Your Instincts

Greetings to you my dear brothers and sisters of The Order. I, Paul SG. has asked us to consider the following:

Lesson #7 entitled “Lucid Dreaming I” contains the following excerpt:

“I want you to pay attention to your instincts and to learn how to deal with them. I want you [each] to keep a record of them and what you did about and with them. I also want you to very seriously and carefully apply common sense in regards to them, whether you should pursue them or leave them alone, treating each instinct according to what your common-sense dictates to you. We will review your records periodically as well as your Dream Records, all for a very good purpose of which you will become aware.”

This early notice gives us 35+ days to “pay attention to our instincts.”

I'm pretty sure that most of us will have had some

The 13

“instincts” in that period of time.

The Message has clearly spelled these out to you so I now give you an assignment, one to enlighten you, not to burden you, Collectively find, put together, discern then, what the Message means by "Freedom!" Greetings to you my dear sisters and brothers and partners, you of The 13.

I received your Paper on Freedom last evening, June 30, 1987 at nine forty-five.

My initial perusal of your collective effort left me quite happy and proved to me that you can work together as a group and that you do have some great measure of Understanding as regards Freedom per The Message. Now if you can All implement same in your lives in a viable and visible manner, I foresee no problems ahead in having, finally, a Seated Thirteen.

I am going to set up a few sessions here on the Cape soon to go over your Paper on Freedom with "GD," JN," and "G" and to introduce them to what I have assembled on the subject for their further enlightenment. I will then return to Virginia Beach to do the same there.

I will also spend some time here on Lucid Dreams and Secrets of The Minds in order to answer any questions the three here may have on the subjects and, of course, I will cover the same ground in Virginia Beach upon my return which should be somewhere around the first of August.

Greetings to you my dear Sisters and Brothers and Partner Spirit Guides, you of The Order of Thirteen.

It has been sometime since The Order of Thirteen has gathered as an Order. I have not called a meeting, nor will I, until All Thirteen have done and are constantly and faithfully doing the following:

1. Have established a fruitful Creative Outlet.
2. Support the Family, the Order, and the Spirit Guide of The 13 one hundred percent in all ways (this is per Jesse, not I, Paul).
3. Keep in touch with one another on a regular basis - not just with your Partners.
4. Attend all Official Family Gatherings when physically possible (not ill or working then at your employment).
5. You show me that you are Prepared for a meeting.

This may sound like a lot but it really isn't. Most of it is physical work such as writing letters, reading books, making phone calls, increasing the membership of the Family, attending meetings and supporting the Family, the Order, and its Spirit Guide!

In all love with much hope for Progress in all Areas for the very Well-Being of the Order of Thirteen.

I remain, your brother

I, Paul. SG

PS: If you all do not have copies of “Awareness” and “Resurrection,” get them.

DIRECTIVE

September 1988

To The Director of the Family of LIFE and LIGHT of the All in ALL, and the Spirit Guide of The Order of Thirteen.

Greetings! My dear Brother and Partner, DH.

The Order of Thirteen no longer exists. A New Order must now be established, an “Order of Fourteen” that will do those things the Order of Thirteen would not do. In your day and age there will be no other Orders.

The following will Choose and therefore be responsible for the New Order. In alphabetical order, these designators are: BN, DH, DL, GT, JA. Only DH, of this group, cannot be a member of the New Order - he is its Spirit Guide.

My beloved laborer, I, Paul, is its Mystic.

My dear beloved laborer DH, see to these tasks - Prepare, Follow, Come. We Trust in you as does our Brother I, Paul. See to it!

In All Love and Peace,

Your brother, Jesse

(through my brother I, Paul.)

DIRECTIVE

To: The Order in the Family of LIFE and LIGHT of the ALL
in ALL

From: The Spirit Guide of the Order - DH

Greetings!

My dear Sisters and Brothers and Partners, you of the New Order. A New Order is now established and shall be known simply as The Order. There will be no other Orders in my day and Age. Jesse selected five individuals to Choose and therefore be Responsible for the New Order. The designators have chosen the following to constitute The Order:

“DL” - Executive Secretary-Treasurer of The Order - P.S.G.

“JA” - Historian of The Order - P.S.G.

“BN” - Practicing Spirit Guide of The Order - Unity

“GT” - Practicing Spirit Guide of The Order - Sensitive

“TM” - Practicing Spirit Guide of The Order - Research

“LN” - Practicing Spirit Guide of The Order - Common Sense

“GZ” - Practicing Spirit Guide of The Order - Communications

“GD” - Practicing Spirit Guide of The Order - Peace

“PW” - Practicing Spirit Guide of The Order - Coordinator

“JN” – Practicing Spirit Guide of The Order – Fellowship

“MP” – Practicing Spirit Guide of The Order – Faith

The Tasks have been designated to each by the Spirit Guide of The Order for the fulfillment of the Purpose of The Order in this Day and Age. I, Paul is The Order's Mystic as well as the Mystic of the Message of I, Paul. He still maintains his Associate Advisors with the exception of the ones that were taken into The Order.

Now that this Order has been established The Designators' task has been completed. Therefore, The Order's Spirit Guide will be the only one who will be adding to or subtracting from This Order's Membership and he along with the Members of The Order will therefore be Responsible for its Membership. This Order will come of Age and discipline itself.

The Executive Secretary-Treasurer of The Order, “DL,” is the Voice of The Order – The Order will achieve One-Pointedness through his leadership. The Key to the success of This Order will be in how well they can follow their Executive Secretary and their Spirit Guide. Love, Loyalty and Trust, collectively are the most cohesive force imaginable and necessary for the success of the tremendous Tasks ahead. See the Wisdom here and make up your Mind, once and for all, to participate in that Force

for the Well-Being of All of Man and Womankinds.

The Order should not meet unless it is “The Order” that meets. The sooner The Order gets assembled into one place, physically and Mentally, the sooner we can release you to some very important tasks that have been crying out for accomplishment for a very long time.

I have Great Faith that this will come to pass in my Day and Age.

In All Love and Peace - Your Brother, “DH”

The Order

MEMO

To: “DH,” the Director of the Family of LIFE and LIGHT,
and the Spirit Guide of the August Order of the Family.

From: Your humble Servant, brother, and Partner, the
Mystic of the Family, I, Paul, actually the Mystic of
The Message.

Salutations, Love, Unity, Peace.

Looking over your designations of The Order I see your
Wisdom and I also see your hesitation.

Allow me, to work with you in Unity, to suggest to you
the following, to act in Peace and in Love, for All of our
Brothers, Sisters, and Partners.

Brother “DL” as Secretary-Treasurer, should also be
your monitor and ought to be monitored with the Order’s
Sensitive, Sister and Partner, “GT.” It’s no secret that both
of them are “Sensitives.”

Their responsibility to the Family is, of course, to
make everyone a “Sensitive,” and we know they cannot
“make” anyone anything - they can only give direction -
they can only relate their own “happenings” and instruct
from them.

These two, dear brother and Partner, should be a

team, Sharing and Caring for our Family on an equal basis.

Now what, specifically, should be their everyday duties?

They should first keep in touch with all the members of the Order. They should see to the Well-Being of The Order. They should keep a Ledger of the Order's business. They should Keep the Watch for one and all in need, and bring it to the Attention of ALL for alleviation.

The Secretary-Treasurer's task is to collect the monthly stipend which supports the Order, its business. As a team, "DL" and "GT" should be acutely responsible if all the dialogue of all Official Order Meetings and to keep the Family alerted to what The Order is doing, and what it is all about. What the Order has, so too, must the Family, but this releasing of information must, of course, be approved by the Spirit Guide of the Order. These two sensitives have the Well-Being of the Order in their hands.

DL's tasks include keeping an accurate set of books - GT's task also includes making sure everyone Supports the Order monthly and that each and everyone keeps in touch, without fail, weekly or more frequently if that be their bent.

"DL" and "GT," as Sensitives, then, have the Responsibility of the overall Well-Being of The order as

their express Responsibility in conjunction with the Spirit Guide of the Order.

“PW” as Coordinator, and “JA” as Archivist form our second team. They are responsible for all of the communications given to The Order and their dissemination to the Order’s members (Including all memos, notes, letters, tapes, etc.) And to all of the Mystic’s Advisors. They are responsible also to maintain and safely keep all of the Mystic’s communications (the originals included) and all of the Order’s Spirit Guide’s communications to the Order. This team of “PW” and “JA” must work hand-in-hand with “DH,” the Order’s Spirit Guide.

Our next team, consisting of “MP” and “JN,” have the Responsibility of maintaining the Fellowship of The Family and The Faith of That Fellowship. As protectors of the Faith of the Family of LIFE and LIGHT of the All in ALL they need exude it, practice it, and teach it, for in that Way they will ensure the Order’s Sister and Brotherhood, its Fellowship then. Faith and Fellowship are “action” words and the very foundations of the All in All, the Four Square of Trust, the gateway to Unity and Peace.

Your “JN” and “MP” are then the “Monitors” of the Order under the auspices of the Order’s Spirit Guide,

Brother and Partner, “DH.” And as monitors you need to work closely with the Mystic’s monitor and Advisor, “Dh.” Keeping the Faith and solidifying the Fellowship is, then, your Collective task. You also have the Responsibility of the Family’s Table Fellowships, held monthly.

Our next team of “LN” and “GZ” are our “Common Sense” editor and our communications guide, actually a co-editor of “Common Sense.” This team is the Family’s propagandists – our very own “Congregatiode Propaganda Fide” [Congregation for the Propaganda of Faith] – the Team, then, responsible for Spreading the Word, the Good News, The Way to the Way, the Message, then. To this team we entrust our truthfulness, our ethics, our righteousness.

Our next team, of “BN” and “GD,” are closely tied into all the teams above. For they represent all we hope to achieve, “Unity and Peace” through Creative Outlets. Everyone must have a True “Creative Outlet” and each member of The Order must have one different from each other. This team, of Sister “BN” and Brother “GD” should become involved with all the Creative Outlets of each member’s creative outlet to insure they are Creative and Productive as their very own must be.

Our final team, that of brothers, “TM” and “As” are our “Research Team” – our “discoverers,” our

The Order

“explorers.” They will follow the Directions of the Order’s Spirit Guide in seeking out “Proofs,” of establishing Truths, or of putting the disclaimer to things proffered as truth. They should, as a team, work hand-in-hand with the Mystic of the Message’s Administrative Assistants, who are:

Janice Wells

David Govoni

Joe Michaels

Ted Wrobel (as Historian)

Ed Jacobs

David Hultgren - Leader of the Administrative Assistants to the Mystic of the Message.

We must all keep in mind that the Order’s Spirit Guide is also the Director of the Family of LIFE and LIGHT of the ALL in ALL. And you must also keep in mind that “PW” is also the Executive-Secretary of that Family. Furthermore, you should also understand that “DH” is also the treasurer of the Family, and that Mystic of the Message is also the Comptroller of the Family.

Therefore, everyone has their task or tasks. And, everyone has their Spiritual gift or gifts. Use them wisely.

But all calls for Them to meet, or gather, must be extended to the Spirit Guide of The Order, to the Director of the Family, and to The Mystic of The Family. If these simple, courtesies are not forthcoming, your meetings, or your gatherings, will not be officially Recognized!

You keep in touch or get away from it and The Family of LIFE and LIGHT of the ALL in ALL, and its Channel.

MEMO

To the Director of the Family of LIFE and LIGHT of the ALL in ALL and the Spirit Guide of “The Order” within that ALL in ALL.

Greetings to you my dear Brother and Partner and to All of those of your House.

To you, to “The Family,” and to its Order, I would like to make a point, to get across once and finally, who it is that Receives the Message of I Paul and, therefore, has the last word on it, come hell or high waters.

It is me, I, Paul, Period - not some idiot elsewhere.

Now it has been called to my attention that one DL has been circulating certain letters and what he cites as receivings from Spirit, and some of you have been caught up in this circulation of same. I, Paul, find this hard to believe. Where in hell have you been? Have you not, at least, read the Message of I, Paul, never mind its diligent study.

In an effort to make this memo short, allow me to say simply that All of DL’s claimed receivings are naught but attempted figments of his ego, his “self,” his need to vindicate himself in the eyes of his brethren.

Simply compare his “receivings” with those of the

Authentic Message of I Paul – You should readily see the difference, and therefore be capable of making a decision as to which is the Truth and which comes from “self” for the purpose of self-serving and defense – a defense that can never be defensible.

I, Paul, says to those of you who traffic in such garbage, cease, desist. Pay heed to what I say: If you wish to follow DL and his illusionary interpretations of the Message of I Paul, and his “self” delusions, then go North to where he is. Just get the hell out of my sight.

DL is not a member of the Order of the Family of LIFE and LIGHT of the ALL in ALL. It is also, questionable, if he is even a member of “the Family”!

You do, of course have a choice, whether or not you belong to this Family W-303, or his.

Love,

I, Paul_z

The ALL in ALL and Spirit Guide of “The Order within
That Family.”

From: I, Paul, Mystic of “The Family.”

Greetings my dear Brother and Partner. May the smile
of God be yours also.

I, Paul, would ask that you could find it, your
opportunity, to designate our brother and partner, “LN,”
to be “The Family’s” public relations representative and
“Dh” to be the Mystic’s public relations designate (of the
Associate Advisors to the Mystic also). Then, I, Paul, would
also suggest, that “PW,” our sister and Partner be also
designated as the public relations official for The Order.

And I would go further by having each of these
designees to choose a Partner, to carry out such a
monumental task.

In All Love and Peace, for

Unity and Freedom,

Your brother and Servant

We simply must just quit taking everything and Everyone for granted! We are a Family. Let's start acting like One, all the time, not just at Gatherings or Table Fellowships.

Creative Outlets are being ignored!

“Thinking”

Greetings and Salutations to you my dear Brother and Partner, Director of “The Family,” West, 303, and Spirit Guide of “The Order” within that Family.

This “DH” is an explanation to you to clarify the recent communication to the Order, and Shared with “the Family” on the subject of “Thinking.”

Your spirit is the Intermediary between you and the Supreme Spirit Itself. Everything you are Capable of Doing Comes through this medium. It's the connection between your mind and the Highest Mind. It's what makes you Unique from all other visible Living things that abide only here on this Earth.

Now some may ask “where does 'The Trip to the Fifth Pillar' enter into all of this?” I would direct such ones to the I, Paul Series, Communication Number Thirty-Three, for one example.

After all, what did Transcend?

Your you and yours I give this explanation.

Re: Follow-On to "Individual Tasks" dated January 20, 1991

Greetings:

The Order of 13 has continued to grow. All those in the Order are to be provided with a task. It is with great pleasure we announce the following:

To our Sister and Partner MaB, Mary Ann we point the way as Sensitive of the Order. May she discover as a flower which is sensitive to the touch, but with opening itself to the light takes in all Life has to give.

To our Brother and Partner, JMc, Jeff, we ask that you use your innate talent of debate and seeing so clearly the opposite to a most fruitful and creative task. You must learn the Message well and promote the Truth to the position of the unanswered question. Being now many miles away, the written word is the greatest tool you have for this task. Brother "T" has asked for position papers at every given interval. This, our Brother, will be your task.

To AJ, our lovely, changing Sister and Partner is given

the task of Recorder to aid and assist in the duties of the Secretary and Archivist of the Order. With her sense of doing things properly, Andi will be of great assistance.

Our Sister and Partner, JN, is given the task of Research to aid and assist the Order and the Mystic of the Order. We know that this will broaden her horizons and create a new air of confidence and understanding as our Brother and Partner LN can now attest.

Now, all our present Order has something to do while they are attempting to DO. We have great confidence that we all will truly discover the depth of our tasks.

With All Love and Understanding of Our Potential.

As it has been said in the Message of I Paul and The Order Book, the Order of Thirteen is the leadership of the Family of LIFE and LIGHT of the All in ALL. That leadership is responsible to study the Message diligently and practice the arts of cogitation, contemplation, meditation and sitting to receive on a daily basis. How adept you become at these is directly related to your efforts. Always remember that what is asked of you is Perfect Effort, not perfect results. As with all things, you get better and better with practice. The Order of Thirteen as the leadership of the Family is also responsible for teaching the rest of the Family what they have discerned through their study of the Message, and their daily practices.

Receivings will be collected at Order Meetings. Please, let me remind you that your Spirit Designation and the date of the receiving must be in the upper right corner of all pages, and if there is more than one page to a receiving please provide page numbers.

At the last Family Gathering of May 25, 1997, a receiving was shared with the Family informing them of the changes in the leadership. DH is no longer the Director

of the Family of LIFE and LIGHT here on W-303, that position is now occupied by GZ, with PW as his assistant. DH is, however, still Director of the other 303's, as well as the Spirit Guide of the Family and its Order. As Spirit Guide, DH will teach/preach at Family Gatherings only as he is moved to do so. The teachings will come from the membership of the Order, followed by a wrap-up from GZ and/or PW as Director and assistant. You, as the membership of the Order must come to all Family meetings fully prepared to teach on the communication, or portion thereof, that is being read that week. There will be no assigning of persons to dates or material. After the reading, and fielding of questions from the Family, GZ will ask the Leadership if they have anything they'd like to share.

Again, please remember that what is asked of you is Perfect Effort only, not perfect results. This is your opportunity to practice your teaching/preaching skills. This is a part of your Creative Outlet.

Let's enjoy this new format and new opportunity to grow!

We are embarking on a new “age” in the course of the Family and its Good Works for the Well-Being of all mankind.

We have received instructions, through our Spirit Guide’s Receiving from I Paul, to “trust and rely upon all that has been given to us by the Spirit to bring about these new worlds.”

We, each of us, have also been given a Mystic Designation and have been told, once again, to “work even harder now to bring about our Great Discoveries.”

With this in mind, as the leadership of the Order from within the Order, I am now directing us to study, with a purpose, the following list of communications. Our purpose should be in the direction of gaining a fuller understanding of our designations that the Spirit has seen fit to offer us.

This list is by no means an all-inclusive collection of pertinent communications; however, it will certainly provide a very healthy background for each us. Further individual research and study along the same lines would certainly be in the best interest of each Mystic Designate, as well as the well-being of the Order, the Family, and mankind. See to it.

While this will not be accomplished as a group effort, Common Sense dictates that we all come to the Recognition that our Designations intermingle – Hope is the blueprint of Faith, the Truth will set you Free, etc. “See?” There are also two Designations that have Co-Mystics, “Co” meaning together. “See?”

***We are not unified because we cooperate –
We cooperate because we are united***

The 13 – Memo of October 29, 1997

Let us begin, with earnest, this movement toward our rising up and meeting the challenges of our Mystic Designations.

In all Faith, Hope, Love, Freedom, Truth, Wisdom, Unity

Memo to: The Order of Thirteen

February 18, 1998

From: PW, The Secretary-Treasurer of the Order

I have been directed by the Spirit Guide of the Order and the Family, and the Director of the Family, to inform you of the following:

The next Family Workshop will be on Sunday, April 26, 1998. The topic will be "THE DISCIPLINES." The Order of Thirteen will be the Teachers. We will work in three person teams. Two Order Members and the Spirit Guide. The teams are as follows:

| | |
|--------------------|--|
| STUDY | BN - LN - DH |
| COGITATION | PW - TS - DH |
| CONTEMPLATION | PH - Mp - DH |
| MEDITATION | TM - JMc - DH |
| SITTING TO RECEIVE | GZ - MaB - DH |
| KEEPING A DIARY | DH - Review of I Paul 2, plus additional diary information |

Each team will have 40 to 50 minutes for their presentation to the Family. After each presentation there will be a 10 to 15 minute period of question and answer for the Family. We are expected to fully research the Message of I Paul so that we can teach with IT has to say about the disciplines. Each

team needs to make an appointment to meet with the Spirit Guide no later than March 4, 1998, to clarify and coordinate their efforts. Subsequent team meetings will be as needed by the team or as called by the Spirit Guide in order to be fully prepared for the Workshop.

The regularly scheduled Order meeting of April 22, 1998 will be devoted to the coordination of the entire Workshop. All presentations must be 100 percent complete - including any handouts, posters, etc. - by that date. We have 9 weeks until that time.

A third workshop, "Meditation and the Trance States" is tentatively scheduled for July 12, and will follow immediately after I Paul 18. In order for that workshop to be beneficial, we want to stir enough desire in the Family to do all the disciplines for the eleven weeks from April 26 to July 12, and then come to the July 12 workshop with their diaries, dream journals, receivings, etc. in hand. The July workshop will, most likely, be too intense for anyone who has not put forth the Full, the Honest, the Earnest Effort.

Let's have a lot of fun with this!

Your servant,

PW

Re: Dream Teams

Our experiment starts today. The first pairings are:

TS-TK

TM-JMc

DH-PH (DH placed his Associate Advisor JN in his
place on the teams - 6/7/98)

MaB-LN

BN-JC

GZ-PW

We will keep this partner until we have worked the “bugs” out of the procedures and everyone understands what we’re attempting to do. After we’re operating smoothly, we will be changing partners on a weekly basis.

- Partners must have daily verbal contact with each other.
 - Be open, honest, and critical of yourself and your partner.
 - Review each other’s actual worksheets and notes.
- Vague, ambiguous comments are useless for the study.

- Subjective interpretations are useless for the study.
- Report what occurred, not your judgement of it.

Each team's findings will be reported and discussed at the Order Meeting at the end of week's team assignment.

The project, in order to have any value, must require 100 percent participation by each individual. If you cannot or will not give that - speak up! If you believe your partner is not giving it "their all," discuss your concerns with your partner, and inform the Order of such.

Let's have fun with this project!!
