THE ORDER MATERIAL

Introduction: The Order of Thirteen

If you cannot “make-It” here, you cannot make it anywhere.

As one True Christian Spiritualist said: I, the prisoner and slave of the LIGHT beseech you of The 13 that you walk worthy of the vocation of the wherewith you have been called. With all lowliness and meekness, with long-suffering forbearing one another in love. Endeavoring to keep the Unity of the Spirit in the bond of Peace. There is one body, and ONE SPIRIT, even you are called on One Hope of your calling. ONE LIFE, ONE LIGHT, ONE WAY.

One Spirit and One Creator of All, who is above All, and through All, and in you All for the establishing of the All in All. But unto every one of US, Spirit Guides, is given grace according to the measure of the Gifts of LIGHT. And he gives to you, some leaders, some teachers, some prophets, some receivers, some senders, some discoverers, some travelers, some sailors, and All Spirituals, Mystic Ambassadors servant slaves of the All in All.

All this is given for the perfecting of the family and the edifying of the masses, till they all come in the Unity of the Faith through the Way to “the Way” of the Message of I

Paul.

Therefore, we pray that you be no more children, tossed to and fro and carried about by every wind of doctrine, by the sleight of religious men and cunning craftiness of their leaders whereby they lay in wait to enslave and therefore deceive.

But you, speaking the Truth in love may lead them to grow up in Life for LIFE, even LIGHT.

This I say therefore, and testify in the Spirit, that ye henceforth walk not as others walk in the vanity of their mind, having the understanding darkened being alienated from the Life in LIFE through the fear and ignorance that is in them, because of the blindness of their heart. Who being past feeling have given themselves over to “self” to work all unrighteousness with greediness. But you have not so learned, for you have the mind of Christ and are renewed by the spirit of your mind. And having put on The New Person, which after LIFE is created in righteousness and true divinity. Wherefore putting aside lying, having slayed “self”, speak every one of you Truth to your neighbor, for you are members one of another.

Let him that sponged sponge no more, but let you all labor with your hands for the things that are Good, Right and True, that you may have to give to them that Need and

never satisfy “wants”. Let no corrupt communication proceed out of your mouth, but that which is good to the use of explicating and edifying that it may minister grace unto the hearers. And grieve not and fear not the Spirit of LIFE whereby you of the 13 are sealed unto your day which is Future.

Therefore, let all bitterness, and wrath, and anger, and clamor and evil thoughts and speaking, be put away from you.

And be you kind one to another, tenderhearted, forgiving one another even as LIFE or LIGHT'S sake has forgiven All in All.

Be therefore followers of LIFE as dear sisters and brothers of the LIGHT and walk always in Peace, in Unity, in Wisdom, in Love, in Faith, in Hope, always in the Truth of the LIGHT.

Know that you, the thirteen are:

One for a meeting

Two for a trip

Three for a gathering

Four for a ship

Five for the location

Six for the Way

Seven for the Recognition

Eight for the Day

Nine for the Circumlocution

Ten for the Change

Eleven for the Resolution

Twelve for the Exchange

Thirteen for the Evolution

God Bless you All to Come, Follow Me.

Until then receive me and know the Way to the Way!

In all Love and all Good things

Now and Forever

Your brother

I, Paul. S.G.

Letter #1: The Books I Command

There shall not any one be able to stand before you all the days of your life: As I have been with others, so I will be with you: I will not fail you, I will not forsake you; every place you set your feet, I will stand there with you. Be strong and of a good courage for I will divide among you the wealth of the many mansions. Only be you strong and very courageous, that you may carry out all the edicts of the laws which have been given unto you: turn not from them to the right hand or the left that you may prosper wherever you may go as one of my servants.

These Books given shall not depart out of your mouth: but you shall meditate therein day and night, that you may observe to do all that is written therein: for then you shall make your way prosperous, and then you shall have great success.

Have I not commanded you? Be strong and of a great courage; be not afraid, neither be dismayed for LIFE and LIGHT are with you wherever and whenever you go.

Have I not commanded you? Be of good cheer; have patience, love and be loved. Turn not your back to strangers, rise not in anger to anyone you look upon; Judge not the acts of others; look to your own judgement and act

accordingly.

Have I not commanded you? Punish no one lest you wish to be the victim of your own punishment: gossip not, whisper none; stay out of the shadows.

Have I not commanded you to love Yourself? Is that not All then? Love and do as you will; and will the Will that Wills above all wills and insure not only your own Well-Being but, Yea, the Well-Being of All in All.

Have I not commanded you to be 13? The Ordinances then in reverse? Yea, and fulfill them in that order.

Have I not commanded you to mind your own Mind? Yea, and leave the Mind of your neighbor to your neighbor and to his Mind: share your Mind with others Always and in All Ways, seek not compensation; compensation will seek you out.

Have I not commanded you to Care? Yea, and is that not the entirety of Mankind, the entire Race then? Of course, they go hand in glove, just as he with ears hears well the call to Share.

Have I not commanded you to dare? Dare go where others fear; dare do what others fear to do; dare say what others fear to utter; dare seek what others fear to find; Yea, Dare, Care, Share, Bear, Prepare, Declare and, Come You,

one with another.

Have I commanded you to change another? Nay. Have I commanded you to correct another? Nay. See you to your own change, and to your own correctness. And then shall I command you so.

Have I commanded you to take command? Nay. Then how is it you take command? Take heed and much caution; command yourself first, then shall I give the command to command.

Have I commanded you to sit? Nay. Stand then until you are Recognized; and if Recognized, then shall I command you to sit, you who go to the Well.

Have I commanded you to bring a guest to The 13? Nay. Why then do you bring a guest? Away, I know it not. But you may stay; I wish to know you Well.

Have I not commanded you to Obey? Yea. Then Obey then or go away.

Now I command you Do these Things; you do them Now and we shall go On.

Peace. I, Paul. S.G.

Letter #4: “What Twenty-Six Eyes Should See”

And I saw when the Spirit opened one of the seals, and I heard as it were the thunder of silence with its voice saying, Come and See.

And I saw, and beheld a white horse and he that sat on him had a bow; and a Crown was given unto him to conquer by, and he went forth conquering.

And I saw when the Spirit opened a second seal, and I heard as it were the Silent Silence saying Come and See. And I saw and beheld another horse Fiery Red and a Power was given unto him that sat thereon to take peace from the Earths, so that they should war one upon another; and there was given unto him a great two-edged sword.

And I saw when the Spirit opened a third seal, and I heard the deafening sound of one hand clapping echoing the command of Come and See.

And I beheld, and there came into view a black horse and he that sat on him had a pair of balances, one in each hand.

And I heard then a voice speak unto he upon the black horse saying: A measure of Faith for a taker, and three measures for a giver: And see that none harm the Oil and

the Wine.

And I saw the Spirit open a fourth seal, and he turned and said unto me, Come and See.

And I looked, and behold there came out a pale horse. And the voice said unto me his name is Life, and he that sits upon him, his name is Death, and Hades rides with him; and the Crown and the Power and the Justice ride after them; to the Fourth Earth.

And then the voice said unto me, blessed are those who see and hear these things, and keep those things which are written in the Book of Life, and in the Book of the Two Ways: For the time is at hand: Glory to them, the First begotten from the dead. They ride a White Horse.

Now my dear brothers and sisters and Partners of The 13, I, as your teacher, would like you to discern this for me. To assist you I give you the following meaning of it. Your task is to discover how I arrived at its meaning. Here is the meaning: The East will join the North and together they will sail to the South and all of them collectively will traverse to the West and one New World will then be established in that location of the Cosmos for the humankinds and it, the New World will be declared the Heaven of Life, the Gateway to, and for, the Kingdom of LIFE and LIGHT of the Collective ALL in ALL.

The 13 – Letter #4

Good hunting!

In All Love for Unity and Peace

Letter #5

Greetings to you my dear Sisters and Brothers, you of The 13.

In our Attempts to establish a Seated Order of Thirteen, we have called two official, authorized, then, meetings of The 13, where I offered two Presentations through which an outline was given as to what we expected from you, the candidates of the Order. From these two presentations, followed by a series of Letters and Lessons, it should have been obvious to one and all that what was being required of you was a quality of Supererogation. Let us now review this.

We ask dedication and devotion to the teachings and directives and carelessness is everywhere.

We ask for self-discipline and self-indulgence is everywhere.

We ask for “Faith” and disputation is everywhere.

We ask Obedience to the Mind of Christ, the Slayer of “self,” and we find indifference everywhere.

We ask for fruitful Creative Outlets and find mostly barren ones.

We ask for a renewing, a change upwards, of your own ways and thoughts and we see and hear everywhere but rationalizations of the old.

We demanded that Order and Obedience be your first priorities and everywhere disorder prevails and makes any comment about Obedience irrelevant.

We demanded an end to any and all animosity and likes and dislikes among you, between you. Yet gossip and back-biting and inane complaints continue within the Order and prevent the Order from manifesting any Real Progress.

We ask for togetherness and we are plagued by separation. Furthermore 24 eyes or less cannot see what 26 eyes can “see” and “hear.”

We demanded that Christ Come First in your life and we find “self” ruling the roost and its toll is now four.

We asked that you place yourself last in the Order for the sake of Equality and we see those vying to be First.

We ask for fruitful hearts and minds, for a renewal of your minds, and everywhere we find the same old hearts and minds doing the same old, tired, unfruitful things.

We could go on and on but why? You know what has

been asked and demanded of you. Now we will simply wait for your compliance and change. In the meantime, I will continue to amass the information that is necessary for the Order of Thirteen to function and hold it until such a time you are ready to receive it. It may very well be that we have given you too much, too fast, already. Or, perhaps, we need to set timetables for everything – it seemed to work well with the paper on Freedom – close, but well.

You see, you need to establish a totally Altruistic Order of Thirteen and once having achieved that task, The 13 needs to turn its attention to establishing the same in The Family of LIFE and LIGHT of the All in ALL here on W-303, and that is done only by and through your Full Effort, Enthusiasm, Example, and your Supererogation in All Things for such Altruism is the Will of God – the Well-Being of All in All.

Obviously, you of The 13, cannot begin to manifest this until you “see” clearly that Order means Order, Obedience means Obedience, Change means Change, Compliance means Compliance, Self-Discipline means Self-Discipline, and slaying “self” really means slaying “self”!

Take a good, long, clear look at your ways, your thoughts, your words, your acts and your deeds and see if there is any real difference about them since the Order of

Thirteen came into existence. Are you still doing business as usual? Just what, if anything, are you doing better, differently? Is your Creative Outlet really creative? Do you still harbor likes and dislikes? Do you gossip? Do you back-bite? Are you still Full of Excuses? Are you still rationalizing your ways and thoughts to justify them in your mind? Are you still wasting time with matters that do not matter?

It is now past four months since The 13 first met - are all the assigned tasks completed? Weigh your answer against Order and Obedience and see if the scales balance out or not.

Do you All have a List of the Requirements, the Responsibilities, the Rules, the Directives, and so forth, so that you can review them on a daily basis? If not, why not? If I was to ask you, anyone of you, to tell me what these matters are that Do Matter, could you tell me?

Now some of you may very well be doing the very best you can from your perspective but I would caution you to look again, take inventory, and then begin exerting the Full, the Honest, and Sincere Effort called for.

Keep in mind that the Order of Thirteen is an Order of Equals and therefore the Order is akin to a chain and can never be stronger than its weakest link. You all either pull

together and work together or you will go nowhere together. And quitting is not the answer nor The Way. After all, you did ask to join the Order, the Order did not join you. Now really Join!

My advice is that you all Begin to get with it and display your inherent potentials.

Begin now and in any way possible to really work and pull together in order to be Seated Together.

Your brother in patience and love

I, Paul. S.G.

Obviously, I have held this Letter in abeyance for a number of days. I did so in the Hope it would not be necessary for me to release it all. But in view of “T’s” “discovery” during his indoctrination session with “TM” on 8/25/87 I rethought my position.

In releasing the Letter now, I have high hopes that now that you are back to full strength you will All begin to “Act Natural” together and get the Order seated and fully operating as soon as possible. (I, Paul. 8/31/87)

Letter #6: Ezekiel - “The Truth is in the Bible...”

In the Old Testament in the Book of Ezekiel there is a very much misunderstood passage which in fact concerns a “human god.” Ezekiel apparently had access to sources of information that no other writer of biblical scripture had, or possibly ever even knew about. His statements clearly suggest that a profound re-evaluation of the whole bible is necessary for those who seek the Truth.

Ezekiel speaks of the king of Tyre, the great Phoenician city and addresses him as a god, in the following terms: “the word of the Lord came again unto me, saying, Son of Man say unto the prince of Tyre, thus saith the Lord God: Because thine heart is lifted up, and thou hast said, I am a god, I sit in the seat of God, in the midst of the seas; yet thou art a man and not God, thou thine set thine heart as the heart of God.”

“Behold thou are wiser than Daniel; there is no secret that they can hide from thee. With thy Wisdom and with thine Understanding thou hast gotten the Riches, and hast gotten gold and silver unto thy treasures. By thy great Wisdom and by thy traffic thou hast increased thy Riches, and thine heart is lifted up because of thy Riches.” (28:1-5)

Ezekiel recognizes the claim of the Phoenician king to

be a god, but rebukes him for venturing to rank himself with the God of Israel. He nevertheless places him on a pedestal of knowledge far above other men, even Daniel. He therefore regards him as something above ordinary Humanity. He goes further still, and makes other statements concerning him that have a vital bearing upon the historical and mythical problems of the bible and the Old Testament in particular.

“Moreover, the word of the Lord came unto me, saying: Son of Man, take up a lamentation upon the king of Tyre, and say unto him, thus saith the Lord God, thou sealest up the man, full of Wisdom and Perfect in beauty. Thou hast been in Eden the Garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. Thou art the anointed cherub that coverth; and I have set thee so; thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.” (28:11-14)

These remarkable verses reveal once more the high estimation, exalted even, that Ezekiel held for the king of Tyre. He was a Superman (another Melchizedek, King of Salem, another such was Jesus, King of the Jews) almost

the God he claimed himself to be. But still more remarkable things are said about him. He was in the Garden of Eden, a place filled with precious stones, just as was the Garden of Genesis. More remarkable still, the King of Tyre was expelled from this Eden, just as were Adam and Eve.

Ezekiel says: “thou were Perfect in thy ways from the day thou wast created, till iniquity was found in thee. By the multitude of thy merchandise thy have filled the midst of thee with violence, and thou hast sinned; therefore, I will cast thee as profane out of the mountain of God: And I will Destroy thee, O covering cherub, from the midst of the stones of Fire.” (28:15-16)

You see, this King of Tyre raises very important questions, as well as very potent and important questions for Judaism and Religious Christianity, and not just questions, but very large and very important Problems.

His connection with the Garden of Eden and his expulsion therefrom, makes it imperative to determine the nature of the similarity between him and Adam, as well as his relationship to the God of the Old and the New Testament. The real meaning of the Fall of Man has never been clearly defined nor elucidated by either Judaism or Christianity. Some of these religionists avoid these verses in Ezekiel refusing to even think that it has any historical

truth whatsoever or gives any weight to the ancient legend of the destruction of mankind, as it suggests. It is not an allegory, these verses in Ezekiel, as the biblical students and theologians claim.

The narrative of Ezekiel has an atmosphere that is strange to the religionists and it will not become familiar nor intelligible to them until we place the Message of I Paul before them and clear up the divinity of mankind which Ezekiel is saying in its symbolic terms.

The Message explains why the King of Tyre claimed to be a god, why he lived in a paradise, why he was “expelled.” Only then will the ignorant Religionists of the World become Spiritually Knowledgeable, full of Wisdom, Understanding, Intelligence and Love, for these Qualities are the Truth, and then will come to fully realize what was meant, and is meant, by a human's claim of being divine.

What they fail to consider is that a change of meaning gradually acquired over a long period of time finally is accepted as the Truth instead of the Actual and original meaning written in spiritual-esoterical terms and which is “The” Truth. A case in point is the very word “god.” Christian Religious communities, brought up to believe in a God, about whom generations have thought long and earnestly, can only with great difficulty disengage

themselves from the web of theology and magic that entangles them and force themselves to look at the symbolism and esoterica that is the True meaning of much of their bibles. It is extremely hard to get back to the original mode of thought of the Ancient Spiritualists from whom the later “Religionists” stole their ideas and their theologies from which they created their earthly systems of Religion (Religio?). It seems ridiculous to them for a man to have said, or say now, that he is divine, but at the same time they fail to consider that they made a man God and worse, his mother, as the God's mother. Apparently, that is not as absurd as Ezekiel calling a man, a king, divine.

The truth of the existence of earthly “gods” clearly demands that all men and women must adjust their warped thinking concerning the godhead, their silly notions about it, that is, and approach their problem with it and the world-wide problem of determining its true meaning with minds divested of All their Preconceived ideas. Ideas have consequences and it's due time the Religionists come to realize this Truth that both Creates and Destroys.

To you, the Order of Thirteen, of the Family of LIFE and LIGHT of the All in ALL, is to know the Truth that will set you and your Earth Free so that it may begin its Journey to becoming the Monad of the New Worlds.

As your Spirit Guide, and as you, a Vessel, it is my task, and he and she who will Follow after me as Spirit Guides, their task also, to see to it that the Truth in All its totality is laid before you for your consumption and richness.

I, and those to follow, will speak about our and your divinity and the powers, and energies, forces and spiritual Wisdom, Knowledge, Understanding, Intelligence and Love that lie within and which you will draw out and utilize to their fullest expression possible here on W-303. Keep that letter, “W,” in your mind at all times and keep that number, “303,” in your mind at all times. They have far greater significance than you are aware of. Their meaning, over the course of our discussions, will gradually be unfolded to you as your levels of Consciousness rise.

Ezekiel, which is a misnomer, was the scribe of The Order of Five and was known for his “clear seeing,” a term indicative that he had mastered and held the Powers of “The Inner Eye.”

Letter #7

Greetings to you my dear fellow Spirit Guides, you of The 13.

It is imperative that all of you understand quite clearly that I, Paul am your link to the Secrets of the Minds that cover everything involved with Spirituality and man-woman's contact with the Cosmos and with the Spirits as well as the better and more abundant life here as well as in the hereafter.

I do not expect to live forever here. I am racing against time here as we understand it. It is your obligation to see to it that I survive long enough to complete the Message to the Family and to complete all correspondence necessary for The 13 to complete its task successfully without me around to lead you.

The Family and especially the Order of Thirteen have the responsibility to see that I continue to Receive and record and compose the necessary documents that will ensure your success as Practicing Spirit Guides.

This will compel some hardships upon all of you. I need your unwavering support - mentally, physically, spiritually and financially. I need to be assured that I have no material needs left wanting to hinder my work in any

way, shape, or manner.

I ask only that my needs be taken care of. Whether they are or not I will continue to Do my assigned tasks as long as I have a place to carry them out.

Frankly, and I do not want this bandied about, I have a set income of \$858.00 a month. I pay \$500.00 a month rent. That leaves me with \$358.00 a month for food, medicine, paper, pens, toiletries, clothes, cigarettes, etc. Not much, but I'm trying to stay within these boundaries. I also fully recognize that all of you also have to struggle to make ends meet. Yet I find it necessary to call upon you to assist me in any way you can possibly do so. Increasing the membership would help some and I know there are thousands out there looking for what we have but they don't know we have it!

If you are all sincere in your Creative Outlets, we would be increasing our membership every month. You, as The 13, should also be exhorting all Family members to work towards the same goals. Creative Outlets are the responsibility of all Family members and not just The 13.

I never thought I would ever need to write such a letter but here you have it. I do not ask you to do the impossible or to make sacrifices for me – God forbid. Do what you can if you can and let the Law of Reciprocity shine on you.

I love you All very much and I will do
my very best for you All - regardless.

Your brother,

I, Paul. S.G.

Letter #8

Greetings to you my dear Sisters, Brothers, and Partners, you of the Seated Order of Thirteen.

I write you this Letter to impress upon you All that you are brothers and sisters and partners within the Order and without. Equals in all Things and in all the matters that Do Matter. To love, to trust, to respect, to share, to care, in any and all things and matters that affect one or two or All. Be Present and be Useful to one another. Likes and dislikes, discord and contentions among you are forbidden – if you have such, get rid of them NOW! Or we will reduce the Order to those who “Do See” and “Do Hear” what I, Paul says and, now, more than ever before, means. The manifestation of the Spirit is given to each of you to profit withal, and what is given to One by the Spirit is given and intended for All. Sharing and Caring is therefore a must! Use me, if you must, as an example, although I would prefer that you could look and see the Example in each other!

Follow after Charity, after Agapé, and constantly desire Spiritual Gifts, but with such desire, labor also after such gifts. Let all things be Done unto the edification of one another, then. Let all things be done Decently and in Order, then!

By the grace of Spirit, I am what I am and I strive diligently not to shame that grace, so I labor more abundantly and I have spiritual gifts more abundantly. And I, Paul, expect that the same will befall all of you - “IF “!

Turn that “IF” into Reality - simply Follow those things I give unto you as the Order of Thirteen.

My dearest brothers, sisters, my spirit Partners and fellow Spirit Guides, our hope of you is steadfast and our rejoicing is this, the testimony of our Conscience, that in simplicity and in spiritual sincerity, and not with fleshly wisdom, but by the Power of the Mind of Christ, we have had our conversation in this world, and more abundantly to you-ward, for we write none other things than what we are instructed for your edification, and I trust you will be edified. All things I do for your sakes, and, for which cause, we faint not. Therefore, we labor, that whether present with you or absent in the flesh, we are always with you and teaching you and comforting you, and watching over you in the spirit. Yet we do not commend ourselves unto you, but give you occasion to glory on behalf of all of us, we Spirit Guides, a breed apart, that you may have somewhat to answer them which glory in appearance and not in heart.

We, then, as Laborers together with spirit, are Ambassadors for Christ. Let us, all together, prove this

Ambassadorship to One and All, here, there, everywhere.
Keeping in touch is now more crucial than ever – Do it!

I, Paul, wish you all the very best and all my love every day for the rest of your eternal life. I also thank you forever for your support and your much needed love and labors. And I Thank Christ who has enabled me to do the tasks I do without complaint. For whether we be besides ourself, it is to LIFE and LIGHT; for whether we be sober or otherwise, it is always for your cause, your enlightenment, and my education. For the Love of Christ leads us, so that they which live should learn not to live unto themselves only, but for All and the Happening of the All in All.

Be happy, be healed, be Spiritual, be Human, and above all be Christed and Christined!

In All Love for Unity, Peace and Membership – Familyship
wise,

Your Brother and Partner

I, Paul. S.G.

Letter #9

Greetings to you my dear brothers, sisters, and fellow Spirit Guides, you of The 13.

In the future I want all Thirteen meetings of the Four up here and the Nine down there taped and sent directly to me A.S.A.P. This will eliminate the need of keeping and taking written minutes.

As I “read” between the lines of the current minutes I quickly “see” that I am not getting all I should be getting.

Once these tapes are turned on, I do not want them turned off until the meeting is officially over. No editing is permissible.

Furthermore, I want all of you to “go back” to the Presentations and learn them and put into practice all they require of you. Until this is done, and done Correctly, you are to suspend all other projects and orders of business.

Divisions, heated put-downs, arguments, airs of superiority, foul language and so forth, are out of these gatherings, Period. Dissensions of any kind are simply not going to be tolerated. Grow UP!

I do not want precious time wasted over matters that do not matter – likes and dislikes must go or you go!

Sound, unheated, respectful debate over differences within The Order of 13 Letters, Lessons, etc. are all you should be discussing and debating over for the single purpose of becoming one-minded on these matters that do matter. Start Acting Natural!

You are all Seated Spirit Guides but I fail to see All as Practicing Spirit Guides.

Get with it - NOW!

For Unity and Peace - your brother,

I, Paul. S.G.

Letter #10

Greetings to you my dear brothers and sisters, you of the 13. The Order is for Life.

The Order of Thirteen is exactly that, an Order of Thirteen, not ten or eleven or twelve, but thirteen, and, Thirteen Equals to be exact, working and Thinking together, always.

It ought to be apparent that to be equals requires a lot more effort on a collective basis than is currently being exerted.

The Order that works, plays and socializes together, stays Together. Keeping in touch with each other is paramount to staying together as an Order. Sharing with each other All Things in Common is paramount to staying together as an Order. Caring supremely for one another is paramount to staying together forever.

We could go on and on but, hopefully, you get the message.

Most of you are still “doing business as usual.” You really haven't changed and you probably have no real intentions of doing so - you're just going through the motions.

Obviously, the Order of Thirteen is going nowhere as eight or five or twelve or as pretenders and procrastinators.

Obviously, you have not as yet truly understood what it is that is required of you - the Order and All of its Principles and Directives Come First in your life - the question is - Do They? And if not, why not? And if not now, when?

We are patient - we can wait. When you decide to be an Order of Thirteen, we will then see to it that you Are! Now and then!

Love,

I, Paul. S.G.
