you to your devices.

Call me if you need me! I, Paul, am, after all, Present.

Always Present, never available! That is, just, “never available” but always, and in All Ways, Available!

I give to you then, your Spirit Guide and your Executive Secretary-Treasurer - make of them what you will because, if you won't, I, Paul Will. The mystic must, and he Will.

Respect my Advisors. This is the Only Command I will make. This is also the Only Command I, Paul, personally, will enforce.

It seems to me for the past twelve years I have been fulfilling somebody else's tasks and Responsibilities - No more - Absolutely NO More - I will take Full Responsibility for Mine and for the Family - but that's it - I'll pick up the Rest of you Later - much Later than you would expect!

So be it! Get with it!

“DH,” Spirit Guide of the 13 - TAKE OVER!

Your brother and Servant

I, Paul, Mystic.

I Close the Order of Thirteen as of this earthly hour. It is done. IT IS DONE!

I, Paul, bid you Peace.

Father, IT IS done - Unity and Peace and Love.

“JN” and “Dh” (senior) are mine and therefore they must be yours also. See to this. Keep them as you would me. Your Servant, I, Paul. I Bid you Well. I give you unto Stronger hands - enjoy them!

A Gathering of The Order of Thirteen Our theme comes from “J_z” and is “Restore My House”

We, You are starting a “Movement” – A movement of “One-Pointedness” and Lesson Thirteen spells out what we mean by this.

Once all of you having at least heard this Lesson Thirteen we will take your questions about this “One-Pointedness.”

Now you should know what The Order is so I give you this: The Order of Thirteen is the Voice and the Conscience of The Family of LIFE and LIGHT of the ALL in ALL.

Now having given you this definition I say to you it is a discernible one IF that discernment comes from wisdom and is in no way self-seeking.

Now, each of you, has the Right to the title of “Reverend” but I, Paul caution you to make no more of it than did Jesus himself and no less of it then did Paul himself.

So this I lay upon you. You, the members of the Order in addition to being Fully Human and Fully Spiritual, per the Message, will be political and openly so and not just

Locally but Worldly. In keeping with this my, your, brothers and Partners "T" and "TM" will be my spokesmen.

Total Involvement then is the key to being Fully Human and Fully Spiritual in The Now. Nothing and No Thing is to be accepted as a substitute. There are, after all, no Accidents and therefore NO Excuses. Yet, there are people.

The Spirit Guide of The Order being one of these people, will never again travel Alone - unaccompanied, then. He or She, whatever the case may be, must Always be escorted by a Sister or Brother mystic of the Order of Thirteen or a Partner of "The Family" then.

And, in keeping with this, No member of the Order will ever go Alone in the Tasks of dispensing the Order's business for they too must be so accompanied. You, then, are only Strong as a link in the Chain.

And, speaking of this Chain, Brother "AB," Adrian Braun, has now the Responsibility of keeping it strong. He, then, will be a link between the Spirit Guide of the Order and the Practicing Spirit Guides of the Order Itself.

So, we have Now a Secretary-Treasurer, our brother and Partner "DH," we have our editor of Common Sense,

our brother and Partner "LN." We have our Historian "JA," our brother and Partner John Adam. We have our Spokesmen "T" and "TM," brothers Ted Wrobel and Thomas Morris and my Partners as well.

We have our Coordinator of Creativity and the many outlets or facets therein, our Sister and Partner "BN," Betty Newall.

Heading Upward, to "GD" and "GZ," our brothers and Partners I, Paul hand in a Joint Effort the Responsibility of Receiving the Message of I Paul when I, Paul am no longer capable of doing same here.

Keeping in mind then that the Truth Will Always Out and that none of us can ever go Alone I, Paul give you my Sister "JN," Jean Miller, who goes where I go. She is, in my absence, my Image, a Symbol of the Path which I have found and wish to share with her and All of You. She, then, as Well as All of you Represent my Presence and my Partnership wherever I am not.

Again, staying on line, I give to my sister and Partner "JW," Janice Wells, our status as "beloved laborer." {"JW" stepped down immediately prior to this meeting and "G," Gardner Miller was given this position. - pw} Not Only to maintain but to give it to each and every one of you as Equals.

Finally, to my and your dear sisters and Partners
“PW,” Pati Wright, “GT,” Gail Thurman, and “DP,” Donna
Prince, I give my Knowledge to the whereabouts of the
Keys of the Kingdom of God and from this Triune will come
SHE who will speak for the LIGHT.

And I must add that the Voice of this Order will come
from ITS Secretary-Treasurer.

In the Name of LIGHT, then, seek LIFE.

How then am I to make you all mystics? Very Simply,
through “The Magic” of the Message of I Paul.

So let me say to you: I, Paul remain your brother and
partner - I bid you Peace and Love.

Your brother and Servant

I, Paul. SG.

Please See: I, Paul, give to you the Third Day. Let all of
you, then, Search out this Life.

Restore My House

Greetings to All of you who constitute the Family of LIFE and LIGHT of the All in ALL. With All Love for Unity and Peace, I, Paul greet you all for the All, may you stand in the Light of Grace and bask in Abundances. I bid you Peace.

Allow it to be Understood on great authority this: Our Command is "Restore My House." This is an echo from "Assisi." But we cannot Restore the House through Poverty and Pusey. Clearly they are not the Way.

So, the question lingers, How do we Restore the House. Well, first we Need some guidelines and these are my privilege to present to you.

No longer seeing through a glass darkly

1. "The Family" only gathers officially where the Director of W-303 IS.
2. The Order of Thirteen only meets officially where its Spirit Guide IS.
3. Yet, there is One Great Exception to all of this and the reason is simple enough to comprehend - the Master said where two or more gather in my name I am there - therefore Table Fellowship wherever and whenever it occurs for that purpose is an Official Family and/or

Order Gathering.

It is then Imperative that the Director of the Family of LIFE and LIGHT of the All in ALL and the Spirit Guide of the Order of Thirteen live in the same "House"!

It is also imperative to the Family and to the Order that this be so!

As your brother and servant

I bid you Peace.

I, Paulz

Please Note: This was written for the Family and not released. A revised edition was written for the Order and released at the Gathering of June 1988.

January 14th - An Agapé Spiritual Healing #1

To the Spirit Guides of The Order of the Family of LIFE
and LIGHT of the ALL in ALL.

Greetings to One and All.

This communication to you is the heretofore promised one on the subject of “Spiritual Healing” - a Follow-Up on Communication numbered, “1988 - The Year of Continuing Love.” Subtitled, “The Year of Continuing Love and a New Year of Progress dedicated to Reaping the Scattered Strangers and to Healing those in Need of a physician.” Your “Spirit Guide” and I, Paul give this to you of The Order, so that you can give it to the Family, everywhere, and, anywhere and anytime.

We must begin with a Reading of the aforementioned Communication in order to set the table for what it is we are about to disclose.

→ *Please Read “1988”* ←

→ *Now, Please Read the Presentation to the Second Gathering of the Order of “the Family,” held May 24, 1987.* ←

Now having heard these two readings and, hopefully having had your Attention and Assimilation throughout

them, we shall go on with our dissertation on “Spiritual Healing.”

Everyone, it would seem, needs a physician at one time or another. The question here, then is, why? Now that's a very simple question and, being so simple, would seem, on the surface at least, to require only a very simple answer. But I am willing to bet my Life that not one of you gathered here can give it a simple answer and at the same time intelligently state why physicians came about to be very important, necessary then, to most of us on W-303.

You see, there was a time in the history of All “mankinds” that no one needed a physician, in fact, such a “person” did not even exist!

Now we could point out to you that the earliest recorded surgery was performed by Yahweh, putting Adam into a Spiritual Trance, then removing a rib in order to create a help-meet, “Eve,” then. Regardless of the myth involved therein, in that story, it does not make of God “a physician,” it only relates a tale of the first Spiritual Surgery ever performed on this Space Ship, W-303, our Earth!

The question here for us in this tale, in this saga, in this myth, showing up in such an early writing as Genesis, is what was the precedent for it, or was it mere folly, the

imagination running wild, of the Scribe? Or, was it based on some knowledge of such “surgical procedures” that actually took place, “happened,” in the past? Where, then, did such an idea come from? And, pray tell, where did the man from Nazareth get the idea that he was a physician who came out, not for the well, but for the ill?

And these ill, were they the physically ill, or were they the spiritually ill, and what did he actually mean by such a statement, if he actually uttered it? Intriguing? Yes, I think so. I also find it intriguing that the New Testament attributes “two books,” Acts and the Gospel of Luke, to a “physician”!

I, Paul am, of course, painting “a picture” – I sincerely hope you are carefully and attentively watching my application and mixture of colors, as well as the flow of my brush! And in “painting this picture,” I, Paul would be remiss, if I did not refer you to the following Communications from the Message of I Paul, the Book of the Two Ways, and, of course, the Book of Life. These being, then:

- Communication #1 of the I, Paul Series (Read it).
- Communication #13 of the I, Paul Series (Read it).
- Communication #22 of the I, Paul Series (Read it).
- Communication #26 of the I, Paul Series (Read it).

Now, these are not, by far, all of the Communications within the Spirit Message of I Paul that deals with our immediate subject, but these few communiques do give us a broad outline and do lay down some guidelines for our Subject. I could go way back and use some of the information and material given at, or on, those earlier occasions of our Receiving of the Message of I Paul.

One such remembrance, one such reflection, has really never left me. A question was asked, and I quote, “How many of you here know Jesus? Raise your hands. How many of you here heal? How is it that so many of you claim to know Jesus, and so few of you claim to heal? If you know Jesus, you are a healer!”

Now, what do I mean when I say, “If you know Jesus, you are a healer?”

For God's sake, Jesus lived and died a number of hundreds of years ago. How in the hell could you know him? And, if not knowing him, how in hell could you heal? Not only in his name, but in your own!

How, then, do you Emulate someone you do not know, have never met, and truly do not know for sure what he did and did not do?

I, Paul have “emulated” Jesus of Nazareth, in the

sense, I have lived or survived longer than he did as a human being. I, too, have brought to Life a movement, as he did, but mine has actually gone no further than his did at his demise. Does it take a life, a death, to get a movement, a particular movement, off and running? I've been "off and running" for twelve years or so - off to where, I cannot say, running to ward what, I cannot say, whether in the body or not, I am now fully prepared to say! I, Paul knows where he is, and where he has been, and I have a pretty good idea of where I am going and how to get there! And that is, if you can think that highly, the Greatest Healing of All Time, of All Space, of All Eternity, of All Grace, then.

Why Grace? Simply because it is the basis of ALL Healing! It is, in fact, the basis of All Life.

So, I, Paul turn to the great letter, the epistle to the Galatians, and I cite Galatians, Chapter Five, twenty-two and twenty-three, I do so for what is contained therein is what "Spiritual Healing" is all about. And "Spiritual Healing" in one form or another, is what this communication is all about!

So, finally, I, Paul will get with it.

We will use Galatians 5, verses 22 and 23 as the Foundation Stone and the Key to all "Spiritual Healing"!

But what is Spiritual Healing? The removal of Adam's Rib? Hell, you have to be terribly stupid to believe that, but millions upon millions do!

All spiritual healing, in fact, all Healing, begins and ends within the minds. And, please recognize the term used therein - "within"! Why, then, the use of and the importance of, this one "word"? "Seek ye first the Kingdom..." Where is the Kingdom? See?

It, the Kingdom, is most certainly not in the East, not in the North, not in the South, and not in the West. It is not Above you, nor beneath you. It is not to the right of you or to the left of you - that leaves only one place possible: wherever you are there is the Kingdom of God, the Supreme Spirit, LIFE, then!

Now to Understand this, to Embrace this, is, in its own right, a Spiritual Healing, as well as a physical one in regards to the five primary senses. These two types of healing then, complement one another. To employ them, as one, instead of opposites, one must understand them, love them, obey them, and Unite them, for that is, my dear brothers and my dear sisters, the way to All Healing!

You can heal no one - not even yourself, if you do not "Know the Way" and, then even, you can only be a channel for healing, and you must be Prepared to be such a

Channel.

So how do you become such a Channel? You sit down daily to Receive from Spirit - but you do not sit down if you are unprepared. In a state of unpreparedness, you are simply wasting your time, God's time, my time. I've watched some of you attempt this and, believe me, it was pitiful.

The Message of I Paul is all any of you need, not only for your Well Being, but for your never-ending Life! You must have The Courage, The intestinal Fortitude, to stand up and be numbered as a "True Christian Spiritualist," not as an A.A. member, not as a Boy or Girl Scout, not as any "anonymous thing," half in and half out of the human race, and Absolutely Nowhere near into, the spiritual society, or its peace!

Some of you have spent years - year after year, chasing something and at the same time attempting to avoid something. What is this something? Do you know? Do you Really Care?

And to those of you, who believe, and have actually overcome their supposed additions, now that you have won that inner battle, why did you fight that fight in the first place? What in the hell have you done with its victory?

Are you any more Active, any more Constructive, any more Righteously productive NOW, than you were then?

Oh, and I can hear your voice - I'm healthier, I'm eating better, I can Now read two newspapers a day, I can talk on the phone to people, I can talk the Way to “the Way,” I can come and go as I please, I can go, attend, and play the big-shot at places absolutely unconnected with the Way to “the Way,” and there I feel welcomed, they don't question my motives, and I most certainly do not disclose them to them.

Who in the hell do you really believe you are kidding? That mask you have been wearing and, I might add, that you have been burdening us with for quite some time, Now needs to go - either you or the mask is going to go!

Now, my dear Sisters, Brothers, and Partners, I not only mean what I say, but I, the Mystic, in conjunction with the Director of “the Family,” and the Spirit Guide of the Order of “the Family,” will, in no uncertain terms, make this a Reality!

You are either in this Family, or you are in something else - that is, of course, Always, and in All Ways, your Choice - be big enough, and yes, intelligent enough, to make it. Make it then, and then keep it, thereby, once and for all, proving to All that you do have control of your own

mind, good, bad, or indifferent - at least you have acted, you have made a decision! Whether it was correct or not, come to the Mystic for an answer.

Now my dear friends I would like to concentrate on Healing. Not that what I have stated heretofore had nothing to do with it.

Spiritual healing has absolutely nothing to do with religion or religionists. In fact, Faith Healing, truly, factually, has nothing to do with Faith, per se!

Keep in mind now, I, Paul am speaking about spiritual healing - I am not, at the moment, speaking about physical healing. There is a difference!

You must come to an Understanding that there truly exist wide differences between so-called "faith healing" and physical, medicinal healing, and pure, unadulterated spiritual healing. The "healer of faith is hope," but hope, although reassuring, has never truly healed anything or anyone.

The medicinal, physical way, drug way, then, if you please, has swept up many ills, or at least, slowed them down.

Spiritual healing is, in All Truth, the only Truthful healing, for it lasts forever! All other, so-called healings,

are of a temporary duration – so they are not True Healings!

So, you want to be a healer? There is a Way – but you need walk it – not simply talk it, or give it lip service.

I know there are “healers” in this Order. Some, most of you have in the past, put down, even made fun of, and Now, they could get even, but being Real healers, such thoughts, have never entered their minds, and never will. They, God bless them, are way and above you when it comes to those sorts of things.

Taking Grace and the principles in Galatians 5:22-23 we at least know what it takes to become a Spiritual Healer, and taking them all together, we can see how they spell out “Faith, Hope, and Love,” and those who do Share and Care are “healers” simply because they have Faith, they cling to Hope, and they exude Love, and, because of these three attributes they receive “Recognition,” Grace, then, in Abundance.

Now I am sure that all of you hold a belief of one kind or another as just what Spiritual Healing is and means, and just what Physical Healing means and is.

We, your Spirit Guide and your mystic would like to go around the Circle of the Order and hear, listen to these

personally held beliefs. Let's do this in alphabetical order:

We appreciate your contributions to an overall Understanding of Healing, as you see it. That understanding not being, necessarily, “our” viewpoint, or knowledge of the subject.

You see, “we” have in the Message of I Paul, and in the I, Paul Series, a great wealth of information about disease, about disease, and about an ease-of-mind; and, of course, about Spiritual Healing, as well as, Physical Healing, and how they are applicable to the different categories, mentioned.

The call to a physician “to heal thyself,” contains much more meaning than that which appears on the surface of the call. A surgeon, you see, dying of an incurable disease, slowly so, can still perform surgery on another to abet their healing. In do so, he has not only performed a physical healing, but also a Spiritual Healing – one for his patient and one for himself! It is in this example we can come to the Understanding that death is a healing of one kind, and the giving or restoration of Life, even if temporal, is a healing of another kind – but in their Uniting

they are one and the same thing.

Whenever you Share, truly Share, you have performed a Healing of one kind or another.

Whenever you Care, truly Care, you have performed a Healing of one kind or another.

Whenever you Love, truly Love, you have Healed!

Whenever you have performed a good work, you have, in truth, generated a healing of one kind or another. Yes, Good Works, are Healings, even if they are not Faith, personified! Not Hope at its Apex - Even IF you do not Recognize it as Love - If it works, whether you know or realize it or not, It is All three! The Faith, The Hope, The Love, and Yes, The Grace - The very presence of the Supreme Spirit! Can you possibly imagine, or conjure anything up that great? I do not Think So. But I am not doing all of the Thinking.

So, we come to the question that certainly confronts us now - How much do you Really Love the Supreme Spirit? Well, I can answer this for you! You Love the Supreme Spirit only as much as you Love your Neighbor - no more, and no less! And pray tell, how much do you love actually, really, Love your neighbor? A little bit? A whole lot? None at all? or All inclusive? Where do you stand? Where do you

really Stand? For LIFE, or for “self”? For LIGHT, or for darkness, “self,” then.

These are not idle questions. We are not in the business of asking idle questions. And that leads us to a quite serious question: “Where does, and where did, all disease and dis-ease come from?” And this is not an idle question, but it is a loaded one!

Are these maladies the product of “sin,” of a “devil” or a “god”? Are they products of our environment? Our Life style? Our genes, perhaps? Can we place disease, sickness, ills, dis-ease under one common denominator?

I think so - what about you? I think we need a quick review of how religion evolved from Pure Spiritualism. “Spiritualism” began when? “Religio” began when? And, pray tell, what are the differences between them?

The differences and the beginnings are quite simple. The former began with “the Creation” - the latter began when that creation was ignored in favor of man-woman's creativity. This happening, today we cite as our materialistic tendencies.

This communication is by no means ended. It will be a quarterly report, you the Order and my personal associates.

To all of you I, Paul gives his gratitude and Love. To

“DH,” the Director, and to “DH,” the Spirit Guide of the Order of “The Family,” I, Paul give special thanks, both Physical and Spiritual.

To those of you who have undertaken Leadership roles in this Family of ours I give my unrestricted Love and my devotion.

I actually give All my Love and deep devotion to those of you who are True Christian Spiritualists.

In All Love, for Unity, Peace, and Understanding,

I, Paul Remains your brother and servant.

P.S.: I'll see you in April, 1989!

Healing Discourse - April 1989 Spiritual Healing #2

Greetings to One and All. This is the Communication I promised you on healing. Yet I must, in light of Secrets VI also bring to light “Om,” which does, incidentally, have much to do with healing, as does “EL” and “Aum.”

You see, “Aum” and “Om” have been considered by us Westerners as simple mantras. Not so.

In the Secrets of the Minds, we have given a fair explanation of “Aum,” and “Aum Tat Sat.” Here we shall give you a fair insight into “Om” and how they all connect with “EL,” or the Power of LIGHT, which comes from LIFE, and the Wisdom therein which it holds and dispenses, freely so to those who listen and Act.

If you do not listen to Spirit and Act promptly from that hearing you will be wasting your time, and its, in listening to this Communication on Healing.

So, to “Om” - this syllable is, designates, symbolizes, “ALL.” And “ALL” includes healing, both physical and spiritual. “Om” is known then as the Law of Truth and Love, all mystics realize this, whether they be “holy” mystics or Spiritual mystics, it matters not. A mystic, a

True mystic, is just that, you can call him or her “holy” which is simply nothing more than a religious designation and truly holds no Water, for, in Truth, all mystics are Spirituals and in no way religious - they are above such man-manufactured theologies, even though they may associate themselves with such, for purposes of identification or recognition - it has nothing to do with justification - that lies and belongs with each individual mystic or Spirit Guide - you are known by the company you keep - not only here, but there also!

As above stated, this syllable “Om” designates “ALL.” Its interpretation is ALL that has been, that which is, and that which will be. ALL is Om, and only that which is Om, and whatever is beyond “trinal time” is Om and Only Om. Om, then, is the Faith and the True Faith Healer.

In this teaching on healing, “Om,” is taken as a symbol or the Symbol of being Ubiquitous. Yes, to be healed, either Physically or Spiritually, requires, demands even an Open Mentality to such healing. “Om” is not something you play with, entertain perfunctorily, or wish into existence, and especially your existence! It is something for you to consider seriously - it also, you see, stands alone for your Well-Being, for it is Family, Benevolence, Sharing and Caring. “Om,” then, is the Symbol of Supreme Harmony or Harmony without an

Opposite.

Your Spirit Guide and your mystic of “the Family” realize this harmony, sans opposites, for, in truth, we think the same way, even if we do not always Present it in exactly the same way. We are not infallible, but let us not forget, that most victories down through history have been achieved by the narrowest of margins. And that margin has always gone to the Righteous in the long run.

This is what Faith means, the faith that counts for Righteousness, that is. “Om Tat Sat” a long, long time ago meant, “That Never Seen.” Can you See healing? No, but you can Sense and Feel it, oh yes you can, and so can't I. From the very moment we are birthed we begin the process of dying or what we mortals think of, and cite, as death, but which is nothing more than a metamorphosis, and that, we can “see,” can sense, and can feel, and is, in fact, a Healing!

You should by now Understand what Faith Healing is - it is nothing more than a process of Change, Changing, until You are Changed, or better, restored totally to what You were in the First Place! And if you cannot accept the first place, why seek healing and restoration in the second? One is forever, the other is temporal.

Is Faith Healing a hoax? A scam? A figment of fanatical

religionists and the fundamentalists who hold up the bible as being the inerrant word of God Almighty? Let us cite two cases from scripture:

1. Was Jairus' daughter “raised,” “awakened,” or “born again”?

I refer you to Mark 5:35 through 43. The Editoria language of Verse 35 says she is dead. The Logos of Jesus though disputes this claim.

Within these verses Jesus speaks only 21 words while the editorial writer or writers use 173 words.

Now I ask you, after having read these verses, just what is it that the scribes are attempting to prove to us or sell to us? A “born again” happening? A “raising from the dead” happening? A “Second Coming” happening, a “first” in the New Testament, apparently? A “Faith Healing”? Or an “awakening” from sleep or a coma?

If the “damsel” was dead Jesus could not have taken her hand. Why?

Keep in mind that her father was the Ruler of the Synagogue. Are you aware of the Hebrew Rules - very strict rules in fact - when it comes to dealing with the dead?

If she was dead and not simply asleep or in a coma, she

would have been anointed with oils and spices, wrapped in a burial shroud immediately and buried before the sun set. Now you try taking “the hand” of a damsel who has passed over and is totally wrapped in a burial shroud.

2. We travel now to the gospel of John, Chapter Eleven.

This gospel was the last written in and of those that received canonization. Here the scribe or scribes that authored it, had in front of them the synoptic gospels. Here was the great opportunity to make right (that's the nascent church's “right,” not God's or Christ's) all the damage done to the emerging church's theology, etc. What a religious stroke of genius! This giving to the authors of the gospel of John the final word was brilliant. And it was not only antisemitic and pure Gnosticism, it was anti-God! It made a human being God, and God a human being - and the religionists bought it, lock, stock, and barrel. And from there they went on to buy it, bell, book, and candle!

You see, the synoptics made the man from Nazareth, not only the Son of Man, but also the Earthly Messiah. Through later additions and changes, the scribes also relegated him (Jesus) to the status of being the Son of God (which he already was, just as all of us are sons or daughters of God), but the gospel of John went further, much further, and this manufactured upgrading of a

human being, a man transposed into a God is the very basis of religious Christianity. But I am straying from my path, let me get back on course.

In John Eleven we run straight into some very clever construction of language, and a perfect example of scribes putting words into the mouth of a dead person.

I, Paul personally challenges anyone to come up with any verse in the New Testament as ambiguous and out of character as Verse 4, Chapter Eleven, of the gospel of John. Compare it with verse 11, and then verse 14. As clever a writer I may be, I have never woven a web as clever as these verses do. No wonder Chapter 11, verse 35 had to be written – perhaps it was a concession of the author or the authors of the gospel of the dead Jesus for what they were now perpetuating in his name.

Well, I, Paul will never apologize for what I say about Jesus – he doesn't not only need it, he doesn't expect it, nor wants it. He, Jesus, knows, he doesn't need, nor wants our foolishnesses. He loves us, he hopes in all anguish and expectation that we will, can even, reciprocate! And why not. He is with the Father – where are we?

Well, now that you have answered that question to yourself let us get on with this dissertation on the validity and the happenstances of what the religionists call “Faith

Healing,” and science calls fakery.

First off you need a good solid understanding of the meaning of “Faith” as well as the meaning of “Healing.” Then you can put the two words together and see what the term “Faith Healing” means. In these regards the Message of I Paul is available for your scrutiny and illumination.

Now that we have set the stage for our understanding of “Faith Healing” let us place Act One before you.

From a strictly medical, scientific viewpoint then (which is well documented) “Faith Healing” is actually nothing more than a figment of one's imaginative mind, a fantasy, something “psychedelic,” then, but wait, for we need to include in this Act One a possibility, being, that if such a temporary conditional healing can be induced, then there is no logical reason to doubt that it, the healing, cannot be made permanent under the proper conditions and without any fantasy and fanaticism, and, of course, divorced from all fakery, religious or otherwise.

I, Paul personally wishes everyone the Full Measure of Faith, All the Hope possible, all the humor and laughter available, and, of course, ALL the Charity, the Love, then, that you can absorb and dispense.

One aspect of “Faith Healing” which has long been

utilized is what is known, or cited as, “Sensory Stimulation.” In the field of medical science it is usually used in the hope of reviving comatose patients and is cited as “Coma Stimulation.” So “Sensory Stimulation” is used, or can be used, in more than one direction. It can, then, be utilized to stimulate both the physical and the Receptor Senses – the Physical and the Spiritual Senses, then!

So, I, Paul asks you – what does this have to do with “Faith”? Isn't “Healing” a combination of biological and psychological manipulations, rather than a combination of faith and hope? A Spiritual Genius once wrote, and I, Paul quote him thusly: “For now we see through a glass darkly, but then, face to face: NOW I know in part: but then shall I know even as I also am known. And now abideth Faith, Hope, Charity, these three then: but the greatest of these is Charity. Follow after Charity and desire spiritual gifts.”

You see, thousands of millions of people who thought or believed that they had Faith and Hope were totally frustrated and doomed, defeated then, because they did not hold Charity in their hearts, in their minds, nor, in their Actions. Faith and Hope heal No One, permanently; Love and Truth are the Healers, they are Eternal Healing for they are One and the Same Thing. The Only True Healer, the Only One who doesn't want to own you against your will, but who definitely wants you, needs you, Loves you,

cries out to you, and if it is desirous, or expedient, will heal you. But you had better watch your ass, oops, I meant to say your P's and Q's (and Martha's) - come out Lazarus! (And rejoice Mary.)

The Power behind the strength of Sensory Stimulation is, and make no mistake about it, the Power of Suggestion. And the Power of Suggestion is wedded to the memory, a source of Wisdom when properly Recognized and Utilized. Simply ask yourself where the Source of these outstanding phenomena derive from. You may well be phenomenal, but you do not create phenomena, yet, you can exude it. And this, my dear brothers and sisters, is what is meant by being a "Channel" - you put your hand to the plow and make a straight furrow, never looking back, Always looking Upwards and forever Listening.

You see, none of this is a sacrifice - it's simply a matter of what you are willing to subject yourself to in the area of self-discipline. Obedience to a principle, to a philosophy, to a Way, is not spelled S-A-C-R-I-F-I-C-E - it's spelled R-E-C-O-G-N-I-T-I-O-N! And Recognition, in and of itself, is a form of Healing, Spiritual or otherwise. Think on this. In every "healing" that the New Testament touches upon involving Jesus of Nazareth, "Recognition" was tantamount to all healing. How do you Worship God, LIFE, then? Via Recognition? Isn't that in spirit and in

truth? Who or What has a greater healing power than that? you? No, I do not think so. To the victor belongs the toil - and don't ever forget that either! One always acts and speaks badly when one has nothing to say, or do, in a productive manner that enhances the Well-Being of ALL in ALL!

And that Well-Being of All, in the name of the ALL, is what True Spiritual Healing is all about - You are Free to Do Well and then be Well. This can be viewed in one's eye as the crossing of the Great Divide.

So, what is Spiritual Healing? It don't say Physical Healing, do it? Just how God Damned dumb can you be?

Well, don't despair, there is more on the subject to come - just hang in there.

Love and Peace,

Your Servant, I, Paul.
