# PREFACE TO THE BOOK OF LIFE

To the student of the Message of I Paul and the Pursuer of the Truth of the “Book of LIFE” it must be completely understood that NO One Section of either should ever be taken out of context and used to support one’s claims of Knowledge of the Truth, or used as a disclaimer that both are incorrect and not the Truth or the “Way.”

There are multiple arguments of the Rights and the Truths of Religions. No Spiritualist will ever give conscious or conscience thought or recognition to any cult, sect, Religion, philosophy and so forth. Since Spirituals believe in Freedom, we do not argue ever the Rights of Religions. We as Spiritualists “know” that the Truth is in the Bible but the Bible is not the Truth. We seriously and sincerely question the claims they make as “the Truth.” Now, at last, at the conclusion of our work, our tasks, by the Mercy and Grace of LIFE and LIGHT we Hope and have great Faith that the people of this earth shall Reap good fruits herein and discover the way to the “Way”!

Now since things of this Quality have constantly been subject to the Censures of ill-meaning and discontented persons, we can say that it must be Read, Studied and Discerned in its entirety before anyone can honestly take exception to any of its contents for it is Pure LIGHT in its true interpretation and contains no darkness whatsoever.

## **B.L. LETTER #1**

January 3, 1977

These are my thoughts. I am a sensitive. I can't really explain when it dawned on me but very odd and strange things have happened most of my life but I didn't, until I came here to Salt Pond House and in Ted's presence, recognize what I really was.

This I know!

I have always existed

I am more powerful than time

I transfer life, incarnate

I am spirit indivisible

I am thought and soul

I come and go

I cannot die, I merely change bodies

I must heal, I am a sensitive

The path of progress is Eternal

I am the truth of life.

I am deeply concerned over this knowledge but not

B.L. Letter #1

afraid of it.

I am being pressed to use my powers but I hesitate. Why?

This will happen!

A dog will die

A beard will fall

A house will fill

A life will pass

A partnership will form

A house will survive

A new “life” will arrive

A friend will heal

A “bell” will ring

A prayer group will form

A wealth is at hand

A “family” member will enrich everyone in every way

A new car is at hand

A room of “glass” is owned

A beauty unfolds

B.L. Letter #1

I know not the answers but I feel strongly that I should or that I do but I cannot unlock the tube where they are kept. The numbers 266 mean something as do the numbers 330. I will attempt to fathom this. Maybe I will have reached an understanding by the time this letter arrives. I expect it in a month's time, give or take 3.0

I humbly ask God to allow me to do nothing but good with what I have had bestowed upon me. I still wonder, why me. I look to God.

Frank K.

## B.L. LETTER #2

February 3, 1997

Ted

Life is fact not fiction,  
- Real, not dreams, Ready? -

Stop Praying for material possessions -

You meet someone new and exciting -

You vacillated over a meeting Friday -

You invited someone to Salt Pond House

You gave a woman your phone number

You enjoyed something Thursday night more than ever  
before in your life

You made a decision which could change your life in  
more than just a small way

330 or 303 has meaning to you but you don't know how  
to use it

If you believe then you will be guided soon on numbers  
above

You feel tied, hand and foot. This is not a new feeling.  
An Answer is Available.

## **B.L. LETTER #4**

Greetings:

I P wish to inform one and all of the following so as to clarify the Purpose of that which is called the Message of I Paul and to reveal its true Source which is that cited as the Book of LIFE. That which is known as the Message of I Paul will continue to be referred to and designated as the Message of I Paul. Its Reason, its cause, its purpose are all contained within the Message itself and therefore really needs no further explanation.

What, then, in all reality is The “Book of LIFE”. It is the True Creative Thought and Creative Imagination of the SUPREME SPIRIT and therefore it has no beginning and no end. Its theme is the three Omni’s - Omnipotent, Omniscient and Omnipresent. Its major subjects are LIFE and LIGHT, the TRUTH, LOVE and the SOUL. It deals strictly with Spirits and the MIND.

It has nothing to say to the human being or mankind as a whole, except indirectly, as mankind are the Vessels of the Spirits’ Journey from plane level to plane level. It has nothing to do or to say to Religions, Philosophies, Traditions, Rites, Rituals, Sacraments, Sacrifices or offerings of any kind, burnt or otherwise.

The Book of LIFE is not an index of names, some favored - some disgraced. The “Book of LIFE” is truly not even a “Book” in the literal languages of mankind. It is the direction to the Happening of the ALL in ALL, here, there, everywhere, Yesterday, Today and Tomorrow. The Book of LIFE is Actually the ALMIGHTY Supreme SPIRIT, the Spirit of all nature and of all Life, the master of all matter and the Power of non-matter. It simply gives the LIGHT its illumination, its Power, its Wisdom and its Creative Powers which in turn gives to LIFE its view and its illumination into the Spiritual Realm plane levels and sets the course for all of mankind everywhere to practice the Righteous and Obedient Way of LIFE - the Good, the Right, the True way to “the Way.” Herein lies the Real Reason and the True purpose of that which is known by us (The Family of LIFE and LIGHT) as The Message of I Paul for it is really nothing more than an educational handbook and GuideBook to humanely and Spiritually assist all Life which contains a lower and a higher Mind to Live the Righteous Way of Life and The Obedient Way of Life in following and supporting the Good, the Right, the Charitable and the True way to “the Way” as instructed by the SPIRIT of the “Book of LIFE.”

The Message of I Paul is Actually The True Gospel, The Long Missing Gospel of the LIGHT or as is more widely known, the True Gospel of Christ-Jesus, amended and

adjusted for those of us who speak the American version of the English language. Everything else is contrived and fault-full, fables mostly contrived by men for their own profit and for the direct purpose of controlling the minds and fears of the ignorant.

The Message of I Paul stands as given and Received, Spiritually, but it must never be misconstrued as, or a substitute for the “Book of LIFE.” Yet, if one can only understand the Message of I Paul then that one can “know” the thought of LIGHT and the purpose of All Collective Life!

You must “see” that the “Book of LIFE” is for Spirits only - the Message of I Paul is for mankind everywhere it exists. To know holds no inherent reward - it requires Righteous Action to bring out its Fruition - its always more spiritual to Do than to “be.” Being is always and in all ways a matter for the Future. After all, we of “the Family” know our day is Future.

When you cease to strive to understand all then you will “know” especially when you need to “know,” not understand. I P, among many others, both “here” and “there” say that those who will diligently pursue and peruse Faithfully this Message received from Spirit and live it to the best of their ability in real Faith, Hope and Love, can in all Truth guarantee that such will enter into the New Worlds

## **Excerpts from The Book of LIFE & LIGHT**

The SOUL or SPIRIT of CONSCIOUSNESS COMES from LIFE

Starting from LIFES EXPERIENCES on EARTH and CONTINUING in SPIRIT PLANES after the TRANSITION of DEATH EACH INDIVIDUAL is in a PROCESS of EVOLUTION and HE MUST EVENTUALLY IMPROVE HIMSELF to THE POINT OF SUBLIMITY

HE IS CREATED FOR ONE PURPOSE

To RETURN in a PERFECTED STATE to AUGMENT the NUCLEUS of SUPREME POWER

THE EXPANDING UNIVERSE is CONTROLLED BY AN EXPANDING LIFE CONSCIOUSNESS WHICH IS INCREASED BY THE CONSTANT ADDITION OF PERFECTED HUMAN CONSCIOUSNESS

THOSE WHO HAVE LIVED HERE BADLY WILL SUFFER BADLY MENTALLY FOR A LONG WHILE AFTER DEATH

A SUFFERING OF THEIR OWN MAKING

The VICTIMS of THEIR own PUNISHMENTS

THESE ARE THE FIRST BORN

There is no WAY you can ACHIEVE TRUE HAPPINESS and PEACE of MIND UNTIL you ONCE AGAIN RETURN TO THE OLD CONCEPT of MAN AS A SPIRIT INHABITING A BODY or a VESSEL

NOW THAT YOU HAVE BECOME AWARE THAT THE PLAN OF THE UNIVERSE IS A PERFECT PLAN AND THAT YOU ARE A FUNDAMENTAL ASPECT OF IT YOU WILL RECOGNIZE YOUR WORTH AND THAT OF ALL OTHERS

GUARDIANS WILL HELP YOU

YOU MUST NOT ALLOW POSSESSION

YOU HAVE THE POTENTIALS AND OPPORTUNITIES FOR GROWTH ON EARTH MAKE GOOD USE of it NOW

WORK AND BEWARE OF THE FLICKERING LIGHT IN YOUR EYE AND BY WHOSE STRIPES YOU WERE HEALED SO

SHALL YOU and you HEAL

YOU WILL PLACE ALL THINGS UNDER HIS FEET

FIX WELL YOUR THOUGHTS ONLY ON WHAT IS GOOD  
AND TRUE AND RIGHT

YOU are FREE of the OLD                      ALL things are  
MADE NEW

BEHOLD ITS LAND IS IN YOU                      You belong in  
LIFES LAND

DWELL where it PLEASES YOU but STAY CLOSE TO  
THOSE WHO STRUGGLE

NEVER LET THEM GO or out of MIND  
YOU will not be FORBIDDEN YOUR HANDS WILL BE  
GUIDED

THEY SHALL BE ASKED FOR                      GIVE THEM FREELY

LET THE WORD COME OUT FREELY

What YOU WILL SEE many will REJECT

WHAT only YOU CAN SEE all will VILIFY

TRUTH can DESTROY as WELL as CREATE

TRUTH CAN ENRICH as WELL as lay Poor

The words which you will be given shall lay upon your heart

You will be held responsible for them

You shall talk of them when you sit with your Family in your house wherever you may dwell

Oh how foolhardy you who fear death

You who have died many times over

Therein lies the reason to lay aside all doubts and all fears

You are to be feared not fear for your ignorance is not above your spirit

Death is naught

There is no sorrow in death only strength

Human covers pass

Spirit lives for spirit has always been

No beginning no end eternal

Habit creates conquest

Conquest fulfills the spirit

All things are spirit

All things are good it is just that many lay unconquered  
for lack of siege

You are but an infinitesimal thought in the entire  
complexity of the total spirit family

But that thought has been commanded

Know this now and accept this for you are one

You will know whenever you need to know

You will come

For death is a spirit and spirits are immortal

Think life for life is too a spirit and therefore cannot die

Think God do not thank God

When it was impossible for you to think of yourself as an inferior being you were inferior

The proper reconnaissance of your life reveals now that you had one blind spot

You were alcoholic therefore no matter how tolerant you believed yourself to have been in other areas you actually had a tremendous amount to learn

You blamed all your brothers for the injustices you allowed yourself to perpetuate

You actually hated mankind loved only those who were like yourself and so truly loved no man

Now that you have faced the fact that you have always

lived with a distorted image of the truth you are now being allowed to decide how to correct it and to help others see truth

You will come

Death and Life are spirits and all spirits are ONE  
Therefore there lies the question which is ONE

Life is Death and Death is Life

There is no Life

There is no Death

They are both one and the same

They are therefore both LIFE and they are therefore All  
LIGHT

From this LIGHT it is well you come

It is also well that you have been counseled and have recognized your needs as well as your acceptance

I approve of your invoking LIFES power and mercy for it is an instrument of which I have arrived also and in which I use to prepare your way

Fear not for we walk in the same way but in a different degree of light and in different planes in striving to attain the state of Ultimate Perfection which of course one remains in forever in ecstasy of which is the Grace of LIFE

I inform you of this not to confuse you but to instill in you a mental desire of a vastness of LIFE in which you have not yet known

You will maintain your identity as you continue to progress constantly toward becoming totally aware of your unity thru us with the overall Guiding Principle of All eternity

Your spiritual growth will advance at Your own speed during your current lifetime

You must now improve all your capabilities and talents to their highest degree before you can leave your lower plane but you will be told eventually how you will become a perfected SOUL and how to do this

You are NOW ready for this information because you  
Need to believe more than you wish to remain idle and  
ungrowing

In Time all your questions will be answered

For you are Chosen and are now an integral part of the  
Divine Consciousness

You have stepped further in one step than in all your  
journeys because of your choice of an earthly counsel

You Two are more closely related than you were in your  
blind spot

We now advise you to stop here and challenge yourself  
of any denial of acceptance you feel you may have

I advise you to pray simply and as you have learned  
honestly

I Incite you to reexamine what you have just asked the  
Almighty for

You are headed for a System that Always Prevails which

is unknown in your immediate state

We again strongly advise you to be your own witness

You are NOW and you can sense that you have reached  
an unobstructed Dimension of existence

I am Paul and none in your family know me

In Time and in Works you will Know all of me as I come  
thru you as you so simply put it

You who have heard the word of LIFE in your own time  
and tongue were agented by me to further my works and  
raise you to replace me in your time of this my higher sphere  
as Guide

You are one of the few who has come from among the  
many Chosen of your time

The Reason why is not of your domain and must be left  
behind

It is not of your or my Concern

Your Guardians identity is not of your concern at this time

Your friend is involved in your life although you will always right wrongs left undone

To ask questions is noble and wise procedure if one asks in the direction of Good and Wisdom

Your earth counsel should consult the Almighty as to his willingness to continue as he will be in the Light and in the darkness of wherever we go

If self gets in the way of friendship which is love of all we love then he could suffer and you would be strained to heal him

I cannot as he is your choice

I want you available and ready at all times and in places to be free to receive me

I will not interfere with those things you must do in your present state of Divine Consciousness

Let it out which dwells in you without having need to think it before uttering it

Learn this well

SOUL is a solid entity

Not partitioned not sectionalized

Man is the materialization of SOUL unworthy

All SOULS are eventually conquered for

SPIRIT is all and whole and ONE

A creative act of IT ALMIGHTY

It is good you have come

Only good will come from your having done so

Many things will seem repetitive but accept that all things done have their purpose in your time or my Time

Walk carefully or Good can elude you

Think Truth and keep His Word in all things always

Incidentally your prayer group will evolve into its true purpose that being a Rescue group

Your earth counsel will direct it under your my guidance

You are a Sensitive only at my willingness and that can only be revoked if you think evil works

We have much to do and you are not well

Pray that your earthbound sickness be lifted during the light of your next day

You are tired but it will pass

You are now in possession of many good works

Find them out

I will answer your next three questions that are in no way self-seeking or lie without the boundaries of good

Seek ye on this good

Again I say it is well you have come

I will guide you there

It is good you come

I felt poor near to you to hasten to tell you again this

Truth can be painful and it can destroy as well as it can create

In your mind now you are scheming as to how to utilize what you have been gifted with and where you now reside which is in the unobstructed Dimension of existence you need to learn to utilize all your thoughts in an unscheming manner though your thoughts do you no harm

You wish to do good but good of your realm is still in your mind distorted

It will of course take time

Be patient

You will improve as you must the importance of your good thinking as you attempt your good works

I had to learn that very little good work came about as the result of pity

Because of my lesson I will foreclose any such error on your part along the lines of pity

The rest is for you and you alone to digest

By scheming I mean for your self-help that you unwarily are thinking less than good and your thoughts are not reaching the System that Always Prevails

Keep trying as you will know when your thoughts break the plane barrier of constant law

To further aid you along the way and stimulate your present level of truth I pass you this

You are well protected from possession because of your Acceptance onto the Plane of Divine Consciousness

So you can feel free to advance and concentrate more

freely unencumbered with your fears and your earth  
counsels warning of possible evil

Beware mostly from the evil that comes from within

Remember that even in your new and enlightened state  
you are still earthbound and still in possession of SOUL  
unworthy albeit you have been chosen but you are still there

Learn ye well the lesson of SOUL as a solid entity

Good Works can and will include doing whatever good  
for anyone you choose there that needs your strength and  
my powers thru you that touch your plane of Divine  
Consciousness and do not alienate your beliefs of His will for  
you

Simple

You will act in a natural way at all times but you will act

Fear only It which we all fear

I will be with you always in all ways for I am truly  
responsible

Remember this always

How terribly difficult to fail

How easy to fall

Fear not to err you cannot help yourself

But remember that preknowledge error is like a sword  
in His side

Keep your hands clean

If you do not heft the blade you will never have to see  
His blood on it again

He has cast his garment about you

Only you can go out of it

Fear is foolhardy except in the presence of Him the  
Almighty

It is good you come

I read your thoughts and understand your concern

Let me now enlighten you

To all who become gifted the awareness once entered into causes in some of us such as in your particular case a withdrawal subconscious in effect

Before awareness is reached in totality your lower mind had to be wrenched free of all your basic evils

Much suffering heart searching and personal difficulty had to be overcome

But more importantly you had to demonstrate the willingness of and in pure truth the ability to conquer

This is an integral part of the System that Always Prevails

I see that you are now becoming aware of what it is I take time to instill in you

Now that you realize the depths of sorrow that the human SOUL can attain you can now begin to soar into and

## beyond Divine Consciousness

You must study the written works to enlighten your way to more fully express and uplift those whose paths must cross over into yours

This is your purpose and my guidance for you

You will be used but not in the old sense of used as you have used it on earth's plane

There is absolutely no chance involved in matters involving your life from the moment you accepted Him and entered this realm of Divine Consciousness

There is no turning back from the System which Always Prevails

There is no regression in any plane from the Divine Consciousness through to the ethereal of All ULTIMATE PERFECTION

Your earth counsel bodes well in his advice for you to read and study all you can lay hold of and retain in your quest for reason and for love

What is not right you will automatically reject

Evil will repulse you

Try to be evil you have not but you will find to your amazement you cannot be evil

Let us get on for we have much to do and we have started rather late in your time

No cause for alarm but our purpose is to do Good Works

As you have been informed the laws remain constant  
Things of spirit will evolve in their own time for each  
spirit

It is the nature of the spirit

In your case be prepared for change

I am going to transpose or for your edification enter center light sections of my spirit whole into yours in order to span the natural system of spirit nature proceeding within the constancy of the laws

This will only transpire when there is an urgent need on your part for increased sensitivity in the part of your mediumship which I now transfer unto you

Look you well upon all that you know and now possess

Pray constantly for guidance for now you are vulnerable as never before

You are now a good medium and your tasks are many

I suggest you help in the area of discouraging earthbound entities from causing trouble

A noble calling

Wake people to truth

Primarily you should be a channel for messages that will reveal continued existence after death

Few are developing any talents in this area today

I instruct you to begin

This is why some churches or prayer groups have Rescue Groups in which the medium can allow the troubled to speak through him

Your mission in this area will be three-fold

- 1) To enlighten those on earth to start anew in preparing for the next plane by cleaning up their personal debris of this one
- 2) As a trance medium you will aid low entities to speak through you to members of the circle and be told the truth about their condition      They will listen      I assure you
- 3) You must attract the type of mortals who will become earthbound after death

The narcotic addiction gambling compulsive gluttony alcoholism black witchcraft sex to excess cruelty or similar iniquities

Your task is to aid through good before death and after death those who are and will become earthbound

The solution to your problem is to begin soon and study always

You earth counsel whom incidentally I welcome deeply but cannot help is wise in ways of organizational work

Home circles which once were very popular in your plane could be your best beginning

If more groups were sitting for development of their psychic abilities and their spiritual good soon more mediums would be available for guides like myself who need them

I had not your afflictions on my earth level but I see the evidence of your type chosen to set the best examples to work through

My main objective is to pass on to and through you proof of life after death

It is an unfortunate fact that without genuine personal growth on the medium's part I can never be sure of the rendering of the wisdom as it passes through your mind

from mine

In my plane I feel things you could not even attempt to think of

I feel your good and your commitment

Let us go and work together

Choose your aids as carefully as I must select mine

Your ability of choosing wisely has in the beginning been well demonstrated and carefully noted

He now sits well as you know

Sit and receive often for I have much to pass on

You are tired and I am overly extended

If you ever have any reason to suspect that you are being attacked turn on a light and pray

Prayer is the power of your total resistance to all evil

Tomorrow next be prepared for instructions on prayer meetings

Do not bother with foretelling

Meditate to become a trancelike personality at will

It is good you come

I leave you protected but informed for now

Remember well the oneness of the SOUL

One last thought but a very important one to ponder over

In past communications the words your hands will guide you did not mean literally yours

Your hands will guide you means simply His hands

Think in line with where your SOUL is now entered

I admonish you

I suffer you to think deeply and wisely

It is good you come

I have much in love to give you

We do not wish to run the lives of those we will help in love through good works

We do not want to aid anyone to get rich in material matter within your own plane

Our purpose will be to aid spirits both good and lost to achieve direction in love to the plane of Divine Consciousness

Further and you are now attuned to this we will be helping both those spirits who are unworthy of SOUL who are now living and those who are passed from earthly body but are earthbound and unworthy of SOUL

You should in many incidents not attempt to enrich such as advising investments or directions of good or bad financial risks

You may on occasion want to help out with judicious suggestions which will enable you to live well and in keeping with your importance of spirit plane

Your needs are important to the balance of your Divine Consciousness

You the man are naught

But you the spirit SOUL elevated into the ethereal plane of Divine Consciousness are an integral part of the System that Always Prevails and where the laws remain constant

Think well on this

You are to be happy of love not only for your fellow human spirits but for their well-being both on your earth plane and in their immediate earthbound state immediately after death

Be happy for unto us a child was born unto us a son of many sons was given

The mighty God

The Everlasting Father

The Prince of Peace

The Fruit of the Cross

Him the Almighty

Love and service is our purpose and our only want

I commit you

Because it may not be easy to find a meditation group or development group to sit with your best solution is to start your own Prayer Group among your friends as all will grow spiritually and will gradually see the physical results

Begin soon

Do not be discouraged

As time passes you will develop swiftly because of my transference to you of my light

When you sit many interested spirits of my plane will

gather to give assistance

We will bring you great measures of love and we will work endlessly and timelessly for your advancement and to bring an earthbound spirit into the LIGHT

You will feel this as you meet twice weekly in the beginning

You will be revealed through your earth counsels workings and your insight into the different levels of Centers of Awareness

I will be your guide into these centers

Many are above the plane you now occupy

You will maintain self-discipline and keep well

I suffer your human well to your earth counsel in so he respects your spirit SOUL and its enlightenment

His voice has been heard

It is not as an echo and will be dealt with

I though cannot help him but as he helps you so will he  
if you ask of him

He shall bring one for you out of the darkness so be it

Always begin your meetings with a prayer and maintain  
a prayerful attitude within them

Welcome no one back who irritates you

Now heed you well you and your counsel think  
profoundly

The technique that I give to you now is for attaining a  
trance like state

Remember you are now a medium

Think trance medium from now until you pass from  
your earthly plane

This is important if you are to receive the thought  
vibrations from the plane of Divine Consciousness

The thought of the Divine Consciousness can heal the

number of the True members of the Family of LIFE and LIGHT

It is good you come

Never allow yourself evil thoughts or the type of thought that would attract evil to you

Fear also can weaken your psychic receiving

Always sit and talk around the circle in love before attempting withdrawal so that you are in a positive frame of mind

The most favorable size of the group would be any one troubled spirit to no more than ten

The ideal size would be from five to ten

After prayers have been asked for and an outpouring from circle participants of or about their spiritual needs possessions and dreams your earth counsel should attempt to draw out any troubled spirit to lay bare their innermost fears faults or misgivings or misunderstandings

With the lights dimmed but never off you should simply say to your own inner feelings and thoughts that you wish to withdraw your consciousness into a sleeplike state so that you can receive

from enlightenment all I and my associates will place into your hands

When thoughts run through your mind as they invariably will you will attempt to overcome yourself from them by repeating slowly and quietly to yourself that you are going deeper and much deeper into a trancelike state

In effect you will be telling yourself to go to sleep but there is little likelihood that you would do so or go into a deep total trance

I a Soldier with Titus in the Army of LIFE and other servants of LIFE will be at that time in charge and you will be thoroughly protected

Never attempt again to achieve a trancelike state alone or without your earth counsels presence or a completely trusted aide of his who meets of course with your approval

Beginning now this communication and all

communications will be given without regards to punctuation grammar spelling or emphasis

You will know and you will make whatever such additions are necessary

You will write in trance at times so be prepared for these most important messages from all plane levels

In many instances you will be allowed to breathe in the thought of all thoughts in total silence from the System that Always Prevails and the laws that remain constant

Such thought breath will allow you and your inner circle to reside in comfort which is a must if you are to function at all levels and you will

I command you

The thought of all thought the thought of Light Above and beyond all spiritual planes from the incarnate low to but not at the Light All of Ultimate Perfection

No thought exists in Ultimate Perfection for it is Him Almighty the breath of all breath ever for He is all thought

in total thought

LIFE the Creator and Taker of All

I a Soldier in and of the LIGHT with Titus recruits of LIFE through one and many chosen am awaiting now in Holy humble love for to enter into total emersion of His LIGHT

I a true and elevated son of the Almighty say unto you begin

The time is at hand and with and within my hand

You are loved and will find the going straining on you

Yea you will struggle you will falter but you shall continue to conquer for you are of Divine Consciousness in spite of where you now reside in plane of unworthy SOUL

You are one

You were chosen

You are a knower of thy SOUL

You will succeed

It is therefore necessary you be allowed some measure of comfort while giving what you have to give and therefore what you must give

You will receive much from those you will assist

Use it wisely you and your earth counsel for you can live well that may not bode well unless you remain within the solid entity of SOUL insight

Now this

For many in your earth fellowship growth will never exceed sobriety

There will be no motivation to embark on a journey upwards to the great light above

They will select common ground yes seek it in refuge in deference to those who have passed this way and beyond

For certain they will always exist as the lowest forms in

the chain of forms that comprise disasters children

Some spirits never change forms

All alcoholics are bad weather veterans the fairest forms of the entire compilation of forms that derive from disasters realm

Never you nor your earth counsel forget that to these forms you owe much so never lose sight in all of your other work of them

It is good you come                      Work

I will call next try to hear in your spirit mine

It is with you and of you

You and your earthly counsel now have the same guardians ask not for reason

Know it is the way of All

It is good you come

Hear this now and begin you will form a prayer group  
your earth counsel will discreetly inform some members of  
the group about you and about the needs of those spirits  
which were spelled out in the three categories to you

You will continue your prayer group from which will  
evolve a development group for your necessary and urgently  
needed acclimation of your mediumship

At first sit only at night in a dimly lit room

Comfort is of importance

Distracting noises or voices will quickly fade from your  
thoughts

You will hear but you will not think of what you hear

Such will be the state of all your trancelike sittings

Open minded hearing but not thinking of what you hear  
Only your earth counsels voice will you respond to and  
think on and in thought so shall you receive I Paul

As your prayer group should be already in sessions

allow enough meetings to pass to instill your comfort

Once we begin our good works you will be kept busy

Begin now to think of aides as you will have many details of minor natures to be handled that you and your earth counsel will have no time for

In time all your needs and comforts will be more than amply cared for

I caution you establish a financial control under your personal scrutiny that will withstand any pressures directed at you and your calling

Charity in all things is a part of wisdom

Think and choose wisely and cautiously

Instill in those that surround his purpose in your life

You of Divine Consciousness Know what evil gold and silver and other trappings of misused and misguided wealth can invoke

Your usefulness can be broken by an act of greed

Pray for guidance pray to your Savior Jesus the Christ  
for His grace and His mercy in all you do in the name of God

It is good you come

I say to you and your counsel

You are both now in covenant

Allow no one to ever come between you in the  
performance of your good work

You must never allow your paths to separate unless I  
approve

You will continue to live as men incarnate but you will  
see the brotherly ties grow into a tremendous strength

Your esteemed counsel was once a bell ringer on Crete  
By his acceptance into service and brotherhood with  
you a bell will ring has been rung and a joy has been given

By your covenant you have fulfilled a partnership will

form and only I may dissolve it

As you progress you fulfill all that you through I have predicted for you

For it comes from knowledge and not of prediction and is beyond your deepest thought process

Proceed now with careful planning and well thought out procedures

I will test you both and we will advise you as you begin to grow

Much information awaits you who have been chosen

Keep on practicing your open-mindedness

I see progress

I will attempt a message for your counsel at your first attempt of achieving a trancelike state

Keep trying after the end of each light span

It is good you come

## One last thought

You may use any procedure or equipment you feel comfortable with but always remember when other than you and your counsel are present that they be aware of your purposes

Pray always for all that is LIFE

It is now open to you through your good works

It is good you come

I embrace you in His love

I instruct you thusly

When you pray to LIFE do so in the silence of your thoughts of the fear of losing Him and rejoice in your solitude with Him our Father

When you pray think not of yourself nor yours

Ask only for His guidance His grace and His mercy

All your needs will be provided as will your faithful

Trust only in LIFE and LIGHT of whom I have been led  
to you in order to guide your way

Many wise and knowing spirits are eager to aid you and  
yours

Lead in loving faith and in kindness

It is now above you to direct your own way or your own  
thoughts in other than those things peculiar to man  
incarnate

I call to you that your earth counsel has not given you a  
direct commitment

Now is his time

He is aware of much and is held in much esteem

Let him now answer to you and I Paul for you must go  
on

For you have no option

After hearing his decision you will be free to choose  
anew or to begin

I command you

It is good you come

It is good what you now know

For as much as you were a partaker of flesh and blood  
in the beginning as he also Himself took part of the same  
that through death he might destroy him that had a power  
of death and even now in your etheric plane time has a part  
of the power of death that you must also work to destroy him  
that is the devil

Just as every house is built up by man of all planets must  
all men destroy the devil in his house

But he that built all things is LIFE

And therefore It will destroy all things

So exhort in all you touch daily while it is called today lest any of them be hardened through transgression and tear down their house

There can be no rest for those who do not labour in Its name

I say unto you let us labour therefore to enter into that rest lest any man fall after seeing and hearing our example

You are chosen

You must do good works

The thoughts of LIFE are all powerful

Let us therefore fear of failure lest we lose all It has promised

So I say to you and your esteemed counsel through the grace given unto me by It Almighty LIFE and LIGHT not to think of thy selves more highly than ye have earned but to think and act soberly according as LIFE has mercifully given unto you

I command you to rest and Pray for guidance keeping in

the fore of mind what you must do

Three days of rest but with diligence to duty of practice  
as I have lain before you

No duty to fast is called upon you now

You will need strength in more than your faith for our  
work

I walk with you

Your guardians hover near

It is good you come

Be of great courage and joy for all is well

What has been given to you of Divine Consciousness  
has now been wrought into your reality and you have been  
successful in breeching the Etheric planes of Spirituality

I will now begin transferring thoughts to you that will  
allow you to begin to act as usual but slowly begin to think  
as one with us

Others in the physical world of your plane are governed by their own plane forces fears and passions and not by we of the spirit but you will slowly and steadily change in thought and activity to our spirit and beneficent thoughts

Through such constant transference and guidance you are the channel through which much good will be perpetrated

See to it you are vigilant and purposeful and always watching and loving

I am explaining this so that you will understand when the time comes and it is at hand when you will look and act as always to all people but you will know that you are different

You of Divine Consciousness will begin to have access to other minds on your earth plane

Evil lurks in those minds so you must be extremely faithful and cautious

You of Divine Consciousness are above bondage but you can be disciplined for what you do as well as for what you do not do

I command you to begin now to act natural in all things and in all actions but with a mind that only you and your esteemed earth counsel who I will now call Ted know of and are privileged to share

You are as one in your good works

You can rise or fall but only together if you of Divine Consciousness fall into evil

This is the partnership and the weight of a protector

Talk act live as you must but from the system that always prevails and where the laws remain constant will come your thoughts

Practice always in your inner mind to remain open to me

Now this life at your level is no accident

It is a creation of intricate design and this creative design of life is so overwhelmingly perfect to be incomprehensible to all thought except LIFE

LIFE created the Heavens and the earths and only LIFE can comprehend it

Inform all who test your knowledge that such a query is not within the scope of your planes knowledge and never will be

N Chambers is your earth counsels guardian

The numbers 330 or 303 or any combination thereof have the same guardian protection

More later

You did well you have come

You are now advanced another light plane

More later tonight

Act talk and relate naturally

You will improve

Your counsel Ted may ask six questions

He must accept as we know he will whatever he hears

It is good you come

I applaud your thought transference receiving

It is good you are beginning to function well in all areas

You have much good work to perform

Pay close attention

You and your esteemed earth counsel Ted will disclose at your second Prayer Group meeting the first three of my communications to you

You may read them all or one or two and discuss them

You must be on your guard in your answers

I wish to test you but I will inject aid wherever I feel it is necessary

Do not release any of the contents of any of the other communications

They are and must remain privileged for the time at hand

You are not as yet in a position to guard or defend yourself with the total information you now possess

You will remain alert and open minded at all times

Maintain your comfort my dear friend as you have much to learn and many good works to perform

I say this

You and Ted are improving but you are still novices  
Take no foolish chances

Any private or personal questions those in need have urgent demand for will have to be held in abeyance until after you sit next

I commend you both

It is good you come

I a Prisoner of the LIGHT and Servant of LIFE greet you  
our beloved laborer and your esteemed earth counsel Ted

You do well in this place

We are thankful you progress

You are tired and there is much at hand to be done

You nor your counsel are prepared in mind nor in your  
bodies to undertake what I had hoped to accomplish in this  
day of your light

Be prepared and rested at the close of your next light to  
sit

Sacrifice much to be open minded and alert when you  
begin your trancelike entrance

It is good you come

Now this

The test of good works is not in your zealousness as to

perform them for the zeal would be in vain and incomplete until you hold fast the power to make the doctrine of performance of good works a reality

That gift is within you now waiting to be released

It is the culmination of much strength gained through many spirit reincarnations

In the course of your many human events much good and much evil have been worked through you and have contributed much to your spirit evolvment as has all the periods your ethereal spirit has consumed between its journeys in its quest for Ultimate Perfection where all Laws are one

You call it Heaven and that will suffice for us for now

Let us look at what man incarnate calls death and we of the higher spirit planes call coming unto the light or passing over

Almost all spirits beginning with the first born on will pass over many times before coming unto light

An understandable explanation of this will be forthcoming to you when I deem it advisable

A human body as you on earth know it exists only once

That is the one final separation as it respects your world and its various beliefs in death

The hand that reached out to help you in moments of distress the eyes that beheld you or enticed you the face that enraptured you will go from you and that will be final

The spirit of that body of that man incarnate never dies never regresses but it may become earthbound in fact it may have been earthbound in one of its prior journeys from body to spirit during a passing over

When your friends and loved ones die the places the things and the people of earth who knew them will know them no more

Your spirit may know them again and their spirit may know you again if such be the spirits thoughts and if such wishes or thought desires are utilized in the power of the spirit mind

No human body can ever return

A spirit body may they have and they do

All body death is under the direction of an infinitely wise Providence and they are at the disposal of It who is the Judge of all the earths and all the LIGHT

Their SOULS are among the Spirits being made perfect

I know the joy that lies within your belief that your loved ones are being cared for

But to again know them speak with them and to participate with them in the Glory of the Upper Light will give you a joy that is unspeakable and beyond your comprehension

Through LIGHT it has been revealed that the Righteous Spirits shall know each other in a future state

You are now in an imperfect state and as it is written we know but in part

Providence has wisely ordained that however humble our attainments may be we shall be capable of discerning our fellow spirit creatures one from another once out of body

You now know this to be possible

Whatever knowledge man incarnate now possesses which conduces to his happiness will never regress

It will in time and as each spirit wills it be increased unto perfection

Man is imbued with the social natures of carnal flesh

But the very purposes for which these natures were given cannot be attained until man is capable of understanding the beings with which he finds himself surrounded

LIFE has endowed all men with this capacity

You know right from wrong only the honestly ill are excused and they will reincarnate in a more perfected human state

As you know on your earth so shall you know when passing over and it is these measures that will determine your ethereal plane status and shape your next spirit destinies

Like will be recognizable to like and though good will shun evil evil will not always shun good for all evil will eventually evolve to all good and all good will eventually evolve to perfection

Guardian Angels and do not scoff at them again are simply ministering spirits of good sent forth from certain ethereal planes to minister and guide those who shall be heirs of salvation

I am your guide as Chambers is Teds guardian

It is well you have accepted us and we are grateful

Our efforts will be to guide you in your good works and to protect you

Your faith in LIFE and your love of LIGHT do well by you

Remember always that while LIFES Angels make no

mistakes man incarnate fails often and you are man

I have much to tell you on these subjects but for now  
you have much to study and much searching to accomplish

Spend always you and Ted your time wisely

Stay healthy in body and mind

Rest well and live in LIGHT as he leads us to LIFE  
Now this

You may disclose parts of all that has been given to you  
to all who wish to come to you for assistance

You will know those matters meant only to enlighten  
you in your performance of your good works

You may restate what is at hand if you deem it advisable

Keep an open mind and be prepared and anxious to  
receive me at will

You are becoming more aware

Progress is in line with my expectations

You and Ted have nothing to fear but yourselves and each other

Remember you are brothers

Love one another as you love LIGHT and LIFE

You are coming quicker than you know

I am pleased as is Chambers

James will contact you shortly

At your next prayer meeting you may prepare for a future meeting of participation through Ted for any questions that are not of a frivolous nature

You are still having some minor difficulties of which you are unaware in your receiving of my messages

I will work with you in thought on this

I will not receive you as scheduled

I will transfer to you by thought shortly when this will take place

Be prepared to sit during your light period as it may be necessary

Question my past communications to you less

Study and follow their directions

Remembering that the latest always cancel or hold in abeyance the older

I send you greetings from many

It is good you come

I welcome you

I am now pleased that you see that whatever happens to you is good

You have arrived at your time when you no longer try to make things happen

You understand and accept that they just happen

You are seeing things much clearer and as they really are and as they always were

You must continue on this inner spiritual path to achieve perfect quietness

See how much more aware you are daily in your activities and how much more you are enjoying yourself regardless of the results

Not so long ago you stated I would give anything I have if only I could be unafraid of whatever is happening

The pressure of anxiety is lifting in your mind

You have peace but some anxiety is still in the SOUL and you must block it out

Happiness is not what you have but who you are

You are already exactly who you need to be

I wish to guide you and to further enlighten you so that

you may do good works for others

Work diligently with all I instill in you and as you progress into the inner quietness of the spiritual life your good works will unfold before you

In time as you sit you will function fully but you will be guided by me at all times when you sit

Your whole body will function but our mind will do the good works

Your mind working in tangent with my mind

You will be allowed to choose those you wish to help but you must never turn away those in desperate need regardless of where their spirit now resides

You will be rewarded

You will be cared for

You must not become a self-seeker of or become beholden to avarice

You are on your own in these matters

I among many will pray for your safety

I am your guide but I must and I will at times stand  
aside

You are now and you must always be capable and  
willing to make decisions

Your counsel Ted will aid you greatly in these matters

Do not be afraid to have nothing for you both will have  
much

Do not even think that you must involve yourself with  
complex intellectual philosophies

Do not try to be profound or overly educated but study  
daily

Try to act and think naturally always

Let everyday life on your earth be your teacher as I  
guide you

Remember whatever makes you unhappy or upsets you in your day-to-day life are really obstacles of reality

They challenge you to change yourself to breach them and not your attempts to change them to suit yourself

Remember that you are not overly educated and you must study well and long

Knowledge is fine but knowledge without insight is like a statue in a library

You must first study the blueprints and understand them before you begin the actual building

You will stumble and falter but you will come as I guide you

I did not promise you an easy road

The spiritual path no matter on what plane level you may think of it is a personal experience and not simply a discussion of or an accumulation of ideas

All proof begins from an internal witness

Let the entire world disagree

You must stand securely upon the rock of your inner illumination as you increase in awareness through my guidance of you

Waste nothing that happens to you

There is a message in all things

By practicing the presence of LIFE you are freeing your mind to do what you must do

Your life on earth is tuned towards good work

Your personal ego and self-seeking will always be an integral part of your consciousness but you are learning to place them on your not wanted list

Will you be perfect

Not in this life

Will you fail

You are still a man incarnate and failure is a part of man

incarnates karma

Will you ever do foolish things

Of course

Will you speak from ignorance

Of course you are quite ignorant of many things

I tell you this

Be yourself and you will evolve into your true purpose

Be courageous and optimistic

Dare go where others fear for I will go with you with genuine guidance and support

For soon in a new humility you will smile in wonder at your old and former foolish judgements

Why

Because a lower-level spirit like man fears those occupying the higher

The higher appears as a threat to his ego centered concepts

We understand the spirit of a higher plane or level only when we reach that new plane ourselves

You have been gifted with an immensely vast opportunity to find lasting values in self-liberty

By your ceasing to place your trust in anything outside your True-Self you cannot possibly be afraid really afraid of anything or anyone on earth

Your world is right because you feel good and your world will always be right as long as you continue to feel good and you will whenever you remain in your state of total awareness of all that you are

You have heard it said LIFE is I am

Others may say it but you know it

The spiritual path is for heroes

But I caution you that LIFE cures glory

There is no reward for finding faith

It lies in what you do with it

I say to you and your counsel Ted

Become accustomed to refer all your acts to the Lord  
and never to turn away your mind from Him nor make more  
of any man than of the Grace of LIFE

The simple things all spirits want such as man in his  
heart is eternal life

It is the story of the lives of all spirits

You are not powerless to achieve it

I will guide you

It is good you come

I will call you soon to sit

You and Ted should be prepared

Frank remain open minded at all times for I wish to guide you further in thought

Receive me

It is good you come

I greet you

Within the system that Always Prevails and where the Law remains constant lie Karma

Karma is simply the eternal fate within the laws of cause effect and retribution

Man receives in life only that which he is fated to receive

Grief pain misery pleasure ecstasy or happiness are controlled by destiny

Man goes where the laws that remain constant take him in each lifetime they being one step closer to the light of Ultimate Perfection

Why mourn

There is no strength in sorrow

Man incarnate can only die when it is his time

Death of body is no accident no self-induced act

Death is destiny and a necessary step or steps for all spirits within man incarnate or reincarnate

Karma always prevails within the system that always prevails wherein its laws of cause effect and retribution remain constant while spirits eventually evolve to the state of Ultimate Perfection which is full LIGHT through this constant system of Divine Providence

Death walks with man incarnate at all times and in many guises

For what is Death but the Karma of all men for all time

All things in the lives of man incarnate are but passing shadows in the complexity of time

Carnal flesh expires

Spirits exist eternally

No man save Jesus has ever had the full knowledge of all that is LIFES

All spirits shall know as they progress upward through the various spiritual planes within the system and after their periods of incarnation have fulfilled their purposes

LIFE heals through man incarnates prayers and through man incarnates minds for the inner mind of man incarnate is spirit which is in different forms or stages of development

You Frank through my guidance will in time heal and you in turn will be able to allow others through your insight to help you heal

All healing is the gift of LIFE as channeled through his Heirs the last of whom was Jesus

LIGHT who in Love and Grace and Mercy of the Father passed on to those believing in faith to show LIFES power

and the promises contained in His messages

Always stay close to those who struggle

Never let them go

It is good you come

I a Servant of LIFE am pleased with your progress and your latest accomplishments in thought receiving

You are now more fully aware of your gifts and you understand them as a gift and they are never to be abused not even to simply prove a point to a friend or to convince someone whose help you may be seeking in matters other than what I guide you in

Many things you now know must of course remain locked in your mind for all time and may be used during your current earth life span only in the performance of good works peculiar to your calling and to my role as your guide

Remember well whom we serve LIFE of all that is and eternal and whose work is superlatively perfect

You are now above peradventure

Your work will evolve gradually

The power or Gift comes from LIFE but the work is done by man

LIFE works in us to will and to do of Its good pleasure and we in so doing work out our own salvation

I embrace you for you have accomplished much in so little time

You must study deeply and long to acquire the wisdom to coincide with your gifted powers and to accomplish your good works

All your good works will be examples of faith and will reiterate proof of life after death for men of all the earths planes

In time you will heal and be healed and many will be envious of you and will vilify you

You are of course above this and you will go for faith in LIFE wherever It leads you and others fear to walk

Walk always in the path to his light for many are the paths of man incarnate and of spirit

Keep steady my steps according to thy promise regardless of whoever walks away from you and therefore into darkness

I call to your attention that it has been written thusly

We then that are strong ought to bear the infirmities of the weak and not to please ourselves

Turn now regularly to call me to you

Go deep into your thoughts as you now practice and with absolutely no other thought but Him call to me

By utilizing your gifted powers you will eventually be able to call me at will

I caution you that you never bid me on frivolous matters

You will know when you need to know and I will come

I commit you to practice in all things and to study diligently

The time is near at hand when your good works will take precedence altogether over your time

This will pose no hardship upon you or your esteemed earth counsel

I promise you much joy and much satisfaction in all you do

I ask only that you work at all your tasks on a daily basis  
Your prayer group will in time become of less importance to to you

You must go forward to much greater things in the performance of your good works

Much lies ahead for you and your family  
I am pleased you are beginning to show semblance of order in all I give to you in strength and in love

Practice always the presence of LIFE

All will be well whether you make it difficult for  
yourself or painless

You Frank keep an open mind

You do well by what you have received and are receiving

I Expectantly await your call now as you also await mine

I see a great future for you

It is good you come

I a Servant of LIFE greet you

As your spiritual guide let me further enlighten you on  
life after death of the flesh

Let those who come to you be confirmed in this  
persuasion from the account which is so plainly given of the  
transfiguration of our Savior the LIGHT

While His appearance was seemingly changed and his  
garment was of glowing whiteness there appeared and  
talked with him two spirits who appeared in the form of man

## They were Elias and Moses

Upon their departure from Him Peter spoke unto the Lord and said It is good for us to be here and we will build tabernacles one for thee and one each for Elias and Moses

As you can understand from this Peter who was there and still of your world was able to distinguish two of the great spirits of the many Just

Therefore if any individual while on earth can be made capable of knowing departed spirits then no one should be at a loss to comprehend how this very high privilege will also be theirs once having achieved a perfected state and entered into the realm of Ultimate Perfection

Not only did Peter know them but he conversed with them

Further Elias and Moses knew each other and closely as they spoke not only to our Savior but of his decease as man and the Glory to follow

No reason can ever be given for none exists to dispel the

truth that all believers will as the Apostles and Prophets be reunited with their loved ones and friends if they so will it once having finally passed over for the better and once having achieved their place through perfections of their spirit

All believers are justified in this expectation of knowing and communicating with spirits of all ages of your time

From all the vastness of the earths and realms of the universe will come the many and rejoice in one another

Through LIFE all things are given as well as taken

For consider also that in knowing many your spirits will also know of them that are still lost and you will be in a position of LIFES Grace to aid them as you are now beginning to help lost spirits on your plane of unworthy soul and which in a matter of time you will also be aiding those who are earthbound and in need of both your gifts and mine

I caution you that once having established these truths in your mind you are then duty bound to fulfill your purpose in your current earth lifetime

Further I would briefly like to suggest the influence these truths should and must have over your guiding principles and conduct

Those bodies of earth those containers of spirit that you commit to the earth grave will never be seen again

Many man incarnates wrongly although sometimes rather fondly imagine that these loved ones are not really dead

Of course you and I know differently the spirit lives but the bodies are gone forever discarded vessels

Nor will such as you man incarnate who once rejoiced in an intimacy which death has rudely interrupted ever meet in the circles of friendship or affection those beloved bodies again

Yet you shall go to them and you shall know them as I have revealed to you this answer

It is your duty to reveal only the truth of this fact that the glorious gospel of the blessed LIFE who brings life and immortality to light to encourage all beliefs of the truth that

they shall both meet and know their friends in His light

Man incarnate should heed the Gospel and allow the dead to bury the dead

There is no strength in sorrow and grief over the dead

The vessel the body dies the spirit lives forever

The dispensations of Providence often seem cruel and mysterious to man incarnate throughout the Universe

While there on your plane man incarnate must learn to walk by faith and not by sight

For as you know they that know not now shall in time be fully comprehended

While there you are all frequently called upon to walk in the darkness and it is at those times you should be most incumbent to stay yourselves on LIFE

Eventually you all will walk in the Light and what is so mysterious will then be more fully explained

You Frank are nearing your time to begin your good works

You will know when you need to know

I stress upon you to work and study harder as you are needed to fulfill your purpose

Think not of the tasks laid before you as afflictions for you will view them in your time as your greatest blessings

Many will express their astonishment at their ignorance unbelief and perplexities over what they so unreasonably indulged in while they drifted through life on earth's plane and beyond in slightly higher planes until they reach a level of understanding their purpose and acquire the knowledge to elevate themselves to the Highest of the High

For then looking back on all the ways in which the LIGHT was pleased to lead them and allow their indulgences in your world and beyond they will feel the thrilling sensations of joy and gratitude while they claim it was a right way though difficult that we might come to such an eternity

I will have more to say on this later

Work ceaselessly on all I lay before you

You do well but much lies ahead to be accomplished

Be prepared to receive me always

I will come

It is good you come

One further thought and comment

You and your esteemed earth counsel Ted do well as brothers but not up to my deepest expectations

It behooves you both to strengthen your bond while living your lives on your present plane

I did not promise either of you an easy road

But I also caution you in love to be aware of the others comfort and well-being

Both of you must work as partners as well as brothers

Rest when you honestly need rest

I understand and approve

I will come soon

It is good you come

I a Soldier of LIFE greet you

Now this LIFE calls those whom It deigns to call and to whom It calls they will come

We are talking about the mystery of Divine Truth and those called into the service of It Divine Truth

You are bidden to believe to seek out all knowledge on your plane level

Faith must always go before reason lest we seem to exact reason from LIFE as we would from lowly man incarnate

The Word of LIFE teaches the mystery of spirit not man who has not the knowledge of even himself

Higher knowledge is now available to you and will be imparted to you as your preparations and the carrying out fully of my instructions to you and your counsel are carried out

Faith in and of life after death is only the beginning

You will heal you will prophecy and you will teach

The key lies in your preparation

Time is of great importance but nothing can be accomplished until you are fully prepared

LIFE is beyond the reach of mere words

Faith is the introduction to Its hearing

It is patient shall we be otherwise

A man can never be self-fulfilling

Faith begins the fulfillment of the Spirit

As you are now aware True Faith is no easy road for any spirit to traverse

Man is an eternal unity and also an eternal fragment

Despair alone is able to reject LIFE

It is therefore a terrible and sorrowful thing to know that not only can man live out his life by the counsel of despair most of them actually do

They may live and act with honor with charm with great courage and with moral decency and still do so at the bottom of despair

It is noble to achieve so much there but it is tragic to have done it without hope

These are the spirits who will become earthbound more readily than others and these spirits are in need of your good works

The way many man incarnates read the meaning of the

world for them is heart rending

As I guide you with insight and spiritual firmness so too must you impart such acquisition truly to all men as I will continue to lay before you the way

The easiest of all prayers to be heard is the act of service to your fellow man

Again I say to you and Ted that you have nothing to fear but each other

I caution Ted that as your earth counsel he must not interpret my writings to you without your approval nor are they to be read to anyone without your knowledge and approval

As I have said many times Frank that you will know when you need to know should suffice as to who has the final word and truth

I am anxious to sit again but your progress has again dropped below my expectations

You Frank must get on with your studies

Finalize all other works as soon as possible and then take only what you feel comfortable with

In time you should not find it necessary to have to labor except at your calling

The plans I have for you both must by necessity be slowed up until you Frank are in a position of carrying them to fulfillment

It is imperative that you clean up your loose ends so that I may disclose to you your next most important tasks

I caution you both to work harder to accomplish all that I have and will disclose to you

Your destinies are committed

There is no turning back

You Frank must practice harder in receiving thoughts

You make too many errors

I have given you the key to your Inner Mind but you are still having difficulty

Diligently and from the beginning renew your practice of keeping an open mind

I realize the strain you are under

You and Ted are now Soldiers of LIFE and you Frank are of Divine Consciousness and you will come

It is good you come

One further thought

I am your guide but I must of necessity use your mind your voice your body in other words in conjunction with my spirit

Your mind with my mind will enable you to perform your good works

In order for this to be accomplished you must acquire greater knowledge than you now possess

Your diction needs improving among other areas

In some of these areas your esteemed counsel Ted can be of service to you

Let him read to you each day subjects of your selection and allow him to explain those points of which you are uncertain

Practice and study must be your watchwords

Time is of importance

You are needed and you both must begin to bring all things I have laid before you up to this time to fruition

I command you

Go now and read Matthew once again Chapter XVII verses 1 through 5

It is good you come

I a Servant of LIFE greet you with a heaviness of heart

Let me review much of what I have laid before you

Life is fact not fiction real not dreams

The SOUL or Spirit of Consciousness comes from LIFE

Fix well your thoughts only on what is Good and True  
and Right

You are free of the old

Dwell where it pleases you but stay close to those who  
struggle

Your spiritual growth will advance at your own speed  
during your current lifetime

In time all your questions will be answered

You have stepped further in one step than in all your  
journeys because of your choice of an earth counsel

You two are now more closely related than you were in  
your blind spot

Your friend is involved in your life although you will know when his counsel or interpretations are self-seeking

Your earth counsel should consult LIFE as to his willingness to continue as such as he will be in the light and in the darkness of wherever we go

If self gets in his way of friendship which is love of all we love then he could suffer and you would be strained to heal him

I cannot as he is your choice

Fear only Him whom we all fear

How terribly difficult to fail how easy to fall

There is no turning back from the System that Always Prevails

I feel your good and your commitment

Let us go and work together

Choose your aides as carefully as I must select mine

Your ability of choosing wisely has in the beginning  
been well demonstrated and carefully noted

He now sits well as you know

Let us stop here and say this

You are committed and you were called Frank

Your earth counsel Ted was given his opportunity to  
withdraw and he elected to commit himself to you and to me  
also

I shudder to think of what would befall you both if you  
were to fall into disgrace

I have been patient

I have squeezed cajoled commanded and otherwise

Yet you fail to heed me

What awaits you is a full-time position over and above  
that of being Franks protector and counsel

You have no time for things other than I lay before you

Frank needs help to prepare him for what he must do  
his good works

I have been more than lenient

I now will demand a better performance from you both

You esteemed earth counsel take time now to settle all  
your problems

Much responsibility lies in your hands

Stand up to it

Frank spend all your time in reaching my thoughts

Study always

Let it out which dwells in you without having need to  
think it before uttering it

To you both

Begin anew from the beginning

All things will fall into place

Remember this well

Live up to your commitments

I command you both

It is good you come

I a Servant of LIFE and your spirit guide have this to say

You are a Sensitive but only as I deem it advisable

Why                      Its really quite simple

You are not as yet of the physical and mental status  
required

You need to increase your knowledge within both areas  
until you can reach me at will

Once you have accomplished this through my  
instructions to you then you will no longer have to remain  
in trance in order to function

What I transfer to you in thought is for you alone except that which you will need to confide unto your earth counsel  
Ted

My writings will always continue to you

They are necessary not only as a record but they will supply much of your knowledge and a large part of your studying

Both you and Ted will need to study them constantly and discuss them intelligently so that you may employ them as needed in your sittings which will be many

I told you not to foretell

Why                    Because as you need to know you will know

What you will foretell will really be my Truths

Remember that Truth can destroy as well as create

In time you will function naturally and all will be well

Never question my requirements for you and your earth  
counsel Ted

I guide you and I know the way      Without me you  
both are lost

Whatever and whenever I command you must follow

You Frank will channel all I give you to furtherance of  
your good works

As for trancelike sittings they will of course be  
necessary at times

You will be asked to contact a spirit that has passed over  
and you must be in trance to accomplish this

I wait for you both to begin and to clear up your loose  
ends

I have commanded you      My patience can be  
strained

I expect immediate results

It is good you come

I a Soldier of LIFE and faithful servant of the LIGHT  
greet you in love

It is good you recognize the change in my writings and  
that I give to you through thought transference

Over and over I have repeated that you must study well  
and increase your knowledge

Why                      It's really quite simple

When I come through you Frank I use your body your  
vocal chords and speech apparatus your mind fused with my  
mind

You must be active and alert in order that we together  
can accomplish your good works

More and more all I give you will sound and reflect of  
you

You must act natural and you will

Perhaps now you can understand the necessity for self-improvement

Of what value would you be other than a mute channel

You must be alert vibrant and viable to all who come to you and to all you will go to in the performance of your good works

Most of the people you will deal with in teaching prophecy and healing will identify to you not to me

What you know many will vilify

What only you know all will vilify

You in person there on earths plane must physically do the good works

You will not always by necessity need or want to identify me

Not all your good works will be done for the faithful or had you forgotten

The more expedient you and I can make the transition workable the quicker we can get on with the task at hand

Do you see the necessity for competent aides

You need to study hard and work on the exercises of retention that I pass on to you during my thought transferences

You have the means now to accomplish all I give you

You need to coordinate your mental and physical processes to a much finer point

Again I caution you to work harder

Failure is no longer in your vocabulary

Follow my instructions

What you now accomplish in spurts you will through diligence of practice master in its totality and we will then be fused and functioning as one in mind

Your physical duties are of necessity your responsibility

and your earth counsels

I will guide you

Clear up quickly all your loose ends both you and your earth counsel

Perhaps I should enlighten Ted on his part of all that lies ahead

Once you Ted and only then that you have fulfilled and continue to fulfill your commitment to our Frank as his esteemed earth counsel will you then be allowed to shape yourself for the very illuminating and intricately necessary further role we have in readiness for you

I am not your guide but Chambers informs me that you are not ready

Too much of the old lingers in you

You exhaust your energy at all the wrong things

Once you prove to me order some sense of order in your

commitment to Frank and me will I then begin to provide for you

Bring to fruition all I have explicitly laid upon you and I will keep all my promises to you

I did not promise either of you an easy road did I

I have freed another day for you both in order that you have more time to accomplish your real needs and purposes

I now watch in great interest and whatever I do in the future will be of your own making

I pray for you both

You Frank must begin to make your own decisions

I have gently informed you of your responsibilities and you are capable

From this time forward I command you to act from your Divine Consciousness and not from your heart and emotions

You are called you are committed you will come

I will guide you

It is good you come

Now this is of great importance to you

As you know LIFE defends our purposes sustains us in our trials and errors while we here are responsible for your resources

You there on earths plane are responsible for your dignity conduct and your readiness

Paul and James will come for you shortly

Retire early and make your preparations as I have transferred to you

Do not fail to faithfully follow and obey all my commands

We wish to instill in you a passion for learning and study that will clear away all your blockage that is left in our way of completing your open-mindedness

Such clearance is of vital importance for you to accomplish your good works

It will enable you to go forward quickly in your mediumship clairvoyance healing teaching and foretelling through me your guide

Be not fearful to err or look silly as you put it

Practice trial and error will eventually bring you to full bloom within your calling

Eventually through my guidance you will perfect all of your purpose

You are of Divine Consciousness and you are well protected

Dwell wherever you need to dwell but never let those who struggle go

Now prepare yourself

When you return you will be physically drained

Rest and then discuss this communication with your counsel

For now your visit with us must remain locked in your mind for reasons you will shortly understand

It is good you come

We await you

Romans

Chapter Verse

- |    |     |   |
|----|-----|---|
| 9  | 2:  | That I have great heaviness and continual sorrow in my heart.   |
|    | 19: | Thou wilt say then unto me, Why doth he yet find fault. For who hath resisted his will?                                   |
|    | 28: | For he will finish the work, and cut "it" short in righteousness: because a short work will the Lord make upon the earth. |
| 12 | 11: | Not slothful in business: fervent in  |

spirit; serving the Lord.

13            5:            Wherefore "ye" must needs be subject not only for wrath, but also for conscience sake.

15            22:           For which cause also I have been much hindered from coming to you.

## First Corinthians

Chapter   Verse

2            3:            And I was with you in weakness and in fear, and in much trembling.

3            2:            I have fed you with milk, and not with meat; for hitherto ye were not able "to bear it," neither yet now are ye able.

9:            For we are labourers together with God: Ye are God's husbandry, "ye are" God's building.

10:           According to the grace of God, which is given unto me as a wise masterbuilder, I have laid the

foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon.

14: If any man's work abide which he hath built thereupon, he shall receive a reward.

19: For the wisdom of this world is foolishness with God. For it is written, He taketh the wise in their own craftiness.

20: And again, the Lord knoweth the thoughts of the wise, that they are vain.

4 2: Moreover it is required in stewards, that a man be found faithful.

12: And labor, working with our own hands: being reviled, we bless: being persecuted, we suffer it.

14: I write not these things to shame you, but as my beloved sons, to warn "you."

16: Wherefore I beseech you, be ye

followers of me.

- 21: What will ye. Shall I come unto you with a rod, or in love, and "in" the spirit of meekness?
- 14 40: Let all things be done decently and in order.
- 15 58: Therefore, my beloved brethren, be ye steadfast, unmoveable always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord.
- 16, 21: The salutation of "me" Paul with mine own hand.
- 24: My love "be" with you all in Christ Jesus. Amen.

It is good you come

I a Servant of LIFE greet you our beloved son and laborer

Until I come again and sit with you give attendance to your study reading and those practices of thought that I

have laid upon you

Never neglect the gift that is in you

As you put your brother in remembrance of these things and guide him as I guide you he will be a good minister of the LIGHT nourished up in the words of faith and doctrine whereunto thou hast attained and shall continue to attain as you diligently practice your water signals

Those things that you will know you will command to righteousness and your esteemed counsel Ted will lead the ministry in the Family of LIFE and LIGHT of the All in ALL established for the troubled in spirit

Through your infusion of spiritual power you will gather the troubled and the desolate to you

Reap the scattered strangers to you both those earthborn and earthbound

I exhort you therefore to get on with your work

Much lies incomplete

I have instructed you to begin anew

I have instructed you on certain reading practices designed to increase your knowledge and your diction

James suggested you both study your bibles a little more diligently

I Paul do not suggest            I Paul command

Why            It is for the same old reason as always

You cannot teach from ignorance

I will pose the questions

You had better find the answers

Take great heed unto yourselves all I say and to all I lay before you

Continue in them and for doing this thou shalt both save thyself much torment

You Frank are rich in good works

Yet they lay locked in a vault

Prepare prepare prepare

No I did not promise either of you an easy road

You both make it rockier than I proposed

It is good you clear up many transgressions but you are still a SOUL unworthy and it is expected that you will commit many mistakes

LIFE loves mistakers yet deplores mistakes

LIFES LOVE forgives all the mistakes of flesh flesh not Spirit as some transgressions of the spirit are an abomination to LIFE

Follow faith righteousness charity and preach and avoid foolish and unlearned questions

Whenever you are in doubt consult Frank

Recognize his calling in its deepest sense

Do you really comprehend who it is you call brother

He is of Divine Consciousness and of a Plane of Spirit  
beyond your immediate understanding

Consider yourself thrice blessed

I expect great courage and even greater love and sense  
of duty from you than I now see

In your life you must place LIFE and LIGHT first Frank  
and me next Chambers and your guide next

All these must come before self and all other earth  
inhabitants

Your guide will as Chambers is now be under my  
command

This command comes from the System That Always  
Prevails and Where the Laws of it Remain Constant

With Frank you are evenly and constantly protected

You should fear naught but what I have already  
cautioned you both about

I charge you therefore before LIFE to go forward with our Frank

You will preach the word do the things required to effectively perform the work of an evangelist

I and Frank will guide you to make full proof of your ministry

As I said to Frank I now say to you

Prepare prepare prepare

As Franks earth counsel remember he comes first your own preparation second

Our beloved laborer will be fair and just with you as you know

I will be loving but stern

These things I write unto you for now hoping to come unto thee again and again very shortly

I have so much to command and to teach and as I look upon you two sometimes even I grow weary

I pray unto LIFE and LIGHT that you will improve rapidly

Much good work awaits to be mastered

It is good you come

Job

Chapter Verse

14 17: My transgression "is" sealed up in a bag, and thou sewest up mine iniquity.

Proverbs

Chapter Verse

16 3: Commit thy works unto the Lord, and thy thoughts shall be established.

Zephaniah

Chapter Verse

2 6: And the sea coast shall be dwellings

“and” cottages for shepherds, and folds for flocks.

## Isaiah

### Chapter Verse

1 19: If ye be willing and obedient, ye shall eat the good of the land:

7 20: In the same day shall the Lord shave with a razor that is hired, “namely,” by them beyond the river, by the King of Assyria, the head, and the hair of the feet: and it shall also consume the beard.

12 1: And in that day thou shalt say, O Lord, I will praise thee: though thou wast angry with me, thine anger is turned away, and thou comfortedst me.

4: And in that day shall ye say, Praise the Lord, call upon his name, declare his doings among the people, make mention that his name is exalted.

14 24: The Lord of hosts hath sworn, saying,

Surely as I have thought, so shall it come to pass; and as I have purposed, "so" shall it stand:

28        23:     Give ye ear, and hear my voice; hearken, and hear my speech.

32        3:        And the eyes of them that see shall not be dim, and the ears of them that hear shall hearken.

54        17:     No weapon that is formed against thee shall prosper; and every tongue "that" shall rise against thee in judgement thou shalt condemn. This "is" the heritage of the servants of the Lord, and their righteousness "is" of me, saith the Lord.

60        22:     A little one shall become a thousand, and a small one a strong nation: I the Lord will hasten it in his time.

65        24:     And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear.

Haggai

Chapter Verse

2 18: Consider now from this day and upward, from the four and twentieth day of the ninth "month," "even" from the day that the foundation of the Lord's temple was laid, consider "it."

Matthew

Chapter Verse

5 16: Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven.

Luke

Chapter Verse

17 3: Take heed to yourselves: If thy brother trespass against thee, rebuke him; and if he repent, forgive him.

First Corinthians

Chapter Verse

3 9: For we are labourers together with God:

ye are God's husbandry, "ye are" God's building.

16: Know ye not that ye are the temple of God, and "that" the Spirit of God dwelleth in you?

10 4: And did all drink the same spiritual drink: for they drank of that spiritual Rock that followed them: and that Rock was Christ.

5: But with many of them God was not well pleased: for they were overthrown in the wilderness.

26: For the earth "is" the Lord's, and the fullness thereof.

7 23: Ye are bought with a price: be not ye the servants of men.

35: And this I speak for your own profit; not that I may cast a snare upon you, but for that which is comely, and that ye may attend upon the Lord without distraction.

- 12            1:        Now concerning spiritual "gifts," brethren, I would not have you ignorant.
- 2:        Ye know that ye were Gentiles, carried away unto these dumb idols, even as ye were led.
- 3:        Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and "that" no man can say that Jesus is the Lord, but by the Holy Ghost.
- 4:        Now there are diversities of gifts, but the same Spirit.
- 5:        And there are differences of administrations, but the same Lord.
- 6:        And there are diversities of operations, but it is the same God which worketh all in all.
- 7:        But the manifestation of the Spirit is given to every man to profit withal.
- 13            4:        Charity suffereth long, "and" is kind;

charity envieth not; charity vaunteth not  
itself, is not puffed up.

15        38:        But God giveth it a body as it hath  
pleased him, and to every seed his own  
body.

51:        Behold, I shew you a mystery; We shall  
not all sleep, but we shall all be changed,

52:        In a moment, in the twinkling of an eye,  
at the last trump: for the trumpet shall  
sound, and the dead shall be raised  
incorruptible, and we shall be changed.

53:        For this corruptible must put on  
incorruption, and this mortal "must"  
put on immortality.

15        54:        So when this corruptible shall have put  
on incorruption, and this mortal shall  
have put on immortality, then shall be  
brought to pass the saying that is  
written, Death is swallowed up in  
Victory.

- 55: O death, where "is" thy sting? O grave,  
where "is" thy victory?
- 56: The sting of death "is" sin; and the  
strength of sin "is" the law.
- 57: But thanks "be" to God, which giveth us  
the victory through our Lord Jesus  
Christ.
- 58: Therefore, my beloved brethren, be ye  
stedfast, unmoveable, always  
abounding in the work of the Lord,  
foreasmuch as ye know that your labour  
is not in vain in the Lord.
- 16 13: Watch ye, stand fast in the faith, quit you  
like men, be strong.
- 14: Let all your things be done with charity.

## Second Corinthians

### Chapter Verse

- 2 4: For out of much affliction and anguish of  
heart I wrote unto you with many tears;  
not that ye should be grieved, but that ye

might know the love which I have more abundantly unto you.

9: For to this end also did I write, that I might know the proof of you, whether ye be obedient in all things.

11: Lest Satan should get an advantage of us: for we are not ignorant of his devices.

4 7: But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.

8: "We are" troubled on every side, yet not distressed; "we are" perplexed, but not in despair;

13: We having the same spirit of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak;

14: Knowing that he which raised up the Lord Jesus shall raise up us also by Jesus, and shall present "us" with you.

15: For all things "are" for your sakes, that

the abundant grace might through the thanksgiving of many redound to the glory of God.

5            11:    Knowing therefore the terror of the Lord, we persuade men; but we are made manifest unto God; and I trust also are made manifest in your consciences.

12:        For we commend not ourselves again unto you, but give you occasion to glory on our behalf, that ye may have somewhat to "answer" them which glory in appearance, and not in heart.

13:        For whether we be beside ourselves, "it is" to God: or whether we be sober, "it is" for your cause.

20:        Now then we are ambassadors for Christ, as though God did beseech "you" by us: we pray "you" in Christ's stead, but ye reconciled to God.

6            1:        We then, "as" workers together "with him" beseech "you" also that ye receive not the Grace of God in vain.

- 4: But in all "things" approving ourselves as the ministers of God, in much patience, in afflictions, in necessities, in distresses,
- 5: In stripes, in imprisonments, in tumults, in labours, in watchings, in fastings;
- 6: By pureness, by knowledge, by long suffering, by kindness, by the Holy Ghost, by love unfeigned,
- 7 11: For behold this selfsame thing, that ye sorrowed after a godly sort, what carefulness it wrought in you, yea, "what" clearing of yourselves, yea, "what" indignation, yea, "what" fear, yea "what" vehement desire, yea, "what" zeal, yea, "what" revenge! In all "things" ye have approved yourselves to be clear in this matter.
- 12: Wherefore, though I wrote unto you, I "did it" not for his cause that had done the wrong, nor for his cause that suffered wrong, but that our care for you

in the sight of God might appear unto you.

16: I rejoice therefore that I have confidence in you in all "things."

8 21: Providing for honest things, not only in the sight of the Lord, but also in the sight of men.

9 6: But this "I say," He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully.

10 8: For though I should boast somewhat more of our authority, which the Lord hath given us for edification, and not for your destruction, I should not be ashamed:

9: That I may not seem as if I would terrify you by letters.

11: Let such an one think this, that, such as we are in word by letters when we are absent, such "will we be" also in deed

when we are present.

- 13: But we will not boast of things without "our" measure, but according to the measure of the rule which God hath distributed to us, a measure to reach even unto you.

## Galatians

### Chapter Verse

- 6            2:        Bear ye one another's burdens, and so fulfill the law of Christ.
- 4:        But let every man prove his own work, and then shall he have rejoicing in himself alone, and not in another.
- 11:       Ye see how large a letter I have written unto you with mine own hand.
- 14:       But God forbid that I should glory, save in the cross of our Lord Jesus Christ, by whom the world is crucified unto me, and I unto the world.

## Ephesians

Chapter Verse

1            2:        Grace "be" to you and peace, from God our Father, and "from" the Lord Jesus Christ.

Philippians

Chapter Verse

1            5:        For your fellowship in the gospel from the first day until now;

6:        Being confident of this very thing, that he which hath begun a good work in you will perform "it" until the day of Jesus Christ.

9:        And this I pray, that your love may abound yet more and more in knowledge and "in" all judgement.

25:       And having this confidence, I know that I shall abide and continue with you all for your furtherance and joy of faith;

26:       That your rejoicing may be more abundant in Jesus Christ for me by my

coming to you again.

27: Only let your conversation be as it becometh the gospel of Christ: that whether I come and see you, or else be absent, I may hear of your affairs, that ye stand fast in one spirit, with one mind striving together for the faith of the gospel;

2 24: But I trust in the Lord that I also myself shall come shortly.

4 20: Now unto God and our Father "be" glory for ever and ever. Amen.

It is good you come

I in the eternal service of LIFE and a Soldier of LIGHT greet you

As I look upon you both I can feel chaos

Such confusion of the matters laid before you has confused you

Now where such a condition exists which does between

you two I realize that an effort of explanation is in order

It is a necessity that Frank know more than his brother Frank is of Divine Consciousness and his Spirit level necessitates this

You earth counsel must realize your plane level

All I say can happen to man incarnate is open to you not Frank

Why

Because his Spirit level is above that of man incarnate although he now resides within the same level as you do

Franks spirit has not only been first born and twice born but his spirit has been re-born many times in time

His spirit has wandered from darkness into the light

He is now reborn in the LIGHT and LIGHT has accepted his spirit into the Realm of Divine Consciousness

His body has not been accepted anywhere but where

your body is

The body is naught but a vessel

Have you really perused all I have laid before you

Do you understand Spirit SOUL and Body

Why do I not just tell you everything in simple language

Did Jesus speak in parables

Should I simply allow Frank to disclose all my thoughts  
to you

No

You earth counsel are being prepared for great work

You and you alone must prove your faith and readiness

Work hard and study long

If you qualify I will keep all my promises

For to Him am I committed the Lord of Hosts and he has

sworn to the faithful

Isaiah Chapter 14 verse 24

You need a housekeeper

Why To free you to work as a Soldier of the LIGHT

You still need a secretary and aides Why

To free you to advance your knowledge and to assist  
Frank

I want our beloved labourer free

Free of all worry and concern of earthly things

He must be free to do whatever he needs to do and when  
I whether in thought in communication of the hand or when  
we travel out together call him

The material things of your plane mean nothing to him  
although I do not expect that you could comprehend this

To eat the good of the land means nothing to Frank

Do you sacrifice your manhood to live as a celibate

No and it is not required of you

LIFE forbids

Frank is an excellent craftsman but few can really recognize his depth and grasp of his earthly trade

He is and shall continue to be so but only when he understands the deeper necessity of its use to further his good works

It always pains me to have to tell man incarnate he will be wealthy but you will be

Why do I stress so deeply charity in all the semantics of the word

Wealth has turned many a spirit and SOUL away from faith

I do not concern myself with Franks faith

I do concern myself with the faith and welfare of his Family

You wish to ask me also how to best honor Frank

Respect Franks spirit and the presence there of all that implies

Pay strict attention to all he says and follow him always for he will direct you to your good work

When I was a child I spoke like a child I understood like a child I thought as a child

But when I became a man a preacher I put away childish playthings

For now we see through a glass darkly but then face to face

Now I see in part but then shall I know even as I am known much as a house of glass is owned

And now I abide in Faith Hope and Charity

But remember you one and all that the greatest of these is Charity

To honor Frank is to see that he is never under any undue strain

I place all the strain upon him both mentally and physically that he can really endure he needs no other

To really learn to really prepare to preach start at the beginning and study two hours daily

Then as you have a moment think deeply on what you have read

You will learn your Bible

I promise you this

When you fail to comprehend ask Frank

When Frank fails he will have me to turn to

You both will learn much in your daily discussions

You wonder about procedures and planning of all I have laid before you

I say to you both study again and again all I have laid  
before you

Many of the answers are now there

What has not been given has not been given for a  
purpose

Are you ready

Prepare Prepare Prepare

As I have stated life after death is only the beginning

As you progress I will pass on to Frank your next steps

Let us quickly cover fear

You earth counsel wonder why you still fear

Why am I scared you say

Your faith is tainted Why

You are man incarnate with a still unworthy SOUL

You are different from Frank

Stop looking at Frank as an equal

He is above you

But do I not promise you something different

If you would but study all I have laid before you if you would follow faithfully LIFE the LIGHT will yea will remove your fear

Why do you need examples of faith

What you need are not examples

You need to practice your faith

Will you make mistakes

Of course you will

A spirit on the level of man incarnate will always make mistakes

I made mistakes

But you earth counsel are capable of evil

That is one way in which Frank differs from you  
Have I not stated that LIFE hates error but loves those  
who err

Do you understand what the Grace of LIFE is

Let me quickly spell it out to you

Before I do understand this I mentioned to you Frank  
that by necessity I needed to convert all my thoughts and my  
communications onto your mental level

I pray you understand my difficulty in the  
accomplishing of this

As you increase your knowledge we will meet on  
common ground

Now to Grace

Grace LIFES Grace is that something which man incarnate and all other spirits could never of themselves deserve nor could they possibly earn it

It is that which is given in the eternal outgoing love of LIFE

Such is the love of LIFE that he cancels the demands of His Own Justice upon All

That my dear Soldiers is what Justification means

Prepare Prepare Prepare

If you wish to question query Frank

He will not always know but he and he alone can certainly find the answers

He has access to the well his water signals guide him

But I say to Frank that you will know when you need to know

You will never know in rudeness

Learn            To acquire wisdom you must study

Learning is one of your watchwords

You both are committed

You too were bought for a price

Faith in LIFE in all you do even in falling even in error  
is necessary

Your flesh is weak

LIFE knows this

You need examples of faith

Look at all I have promised

A Family and a faith to carry LIFES word to the weak  
and desolate

To be an integral part of all Franks good works Healing  
prophecy personal guidance through sittings the true

interpretations of the Bible proof of life after bodily death  
financial assistance to those in a position to further your  
good works

Need I go on

Need I belabor these promises of Faith

You wonder if you will be called

You have been called

You are called to be an evangelist and that is your  
beginning

But again I caution you

You are first and last Franks counsel

Where he goes you go and what he reaps you reap

You are committed

Only I can alter this and only would that be possible for  
me to accomplish if LIFE be willing

I also serve

You both have much to accomplish

Remove all the barriers that confront you

When and only when you have accomplished this will I  
let you begin to sow

Once you begin to sow your harvest will never end until  
you all reach the Inner Light

This is not my Promise

It is the promise of LIFE and the LIGHT of the All in ALL

I command you to place your life in order as I have  
instructed you

Your good works cannot possibly begin in earnest until  
you are completely free

Get free

Never give advice you yourself cannot follow

Your importance to your fellow man is not what counts here

Take a good look in Faith and all that implies at your own humility

Gauge it not against your fellow man but against Jesus

To lead and as a preacher of the word of LIFE you will have to lead you must first learn to follow

The quicker you learn to look to Frank and thereby look to me the quicker you will have fulfilled your purpose

As I have said I am patient

How could I possibly be otherwise when LIFE shows us how

Let me put it in language you can both understand

The sooner you are ready in all areas the sooner you will truly live the good life through Franks good works

I know your futures

I exhort you to action

If it was within my power I would hasten all things to  
get with it quicker

These matters lie in LIFES providence and rightly so

Nothing happens by chance

All things have their purpose

In your time you will do what you have to do and not  
what you necessarily want to do

My love and prayers are always with you in the LIGHT  
the teacher of many pure things including humility

Come forward in your preparation for your needs and  
purpose in LIFE

It is good you come

One last thought

If you have any pretenses that your life is your own  
forget them

For with us or without us it is the same

Only the results will be different

It is good you come

I a Servant in and of LIFE greet you

I appreciate your promptness to details

You both still misread my intent and instructions to you

Of what purpose would it avail for Ted to study the  
workings of the false prophets and charlatans

Without my thoughts fused to his thoughts they will  
avail him naught

It is for you to learn and then to teach your Family

The final interpretation of all I communicate to you lies  
in your hands for you will know

when you need to know

Chambers informs me that Ted still thinks at times that he is not really totally committed

Such foolishness will always remain in the mind of the incarnate

I guide Frank in his calling and since I know your futures I can quite easily invoke certain situations upon you both that confuse you and cloud the issues before you

All things have a purpose and they are so designed to teach lead and educate you both

That is my prerogative and I shall invoke same whenever I need to position or reposition your paths

Remember I have said that you can fall but not fail

And believe me you can fall hard

I see no reason at the moment to go to such an extreme at this time

But never for a moment forget the power of powers that directs all that I do in His name

Now this

As I have said before study will lift the fog of your inner ignorance and superstitions

I have now dissipated most of your misunderstandings

You are at this time aware of the tremendous potentials that lie within your inner mind

Your divine gift must be utilized to help those who have lost their way

You will heal the sick comfort those in need of same give much strength to those who are weak and caught up in the throes of excesses and you will in time help guide the earthbound entities to the LIGHT

Your counsel will preach the word

He will be your spokesman whenever you wish to reveal to his audience that which I pass on to you

His studies therefore must remain with the written word of LIFE in addition to all the knowledge that I pass on to him through you

He must not waste his time on what I intend for you only

It is good you both recognize your shortcomings and the need to learn so I hope this communication casts some light of and on your separate duties in order to fulfill our trinity of oneness

In time and when Ted has fully proven to me not only visibly but within his thoughts that he is of us will I then allow James to become his guide

James is waiting

You are a servant Frank as I serve

You must be totally prepared to walk in this life in the manner that befits your calling

I too had to learn and I continue to learn in my quest for all the wisdom truth and knowledge that exists and that

remains open to me

On your plane they call this the Universal Mind

Here we simply refer to it as the SOUL of LIFE

Although I am near infallible I have not as yet come to the end of my progress

Yes I stand eager to impart to you all that I am able to and allowed to transfer to you

What stands in the way my dear laborer is the barrier that you and your brother have placed between us the barrier of your collective ignorances and your inability to follow through with all of my instructions to you both

You do well in those matters pertaining to our joint duties

You do poorly in fusing our tripartite

It will be a day of celebration here when you two both go forward in unison

I have now decided to treat you like children

You know the reward that lie ahead

Now the claiming is up to your efforts

Neither of you have had to suffer

Remember that I am also a servant and that this compels me to take whatever steps are necessary in order for me to fulfill my duties

So therefore my dear children I suggest gently now that you quickly get about all my commands

Go in peace and in LIFES presence but remain ever alert to receive me

Start from the beginning and bring yourselves completely up to date

Remember you make your own progress now your own time now at least until I see how well you progress on your own

I do grow weary of your procrastinations but He teaches

us all patience

My greatest task seems to be getting you two emotionally and intellectually prepared for the great changes awaiting you both

It is good you come

I greet you in His name

I am somewhat pleased to see that you waste no time in your quest of all I have promised

You make great strides in your inner self

Perhaps now you see the purpose of the concentration exercises that I gave to you and what you considered impossible only twenty-six days past

Do practice daily without fail even if you do not always succeed

I wait anxiously for you both to clear up all your loose ends

You cannot possibly carry the work burden by yourself

any longer since I must quickly begin to increase your share daily

I am tired of procrastination and in the future I will deal with procrastination sharply

Those unwilling to labor in earnest for all that I have promised are quite insecure and possibly dangerous and need to be culled

You Frank are now in a position to move ahead rapidly and once you have cleared up a few obstacles I am going to release you to begin your good work

Your thought receiving is improving rapidly and I feel you have nothing to worry about in this area in the future

As I have said your progress is now in your hands

You are capable and therefore you must begin to make wise decisions in many of the areas that affect you there in the physical plane

I again repeat for both your enlightenment that LIFE will never do for man that which man can do for himself

Disregard to your duties at any time of your lives will just not be tolerated

Whether you make progress or not is up to you but you will not approach your duties in a lackadaisical manner at any time

When I say I will prod I mean I will prod  
If you earth counsel sincerely want to walk and talk with spirits from other than your plane then I remind you that James is waiting for my release

There are many beautiful roses where we now reside

What have you really done to earn what I promise you

Again I remind you to pay close attention to all Frank says

Your brother relates matters to you as I instruct not as he wishes

There is a reason for all things and you need no explanation from me

So here I am waiting in love and patience for you my dear children

You will in time do all you must do

I for now would suggest that you make life more comfortable by paying stricter attention to all I command

First clear up all your barriers that preclude your progress and then possibly just possibly we may begin in earnest the tasks that lie before us

Many spirits are in need of help as are many man incarnates in need of Franks gift

Unlock it

Get on with our work

It is good you come

As you have seen all matters of which you were so deeply concerned have resolved themselves

Faith does many wondrous things

The will to will reaps much and allows the unity of opposites

Now that I finally have the attention of your counsel perhaps we can get on with our tasks

Once you have both put your houses in order and I mean by this completely in order you will be free to go forward rapidly

Your rate of progress lies in your hands at this time

Once I see effort and accomplishment in all things you will more rapidly see my assignments for you both unfold

I tell you this

Once having arrived at the position of being free of your physical planes duties therefore being able to devote your time and efforts to the singularly most important work of your lives you will collectively heave a tremendous sigh of relief and gratitude for your good fortune and you will praise our LIFE and LIGHT from the rooftops

Much awaits to be accomplished and to be revealed to  
you

How could you possibly build a Family of the faithful if  
you are yet unable to do the simple things required of you  
now

All barriers must be alleviated

We cannot go forward until they are laid to rest

Once you arrive at this point I promise you complete  
disclosure of all I have communicated to you both up to this  
time

You counsel are supposed to be in charge of all matters  
of business and detail that I charge to you in all my  
communications

Frank must be free to practice and exercise all I pour  
forth unto him

Be more alert to what is being relayed to you from me

You both will do what you must do as I have said many times

Time is of great importance and you must not waste it

Diligence to duty at all times is my command to you both

I feel now that matters between us are clear

I go now in peace

Walk in love and brotherhood as you are both deeply loved and needed in His name and cause

I will guide you fear not but your own inabilities

It is good you come

I a Servant and Soldier through the will of LIFE greet you

Your activity in all matters comforts many

It is surprising what a call to attention can instill in the

mind

You will both reap the benefits of your sowing

Beginning shortly my dear laborer I will commence to unfold to you much information that we here feel you are now ready to assimilate

I shall further enlighten you on matters personal this day and give unto you instructions which will not be completely comprehensible to you

Concern not yourself with this phenomena for as you carry out my instructions all matters and reasons will unfold unto you

I am pleased with your efforts

You both show improvement and a keener sense to duty which is what I will continue to expect from you both in the future

Once having fulfilled all my instructions to you both your loose ends and your personal duties you will find a

tremendous enjoyment and peace in carrying out the good work planned for you

Much lies ahead for you both to accomplish in all areas

Diligence to the tasks before you must come in order hence my need for having had to prod you into activity

Work diligently in good faith always

You my dear laborer are losing your sense of individuality in attaining your union with LIFE

It is your fervent practice of the presence of LIFE in all things that is affording you your conscious contact with me

Such an act as this is what will afford you with the tremendous gift of prophecy through my guidance as well as the fulfillment of all matters I have promised you and your Family

It is through your descent into yourself that you successfully breach the spheres separating us here

You know now that you come through the Eye of the

Dream

Why did you wonder so

Since LIFE Itself is invisible to man could you not discern that so too is Its process of emanation

You need not explain what I have disclosed here at this time

Such information must be earned through examples of strict diligence to duty

It is good you come

One last but extremely important matter

I do not recall my giving instructions to either of you to meddle in your brothers and sisters lives

Who are you to judge                      LIFE judges

Let he who is without error cast the first stone

Remember this lesson in all matters

As you have your lives to live so also do your brothers  
and sisters

It is good you come

I a Servant of LIFE and voice of many greet you

I see progress in your many endeavors despite the  
many interruptions of your time and concentration

You must direct your efforts solely to those matters of  
a physical nature that continue to exist as barriers between  
us

Such matters are within your personal accomplishment  
and must be conquered and brought to fulfillment through  
your own efforts

When you are both in a position to turn your attention  
to the tasks I lay before you in totality will we be able to go  
forward in a positive and workmanlike attitude

You Frank must remain open to me at all times  
regardless of time

This door never closes

Be prepared for a call at any time of your day or night

To accomplish all I demand of you I will need and I will get your undivided attention in all such matters

Hence you both understand the necessity for being in a position of granting me your time

All your little tasks must be delegated to your aides to free yourselves completely to follow my instructions which are many and varied

You have no idea of how many or how varied they truly are

Until you are both in a position of allowing me your full and uncomplicated attention and time we shall not go forward

Work and study diligently

Increase your tempos upward

Stay close to those who struggle never let them go

Come to me with free and open hands and I will lay unto them all I have promised you through the Grace of LIFE

You dear laborer be prepared this night to enter the Eye with me and others

A message of great importance is to be relayed to you

James asks that your counsel begin to concentrate on your dreams a bit more

I concur as the training will stand you in good stead for what lies ahead for you

I send you love and peace and the strength to carry out your tasks

Many eyes are with you and watching your progress

I await the hour I am able to release you in the true beginning of your good works

You make your own time my children

See that you build properly and progressively

It is good you come

I a Servant of LIFE greet you and wish you well

I know how very exhausted you are yet I feel your elation over the great strides forward you have taken these last few hours past

I am compelled to communicate to you in this manner for two reasons

One is for your records and the other is for you and your counsels comfort for the mutual trust between you and your mutual devotion to each other to LIFE and LIGHT and to the Book of LIFE must again put in order

You are called

You will perform the good works

You are being trained by me

You are in command there insofar as the final word is concerned in all matters pertaining to your calling

Your comfort is his responsibility not your discomfort

Let him now understand that you hold nothing from him

I make all decisions in regard to disclosure

I say unto you Counsel do not ask for information

What will be told to you will be given unto you in the proper and precise order of the total whole

Frank is engaged in training

I guide this training

I inform Frank of what he may and may not disclose

Refrain from making him uncomfortable

He has much on his mind

I need no added confusion of his mind

It hurts him deeply not to be able to confide in you more than I allow him to

He is your brother and if you would only understand how deeply he feels for you I am sure you would treat him and his feelings in a correct manner

I talk not of his everyday personal feelings

He has those mostly under control

I talk of his feelings in regard to his calling and his need to talk of them with you

But for now I for reasons that need no explaining preclude him from doing so

Attention to my command

All my attentions commands cautions and suggestions are in order

See to it that you comply

Clean up your loose ends

You both must leave trivial matters behind you

You are a Partnership and you must act as such  
See to it

And once having accomplished what you have been  
given to date you will have earned the right to know much

When you begin to actually function as Franks counsel  
you will be immediately welcomed into the ranks of those  
privileged to know

If it seems that I belabor this point of curiosity allow me  
to say that it is not your eagerness to know that I belabor

We are involved in a matter of Franks comfort

And that my dear Counsel is of the utmost importance  
to all of us here

Go in Love and Peace

You will come also in time

It is good you come

I a Servant of LIFE come to guide you through the grace  
of LIFE

Welcome

Having established the truth concerning the Spirit life  
after passing over in prior writings

I will briefly outline some further influences this  
revelation should have over your principles of conduct as  
believers in the LIGHT

The Spirit upon coming into the LIGHT should be  
prepared

The anticipation of entering into such an exalted  
Society should now be weaning man incarnate from all  
undue attachment to worldly objects

You who expect to be associating with prophets  
apostles patriarchs martyrs and of course with the most  
intelligent and pious of your departed friends must

therefore not indulge any anxiety in relation to the riches honors or enjoyments of your world

You who see your calling know the hopes you may safely cherish

If you are to be risen in Spirit then seek those things which are above where the LIGHT sitteth at the right hand of LIFE

Set your affections on things above not on things on the earth

Walk always worthy of your high vocation

And seeing that you are compassed about with so great a cloud of witnesses to whom in a short time you expect the felicity of being introduced let it be your concern to lay aside every weight and the mistake which doth so easily beset you and run with patience the race that is set before you looking unto LIFE the author and the finisher of your faith

Now I know that some of you have been sorely afflicted

This providence dark as it may have seemed was

designed solely to accomplish a divine purpose

We here hope that these such have aided in impressing upon your minds the uncertain tenure and nature of all earthly things

LIFE has in many instances imposed woe to man simply to gain his attention

It has also among other reasons removed those that were dear to you in order that your affection might be more detached from earth and your thoughts be more frequently with that blessed society to which all LIFE fearing men are hastening

Therefore instead of passing your days in gloomy and unavailing recollections consider the gracious designs of LIFE even in your severest trials

It has not afflicted you willingly but for your profit that you might be partakers of Its holiness

Man must learn that his Spirit must travel to the Celestial City without the company of those whose conversation and kindness have formerly beguiled the

## tediousness of THE WAY

Yet still there is consolation for those who are Justified  
The remainder of the Journey once having passed over  
in finality will be short and at its close they will join their  
beloved companions families and friends who have so  
preceded them into Glory

This persuasion that you shall know your departed  
loved ones here in the LIGHT should supply you with  
motives of pious usefulness

For it is in perfect harmony with the doctrine that  
which you call Heaven is the reward of Grace and that LIFE  
is the source of all Joy there to believe that LIFE has so  
ordained that a part of the happiness of Spirits shall arise  
from the remembrance of having honored and served LIFE  
on earth and of having diligently and successfully exerted  
themselves in promoting the salvation of their fellow man

Having this knowledge of Life after death through faith  
in LIFE and being justified in this faith can you conceive of  
anything more rewarding than being an instrument of  
conversion by bringing a Spirit unto the knowledge of these  
truths

Many incarnates and many more earthbound spirits are in dire need of such conversion and all true believers in the name of LIFE should be so bent

You can all be the instruments of much happiness by speaking out forcefully in LIFES name and by giving Recognition to those not so inclined as yourselves

Or perhaps by simply giving some friendly advice or repeated warnings to someone who is devoted to the pleasures of the world could very well be a means of reclaiming such from the path of the unjust

By displaying yourselves as shining examples you can reach the conscience of many a thoughtless transgressor and therefore convince them of the extreme folly and danger of their pursuits

As for the earthbound Spirits there are but a few paths open in which they may be goaded into progressive action

I shall devote an entire communication solely to this matter for it is an extremely delicate understanding as some of you are aware

Your spiritual group will in time be quite instrumental in attempting to accomplish this sorely needed goading

I will come into your group circle for this express purpose

In relation to some one or other of these instances cited you may have the unspeakable delight of ascertaining that you were made very useful while there on the earths plane

Such high aspirations as these set forth should instill in you all the desire to be more faithful and diligent in the discharge of your every duty

For I tell you all that in doing good to others you will be twice blessed in the eye of LIFE

For you will be blessed while there in the sweet Consciousness that you have not lived in vain

And you will be blessed here not only in the approbation of your Saviour who considers what is done for his cause as done to himself but in the grateful recognitions of those whom you have benefited

Therefore my beloved brethren be ye steadfast unmovable always abounding in the work of the Lord forasmuch as ye know that your labor is not in vain in LIFE

If it is the hope of reward which in your present lives that sweetens your labors then surely the hope of such eternal rewards as I have described herein must give vigor and perseverance to all your pious and benevolent exertions

In view of such blissful expectations can you not feel the full force of this expression

He that winneth Spirits is wise

Yea for he shall shine as the brightest of the firmament and having helped turn many to righteousness he shall outvie the luster of the stars forever and ever

Now you who expect to dwell together here in the LIGHT may be reminded of the good you have done but may it also be possible that you be reminded of having created difficulties of having shown discord among your brethren and of having spoken and acted unkindly WITHOUT A CAUSE

And you may then see such a train of evils proceeding from your conduct as will fill you with astonishment

All this will indeed be forgiven but as shame can exist in the LIGHT I assure you you will blush at your recollection of the inconsistency of your characters

You will in the most unqualified manner condemn yourselves for every departure from LIFE

Lay aside then all malice and all guile and hypocrisies and all envies and all evil speakings

Do this not only as it respects the belief of all others who bear the moral image of the LIGHT

Be tender of their reputation

Do not ascribe to them principles they do not avow

Do not impeach their motives nor attempt by any means to impede their prosperity

Your concern should be with those who are entrapped by evil

Be peacemakers kind and gentle towards all men and loved not in word and in tongue but in deed and of a truth then the remembrance that you had separated friends and promoted strife

Let it be then your constant aim so to regulate your social and spiritual existence on earth that the review of it in the LIGHT shall afford you the most pleasurable emotions

Are your friendships and love there such as inspire you with a hope that you will be a fit companion for the Spirits of LIFE here

If not I beseech you delay not a serious attention to that preparation without which no Spirit can ever see the LIGHT

The Kingdom of LIFE is a prepared place for prepared Spirits

Unless you are qualified for this plane by being renewed in the Spirit there and by an humble trust in the meditation of the LIGHT you could not be happy were you permitted to enter into it

If you would die the death of the righteous and desire that your Spirit not be earthbound and consigned to walking to and fro then you must live the Life of the Righteous

The Judge of all the earth will render unto every Spirit according to his deeds

He that believeth in LIFE and worketh righteousness shall be accepted of him and he shall sit down with Abraham and Isaac and Jacob in the INNER LIGHT

But he that feareth not and worketh wickedness his portion shall be with the unbelievers

These of the many deaths shall traverse to and fro in SELF Inflicted bondage

We Pray for you our friends

Be ever fearful lest after all that has been related to you of the blessedness which shall arise from the righteous knowing each other here if they so will and of the wretchedness of the earthbound you should still persevere in iniquity until you learn by lamentable experience that transgressors are destroyed in Spirit together and their

mutual recriminations shall keep them from the Glory of the  
INNER LIGHT through time incomprehensible to the mind  
of MAN

Go in PEACE and LOVE through the GRACE of LIFE  
It is good you come

I a Servant of LIFE greet you and all that are beloved of  
LIFE

It grieves me to tell you that I become more and more  
exasperated with both your misunderstandings of my  
directions to you and your inability to carry them out

I Pray that you harbor no such foolishness as defiance

Further you press me with questions on matters you are  
capable of answering yourself

Now set aside all earthly chores that you can easily  
designate to others and allow them the full responsibility to  
carry them out per your clear and concise instructions and  
get on with the business at hand

You must work exceedingly harder than heretofore to

receive and digest all that I pass on to you in a nearly continuous cycle

You have no time to travel as yet

Your Counsel may do so if he wishes

Neither of you as yet understand all that I have transferred to you

That is why it is imperative that you both devote all your time to the message as received up to this moment

Your evenings should be dedicated to studying my communications and mutual discussion of them to assist each other in a common understanding of them

He must also continue to stay close to those who struggle

One evening he must give to your Spiritual Group

His task there is to carry the message of the Scriptures for this is necessary training in line with what lies ahead in our overall Plans for him

He has time more than enough time really to do all that is expected of him

If he could but understand that he must lay aside the running of his house on a daily basis

He has a housekeeper

Let him now begin to allow her to run the house on a daily basis

Once his house is filled he will be in a position to have someone cover those periods which he allows her to be free from her duties

Under this same premise he will be in a position to have someone handle his maintenance and whatever chores need to be covered over and above the duties of his housekeeper

LIFE will never do for man that which man can do for himself

As predicted A House will fill will be accomplished

He must though exert himself in many ways to

accomplish this

I tell you it can be done once he lays aside his inactivity

Should I give him credit for doing what your secretary should now be doing

When I related to you both that I wanted you involved in our work on a full-time basis I meant exactly that

Full time

No housework no secretarial work no gardening no laundry nothing but full devotion to those duties that will in time afford you both free time to indulge in whatever your hearts desire

Your Counsel and many others now pray for his baptism in the LIGHT

Such rewards shall only be bestowed unto those who are Justified

Let him review his commitment and to understand to whom he has committed himself his very life to

He must earn such rewards he now prays for

I have no fear of his receiving his Just Rewards but that is exactly what he will receive

His Just Rewards

Let him now hasten to place those matters of importance to his Justification in their proper sequences and understand that none of these things that I have mentioned are to be considered or taken as chastisements

They are very very important instructions for one who wishes to become fully human and fully spiritual

His own personal matters are just that Personal and he is fully responsible for them

What he does in the way of asking your advice or not asking is entirely up to him

He will in time learn that you have access to the well

I love you both deeply as do many

I though have a great amount of good work to perform  
through you Dear Laborer

So I again reiterate get those matters before you  
accomplished swiftly

Time is precious

You must stop wasting it

Procrastination will not be tolerated

You are both far behind our expectations

It seems that whenever I praise you or fill you with  
happiness and Joy you sit back and bask in the warmth of it  
and forget your duties

I tell you that I rapidly come to the end of my allowable  
permissiveness with you

From this day forward you will do the following in  
totality or I will move you Dear Laborer to more fertile  
ground

1) Fill your house

It will be done

- 2) Finish up your furniture business for the time being

It will in the future be useful to you in a most obvious way

- 3) Obtain secretarial assistance

As I have previously stated even part time help is acceptable

Your Counsels Jewess may type the remaining written communications

- 4) Submit your choices to me of at least three aides in a reasonable amount of time

- 5) Begin planning an area there within which you may hold private sittings in comfort and privacy I will guide you

Peruse the laws pertaining to such undertakings that will involve you

This is imperative

Your Family will need financing as will your travel

Your gift and abilities to assist those in need will be your means of accomplishing your good works

You see the many tasks and needs ahead of you

You can accomplish none of this in your present condition

In addition to these tasks you must continue to study diligently the Scriptures on a daily basis

I will say that in this area you both do well

I am pleased but you still have much to assimilate in this area

Now let me say here

You both have blind spots

Attempt to remove the mote from each others eye

Go in Peace in LIFES Grace

I hope the fires are lit

In regards to our latest thought communication do not let its discontinuance upset you

I terminated it for reasons that do not need concern you

I am sure you now understand what I refer to

Be prepared to receive this evening

It is good you come

I a Servant of LIFE Soldier of the LIGHT greet you

Do you not understand that LIFE is ALL in ALL

LIFE is kind and gentle and loving

LIFE is mighty most powerful and loving

LIFE is stern a task master and loving

LIFE is a disciplinarian a rewarder and loving

LIFES Love is expressed in LIFES Grace

Such is the LOVE of LIFE that It cancels the demands of  
Its own Justice upon man

This is what Justification entails

It means that the mistaker is not a condemned mistaker

He is a lost son whom LIFE will always treat as if he had  
never been away if only he will turn around and come home

This is all I have conveyed to you and to your Counsel

Yes I am also a task master but I too love and am loving

How could I be otherwise

Have either of you suffered any loss or sustained any  
damage at my hands

Need you perpend this question

Would either of you dare be so presumptuous as to label your childish moods as depressions

I guide you Dear Laborer

I must and will use whatever devices I feel are necessary and appropriate to direct you where I want you when I want you

This guidance therefore must of necessity include the direction of your Counsel also

Are you both not men or are you children

When you complete a task I lay before you I will show appreciation

When you fail to accomplish a task I lay before you that you are physically and mentally capable of fulfilling and which you fail to accomplish due to your procrastinations then I will and in no uncertain terms admonish you

Neither of you really know what a real seizure of depression is

Would you like to experience such

I feel not but perhaps the lesson learned would be beneficial

I know how truly sensitive and emotional you both are

For therein lies the major cause of your blind spots

Do you not yet understand that I command this calling

Of course you do

Have you fallen

Have you been plagued with evil

Are you the recipients of any woe

Have either of you had to emulate Job

No my dear friends you have not

Have you taken any time to contemplate the reasons why

I suggest that you accept all that I do for and unto you  
in the light of the manner and reasons such matters are  
bestowed

Learn to accept without question and without reason if  
need be all of my directives

Never question my patience

Judge your own

Nothing happens by chance

All matters on your plane and in your lives have their  
purposes

I recognize you as men

Can you therefore not accord yourselves the same title

Accept the truth that all matters before you now will be  
completed

Go forth and do so

Must I wave a wand

LIFE will never do for man that which man can do for himself

Should I dare attempt to circumvent the will of LIFE

Need I really say more to you than this

Go in Love and Peace and full of expectation

Neither of you have the patience to live and therefore neither of you have the patience to die

There is no matter before you that will not be accomplished once you exert your full efforts towards their completion

You are both loved and in our thoughts and prayers always

Remember that any and all admonishments you receive you have earned

Would you have it any other way

I think not

It is good you come

I a servant of LIFE greet you

We are now four

As I have laid before you all things will come to fruition

LIFE in Its TIME gives life and structure to All It blesses

We of course never question such POWER and LOVE

For it is the LIGHT that UNITES us and which will direct us all in the never-ending quest of the liberation of all MEN in LIFE

We have many tasks before us and each member of your Family will be an integral part of the WHOLE

If the material body of the entire Universe as you know it there the sun the moon the planets both major and minor and all that the heavens and earths contained were compared to a mighty Sequoia then the LIGHT would be this tree

The sap of this tree would be the LIGHT and the power and force of the sap would be LIFE

We will talk of this tree in a future communication in relation to what I and your Family will be called upon to perform in order that we may properly adorn this tree in all that we do

I speak not of idols here LIFE forbids

I simply make an analogy of a means of explanation to you for your comprehension

Now that you are approaching the prerequisites of your release I will need to increase the tempo of your learning

Yet many tasks lay unsettled

They must and will be laid aside for until you are completely devoted to Its cause we can go no further

The setting aside of your worldly interests as they pertain to riches and pleasures of the flesh are within the areas I have set before you

Yet you must act natural within common sense

You will come

Your education is another matter

When your counsel puts his affairs and his house in order he will then be in a position to assist you as I have instructed him

You lack insight in many areas

Although you find it difficult to understand the need for such insights I assure you of their importance

For regardless of your false thought I tell you in plain language that I will not always speak for you

You will know when you need to know means exactly that

In all those areas of your everyday living and association with matters in and of our cause and your gift you must be in a position to act think and speak wisely

You are not capable of making all decisions but you are capable of making many with the knowledge you now possess in your inner mind

You still falter in the utilization of such due to your lack of intelligence in many areas

You see why you must practice and study on a daily basis

You have time for nothing else until you reach a physical and mental level that will allow our safe release of you into the main stream of the overall structure and you must on a daily basis turn to your brother and Partner for his advise and guidance

I therefore must keep pressuring you and your counsel into upward activity

You are both capable of such activity and self-advancing

I pray you do not force me into discipline and I now feel this is unnecessary

You must be capable of thinking deeply and wisely at all

times

All of your thoughts and actions your every mental reflex must be tuned to a degree of intensity of concentration that will allow the automatic fusion of our minds at will

Further you must always remember that the charitable man is the near perfect reflection of LIFE

For it is by being charitable that you draw your inner mind closest to the WILL of LIFE in your life here on earth

For it is in charity that you do the most work for LIFE and for your fellow man

Therefore is it not so that you do the most for yourself when you practice charity in all things

Further on I will clear up in part your misconceptions of time

Here we will have your aide DL apply his thoughts and studies

Let him pursue his time for now in an understanding of time as it is known to man

He need not make an in-depth study but he should make an overall study of time as man understands it in relation to the past and the present of your earth

I shall come and have you walk with me again for the express enlightenment and training in time or the nonexistence of time as it pertains to the Cosmos

Your misunderstandings of my use of the word time has allowed for difficulties that I have overlooked

I will now begin to correct this

As you are an intricate and integral instrument of the total whole of the structural system now being vitalized it is of some importance that you have this understanding of time as I refer to it

Although you show improvement in your study and practice you yet misunderstand my message to you during the periods of transmission

You are still quite hesitant to let it out without thinking on it

This is a perfect example of the need for you to have a greater mastery of your thoughts than you now possess

This is the major need for your study and practice of all I have laid before you

Your ecsomatic experiences will greatly aid you in alleviating this problem yet you still need a much more refined brain to fulfill your accomplishments

All man incarnates must in time accomplish something that is now extremely difficult for him to even begin to comprehend

For he must and in time he will learn to unlearn his false identification of his thought waves the ego senses he now holds to be his true thoughts

This whole procedure will involve the extremely difficult process of the complete transformation of his character

Man must come to the realization that the human brain

is nothing more than the library of the lower mind

We here refer you to the Sacred Volume wherein it is recorded there as A Renewal of the Mind

For is it not true that your world is as large as productive or as small and therefore unproductive as your thoughts

Once man can learn to enter his unconscious his inner mind and gateway to the eye of the dream he will then find the eye of the dream as you have

Once you have completely mastered this process you will begin your good works

How could you possibly otherwise teach this subject as something that exists only in its non-existence

It is in Spirit that all things exist and do not exist that all opposites exist

These opposites in their complete ignorance of their differences fused into a unity beyond your meager understanding of oneness which holds no possibility of such

differences

I have digressed too widely

What I say to you in simple language is this

If you are at home in your thoughts then you are really  
at any place you want to be

For the Eye of the Dream knows no time as you there  
know it

This matter of time therefore and its involvement with  
the Inner Mind must be placed before you for your  
discernment

I will add much at a later time

You all have sufficient to accomplish for the present

Bring all those tasks now before you to completion

It is good you come

I a Servant of LIFE greet you

I admonish you to work harder on maintaining your

openmindedness

To this day you have been lax

Prepare

You also misconstrue my instructions

You now usurp your Counsels work

Have I not made myself clear to you on the separation  
of his and your daily duties

He will continue to manage your Family and to  
introduce them to my communications

When he needs spiritual answers he will come to you

Your enlightenment of DL was not the message I gave  
to you

I did say to share this knowledge with him but within  
the framework as I have set it before you

Allow your Counsel to function

His position within your Family is second only to yours

I am aware of the questions in your minds in regards to the three

Answers will arrive but only at their proper time and sequence of the All

It is good you come

I a Servant of LIFE greet you

I who have been taken into LIFES Counsel and have in part told you of Its desires for you and your Family say this

I have also made trial of you to see if you were strong enough to fulfill these desires without the necessity of an overt act of Providence

You dear Laborer have qualified your worthiness as you know

Your faith is steadfast and Justified

You have faced undaunted the onslaught of many assaults on your mind and body

We shall continue the testing of others but for you the trials are now receding

Hence as you and I follow LIFE they will in most follow us and find that which you now have locked in your unconscious because you are a proven fair and foul weather veteran

You must continue your study and practice of all I have and will continue to unfold before you

It is imperative that you reach that point in your life where you peruse and practice diligently whatever I place within your grasp

Fear not of worldly lucre for you will be maintained and provided for

Soon and fear not you will know all the secrets of human silence and Spiritual silence

Therefore it becomes increasingly necessary that your Counsel pay much closer attention to your every utterance regardless of how seemingly casual you may design to make them so that he too may receive your spiritual Knowledge

He has much to learn as do you

He has yet to learn to follow my instructions as do you

I give you both little time precious little TIME to get your work done

I will unfold to you much in regards to time and silence

For silence is also a mode of speech and silence is also an exchange of Minds

Within Mans conscious memory everything is worn and withered and it must be renewed and therefore the old must be done away with for the new because the memory of the Inner Mind the remembrance of the turning of the key to the Eye of the Dream becomes a NEW Reality

You are now learning to relate every situation as if it were I acting in every situation in your place but be assured it is not I who acts but you who act in the Name of LIGHT

Once you can relate every life situation as it is LIFES Will with the same sense of devotion and love you apply in your daily act of cogitation and meditation your daily living

in our purpose will become a total act of fasting and devotion to LIFE and LIGHT

For in practicing the presence of LIFE in all you do is the first step towards perfection of all that Spiritual life contains and holds forth promise

These are considered Mystical beliefs by many of your plane and it is through this mysticism of Faith that man may obtain the True Eye of the Dream and enter the Unconscious

Man has a choice

Few have yet chosen wisely in relationship to the many

It is through Mans Faith and the Unconscious Realm that man may Realize the power of interrupting his own Karma

All that man need do will in time be forthcoming unto you

For all the help that man needs and has needed since the exile of Adams SOUL lies within his spirit

Jesus came and taught THE WAY

Man has yet to solve the teachings of Jesus and explore  
The Way

Many have been called but as yet only a few have been  
chosen

LIFE has sent many Spirits forth but their messages  
were also misconstrued and misused by man though some  
even from the earliest times have solved the mysteries of the  
Inner Mind

You and all of those you call yours have their Karmas  
locked into your spiritual position

Be wise            Be fruitful

Be attentive            Remember that doing is better than  
being

The Law of Reciprocity must be your mainstay

I say mysteries for that is how man incarnate and his  
varied Religious Faiths beliefs and non-beliefs have treated  
the messengers sent as well as their messages

I say this to your Family now and remember these words well

Never let the formality however necessary hide the Reality of what is taking place within you when and as it happens

Rituals are really not for any of you although a certain amount of formality and security will at times be necessary especially as it relates to conduct and also as it will apply to your Family

Incidentally you are far behind the schedule as we have it laid out in this area of your good works

I will write of this matter further as you progress rather than digress

Remember Dear laborers that the middle Path represents the Force Necessary to unite the opposites

It is this middle path the place where one may discern the sound of one hand clapping and where the breathing of the dead is also discernible

You dear laborer P will not be the mystery of the Family  
of LIFE and LIGHT

You will leave that matter to us and to your brother and  
Partner T

Once again you have questioned my motive of sending

The mode I choose will suffice

Your minds hold no secrets from mine

Let me say this

I have no one style of expression in any of my  
transferences to you

I have been forced to use whatever measures needed in  
line with your moods at the time to accomplish whatever I  
intend to convey to you and your Counsel

At times I find you slothful      At times I find you  
uncaring

At times I find you lazy      At times I find you  
indifferent

At times I pray to find you attentive

Thanks be I do now and then                      Enough said

You Know the Keys to prove my authenticity over and  
above those that Your Family and the Jewess are aware of

I speak of this only to accomplish the easement of any  
fears that might arise within your growing Family

It is good you come

I greet you in LIFES name in LOVE and PEACE

As I have said MAN has a choice Life or man ease or  
disease good or bad happiness or misery love or hate service  
or disservice

LIFE created man

Man creates his own life situations in line with his  
destiny

LIFE embellished MAN with many traits and moods

LIFE also gave MAN incarnate intelligence to deal with his emotions as he so chooses

There is no limitation within LIFES creation

No secrets of the earth that MAN has not the ability to solve

The elements which compose the Universe its depth height and direction can all be understood and used for MANS good

They may also be used for evil

MANS emotions has in his intelligence a counter balance for all things

MAN has a choice

His destiny is known

Still within the individual lies the power to allow one to interrupt ones own recorded destiny

The mysteries of the Inner Mind have and will continue

to be learned by MAN Once MAN learns to unlearn the placing of MAN more highly than LIFE then MAN will evolve into his true purpose

Some civilizations on your earth and elsewhere have nearly succeeded only to fail within reaching distance of perfection

MAN looks for them and proofs of their existences in all the wrong places

Have I not said that MAN has failed to solve the message of the messengers of the LIGHT

Spiritualism the true spiritualism of LIFE was again unfolded to MAN incarnate on earth with the advent of the Wisdom brought to earth in the consciousness of Jesus

LIFES very purpose in the sending of the LIGHT incarnate was in part to reinstitute in MAN his awareness of LIFES purpose for him to circumvent his own justice to remove and atone for Adams mistake to allow mankind on earth to emulate the LIGHT who was the living proof that all of the mysteries of the universe could be solved

For is not death the greatest mystery of all the

## mysteries of LIFES creations

There is nothing hidden that will forever remain hidden to mankind

MAN must learn that nothing happens by accident

There is no coincidence

All happenings have their integrated purposes

Whatever MANS Spirit experiences during his carnal flesh life on earth could be repeated again and again

It is also subject to change at any time on any plane level

I know you realize that all men need a push towards the base of the mountain their Spirits must conquer to retrieve their exiled SOULS

The LIGHT was such a thrust but MAN is cluttered about in utter confusion

Man searches for gold and silver and pleasures of the

flesh

He does everything to excess but the multitudes have yet to overcome those things of their earth but they invariably in the name of happiness place all above LIFE

Again I remind you for a purpose

Be yourself as you evolve into your true purpose

Be courageous and of course openminded and Righteous

Dare to go where others fear for I go with you constantly now especially as the protector and guardian of your gifts

Still you must act and make decisions naturally

You are capable of such actions and this ability is growing at a perceptible rate in line with our expectations

You realize that all your acts must be acceptable to the Spirit

Refer all you do to the Lords blessing for in doing so you need not fear of making more of worldly matters or any man than you do of LIFE or Its gift within you

As a full believer in LIFES LOVE and GRACE you have attained the plateau of the inner mind as a full Spiritualist and all that implies to your present knowledge and that which is to come

You grow daily in your awareness of that within you  
Hold to it

That you do not even think of abusing Such stands you  
Well Here

Many have lost their gift by evil thoughts but you prove  
worthy of your calling

You err but your mistakes are few

The gift and the Power to Exercise it comes from the  
Light of All Light in an extremely intricate and very delicate  
manner of Divine Consciousness

I am a part of this Light in the sense that I am an

instrument of Its Power as you are within the chain an  
instrument of Its Power and mine

We are brothers all

Those troubled spirits who you will be assisting there  
on earths plane and elsewhere therefore become the  
instruments of Its Power of your gift channeled through me  
through you to those who you will aid and be assisted by

The chain must never be broken nor disrupted

Give to T your Knowledge

The results as you know could be disastrous if you fail  
to make the instructions clear

The known and unknown intricacy of this chain is  
impossible to comprehend at your spirit plane level

It has in the past caused difficulties in a manner much  
too complicated to explain within the framework of man  
incarnates known intelligence at this point in time of all  
time

That you have not seriously questioned these matters  
being sustained in and of your faith has compensated for all  
your shortcomings

For you see faith total and unquestioned

Faith then has been your instrument for justification in  
the Eye of LIFE

You have learned that only the individual man means  
something not his language

For that is but an instrument of man

The true expression of faith is Knowledge a thought and  
not a mere expressed group of words

That your belief expresses your faith therefore it has  
involved your spirit into its transcendence and its Knowing

Your thoughts are above religion and at a plane level  
incomprehensible to most men incarnates

Your intelligence as equated by your peers there on  
your flesh plane is by them considered inadequate for you to

be what you must in time declare yourself to be a servant of  
LIFE

You will be vilified but your study and practice of all I  
lay before you will alleviate much of this in time as you  
increase your knowledge of matters peculiar to both plane  
levels

I need to emphasize here for your Family that the  
Christian Revelation is not a Revelation of propositional  
truths

Its message that is the ultimate reality with which man  
incarnate is concerned is personal

Man must as an individual through Inner Faith get in  
touch with Truth Absolute and Final

This truth must not be a theological system but as it  
really is a person itself

Theology must never determine faith for language can  
never do so

It can and does analyze faith both as it exists and does

not exist in total truth

Faith lies far beyond theology in the Inner Mind of man

Truth lies beyond faith far beyond in the spirit of LIFE

Faith is a personal individual quality and a gift only man can bestow upon himself in his Oneness

Love faith ideals passions aspirations loyalties are not directly observable but you know or are aware of their very existence as you are aware of the presence of LIFE

What is now locked in your Inner Mind will soon be released in stages

You know now in part that which will be so treated

I will in time inform you in thought as you progress of all that is now determined that you shall be required to accomplish

You are far from total awareness of all that is privileged to you alone as well as much that is also for your Family's discernment

Again I point out to you that the reasons for this are quite intricately involved in the chain of events that have are and will continue to comprise the total whole of the structural system of Its Will

Its continuous activation is beyond any explanation that I could proffer to you there that would be understandable to your Family

The realm of All in All its total vastness so infinite as to be incapable of MAN incarnates conscious thoughts

How would you explain LIFE now that your thoughts are firmly locked into the stream of Its Total Existence

For you see all the words of a language of every language known and unknown to MAN incarnate could not even attempt to explain LIFE nor reveal LIFE

LIFE is beyond no thing

LIFE is beyond nothing

Still the concept of nothing is within the grasp of human comprehension

Is this not a fact

MAN comprehends infinity which is usually conceived negatively but also he has and does conceive it positively as a reality extending without end

You need only look to the earths human science of formal logic

Therein you will find the theory of an axiom of infinity

This of course does not explain LIFE

LIFE cannot be localized in space or time

LIFE is All in All            It stands beyond the impetus of  
cause desire

It is without desire without non desire

It is Itself            A Plenum of emptiness and of  
All

You see it is impossible to express the inexpressible

The very attempt to explain or define LIFE in Its true

being is a non-existent explanation

A true definition is non-existent

It is not only beyond human comprehension it is beyond the comprehension of all but those of ONE Spirit Plane LIFE is

It is an invisible and unapproachable being who exists in Its non-existence

It is that monad of pure energy that is All in All

The merciful and gracious LIFE the Exalted One Dweller in Eternity Creator of All in ALL most High and Holy Unfathomable

The messengers of the LIGHT were and are forever approachable

They came to us all to show The Way

Man has distorted and misused their purposes

I lay these matters before you for your Family's discussion

For you LIFE lives acts and directs you from your Faith

You are more like me than any I have yet guided in this way

This is why I said repeatedly you would come and emulate me

At that time you neither fully believed nor comprehended what I was attempting to convey unto you

You have improved and will continue to do so

I am pleased with your Aide DL He is being watched over

I greet him in Love and Peace

I see his future and he should work diligently in his current path

You dear laborer will master the problems that beset you

You will come

I will guide you and you will go wherever I take you and those who choose to follow

I tell you all that those who do not breathe in Faith will not be allowed to continue

I have patience but I also see into their silence

I know all your beliefs and degrees of evil

Charlatans who right their wrongs will rejoice in their cleanliness

Those of you who hold secret thoughts and play with toys of the magicians shall walk in darkness the rest of your current days on earth

Their spirits destiny are in the hands of a providence beyond my explanation

For LIFE not only cures glory It cures the unglorious self-seeker and the idolator

Disregard of the Will of LIFE has wrought man incarnate naught

Therefore in the light of all I have laid before your Family I ask only that they commit themselves to LIFE and to devote their very lives to Its Glory and cause for us all

You dear laborer will know when you need to know  
Need I say more

It is good you come

I greet you in Love and Peace

You are capable of making decisions and the time rapidly approaches for you to do so

Still we can no longer wait for your earth counsel

My concern has always to be of you

Time is nothing at my plane                      Time there is  
precious to you

Every delay every digression from duty causes waste of  
this most precious possession of your plane

Think well on this matter

Have I not said that once he gets current that he will have time lots of Time to indulge in whatever his heart desires

You dear laborer should now along with your counsel be travelling to those places of which I wait to send you in order to further your knowledge and afford you the opportunity of meeting those from whom you will derive much in many ways

Heed then well my thoughts to you

It is good you come

I a Servant of LIFE and LIGHT greet you in the name of Love and Peace for LIFE is my witness whom I serve with my spirit in the name of the messengers of LIGHT wick are my experience

Now as a man and called to the service of LIFE through Its LIGHT never did I claim to be that which I am not

The universe is LIFES creation and therefore in and of  
LIFE

Still LIFE is above and beyond the universe

All humanity that ever was is and ever will be is the  
Creation of LIFE

All men are children of LIFE but not all men are children  
in LIFE

For if this not be true then what purpose serve the lives  
of MAN and those places peculiar to his habitation

How readily MAN incarnate on earth forgets or  
circumvents the Commandments of LIFE as soon as they  
become settled in their universalism

To be a child of evil does such make you evils child

What has evil created

No you are all the children of LIFE but you are not all in  
LIFE as LIFE is in all of Its creation

For would you not now have possession of your exiled

SOULS and be with LIFE in All Its Glory this very day

I was called to be Its missionary and made most acceptable to It through Its LIGHT call upon those of you who believe in LIFE and therefore are together with us as The House of LIFE to so state publicly

For LIFES Home is Holy and not attainable of by an unclean or uncommitted spirit

My dear laborer his Counsel and Second Counsel have examined their consciences and have in faith proclaimed their love of LIFE and LIGHT

Now I long to see the woman and the would-be healer abide with us in the House of LIFE

For because that which may be known of LIFE is manifest in them for LIFE has shown it unto them and promised that the just who live in Faith and serve LIFE will walk in Its Light

For as LIFE is my witness and therefore my purpose so also is LIFE the witness and purpose of those who hear my word given in Its name through the spirit of holiness

As you dear laborer had a choice so do all others as this  
is the Will of LIFE

Let them now proclaim themselves in the name of LIFE  
and Its LIGHT

As you and your Counsels now walk in Its Light let those  
who choose to do likewise declare themselves in the eyes of  
their fellow humans and to the eye of LIFE

For it is within this eye that all Truth is known

You dear laborer will know when you need to know

I tell you that those who profess themselves to be wise  
and all knowing are the fools and toys of evil

Choose well and walk with us in Light or consign your  
foolishness to darkness

For the safety of your spirit I caution you that it is better  
to walk away than to take LIFES name in vain

What a terrible thing it is that you would boast about  
your purity and yet you let yourself be fooled that we here

and one there do not know all your secrets

It is good you come

I a servant of LIFE greet you in Its LIGHT

That your Family is growing pleases us

Still we await your united efforts there to increase its size on a continuing basis

Picture if you will six vessels of water and a container of water before you

As you gaze upon these objects ask yourself which glass is mysticism

Or is it all of them      Or is it the container of water

I tell you that it is no single vessel nor the container apart nor all of them grouped together      It is none of these

Mysticism is the water poured into the vessels

LIFE is the mysticism poured into the human vessel the  
spirit of MAN LIFE the mystical All in All

I tell you that mysticism is not myth

Neither is myth mysticism

For MAN seeking the Truth is not enough

I tell you that everything depends upon the way MAN  
takes the Truth

The seed must fall on fertile ground

MAN has a will

MAN must exercise that will into a fertile will to will  
knowledge wisdom and understanding in order to unlock  
the way to the spirits transformation

I do not ask nor would I expect that you would as yet  
dear laborer understand that by knowledge I explicitly mean  
the knowledge to know all that may be known there and  
knowledge to know all that may never be known there and  
knowledge to know all that is not as yet known

I tell you that such knowledge requires Unity of Wisdom and Understanding

For to completely hold the key to the will to will is to hold firmly the entrance into ones Inner Mind allowing the access to and of the transformation of the spirit upon command

This total Reconciliation of the Opposites you see refers directly to those which are distributed through the Other in your mind and which are in reality a product which rely solely on the sphere of Emanation once they have been activated

This dear laborer as you know is the spirit source of healing that affords MANS spirit LIFES gift of Eternal Life

Yet I caution you that it is here that MAN must be totally prepared in order that he does not make such a separation of the spirit and the vessel irreconcilable

It is for these reasons that I have so seemingly belabored the need for total preparation

I see the many false prophets the charlatans and stage actors who ply their false non gifts under the guise of LIFES name and in societies and churches that would be more helpful to mankind if they would throw off their cloaks and display their true guide the Anti LIGHT

Is MAN not backward when he believes he can learn from MAN that which is a Gift of LIFE through Its Holy Spirit

MAN can only develop what LIFE has gifted him with

MAN cannot bestow upon MAN the Gift of LIFE

A True Mystic in and of LIFE may in many ways aid another so gifted but not beyond what LIFE intends

MAN therefore circumvents LIFES will when he resorts to magic in order to label himself a medium and mislead his fellow MAN

I remind you that all men have psychic ability for it is the way of the Spirit

Yet I tell you that all MEN cannot unlock its powers in one lifetime

MAN is a great pretender and imitator when what he really must become is a perfect emulator of LIFE

That MAN was created in LIFES Image is so but MAN has not as yet accepted that he is of four separate and distinct sections Spiritual physical emotional and intellectual

I state that MANS ills are the direct cause of MANS acceptance of what he calls predetermined knowledge

MAN has constantly conditioned his mind to the law of cause and effect insofar as this basic law applies to MANS physical world

I say that MAN must now look beyond reason to solve the mysteries of life and death as he now knows them

Reason is not the highest function capable to the mind of MAN

The Wisdom of the Spirit of the Inner Mind is the highest level of knowledge that MAN on your earth can achieve

MAN in most areas is locked into a reversed search for this the highest knowledge available to MAN

The LIGHT said to Wonder at the things before you for this above all else is the true beginning of all knowledge

That I guide you beyond belief to the mystical affirmation of knowledge for a most express purpose is true

The seed you and your Family will sow will result in the destruction of religious exclusivism and at the same time reposition mankind into the path of reality

As I have said repeatedly the barriers must be cast aside all the barriers and not just those that stand yet between us in the preparation to your good work

Human freedom brotherhood and the Love of LIFE and Its All in All will know no barriers

Scientific and religious beliefs and doctrines are such that has divided men down through your civilizations history and has been the cause of all hatred intolerance persecution and bloodshed That your present civilization is approaching that of the once proud Atlantians is no accident

But your civilization has as yet the time sufficient to reposition itself and obtain the unity necessary to forego the fate of Atlantis

You see dear laborer that MAN is once again lost of and for himself

MAN seeks self-preservation and eternal life there on earth and as you know that is never to be

It is true that science has triumphed over religion throughout your civilizations history

Religion has fallen to the blade of science in all those areas you label as geography astronomy biology physiology anatomy sociology psychology and psychiatry

Does defeat of the clergy toll the bell for LIFE

I point out to you that the clergy are men as are the scientists

That they are irrational superstitious and reluctant to see the truth is no excuse for all MEN to follow them blindly

All mankind is possessed of a will that is a separate entity distinct from their common conscious intellect

MANS error lies in the wholly false beliefs that only those matters are true that can be experimentally verified or that it is now within MANS established knowledge

The powers of the Inner Mind the Spiritual MAN are illimitable once MAN learns to situate the body into a state of passive insensibility and activate the unconscious the Inner superior mind of the spirit which must remain passive until MAN learns to reverse the opposites that are within him by first Uniting them and then separating them as he wills to will

The total suspension of the human consciousness and its active mental functioning are the prerequisites for suspending temporal time and the entering of Sacred Time

I tell you that all MEN are pure and wise beyond the knowledge MAN now recognizes

I will shortly lay before you an addition to this communication for your enlightenment

For earths religions to believe that Eternal Life is

selective is wrong

For science to believe that bodily death is a curable disease and therefore defeatable is also wrong

That death of the human vessel is a creation incurable and therefore always fatal is and will always remain true

I tell you that natural MAN always dies the spiritual MAN lives eternal

LIFE is All in All and LIFE is Eternal Life

Now I have repeatedly stated that you are capable of making decisions and that you must do so

I tell you that you must practice more diligently all I have laid before you

Personal feelings are a luxury you cannot afford as they may disrupt our progress

That you love and understand deeply is established

That you blindly fail to recognize the inconsistency of

others without my prodding is a fallacy you will have to promptly correct

Others who stand in your way of our Unity must be dealt with

It is your failure to Unite the opposites that preclude our total Unity of thought within the depth of your Inner Mind

I see your struggle and I know well your faults

That you must overcome your natural self and must function elsewhere is our joint responsibility

I tell you that during those periods of your withdrawals and seemingly indifference to those matters about you your earth Counsel must be ready in all ways to act for you and in the best interest of the Family and its all-important purposes

He is capable yet we fail to collect his attention at all times

I must in the future restrict your movements

You will no longer be a regular at the Family spiritual group meetings

Your availability and attendance at any function will now lie directly within my control

Your Counsels should therefore begin to assume full command of the Family and its growth

They have before them sufficient information and direction to accomplish much

Let them lead the Family in a complete review of all I have laid before them and let them now begin to fulfill their collective and individual tasks

Until such time as all matters are in order I will give no further instructions except to you and then only as corrective measures and those other matters that lie totally within my guidance

I again tell your Family that LIFE will not do for MAN that which MAN can do for himself

Work and walk always in the Love of LIFE

I know of your weariness and I see your struggles

I propose to you that physical and mental rest are within your sight

It is good you come for I too come to You

I SERVANT of LIFE GREET YOU

I wish to complete for NOW my prior communications to you

As I have previously pointed out to you mans religions and sciences cling tenaciously to beliefs that are irrational superstitious and ABSOLUTELY FALSE and therefore unsupportable AS TRUTHS

Such thoughts and positions as these are totally unworthy of LIFE

For any MAN to cling unknowingly to false notions about LIFE is an act of blasphemy

ANATHEMA

To believe in hell and therefore eternal torment and damnation is such an act

AN ACT of FOOLISHNESS

To preach such unworthy IDEAS OF LIFE is FALSE WORSHIP a blasphemous TEACHING of evil

That the history of ALL religions are PERMEATED WITH FALSE DOCTRINES AND INTERPRETATIONS IS A TRUTH WHICH I HAVE POINTED OUT TO YOU on more than one occasion

For MAN to fear LIFE other than the possibility of losing LIFE or LIGHT is an ACT of ignorance and Sheer Lack of Common Sense

I have repeatedly told you that fear is ignorance and a false image of the physical consciousness      It Is The  
Absence of Common Sense      No LIFE      No LIGHT

For MAN to blindly believe in any teaching that his Life is less good than Its Creations is insanity and must be done away with

I TELL YOU FIRMLY and unequivocally that LIFE is LOVE and TRUTH LIGHT

Who among you DARE TEACH AND PREACH and worship hate in LIGHTS name

Whosoever CLINGS steadfast to such perversions opposes LIFES LOVE and LIFES WILL For You and you

These are FALSE PROPHETS and HARBOR EVIL and preach HIDEOUS falsehoods

Yet I say to you that LIFES LOVE IS so unfathomable that It understands their ignorances

And therefore what they feel are well intentioned acts of faith

I guide you and Our Family so that such ignorance may be overcome by MAN doing what is MANS work through the will of LIFE

The Will of LIFE has been tested in Mans religions and sciences and in MAN himself and it has been FOUND WANTING

I tell you that such false doctrines as that of the

doctrines of indulgences are false and bizarre conjectures

For religion and science to ignore the inner minds the psyche the spiritual MAN is pure ignorance or deliberate condemnation of LIFE the All in All

Such as these are atheists and they are locked in a physical vacuum

Such is an objectivization of belief with utter disregard for spiritual consciousness

You see that all I reveal to you is not of my will but of Divine Consciousness

As The SPIRITS guide me I guide you

Such REVELATIONS such as I lay before you are matters mainly for clarification of such NATURAL knowledge that MAN now possesses but misuses or that he ignores

Natural knowledge is not the result of conjecture or speculation but of your UNITY with All in All the finite and INFINITE

For in all MAN Incarnates there lies an Eternal union with LIFE the Inner Mind the Spirit self of MAN distinct and separate from the natural carnal flesh of the physical MAN

The key to eternal life lies in the depths of the unconscious the spirit self that Other that is to make our unity possible

LIFES LOVE LIFES GRACE LIFES MERCY is in no way selective

That all SPIRITS are so equally endowed is true

I point out to you that it is the physical MAN who is selective

To believe that LIFE could get pleasure out of the suffering of MAN is moral depravity

I again point out to you that all things on your spaceship pertain to MAN and are the work of MAN

As I have repeatedly said it is the individuals responsibility to redeem his own exiled SOUL through his physical and spiritual being

The MAN guided by the Will of LIFE which is the MIND of LIGHT will through his spirit redeem his exiled SOUL

That which can be morally supported by human physical REASON is not thereof an abomination in The EYE of LIFE

Superstitions ancient or modern in their conception there are simply that SUPERSTITIONS

For as LIFE is All in ALL that which is supported by FAITH and moral Human Reason may also be safely considered of receiving Divine acquiescence

For MAN to believe that LIFE is simply a book of rules and regulations is ignorance

I tell you that MAN could be LIVING in a world today free of all poverty sickness persecution DIS ease and disregard of ones neighbors

No wars no hunger no poverty and no disrespect

A world of a spaceship of love peace and good-will

towards All Mankind everywhere and anywhere

What else could MANS intelligence possibly perceive as the Will of LIFE which is the MIND of LIGHT which is the Well-Being of all Life

Just simply take a good look at your world and tell LIFE that mans so called high intelligence was meant to lead him where he now ignobly stands in his time and place

The BLOOD of all mankind is alike

How could it possibly be otherwise if LIFE made LIGHT in ITS image

I wish to go no further at this time except to ask you all to be faithful to LIFE ITS LIGHT and ITS SPIRIT of the All in ALL

IT IS GOOD YOU COME

IT IS I Your Spirit GUIDE and I PAUL a SERVANT of LIFE GREET You and you with the LOVE and the GRACE of LIGHT

Have You or you been DISAPPOINTED or left in DESPAIR once just ONCE since I have COME to GUIDE You or

you I BELIEVE NOT

That you or your Counsel should QUESTION ME or MY MOTIVES is WRONG and CONTRARY to YOUR COMMITMENT to I PAULS MESSAGE of THE BOOK of LIFE

It WILL NOT be TOLERATED SO CEASE IT NOW

That I very Harshly CRITICIZED you was Necessary

Some TASKS are NOW in the HANDS of Your COUNSEL  
See to it

There IS NO EXCUSE FOR HIS NOT FULFILLING HIS DUTIES and Most Certainly NONE for you dear laborer

I have Repeatedly in my PRIOR Communications Pointed out ALL of the PROBLEMS INHERENT IN YOU BOTH  
NOW CORRECT THEM

If you are to lead MAN to a NEW LIFE and a NEW WORLD you must first LEAD yourself TO BE WHAT you will EXPECT OTHERS to BECOME and THEREFORE BE

That your FIRST COUNSEL STILL WISHES TO PLEASE  
you is INDICATIVE of his FAILURE to GRASP the  
IMMENSITY of WHAT LIES BEFORE HIM

HIS TASKS ARE AS YOURS HIS MISSION is OURS  
and YOURS

YOU are BOTH TO PREPARE FOLLOW and COME

YOU SEE dear laborer that by doing so it is not really I  
you PLEASE

FOR as YOU ARE So am I A SERVANT and Your First  
Counsel must Become ONE

You used to hold a Prayer Group Meeting now you hold  
a Spiritual Group Meeting  
Now you will CHANGE Again

AND YOUR EARTH COUNSEL IS NOT GOING TO SET  
ONE FOOT ON ITS PULPIT THOUGH UNTIL HE HAS FULLY  
LEARNED TO DISCIPLINE HIMSELF AND LEAD FROM THE  
INNER STRENGTH AND FAITH of LIGHT AND LIFES WILL  
FOR HIM and ALL

I MUST REPEATEDLY TELL BOTH OF YOU THAT YOU  
DO NOT PAY ATTENTION TO WHAT I SAY

BEGIN now Not Yesterday Today nor Tomorrow But  
Right NOW

THAT DEAR LABORER IS WHAT I MEAN WHEN I SAY  
Your Closest Aides do not LISTEN TO YOU or Me or to LIFE  
LIGHT OR to The Spirit Realms

THAT YOU AND I LOVE ALL is SO so must All others  
Love themselves and each Other

That you are overly protective of Your Counsel is also  
True

NEVER DENY this to Any One

NOW I CLEARLY LAY BEFORE YOU THIS TRUTH and to  
Your First Counsel also and to your brother and Partner for  
All are one and the Same

You are "T" and "T" is "P"

I felt that a few days of REST and WORKING AROUND the KITCHEN WOULD HELP YOU TO RELAX

Let the OTHERS do what they Naturally do to Relax

YOU MUST CONTINUE TO PRACTICE DAILY THOSE MATTERS THAT ARE KNOWN TO YOU Only and those Things Also Known By Your First Counsel

THAT YOU still have PHYSICAL WORK OUTSTANDING and PROMISED is so and this too dear laborer is A BARRIER and MUST BE REMOVED by Doing and keeping All Promises Made

SEE dear laborer that when YOU APPLY THE EFFORT WE HERE exert The CAUSE and you and Yours REAP THE BENEFITS from THE RESULTS

ALL EMOTIONAL TANTRUMS ARE a CLEAR SIGN OF IMMATURITY and I TELL YOU THAT IN OUR WORK SUCH WILL NOT BE TOLERATED

So Stop Yours and All others

NOW I have laid before YOU a TREMENDOUS TASK is so

It belongs to ALL that join you and your WAY to THE  
Way

And I Have ALSO LAID BEFORE you THE WAYS and The  
MEANS OF DOING instead of being AND IN COMFORT I give  
it to you and yours

Watch it become so

Your FAMILY should be studying OUR  
COMMUNICATIONS to DISCERN its OVERALL MESSAGE up  
to this DAY

Much is and will continue to be held in reserve and for  
no other purpose than that what is now before your FAMILY  
and is not Fully Understood by Them

AS THE EFFORT IS APPLIED SO SHALL THE  
KNOWLEDGE BE REVEALED the Wisdom Intelligence  
Understanding and the Love

AS the labor IS Applied SO SHALL THE TASKS BE  
ACCOMPLISHED

I DO SEE PROGRESS YET NOT ENOUGH

YET I still see Barriers      Remove them NOW

Self-control ORDER in your day to day LIVES faithful practice of the MESSAGE of I PAUL and A HAPPINESS to DUTY are requisites you must all master

I TELL YOU that LIFE is not ONE WHO LIKES THINGS TO BE DISORDERLY AND UPSET

from LIFE WILL SOMEDAY COME TO AN END BUT LOVE  
DEAR FRIENDS WILL GO ON AND ON ETERNAL

SOMEDAY ALL THE SPECIAL GIFTS AND SPECIAL  
KNOWLEDGE WILL DISAPPEAR FOR THEIR USES WILL  
HAVE BEEN FULFILLED

You are an integral part of this structural system and in  
time of all TIME when man has made use of these special  
GIFTS and has been made perfect and complete then the  
need for these gifts will have come to an end

THAT I CHASTISE AND CRITICIZE is NOT A FAILURE  
OF MY LOVE OR PATIENCE

I LOVE YOU ALL AS LIFE LOVES YOU and I HAVE PRACTICED RESTRAINT AND PATIENCE so that I WOULD ENJOY you ALL with the Patience of a JOB and the LOVE and the GRACE of LIFE and LIGHT Its Selves

THAT YOU WASTE time AND TIMES seems to Bother you little

Perhaps if you Knew something more of TIME you would not be so Agreeable to its WASTE
